HARPER JAMIE

Exploring Our World Fearon

An all-new middle school program co-authored by National Geographic, *The World and Its People* introduces students to an enriched view of the interrelationships of geography, history, economics, government, citizenship, and current events--in one compelling package. Suitable for World Geography or World Cultures. A strong geographic thread is interwoven with history, government, economics and culture to analyze different regions of the world and issues facing the regions. *The World and Its People* is available as a full survey or Western Hemisphere,

Europe, and Russia and Eastern Hemisphere.

Exploring Our World Fearon Teacher Aids

180 quick activities, one for each day of the school year, practice social studies skills.

World Cultures & Geography, Grades 6-8 Reading Study Guide Eastern Hemisphere McGraw-Hill Education

Reading Essentials and Study Guide (English and Spanish):

Reinforce critical concepts from the text and help students improve their reading-for-information skills with this essential resource, written 2-3 grade levels below the Student Edition

World Cultures and Geography Simon & Schuster Books For Young Readers

World Geography and Cultures delivers what teachers want: a geography program with relevance - why geography is important

and how it relates to their students. This program offers consistent organization of physical geography, cultural geography, and case studies about living in the region that helps students understand the similarities and differences among regions giving them context in which to understand current world events. Includes print student edition
