Ghosts of the Shadow Market

Margaret K. McElderry Books

From #1 New York Times bestselling authors Cassandra Clare and Wesley Chu

comes the second book in the Eldest Curses series and a thrilling new adventure for High Warlock Magnus Bane and Alec Lightwood, for whom a death-defying mission into the heart of evil is not just a job, it's also a romantic getaway. The Lost Book of the White is a Shadowhunters novel. Life is good for Magnus Bane and Alec Lightwood. They're living together in a fabulous loft, their warlock son, Max, has started learning to walk, and the streets of New York are peaceful and quiet—as peaceful and quiet as they ever are, anyway. Until the night that two old acquaintances break into Magnus's apartment and steal

the powerful Book of the White. Now Magnus and Alec will have to drop everything to get it back. They need to follow the thieves to Shanghai, they need to call some backup to accompany them, and they need a babysitter. Also, someone has stabbed Magnus with a strange magical weapon and the wound is glowing, so they have that to worry about too. Fortunately, their backup consists of Clary, Jace, Isabelle, and newly minted Shadowhunter Simon. In Shanghai, they learn that a much darker threat awaits them. Magnus's magic is growing unstable, and if they can't stop the demons flooding into the city, they might have to follow them all the way back to the source—the realm of the dead. Can they stop the threat to the world? Will they make it back home

before their kid completely wears out Alec's mom?

(PAPERBACK VERSION) Finalist in the New Zealand Children & Young Adults Books Awards 2022 Storylines Notable Books 2021 - Non-Fiction Winner #1 NZ Bestseller With 60+ definitions to help improve emotional literacy, *How Do I Feel?*, is all about helping our children learn to recognise and label emotions and feelings. Join Aroha and her friends as they share how different emotions might feel in the body and how each emotion might be helpful. This emotions dictionary is all about helping children find the words for how they truly feel. Learning to recognise and label our emotions correctly is such an important skill for life. Giving our children this

language helps to build emotional literacy. It is a gift to give children the tools to know how to recognise what they truly feel and that it is okay to feel all emotions. When they know that no emotion is 'good' or 'bad' and that all emotions provide messages, then it takes away any attachment to that emotion being part of who they are. We may have experienced this ourselves being labelled 'naughty' or 'out of control' due to feeling angry a lot. However, this behaviour is just a way for a child to communicate. Diving deeper into why they are acting that way, why they may be feeling the things they are, can help us find some answers with our child. It can also help us find ways to help them empower themselves with tools to feel better. Use this book to start

conversations about different emotions. If you can, give examples of things you have experienced. When you see a child experiencing an emotion, help your child label it. "Are you feeling ... right now?" This book can be used with children from 5 years of age up to 100+ as everyone might get something from the book. There are over 200 emotions and so we couldn't include them all in just one book, however, this book is the most extensive book about emotions for children.
