"This chapter in World War II history is a well-kept secret. Make this title a first choice." —School Library Journal STARRED review The story of Holocaust refugees who found shelter in the United States—with unique parallels to today's stories of asylum seekers. In 1944, at the height of World War II, 982 European refugees found a temporary haven at Fort Ontario in Oswego, New York. They were men, women, and children who had spent frightening years one step ahead of Nazi pursuers and death. They spoke nineteen different languages, and, while most of the refugees were Jewish, a number were Catholic, Greek Orthodox, and Protestant Christians. From the time they arrived at the Fort Ontario Emergency Refugee Shelter on August 5 they began re-creating their lives and embarked on the road to becoming American citizens. In the history of World War II and the Holocaust, this "token" save by President Franklin D. Roosevelt and the War Refugee Board was too little and too late for millions. But for those few who reached Oswego it was life changing. The Shelter and the Fence tells their stories.

This beautiful collection of poems meditates on the nature of life, love, and existence in a troubling, often challenging world. Primarily in English with

some Spanish entries, these poems will batter your soul, make you think, and offer you peace after the storm. Each poem comes as a guide, waiting for those longing to be held. Awaking the Divine is a coming-of-age experience expressed through poetry. Some of these lines act as mirrors, reflecting the complexity of our humanity. Others question the nature of our existence in relation to ourselves and our surroundings. Through it all, they meditate on the challenges of finding resilience in an ever-changing world of ideas, culture, and identity.

Perched on an island off the shores of Cornwall, the soaring castle of St Michael's Mount has been home to Fiona St Aubyn's family since 1647. For nearly thirty years, Stanley Ager, one of the most celebrated butlers of the twentieth century, ensured that St Michael's Mount was an impeccable place to live and a gracious and welcoming destination for guests. But you don't need a manor to benefit from Ager's wisdom on running a home gracefully and efficiently. This charmingly illustrated, eminently useful volume offers his important wisdom and techniques.

There comes a time in every girl's life, when she has to choose good or choose bad. Amy Asbury chose bad, hands down. Good meant wallflowers, secretaries and subservient wives. Bad meant power- and a possible escape from a life of secrets. At twelve years old she was trying to make sense of a drug-addicted father and his disturbing behavior. By fifteen she was dealing with horrendous depression, blackouts and rape. At sixteen she was in a mental institution for suicidal tendencies and violent behavior. She knew she could never be normal. The only place for a girl like her was Hollywood. Read the true story of the social ascent (and eventual decline) of a girl in the Sunset Strip music scene of the early 1990's. From crazy parties to glittered junkies and man-eating strippers, Amy has chronicled what life was like back in the days of excess and debauchery. It is not just a fascinating look into an amusing time in pop culture, but also details the mindset of a young woman trying to find confidence and self-worth in a life full of pain and chaos. The party came screeching to a halt when the Grunge movement took over and heroin became more prominent. How far off track can a person go before it's too late?

The bible of grassroots fundraising, updated with the latest tools and methods Fundraising for Social Change is the preeminent guide to securing funding, with a specific focus on progressive nonprofit organizations with budgets under \$5 million. Used by nonprofits nationally and internationally, this book provides a soup-to-nuts prescription for building, maintaining, and expanding an individual donor program. Author Kim Klein is a recognized authority on all aspects of fundraising, and this book distills her decades of expertise into fundraising strategies that work. This updated seventh edition includes new information on the impact of generational change, using social media effectively, multi-channel fundraising, and more, including expanded discussion on retaining donors and on legacy giving. Widely considered the 'bible of grassroots fundraising,' this practically-grounded guide is an invaluable resource for anyone who has to raise money for important causes. A strong, sustainable fundraising strategy must possess certain characteristics. You need people who are willing to ask and realistic goals. You need to gather data and use it to improve results, and you need to translate your ideas in to language donors will understand. A robust individual donor program creates stable and long-term cash flow, and this book shows you how to structure your fundraising appropriately no matter how tight your initial budget. Develop and maintain a large base of individual donors Utilize strategies that pay off sooner rather than later Expand your reach and get your message out to the donor pool Translate traditional fundraising methods into strategies that work for social justice organizations with little or no front money Basing your fundraising strategy on the contributions of individual donors may feel like herding cats—but it's the best way for your organization to maintain maximum freedom to pursue the mission that matters. A robust, organized, planned approach can help you reach your goals sooner, and Fundraising for Social Change is the field guide for putting it all together to make big things happen.

'I'm a HUGE fan of Alison Green's "Ask a Manager" column. This book is even better' Robert Sutton, author of The No Asshole Rule and The Asshole Survival Guide 'Ask A Manager is the book I wish I'd had in my desk drawer when I was starting out (or even, let's be honest, fifteen years in)' - Sarah Knight, New York Times bestselling author of The Life-Changing Magic of Not Giving a F*ck A witty, practical guide to navigating 200 difficult professional conversations Ten years as a workplace advice columnist has taught Alison Green that people avoid awkward conversations in the office because they don't know what to say. Thankfully, Alison does. In this incredibly helpful book, she takes on the tough discussions you may need to have during your career. You'll learn what to say when: · colleagues push their work on you · then take credit for it · you accidentally trash-talk someone in an email and hit 'reply all' · you're being micromanaged · or not being managed at all · your boss seems unhappy with your work · you got too drunk at the Christmas party With sharp, sage advice and candid letters from real-life readers, Ask a Manager will help you successfully navigate the stormy seas of office life.

Through the practice of personal pilgrimage she developed, the author offers readers a tool to explore, contemplate, and reflect upon key midlife issues -- careers, relationships, sexuality, finances, spirituality, body image, mortality, and more. It encourages readers to take the time-out needed when midlife challenges crowd their busy calendars and psyches. Drawing on the insights of people from Plato to Pierre Elliot Trudeau, Hurst introduces each of these concerns with a mini-essay, then asks 10 questions for reflection. Part 2 outlines 12 pilgrimages users can take to work on these issues, for example Abundance point (finances), Artists Cove (relationships), and Career Paths (Career).

The definitive career guide for grad students, adjuncts, post-docs and anyone else eager to get tenure or turn their Ph.D. into their ideal job Each year tens of thousands of students will, after years of hard work and enormous amounts of money, earn their Ph.D. And each year only a small percentage of them will land a job that justifies and rewards their investment. For every comfortably tenured professor or well-paid former academic, there are countless underpaid and overworked adjuncts, and many more who simply give up in frustration. Those who do make it share an important asset that separates them from the pack: they have a plan. They understand exactly what they need to do to set themselves up for success. They know what really moves the needle in academic job searches, how to avoid the all-too-common mistakes that sink so many of their peers, and how to decide when to point their Ph.D. toward other, non-academic options. Karen Kelsky has made it her mission to help readers join the select few who get the most out of their Ph.D. As a former tenured professor and department head who oversaw numerous academic job searches, she knows from experience exactly what gets an academic applicant a job. And as the creator of the popular and widely respected advice site The Professor is In, she has helped countless Ph.D.'s turn themselves into stronger applicants and land their dream careers. Now, for the first time ever, Karen has poured all her best advice into a single handy guide that addresses the most important issues facing any Ph.D., including: -When, where, and what to publish - Writing a foolproof grant application -Cultivating references and crafting the perfect CV -Acing the job talk and campus interview -Avoiding the adjunct trap -Making the leap to nonacademic work, when the time is right The Professor Is In addresses all of these issues, and many more.

Losing a job is one of the most devastating events one can experience. For trauma, it ranks up there with divorce, loss of a loved one, or permanent personal injury, and it happens more often than one would think. According to the Bureau of Labor Statistics, approximately 50,000 workers are fired or laid off each day. That is over 18,000,000 workers each year. Moving Forward in Mid-Career is a guide for workers who have been fired or laid off and are in process of rebuilding not only their careers, but also their personal identities independent of a job title. The main objectives of Moving Forward are: To address challenges that are unique to the mid-career job seekers, such as perceptions of overqualification and the need to keep with advances in technology To provide support and encouragement for workers who are in process of rebuilding their careers as individual contributors, as employees of small businesses or large corporations, or as founders/owners of a new business. To provide job hunting rules for workers reentering the workplace. To provide guidelines for staying up to date on competitive skills demanded by today's workplace. To provide practical information for rebuilding wealth. By addressing the many aspects of job loss and job search, Moving Forward provides solutions for dealing with the challenges encountered at each stage of the rebuilding process, from the initial shock and humiliation to the difficult but rewarding task of rebuilding persona and seeking new employment opportunities.

The letters of the four Gaskell daughters open a door into the social and cultural lives of a well-connected middle-class Victorian family. Events that impinged on the lives and the letters of these women include the Indian Mutiny, the assassination of Lincoln, the Franco-Prussian War, the Boer Wars and Fenian agitation. They witnessed the effects in England of the American Civil War, and engaged in the religious controversies of the day. They take a close interest in the impact of Darwin's discoveries, discuss the latest news, Ruskin's lectures on Venice, the Pre-Raphaelites, and what it is like to play Beethoven's piano pieces under Sir Charles Halle's tuition. They also shed light on the network of Unitarian friends and scholars who undertook the stewardship of Elizabeth Gaskell's writing. This richly annotated edition will appeal to anyone interested in Transatlantic relations, in Mrs Gaskell, in women's networking, in Victorian ideas and social life, and in the intellectual culture of dissenting circles.

Each and every day teachers show up in their classrooms with a relentless sense of optimism. Despite the complicated challenges of schools, they come to and remain in the profession inspired by a conviction that through education they can move individuals and society to a more promising future. In *Teaching with Heart: Poetry that Speaks to the Courage to Teach* a diverse group of ninety teachers describe the complex of emotions and experiences of the teaching life – joy, outrage, heartbreak, hope, commitment and dedication. Each heartfelt commentary is paired with a cherished poem selected by the teacher. The contributors represent a broad array of educators: K-12 teachers, principals, superintendents, college professors, as well as many non-traditional teachers. They range from first year teachers to mid-career veterans to those who have retired after decades in the classroom. They come from inner-city, suburban, charter and private schools. The teachers identified an eclectic collection of poems and poets from Emily Dickinson, to Richard Wright, to Mary Oliver to the rapper Tupac Shakur. It is a book by teachers and for all who teach. The book also includes a poignant Foreword by Parker J. Palmer (*The Courage to Teach*), a stirring Introduction by Taylor Mali (*What Teachers Make*), and a moving Afterword by Sarah Brown Wessling (*Teaching Channel*). Where *Teaching with Fire* honored and celebrated the work of teachers; *Teaching with Heart* salutes the tenacious and relentless optimism of teachers and their belief that despite the many challenges and obstacles of the teaching life, much is possible.
