BABY BOOM A suitable
wife? Emma Trent had

spent most of her life
looking after other
people, so it was a
shock to encounter a
man so determined to
take care of her—Sir
Paul Wyatt was fast
becoming her very own

guardian angel! She was hardly in a position to turn down his proposal of marriage, even if it was motivated by convenience on his part. With her plain looks and practical nature, Emma knew her limitations, but longed for children of her own. Could the eminent surgeon be the answer to all her dreams? "Ms. Neels will capture readers' hearts." —Romantic Times BABY BOOM. Where's two company...and three's a family!
Hot Rod Horsepower Handbook Inst Foreign Policy Analysis
The heart of every hot rod and muscle car is its engine - and the one to have, the most powerful performance engine on the planet, is the big-block Chevy

V-8. Tapping into the know-how at Hot Rod magazine, this book offers illustrated, step-by-step instructions for building a big-block Chevy V-8-from grinding valves and selecting headers to shot-peening pistons and putting together winning head and intake combinations. At Hot Rod magazine, there is no such thing as too much horsepower, but the editors and experts are willing to test that limit - and, with this book, to take big-block Chevy fans along for the ride.

 Lost Tycoon presents
 an unvarnished, in-
 depth portrayal of the
 man who vows to
 "Make America Great
 Again." Although it was
 first published in 1993,
 Lost Tycoon shows us
 that The Donald's
 personal character,
 political philosophy,
 business ethics, and
 attitude towards
 women haven't
 changed much in the
 past two
 decades. Trump is a
 man of many lives, and

many wives. He is
 arguably the greatest
 self-promoter in the
 annals of American
 business. After
 inheriting a fortune, he
 made and lost billions
 in real estate and
 casino gambling, rising
 phoenix-like from his
 own ashes. He is a
 reality television show
 star, a father, a
 grandfather, and an
 alleged rapist. In
 Hollywood terms, he
 has literally been the
 producer and director
 of his own biopic--a
 real life "Citizen Kane,"
 whose father
 hammered the same
 lines into his head
 when was a little boy:
 "You are a killer . . .
 you are a king . . . you
 are a killer . . . you
 are a king." Harry Hurt
 has created a cinema
 verité-style narrative
 that allows the words
 and actions of the

principals to speak for themselves. It is indisputable that Donald's exploits in business, entertainment, and politics prove that he is--to borrow a metaphor from Fred Trump Sr.--"a killer." Reading this important biography about the real Donald Trump will help you to make an informed and engaged choice as to whether he is worthy of being "king."

Primedia Business Directories & Books
Read along with Disney! When Bob tells the pups they're going to help out at the local pet adoption event, Adopt-a-palooza, Bingo and Rolly can't wait to go. But when an energetic little puppy runs away, Bingo and Rolly make it their mission to bring him

back....and then help him find the perfect pet owner to call his own!

PHP & MySQL: The Missing Manual

Haynes Manuals N. America, Incorporated White Van Man' is a larger-than-life presence on Britain's road, but he's no fool. Given the choice, he inevitably opts for a Ford Transit...and indeed he has been doing so, more than for any other van, for the past 45-plus years. Why? Because the Transit better suits the needs of working drivers than anything else around.

If you can build websites with CSS and JavaScript, this book takes you to the next level—creating dynamic, database-driven websites with PHP and MySQL. Learn how to build a database, manage your content, and interact with users. With step-by-step tutorials, this completely revised edition gets you started with expanded coverage of the basics and takes you deeper into the world of server-side programming. The important stuff you need to know: Get up to speed quickly. Learn how to install PHP and MySQL, and get them running on both your computer and a remote server. Gain new techniques. Take advantage of the all-

new chapter on integrating PHP with HTML web pages. Manage your content. Use the file system to access user data, including images and other binary files. Make it dynamic. Create pages that change with each new viewing. Build a good database. Use MySQL to store user information and other data. Keep your site working. Master the tools for fixing things that go wrong. Control operations. Create an administrative interface to oversee your site. *Influence and Confluence* "O'Reilly Media, Inc." Your students join Lola Lago, a private detective in Madrid, as she investigates the theft of jewelry from dona Gracia. And no

one can find Maria!
This 10-episode
"whodunit" is easily
comprehensible to
first-year Spanish
students. It is
recommended that
students begin viewing
the video in the middle
of the first year. Filmed
in Madrid, each
episode is
approximately eight
minutes in length. The
VHS package contains
5 cassettes and the
DVD package contains
2 discs. Each package
includes the Teacher's
Video Guide with
videoscritps and
teaching suggestions.
The activities in the
Eres tu, Maria? Video
Workbook are different
than those in the
REALIDADES B or 1
Student Edition.
The Official Air Brake
Handbook Motor
Information Systems
For almost two

thousand years, there
have been countless
books written about
our Lord; books by the
authors of the four
Gospels and the early
church fathers, which
tell of his words, his
actions, and his
miracles; books which
tell of how he changed
the lives of the authors
and how he continues
to change lives of their
readers; and books
which build on what he
said and did called
historical novels. I
guess that this little
short story is one of
those. What If Jesus
Did Have a Dog? One
night, when I couldn't
sleep, a very strange
thought came to me.
For some reason, I
began to wonder,
whether or not, Jesus
may have had a dog.
I've had a number of
wonderful dogs in my
life, and I can't think of

a better pet, or a more loving friend. I once saw a comment written on a wall that said, "God spelled backwards is still your best friend." Dogs, like God himself, love unconditionally. And like God, they are always ready to forgive us. Even many centuries ago, dogs were held in great esteem by many people. The wealthy and powerful kept dogs mostly for protection, but ordinary people believed that dogs could be wonderful helpers and companions, as well as dear friends. This is a story about the birth of Jesus and the dog that he may have had.

Learn to fully repair

and restore Chevrolet's

most popular truck in

this long-awaited new

restoration guide.

When Chevy released

its second-generation

C/K pickup trucks,

dubbed the "Action

Line," it was apparent

that many changes

over the previous

generation had been

employed. Not only did

the truck have a

simpler, more clean-

cut look but this was

also the beginning of

an era where modern

creature comforts that

we often take for

granted started

appearing into the

good old Chevy

workhorse. Power

steering, power brakes,

more powerful engines,

a smoother riding coil

rear suspension,

automatic

transmissions, and

independent front

suspension all led to

what was the most

drivable of any Chevy

trucks to this point.

Back then and today, this generation of Chevy truck is almost universally considered the most popular. Aftermarket parts availability and auction prices support that assertion. In *How to Restore Your Chevy Truck: 1967-1972*, veteran author Kevin Whipps shows you how to inspect, assess, and accurately budget your restoration project. You are then taken through each major portion of truck restoration, including the engine, suspension, chassis, bodywork, paint, brakes, steering, transmission, driveline, electrical system, interior, and more. Each section shows practical, real world repair and restoration in general and step-by-step formats. After all of these years of hard

use and exposure to harsh conditions, most of these trucks are in need of some serious work. Chevy/GMC trucks are extremely popular as stock restorations, fast street trucks, and off-road-duty trucks. But before you can build a specialty truck, you need to have a solid, reliable, restored truck. This book provides the invaluable information and step-by-step instruction to return these trucks to their original glory.

A Woman Perfected
The American Political Tradition is one of the most influential and widely read historical volumes of our time. First published in 1948, its elegance, passion, and iconoclastic erudition laid the groundwork for a totally new

understanding of the American past. By writing a "kind of intellectual history of the assumptions behind American politics," Richard Hofstadter changed the way Americans understand the relationship between power and ideas in their national experience. Like only a handful of American historians before him—Frederick Jackson Turner and Charles A. Beard are examples—Hofstadter was able to articulate, in a single work, a historical vision that inspired and shaped an entire generation.
