Tienes entre las manos dos textos teatrales en los que los protagonistas son jóvenes como los posibles actores y actrices. Obras que aspiran a subir a los escenarios de institutos o centros culturales para dar voz y gesto a unos personajes que se sienten diferentes y que piden comprensión, personajes tal vez poéticos, tal vez extraños.

Don't Tell Alfred is the wickedly funny sequel to Nancy Mitford's *The Pursuit of Love* and *Love in a Cold Climate*. 'I believe it would have been normal for me to have paid a visit to the outgoing ambassadress. However the said ambassadress had set up such an uninhibited wail when she knew she was to leave, proclaiming her misery to all and sundry and refusing so furiously to look on the bright side, that it was felt she might not be very nice to me.' Fanny is married to absent-minded Oxford

don Alfred and content with her role as a plain, tweedy housewife. But overnight her life changes when Alfred is appointed English Ambassador to Paris. In the blink of an eye, Fanny's mixing with royalty, Rothschilds and Dior-clad wives, throwing cocktail parties and having every indiscreet remark printed in tomorrow's papers. But with the love lives of her new friends to organize, an aristocratic squatter who won't budge and the antics of her maverick sons to thwart, Fanny's far too busy to worry about the diplomatic crisis looming on the horizon. . . Don't Tell Alfred continues the histories of the characters Nancy Mitford introduced in *The Pursuit of Love*. 'A comic genius' Independent on Sunday 'Deliciously funny' Evelyn Waugh

and playwright hits the open road for a searing novel-in-letters about a street kid on a highstakes trek across America. For a runaway boy who goes by the name "Punkzilla," kicking a meth habit and a life of petty crime in Portland, Oregon, is a prelude to a mission: reconnecting with his older brother, a gay man dying of cancer in Memphis. Against a backdrop of seedy motels, dicey bus stations, and hitched rides, the desperate fourteen-year-old meets a colorful, sometimes dangerous cast of characters. And in letters to his sibling, he catalogs them all -- from an abusive stranger and a ghostly girl to a kind transsexual and an old woman with an oozing eye. The language is raw and revealing, crackling with visceral details and dark humor, yet with each interstate exit Punkzilla's journey grows more urgent: will he make it to Tennessee in time? This daring novel offers a narrative worthy of Kerouac and a keen insight into the power of chance encounters.

Comedias Oxford University Press, USA

On a normal Wednesday afternoon, Judge Scott Sampson is preparing to pick up his six-year-old twins for their weekly swim. His wife Alison texts him with a change of plan: she has to take them to

the doctor instead. So Scott heads home early. But when Alison arrives back later, she is alone - no Sam, no Emma - and denies any knowledge of the text . . . The phone then rings: an anonymous voice tells them that the Judge must do exactly what he is told in an upcoming drug case and, most importantly, they must 'say nothing'. So begins this powerful, tense breakout thriller about a close-knit young family plunged into unimaginable horror. As a twisting game of cat and mouse ensues, they know that one false move could lose them their children for ever. Hugely suspenseful - with its fascinating insight into the US judicial system and its politics of influence and nepotism - Say Nothing is, above all, the poignant story of the terror these parents face, and their stop-at-nothing compulsion to get their children back.

This is a compelling, introspective account of the life of Isabella Tanikumi, who takes her readers on a journey through various phases of her remarkable life- from her family's survival during the devastating earthquake of 1970 in Huaraz, Peru, to the trials of overcoming heartbreaks of her youth. Conquering personal insecurities led to exploring the reaches of her intellect while facing the tragic, and untimely death of her beloved sister, Laura. Despite language barriers and the consequent obstacles of fitting in, Tanikumi wittily narrates her struggles with her assimilation into American life and culture. Forging many enduring friendships most notably with Julie, who rescued her from the depths of grief. Tanikumi also interweaves a dialogue

with her long lost love Eduardo. This novel tacitly and expressly addresses Eduardo as a salient recipient of her reflections. Ultimately, Tanikumi is able to share her gratitude and joy as well as her insatiable thirst for life

Cuando Alfred es nombrado embajador en París, su mujer, Fanny, se convertirá en la encargada de manejar los asuntos cotidianos de la embajada. De repente se verá alternando con la aristocracia y lo más granado de la sociedad parisina, dando cócteles y cenas, y contemplando asombrada como cada nimio detalle de su vida es aireado en los periódicos. Por si fuera poco, tendrá que mediar en los asuntos sentimentales de sus amigos y encauzar a sus indómitos hijos, cuyos modernos estilos de vida - uno es teddy boy y otro hippie- no termina de comprender. Además, parece que una crisis diplomática está a punto de estallar, dejando claro que la vida en una embajada es todo menos aburrida. En *No se lo digas a Alfred*, Nancy Mitford combina personajes nuevos con otros que ya aparecían en *A la caza del amor* y *Amor en clima frío* y nos ofrece una despiadada sátira de los círculos parisinos más exclusivos así como de las siempre ambiguas relaciones entre Inglaterra y Francia. Sus mordaces diálogos y su

extraordinaria capacidad para modelar personajes le permiten ofrecer al lector una sutil y divertidísima novela. «Mitford derrocha ingenio y sentido del humor.» Fernando Castanedo (El País) «Con higiénica inteligencia, Mitford se ríe de un mundo anclado en valores y gestos de otra época.» Adolfo Torrecilla (La Gaceta de los Negocios) «Una vez leído un libro de Nancy Mitford es imposible escapar al embrujo que su prosa provoca en el degustador de un mundo que acaso ya no existe.» Ricardo Menéndez Salmón «Deliciosamente divertida.» Evelyn Waugh «Nancy Mitford es uno de esos lujos literarios que ya no se estilan.» Miguel Sánchez-Ostiz «El arte de Nancy Mitford en su mejor momento es tan fino, tan maravillosamente reluciente de ingenio y alegría que constituye un estilo por sí mismo.» New Republic

Viewing contemporary Latin American films through the lens of queer studies reveals that many filmmakers are exploring issues of gender identity and sexual difference, as

well as the homophobia that attempts to defeat any challenge to the heterosexual norms of patriarchal culture. In this study of queer issues in Latin American cinema, David William Foster offers highly perceptive queer readings of fourteen key films to demonstrate how these cultural products promote the principles of an antiheterosexist stance while they simultaneously disclose how homophobia enforces the norms of heterosexuality. Foster examines each film in terms of the ideology of its narrative discourse, whether homoerotic desire or a critique of patriarchal heterosexism and its implications for Latin American social life and human rights. His analyses underscore the difficulties involved in constructing a coherent and convincing treatment of the complex issues involved in critiquing the patriarchy from perspectives associated with queer studies. The book will be essential reading for everyone working in queer studies and film studies. The films discussed in this book are: *De eso no se habla* (I Don't Want to Talk about It) *El lugar sin límites* (The Place without

Limits)Aqueles dois (Those Two)Convivencia (Living Together)Conducta impropia (Improper Conduct)The Disappearance of García LorcaLa Virgen de los	Sicarios (Our Lady of the Assassins)Doña Herlinda y su hijo (Doña Herlinda and Her Son)No se lo digas a nadie (Don't Tell Anyone)En el paraíso no existe el dolor (There Is	No Suffering in Paradise)A intrusa (The Interloper)Plata quemada (Burnt Money)Afrodita (Aphrodite)Fresa y chocolate (Strawberry and Chocolate)
