The Law Journal for the Year 1832-1949
 Good Press
 "Law professors with a strong commitment to liberty and the Constitution are all too rare. That's right, I said it. Randy Barnett has walked the walk as well as talked the talk. In this book, he shows how it's done."
 —Mark Levin, author of *Liberty and Tyranny: A Conservative Manifesto* "Randy Barnett is in a category by himself. His pioneering contrarianism made it acceptable to believe that the Court should side with liberty against encroachments by both state and federal government." —Rand Paul, US Senator (R-

KY), author of *The Case Against Socialism* From prosecuting murderers in Chicago, to arguing before the Supreme Court, to authoring more than a dozen books, Georgetown University law professor Randy Barnett has played an integral role in the rise of originalism—the movement to identify, restore, and defend the original meaning of the Constitution. Thanks in part to his efforts, by 2018 a majority of sitting Supreme Court justices self-identified as “originalists.” After writing seminal books on libertarianism and contract law, Barnett pivoted to constitutional law. His mission to restore “the lost Constitution” took him from the schoolhouse to the courthouse, where he argued the medical marijuana case of *Gonzales v. Raich* in the Supreme Court—a case now taught to every law student.

Later, he devised and spearheaded the constitutional challenge to Obamacare. All this earned him major profiles in such publications as the *Washington Post*, *Wall Street Journal*, and *New York Times*. Now he recounts his compelling journey from a working-class kid in Calumet City, Illinois to “Washington Power Breaker,” as the *Congressional Quarterly Weekly* called him. In *A Life for Liberty*, Barnett writes candidly about his career strategies, and how he overcame his outsider status, his insecurities, and the mistakes he made along the way. The engaging story of his rise from obscurity to one of the most influential thinkers in America is an inspiring how-to guide for anyone seeking real-world advancement of justice and liberty for all.
Young Hearts SAGE Publications

Sunny used her counseling experience to handle the grief from the sudden death of her son, Nick, at age twenty-six, by writing in a journal. Numerous unexplainable incidents immediately occurred following Nick's death, not only to Sunny, but to family members and friends. I Have a Nick Story became the mantra for those incidents when shared with one another. God has allowed Nick to communicate through various astonishing means. Sunny believes she should not be the only one receiving such examples of God's goodness. She decided to share Nick's stories of his love for her, for his family, and for his friends with interested readers. Towards the end of the twelfth century, powerful images of laughing kings and

saints began to appear in texts circulating at the English royal court. At the same time, contemporaries began celebrating the wit, humour, and laughter of King Henry II (r.1154-89) and his martyred Archbishop of Canterbury, Saint Thomas Becket (d.1170). Taking a broad genealogical approach, *Laughter and Power in the Twelfth Century* traces the emergence of this powerful laughter through an immersive study of medieval intellectual, literary, social, religious, and political debates. Focusing on a cultural renaissance in England, the study situates laughter at the heart of the defining transformations of the second half of the 1100s. With an expansive survey of theological and literary texts, bringing a range of unedited manuscript material to light in the process, Peter J. A. Jones exposes how twelfth-century writers came to connect laughter with spiritual transcendence and justice, and how this connection gave humour a unique political and spiritual power in both text and action. Ultimately, Jones argues that England's popular images of laughing kings and saints effectively reinstated a sublime charismatic authority, something truly rebellious at a moment in history when bureaucracy and codification were first coming to dominate European political life.

With its mix of family drama, sex and violence, Britain's Tudor dynasty (1485-1603) has long excited the interest of filmmakers and moviegoers. Since the birth of movie-making technology, the lives and times of kings Henry VII, Henry VIII, and Edward VI and queens Mary I, Jane Grey and Elizabeth I have remained popular cinematic themes. From 1895's *The Execution of Mary Stuart* to 2011's *Anonymous*, this comprehensive filmography chronicles every known movie about the Tudor era, including feature films; made-for-television films, mini-series, and series; documentaries; animated films; and shorts. From royal biographies to period pieces to modern movies with flashbacks or time travel, this work reveals how these films both convey the attitudes of Tudor times and reflect the era in which they were made. [The Collected Works](#) Penguin

Catherine Stubin was already looking for a way out of strait-laced Louisville, Kentucky when a handsome, charismatic Irishman walked into her family's Thanksgiving dinner party. She was thrilled at first sight. Alone, desolate, and weary of 1870s aristocracy, it was easy for Catherine to see Patrick Callaway as a gallant rescuer. He quickly swept her off her feet and onto a night train with promises of a grand adventure and new life in the West. Enthralled and excited by an impetuous elopement on the newly completed Transcontinental Railroad, she had no idea what really lay ahead, and would never have expected Patrick to disappear shortly after their arrival in the hardscrabble town of Eagle Rock. Far from the love story she'd expected, Catherine would have to find her place among boisterous cowboys, territorial ranchers, hard-living rail workers, stalwart Native Americans, and Mormon settlers. Calling on all the strength, determination, and ingenuity she could muster, she would either join real-life pioneers and visionaries in shaping the late-19th century American West, or return to a life she had come to despise. Chapter notes in each book of the Eagle Rock Trilogy provide the historical context and setting for the characters, culture, and such events as the introduction of irrigation canals so important to present Idaho's economy, construction of the

Union Pacific Railroad lines rife with scams and cutthroat skullduggery, and the early western Feminist movement — all of which did unfold in and around this small railroad town.

Typically pioneers settling the western United States all faced similar challenges. This book is no exception. This is a story of one group of people thrown together for safety, and personal enrichment. From Lizzie, the old horse women to Talking Wolf the educated Indian you will travel along as they face dangers and form lasting bonds. John Dunn and his horses are the main binding for a group of misfits

that believe in God, family, and country. Follow along on each adventure that includes their joining this group. From Ireland to Charlestown, to Indiana Territory, South through the Natches Trace, across the Mississippi River, then into the country of Mexico, this groups challenges shows the reader what the wagon trail was like.

Shadow King Down East Books

The Complete Works of Arnold Bennett showcases the prolific and diverse writing of the renowned author. Known for his realistic portrayals of British industrial society in the late 19th and early 20th centuries, Bennett's work often delves into the themes of class dynamics, ambition, and personal growth. His writing style combines keen observations with a straightforward narrative approach, making his novels both accessible and thought-provoking. Readers can expect a rich literary experience that captures the essence of the changing social landscape of the time. Arnold Bennett's own life experiences, growing up in the Potteries region of Staffordshire, England, greatly influenced his writing. His firsthand knowledge of the working-class struggles and aspirations permeates his work, adding depth and authenticity to his characters and their dilemmas. Bennett's ability to depict the human condition with empathy and insight sets his work apart in the literary canon. I highly recommend The Complete Works of Arnold Bennett to readers interested in exploring the complexities of British society during the Industrial Revolution. Bennett's timeless themes and engaging storytelling continue to resonate with contemporary audiences, offering valuable insights into the universal struggles of the human experience.

The Works of William Shakespeare: Shakespeare as a playwright, by Henry Irving. Love's labour's lost. The comedy of errors. Two gentlemen of Verona. Romeo and Juliet. A historical novel of the legendary Eleanor of Aquitaine and the one person she loved more than power-her rival for the throne. At only nine, Princess Alais of France is sent to live in England until she is of age to wed Prince Richard, son of King Henry II

and Queen Eleanor of Aquitaine. Alais is an innocent pawn on the chessboard of dynastic marriage, her betrothal intended to broker an uneasy truce between the nations. Estranged from her husband, Eleanor sees a kindred spirit in this determined young girl. She embraces Alais as a daughter, teaching the princess what it takes to be a woman of power in a world of men. But as Alais grows to maturity and develops ambitions of her own, Eleanor begins to see her as a threat-and their love for each other becomes overshadowed by their bitter rivalry, dark betrayals, conflicting passions, and a battle for revenge over the throne of England itself.

We Once Met by Chance: Four Life Stories During the American Civil War follows four peoples lives during the American Civil War John S. Mosby, Charles Russell Lowell, Laura Ratcliffe, and James Robinson. Col. John S. Mosby was a Confederate officer from Virginia, assigned to lead guerrilla activities outside the city of Washington. His mission was to keep the Union soldiers stationed there rather than fighting in the field against the army of Northern Virginia under General Robert E. Lee. Charles Russell Lowell of Massachusetts was a Harvard graduate from a prominent abolitionist family. He joined the Union army, eventually becoming the colonel of the Second Massachusetts Cavalry. He was sent to Virginia to capture or kill Mosby. Laura Ratcliffe was a young Southern lady living in Northern Virginia. She supported her home state of Virginia during the war in any way she could, including spying for Colonel Mosby. James Robinson was an African-American man living with his family in Manassas, Virginia. The land that he owned and lived on would become the central part of the battleground for two of the major battles during the war. We Once Met by Chance is the story of the Civil War from the perspective of these four individuals. Readers learn about their lives, their families, and their aspirations during these tumultuous four years in American history.

After Dennis Campbell has a tragic accident that leaves him hospitalized for a month and his son dead, he has horrifying dreams. He visualizes a place called Dead World and sees his son pleading at the dark gates. Dennis, who has suffered a recent divorce, decides to buy a house in the country and start a new life. He begins to hear strange noises and witnesses apparitions. The haunting continues until one night, Dennis discovers a secret room in his basement and another world through the concrete wall. With the help from his friend, Henry Murphy, they enter into a whole new world. It is in this dark and dangerous place, their mission begins. But the clock is ticking. They have ten days to complete their journey or they are stuck in Dead World forever.
