THE NEW YORK TIMES BESTSELLER | NAMED ONE OF THE BEST COOKBOOKS OF THE YEAR BY TASTE OF HOME A thoroughly modern guide to becoming a smarter, faster, more creative cook from Molly Baz, featuring fun, flavourful recipes anyone can make. If you seek out, celebrate and obsess over good food but lack the skills and confidence necessary to make it at home, you've just won a ticket to a life filled with supreme deliciousness. *Cook This Book* is a new kind of foundational cookbook from Molly Baz, who's here to teach you absolutely everything she knows and equip you with the tools to become a better, less stressed, more efficient cook. Molly breaks the essentials of cooking down to clear and uncomplicated recipes that deliver big flavour with little effort and a side of education, including dishes like Pastrami Roast Chicken with Schmaltzy Onions and Dill, Chorizo and Chickpea Carbonara, and, of course, her signature Cae Sal. But this is not your average cookbook. More than a collection of recipes, *Cook This Book* teaches you the invaluable superpower of improvisation through visually compelling lessons on such topics as the importance of salt and how to balance flavour, giving you all the tools necessary to make food that tastes great every time. Throughout, you'll encounter dozens of QR codes, accessed through the camera app on your smartphone, that link to short, technique-driven videos hosted by Molly to help illuminate some of the trickier skills. As Molly says, 'Cooking is really fun, I swear. You simply need to set yourself up for success to truly enjoy it.' *Cook This Book* will help you do just that, inspiring a new generation to find joy in the kitchen and take pride in putting a home-cooked meal on the table, all with the unbridled fun and spirit that only Molly could inspire.

**Romantic Escapes in the Caribbean** Penguin UK

Updated, with new research and over 100 revisions Ten years later, they're still talking about the weather! Kate Fox, the social anthropologist who put the quirks and hidden conditions of the English under a microscope, is back with more biting insights about the nature of Englishness. This updated and revised edition of *Watching the English* - which over the last decade has become the unofficial guidebook to the English national character - features new and fresh insights on the unwritten rules and foibles of "squaddies," bikers, horse-riders, and more. Fox revisits a strange and fascinating culture, governed by complex sets of unspoken rules and bizarre codes of behavior. She demystifies the peculiar cultural rules that baffle us: the rules of weather-speak. The ironic-gnome rule. The reflex apology rule. The paranoid pantomime rule. Class anxiety tests. The roots of English self-mockery and many more. An international bestseller, *Watching the English* is a biting, affectionate, insightful and often hilarious look at the English and their society.

**New York Magazine** Hunter Publishing, Inc

"The queen of beach reads" (New York Magazine) and #1 New York Times bestselling author delivers an immensely satisfying page-turner in this tale about a summer of scandal at a storied Nantucket hotel. Fresh off a bad breakup with a longtime boyfriend, Nantucket sweetheart Lizbet Keaton is desperately seeking a second act. When she's named the new general manager of the Hotel Nantucket, a once Gilded Age gem turned abandoned eyesore, she hopes that her local expertise and charismatic staff can win the favor of their new London billionaire owner, Xavier Darling, as well as that of Shelly Carpenter, the wildly popular Instagram tastemaker who can help put them back on the map. And while the Hotel Nantucket appears to be a blissful paradise, complete with a celebrity chef-run restaurant and an idyllic wellness center, there's a lot of drama behind closed doors. The staff (and guests) have complicated pasts, and the hotel can't seem to overcome the bad reputation it earned in 1922 when a tragic fire killed nineteen-year-old chambermaid Grace Hadley. With Grace gleefully haunting the halls, a staff harboring all kinds of secrets, and Lizbet's own romantic uncertainty, is the Hotel Nantucket destined for success or doom? Filled with the emotional depth and multiple points of view that characterize Hilderbrand's novels (*The Blue Bistro*, *Golden Girl*) as well as an added dash of Roaring Twenties history, *The Hotel Nantucket* offers something for everyone in this compelling summer drama.

**Cravings** The Floating Press

Learn the language of Nebraska . . . and 49 other states With more entries than any other reference of its kind, McGraw-Hill's *Dictionary of American Idioms and Phrasal Verbs* shows you how American English is spoken today. You will find commonly used phrasal verbs, idiomatic expressions,

proverbial expressions, and clichés. The dictionary contains more than 24,000 entries, each defined and followed by one or two example sentences. It also includes a Phrase-Finder Index with more than 60,000 entries.

#### New York Crown

LONGLISTED FOR THE WILLIAM HILL SPORTS BOOK OF THE YEAR PRIZE 'Terrific fun' David Walsh, Sunday Times \*\* 'Thoroughly engaging' Washington Post A frank and revealing biography of legendary golf champion Phil Mickelson - who has led a big, controversial life - as reported by longtime Sports Illustrated writer and bestselling author Alan Shipnuck. Phil Mickelson is one of the most compelling figures in sports. For more than three decades he has been among the best golfers in the world, and his unmatched longevity was exemplified at the 2021 PGA Championship, when Mickelson, on the cusp of turning fifty-one, became the oldest player in history to win a major championship. In this raw and unauthorised biography, Shipnuck captures a singular life defined by thrilling victories, crushing defeats and countless controversies. Mickelson is a multi-faceted character, and all his warring impulses are on display in these pages: he is a smart-ass who built an empire on being the consummate professional; a loving husband dogged by salacious rumours; a high-stakes gambler who knows the house always wins but can't tear himself away. Mickelson's career and public image have been defined by the contrast with his lifelong rival, Tiger Woods. Where Woods is robotic and reticent, Mickelson is affable and extroverted, an incorrigible showman. In their early years together on Tour, Mickelson lacked Tiger's laser focus and discipline, yet as Tiger's career has been curtailed by scandal, addiction and a broken body, Phil sails on, still relevant on the golf course and in the marketplace. Phil is the perfect marriage of subject and author. Shipnuck delivers numerous revelations, from the true scale of Mickelson's massive gambling losses to the secretive backstory of the Saudi golf league that Mickelson championed. But Phil also celebrates Mickelson's random acts of kindness and generosity of spirit, to which friends and strangers alike can attest. Shipnuck has covered Mickelson for his entire career, allowing him to take readers inside the ropes with a thrilling immediacy and intimacy. The result is the juiciest and liveliest golf book in years - full of heart, humour and unexpected turns.

What is a Californionian? What was waiting by the door that night? What possessed us to adopt two puppies at once? How is playing the piano like ice skating? Why stay in Oregon when it rains all the time and the family is still back in California? Find the answers to these and other questions in these posts selected from ten years of the Unleashed in Oregon blog. Chapters will look at the glamorous life of a writer and the equally glamorous life of a musician, true stories from a whiny traveler, being the sole human occupant of a house in the woods, and dogs, so much about dogs.

**Harriet Martineau's Autobiography** Simon and Schuster

The most forward-looking spaces designed for rustic living in the twenty-first century. Across the globe, architects are creating innovative houses for country living, reimagining the way we escape into the natural world. Some combine industrial materials like metal and concrete with traditional wood. Others create sophisticated essays in off-grid living, employing the most technologically ambitious green-living strategies. Still others place discreet structures on remote, almost-unbuildable locations. This unique volume profiles new and recent projects that illustrate the inexhaustible potential of the modern house to enter into a dialogue with nature in sustainable yet stylish ways. The collection spans the globe, from the Pacific Northwest to the forests of Japan. Today's architectural vanguard is represented, as well as established architects working at the forefront of twenty-first-century design, including Bohlin Cywinski Jackson, Rick Joy, Olson Kundig, and Marcio Kogan. These rustic retreats—with comfortable and appealing modern interiors—will resonate with readers of shelter magazines, while the cutting-edge reputations of their architects will interest professionals and students.

**Beatrix Potter's Lake District** Nicholas Brealey

Three Men on the Bummel is the sequel to Three Men in a Boat, which Jerome K. Jerome originally wrote as a travel guide. As the humorous anecdotes took over the story, it eventually turned into a masterpiece of comedy. This novel reprises the same three characters as they explore the Black Forest in Germany.
