BARTLETT VIRGINIA

The Stray Prince William Collins

THE #1 NEW YORK TIMES BESTSELLER A Times, Sunday Times and Telegraph Book of the Year

_____ 'A triumph ... a masterclass in the bottling of its subject's seductive essence. His presence in this book is so strong that it's hard to believe he has really left the building' MOJO 'Handsomely presented, visually sumptuous' THE TIMES

_____ From Prince himself comes the brilliant coming-of-age-and-into-superstardom story of one of the greatest artists of all time-featuring never-before-seen photos, original scrapbooks and lyric sheets, and the exquisite memoir he began writing before his tragic death. Prince was a musical genius, one of the most talented, beloved, accomplished, popular, and acclaimed musicians in pop history. But he wasn't only a musician-he was also a startlingly original visionary with an imagination deep enough to whip up whole

worlds, from the sexy, gritty funk paradise of his early records to the mythical landscape of Purple Rain to the psychedelia of Paisley Park. But his greatest creative act was turning Prince Rogers Nelson, born in Minnesota, into Prince, the greatest pop star of his era. The Beautiful Ones is the story of how Prince became Prince-a first-person account of a kid absorbing the world around him and then creating a persona, an artistic vision, and a life, before the hits and fame that would come to define him. The book is told in four parts. The first is composed of the memoir he was writing before his tragic death, pages that brings us into Prince's childhood world through his own lyrical prose. The second part takes us into Prince's early years as a musician, before his first album released, through a scrapbook of Prince's writing and photos. The third section shows us Prince's evolution through candid images that take us up to the cusp of his greatest achievement, which we see in the book's fourth section: his original handwritten treatment for Purple Rain-the final stage in Prince's self-creation, as he retells the autobiography we've seen in the first three parts as a heroic journey. The book is framed by editor Dan Piepenbring's riveting and moving introduction about his short but profound collaboration with Prince in his final days-a

time when Prince was thinking deeply about how to reveal more of himself and his ideas to the world, while retaining the mystery and mystique he'd so carefully cultivated—and annotations that provide context to each of the book's images. This work is not just a tribute to Prince, but an original and energizing literary work, full of Prince's ideas and vision, his voice and image, his undying gift to the world.

_____ 'Prince's voice comes through loud and clear; his personality, joie de vivre and single-mindedness jumping off the page throughout.' CLASSIC POP MAGAZINE 'The Beautiful Ones is for everyone. It's not a read, but an experience, an immersion inside the mind of a musical genius. You are steeped in Prince's images, his words, his essence... The book can be a starting point for a Prince fascination, or a continuation of long-standing admiration. Either way, it will deepen the connection of any reader with the musical icon.' USA TODAY 'An affirmation of Prince's Blackness and humanity... Prince writes about his childhood with clarity and poetic flair, effortlessly combining humorous anecdotes with deep self-reflection and musical analysis... Prince is one of us - he just worked to manifest dreams that took him from the North Side of Minneapolis to the Super Bowl.' HUFFPOST 'A compelling curiosity that finds its author orbiting around a few touchingly intimate encounters with his sphinx-like subject ... with passages, lyric sheets and photographs from the Purple One himself' TELEGRAPH, Books of the Year 'Both a pleasure and a surprise ... Prince took the project very seriously, and it shows in the work he delivered. ... It shines an intimate and revealing light on the least-known period of his life' VARIETY 'The Beautiful Ones is a book in pieces, fragments of the ground-breaking autobiography Prince had planned. Pieced together after his death in 2016, it collects his handwritten childhood memoirs, superb personal photographs and his chosen co-writer Dan Piepenbring's vivid account of their brief collaboration. Yet remarkably despite the central absence, it still catches something of Prince between the gaps - a trace of perfume, a glance to camera, a first kiss' SUNDAY TIMES, Book of the Year 'This is a beautiful book and a must-have for Prince completists' DAILY EXPRESS 'A ghostly memoir of a pop legend' THE i

My Body HarperCollins

The decadence of the fairy realm is a lure few can resist... Caspian Mort is an antique dealer who can feel the history in anything he touches, a gift he inherited from his father, the Crown Prince of Annwyn. Hidden from the fairy court to protect him from his father's rivals, he longs to go home. After her grandmother's death, Lydia Callaway must get the contents of the house she inherited valued. That means letting a stranger paw through her grandmother's things. But Caspian is not what she expected. He's interested in the history, not just the scandals that still linger in whispers. While Lydia laughs off the rumors of a ghost, Caspian doesn't. Caspian knows the creature bumping around the house is a banished fairy determined to find a way home to Annwyn and cause trouble. Caspian and Lydia are thrown into a conspiracy to bring down Caspian's father. They must fight the banished fairy and her allies together. But the deeper Lydia is drawn into Caspian's world the more danger she is in. When the Hunter of Annwyn summons Caspian to Court he may be lost to her forever.

Walt Disney Good Press

No company in our time has been as mysterious or as controversial as Blackwater. Founded by former Navy SEAL Erik Prince in 1997, it recruited special forces veterans and others with the skills and courage to take on the riskiest security jobs in the world. As its reputation grew, government demand for its services escalated, and Blackwater's men eventually completed

nearly one hundred thousand missions in Iraq and Afghanistan. Both the Bush and Obama administrations found the company indispensable. It sounds like a classic startup success story, except for one problem: Blackwater has been demonized around the world. From uninformed news coverage to grossly distorted fictional portrayals, Blackwater employees have been smeared as mercenaries, profiteers, jackbooted thugs, and worse. Because of the secrecy requirements of Blackwater's contracts with the Pentagon, the State Department, and the CIA, Prince was unable to speak out when his company's opponents spread false information. But now he's able to tell the full and often shocking story of Blackwater's rise and fall. In *Civilian Warriors*, Prince pulls no punches and spares no details. He explains his original goal of building an elite center for military and law enforcement training. He recounts how the company shifted gears after 9/11. He honors our troops while challenging the Pentagon's top leadership. And he reveals why highly efficient private military contractors have been essential to running our armed forces, since long before Blackwater came along. Above all, Prince debunks myths about Blackwater that spread while he was forced to remain silent—myths that tarnished the memory of men who gave their lives for their country but never got the recognition they deserved. He reveals new information about some of the biggest controversies of the War on Terror, including: • The true story of the Nisour Square massacre in Baghdad. • The actual details of Blackwater's so-called impunity in Iraq. • The events leading up to the televised deaths of Blackwater contractors in Fallujah. Prince doesn't pretend to be perfect, and he doesn't hide the sometimes painful details of his private life. But he has done a great public service by setting the record straight. His book reads like a thriller but is too improbable to be fiction.

Prince and the Parade and Sign O' the Times Era Studio Sessions Simon and Schuster

Here is the first comprehensive book that covers Prince's forty-plus personal and professional years in and out of the public spotlight. Firmly grounded in a detailed chronological overview of Prince's prodigious released and unreleased recorded musical output and epic live performances, *Prince FAQ: All That's Left to Know About the Purple Reign* digs deep into Purple fact and legend as it explores the multiple number-one singles, the movie hits and flops, the exclusive and adventurous after shows, and the provocative TV appearances. But more than just a look at the music and moving images, this volume also highlights Prince's relationship with those in the Purple Court—the Revolution, New Power Generation, Third Eye Girl and other band members, his musical influences (from Santana to Stevie to the Stones), the countless individual (Christopher Tracy) and group aliases (Madhouse), protégés (Carmen Electra), the cover artists (the Bangles) and recovery projects (Mavis Staples), and the wives, lovers, and multiple ingénues. And then there are the controversies—the rivalries with Rick James and Michael Jackson, the USA for Africa snub, the questions surrounding his untimely death, the fate of countless unreleased audio and video projects, and, of course, his battle against Warner Bros. and the music industry that caused him to change his name to an unpronounceable symbol. Accompanied by dozens of rare images, *Prince FAQ* is the go-to volume for all things Prince.

The Most Beautiful powerHouse Books

A NEW YORK TIMES BESTSELLER "A memoir as fierce, freewheeling, and passionate as her music." --O, the Oprah magazine A memoir by the celebrated singer-songwriter and social activist Ani DiFranco In her new memoir, *No Walls and the Recurring Dream*, Ani DiFranco recounts her early life from a place of hard-won wisdom, combining personal expression, the power of music, feminism, political activism, storytelling,

philanthropy, entrepreneurship, and much more into an inspiring whole. In these frank, honest, passionate, and often funny pages is the tale of one woman's eventful and radical journey to the age of thirty. Ani's coming of age story is defined by her ethos of fierce independence--from being an emancipated minor sleeping in a Buffalo bus station, to unwaveringly building a career through appearances at small clubs and festivals, to releasing her first album at the age of 18, to consciously rejecting the mainstream recording industry and creating her own label, Righteous Babe Records. In these pages, as in life, she never hesitates to question established rules and expectations, maintaining a level of artistic integrity that has inspired and challenged more than a few. Ani continues to be a major touring and recording artist as well as a celebrated activist and feminist, standing as living proof that you can overcome all personal and societal obstacles to be who you are and to follow your dreams.

Prince Charles Faber & Faber

This biography of the man behind the magic reconciles the private 'monster' with the artistic genius of popular culture by showing that the disturbing problems of his own life provided the rich, dark side of the animated movies.

Red, White & Royal Blue Three Rivers Press

David Oppenheim (1664-1736), chief rabbi of Prague in the early eighteenth century, built an unparalleled collection of Jewish books and manuscripts, all of which have survived and are housed in the Bodleian Library at Oxford. His remarkable collection testifies to the myriad connections Jews maintained with each other across political borders, and the contacts between Christians and Jews that books facilitated. From contact with the great courts of European nobility to the poor of Jerusalem, his family ties brought him into networks of power, prestige, and opportunity that extended across Europe and the Mediterranean basin. Containing works of law and literature alongside prayer and poetry, his library served rabbinic scholars and communal leaders, introduced old books to new readers, and functioned as a unique source of personal authority that gained him fame throughout Jewish society and beyond. The story of his life and library brings together culture, commerce, and politics, all filtered through this extraordinary collection. Based on the careful reconstruction of an archive that is still visited by scholars today, Joshua Teplitsky's book offers a window into the social life of Jewish books in early modern Europe.--Publisher's website.

Civilian Warriors Simon and Schuster

Prince Henry of Wales has emerged as the unexpected jewel in the crown of the modern British monarchy. Despite his unruly antics, for which he's made headlines all over the world, Harry's popularity rivals that of the Queen herself. Heartthrob and loveable rogue, he has won the public's heart

The Prince of Wales Little, Brown Books for Young Readers
Beautiful book featuring photos of musician Prince in Hawaii, with words and lyrics by Prince.

Prince Harry: The Inside Story Yale University Press

For this controversial, headline-making study of the heir to the throne, Dimpleby spent hours in candid conversations with the prince, his personal staff, and close friends, and was given access to the prince's letters, private diaries, and journals. An intimate portrait of a life trapped by destiny, *The Prince of Wales* offers unique insight into the man born to be King. of photos. 8-page color insert.

This Thing Called Life Hamish Hamilton

The legendary actor chronicles his odyssey from a hard-knock childhood as the son of immigrant parents to Hollywood success, detailing his days as a tinseltown playboy, the film industry during Hollywood's Golden Era, and his life as an artist at the age of eighty.

Spiritual America Hachette Books

From the acclaimed, controversial singer-songwriter Sinéad O'Connor comes a revelatory memoir of her fraught childhood, musical triumphs, fearless activism, and of the enduring power of song. Blessed with a singular voice and a fiery temperament, Sinéad O'Connor rose to massive fame in the late 1980s and 1990s with a string of gold records. By the time she was twenty, she was world famous--living a rock star life out loud. From her trademark shaved head to her 1992 appearance on Saturday Night Live when she tore up Pope John Paul II's photograph, Sinéad has fascinated and outraged millions. In *Rememberings*, O'Connor recounts her painful tale of growing up in Dublin in a dysfunctional, abusive household. Inspired by a brother's Bob Dylan records, she escaped into music. She relates her early forays with local Irish bands; we see Sinéad completing her first album while eight months pregnant, hanging with Rastas in the East Village, and soaring to unimaginable popularity with her cover of Prince's "Nothing Compares 2U." Intimate, replete with candid anecdotes and told in a singular form true to her unconventional career, Sinéad's memoir is a remarkable chronicle of an enduring and influential artist.

Prince Atlantic Books

Picturing Prince sees the late icon's former art director, Steve Parke, revealing stunning intimate photographs of the singer from his time working at Paisley Park. At least half of the images in the book are exclusively published here for the first time; most other images in the book are rare to the public eye! Alongside these remarkable images are 50 engaging, poignant and often funny written vignettes by Parke, which reveal the very human man behind the reclusive superstar: from shooting hoops to renting out movie theatres at 4am; from midnight requests for camels to meaningful conversations that shed light on Prince as a man and artist. Steve Parke started working with Prince in 1988, after a mutual friend showed Prince some of Steve's photorealistic paintings. He designed everything from album covers and merchandise to sets for Prince's tours and videos. Somewhere in all of this, he became Paisley Park's official art director. He began photographing Prince at the request of the star himself, and continued to do so for the next several years. The images in this book are the arresting result of this collaboration.

The Prince of Venice Beach Penguin Books

NEW YORK TIMES BESTSELLER • A "masterly account" (The Wall Street Journal) of the life and loves of King Charles III, Britain's first king since 1952, shedding light on the death of Diana, his marriage to Camilla, and his preparations to take the throne Sally Bedell Smith returns once again to the British royal family to give us a new look at the man who was the oldest heir to the throne in more than three hundred years. This vivid, eye-opening biography—the product of four years of research and hundreds of interviews with palace officials, former girlfriends, spiritual gurus, and more, some speaking on the record for the first time—is the first authoritative treatment of Charles's life. Prince Charles brings to life the real man, with all of his ambitions, insecurities, and convictions. It begins with his lonely childhood, in which he struggled to live up to his father's expectations and sought companionship from the Queen Mother and his great-uncle Lord Mountbatten. It follows him through difficult years at school, his early love affairs, his intellectual quests, his entrepreneurial pursuits, and his intense search for spiritual meaning. It tells of the tragedy of his marriage to Diana; his eventual reunion with his true love, Camilla; and his relationships with William, Kate, Harry, and his grandchildren. Ranging from his glamorous palaces to his country homes, from his globe-trotting travels to his local initiatives, Smith shows how Prince Charles possesses a

fiercely independent spirit and yet spent more than six decades waiting for his destined role, living a life dictated by protocols he often struggles to obey. With keen insight and the discovery of unexpected new details, Smith lays bare the contradictions of a man who is more complicated, tragic, and compelling than we knew, until now.

The Monk Prince Hachette UK

Ben Greenman's monumental yet intimate book on Prince comes a year after the star's death at the age of 57 in an elevator at the legendary Paisley Park complex. With the release of a string of critically acclaimed albums and a new solo tour, the Minneapolis Genius looked set for a renaissance after a quiet-ish (by his standards) decade or so. And then: the silence, forever. *Dig If U Will The Picture* is a portrait of The Artist, who was also the artist who will be remembered by many as the brightest, most seductive and enigmatic pop star of his generation. In thematically structured chapters, Ben Greenman anatomizes a career and an aesthetic that at times seemed otherworldly. Drawing on over 40 studio albums, a repertoire of 2,000 plus live shows and close analysis of the unreleased highlights of the Vault, *Dig If U Will the Picture* is a critical consideration of Prince's art, a testimony to the author's deep and abiding personal connection to the work, and a fitting memorial.

Nora Webster Pan Macmillan

Utopia is a work of fiction and socio-political satire by Thomas More published in 1516 in Latin. The book is a frame narrative primarily depicting a fictional island society and its religious, social and political customs. Many aspects of More's description of *Utopia* are reminiscent of life in monasteries.

Prince Albert Houghton Mifflin Harcourt

The royal family's darkest secret and the establishment cover-up. Half a century before Dodi and Diana, another Prince of Wales would be involved in a deadly love triangle with a fabulously wealthy Egyptian "prince." Prince Edward was the future King of England, a destiny he would famously forsake over his love for Wallis Simpson. But two decades prior he was involved in another love affair that threatened to jeopardize the royal family. The story took place in *maisons de rendezvous*, luxurious chateaux in the French countryside providing hospitality for the British upper classes, the richest food, the finest wines and the most beautiful women, the violent and dangerous Paris demi-monde - where many of the women came from - and the Savoy hotel in London, where a murder was committed. This major royal scandal, superbly covered up by the Royal family, the government and the judiciary has remained secret ever since. This is the story of a passionate and deadly love affair set against the dramatic backdrop of the Great War. Edward was enthralled by the 'crazy physical attraction' of Marguerite Alibert, queen of the Paris demi-monde. When he broke off their hidden relationship, Edward thought that he was free of Marguerite. He was wrong. After the war, as a violent thunderstorm raged outside the luxurious Savoy Hotel in London Marguerite fired three shots from a semi-

automatic pistol. Her husband, and Egyptian multimillionaire and playboy, was shot dead at point blank range. Marguerite stood trial for murder at the Old Bailey. As Prince Charming and poster boy of the British Empire, Edward now risked exposure as a degenerate wastrel, partying behind the lines while thousands were blown away on the Western Front. Andrew Rose, using his long experience as a barrister and judge, has uncovered a royal scandal carefully airbrushed from history. Edward never quite escaped from Marguerite who had taught the arts of love to a once and future King. *The Prince, the Princess and the Perfect Murder* is the product of several years' research, accessing unpublished documents held in the Royal Archives and private collections in England and France.

The Outcast Prince HarperCollins

[W]ill command the rapt attention of casual fans and scholars alike. Booklist, Starred Review - This 2nd book in the Prince Studio Sessions series chronicles the years immediately following the Purple Rain era.

The Prince, the Princess and the Perfect Murder Dey Street Books

An intimately photographed and elegantly designed tribute to the artist known as Prince from the celebrated photographer who collaborated with him for a quarter of a century. For twenty-five years, Randee St. Nicholas, one of Hollywood's most acclaimed photographers, worked closely with the enigmatic Prince, capturing some of his most intimate and revealing moments both on and off stage. *My Name Is Prince* is an up-close, intimate look at the artist as he has seldom been seen before. Discover the many moods of the brilliant award-winning icon in hundreds of stunning black-and-white and color photographs taken at his home, on tour, and on his many adventures around the world. Accompanying the images are behind-the-scenes stories, and St. Nicholas's touching, humorous, and illuminating personal insights on the big and small moments she shared with Prince. Prince and St. Nicholas made plans to collaborate on this book after working on their first collaborative book *21 Nights*. As stunning and unforgettable as the icon himself, *My Name Is Prince* serves as a continuation of his legacy and pays homage to the man, the star, and his "profound" impact on music and pop culture.

Dig If You Will The Picture Random House

After twenty years of searching, King Waluyo finally gets his son back. He cannot understand why his beloved younger wife had insisted that their son become a monk. What was she hiding from him? Why did she want to separate their only child from him? When he learns that Alak Tegoh the crown prince is not his biological son, he realises that Queen Megabintang may have poisoned his other children. To protect his only living child and the people of his kingdom, Waluyo must use all his political acumen. His biggest hurdle, however, is Parantapa's attitude towards politics and war. Can he persuade his son to relinquish his Buddhist upbringing of non-violence? Or will he fail and see all that he has built fall into the hands of his brother-in-law, King Jayagapor?
