TRINITY MARISOL

Little Book of Audrey Hepburn

HarperCollins

Disaya Morgan's infatuation with money knows no limits, and she will do anything to get it. When she is accepted into a New York organization known as The Elite, she is under the impression that she will be a high paid model, but soon realizes that she's stepped into a world of sex and lies.

She is befriended by Leah, the headmistress of The Elite, and together they make more money than they can spend. Nothing is too erotic for the pair, and Disaya soon finds herself knee-deep in a world where "no" means "yes," and there is no way out. She meets Indie and falls hopelessly in love with him while she tries her hardest to keep her lifestyle a secret. But everything done in the dark eventually comes to light. When she loses control of her own hustle, things go horribly wrong, and she learns the hard way that in the game she's playing, there

are no winners.

A Little Life Hachette UK

Wit and wisdom from Coco Chanel, who remains one of the world's most celebrated fashion designers.

Pradasphere HarperCollins

Almost a decade has passed since Andy Sachs quit the job "a million girls would die for" working for Miranda Priestly at Runway magazine—a dream that turned out to be a nightmare. Andy and Emily, her former nemesis and co-assistant, have since joined forces to start a high end bridal magazine, The Plunge, which has

quickly become required reading for the young and stylish. Now they get to call all the shots: Andy writes and travels to her heart's content; Emily plans parties and secures advertising like a seasoned pro. Even better, Andy has met the love of her life. Max Harrison, scion of a storied media family, is confident, successful, and drop-dead gorgeous. Their wedding will be splashed across all the society pages as their friends and family gather to toast the glowing couple. Andy Sachs is on top of the world. But karma's a bitch. The morning of her wedding, Andy can't shake the past. And when she discovers a secret letter with crushing implications, her wedding-day jitters turn to cold dread. Andy realizes that nothing—not her husband, nor her beloved career—is as it seems. She never suspected that her efforts to build a bright new life would lead her back to the darkness she barely escaped ten years ago—and directly into the path of the devil herself...Featuring all new scenes with the villainess we love to hate (hate to love?), *Miranda Priestly, Revenge Wears Prada* in paperback is another publishing event!

Little Book of Christian Louboutin

Catwalk

Life is full of fun and games on the African plains for Simba, a young lion cub. But when Simba's father is killed, and his uncle, Scar takes over, he makes Simba leave the Pride. With the help of his comical friends, Pumbaa the warthog and Timon the meerkat, Simba can finally claim his throne. But first he must stand up to his villainous uncle, Scar.

Little Book of Schiaparelli Urban Books
The instant #1 New York Times bestseller and #1 USA Today bestseller Amanda Gorman's electrifying and historic poem "The Hill We Climb," read at President Joe Biden's inauguration. "Stunning." —CNN "Dynamic." —NPR "Deeply rousing and uplifting." —Vogue On January 20, 2021, Amanda Gorman became the sixth and youngest poet to deliver a poetry reading at a presidential inauguration. Taking the stage after the 46th president of the United States, Joe Biden, Gorman captivated the nation and brought hope to viewers around the globe with her call for unity and healing. Her poem "The Hill We Climb: An Inaugural Poem for the Country" can now be cherished in this special gift edition, perfect for any reader looking for

some inspiration. Including an enduring foreword by Oprah Winfrey, this remarkable keepsake celebrates the promise of America and affirms the power of poetry.

My Purple Scented Novel Ladybird Books
To impress the popular girls on a high school trip to London, klutzy Callie buys real Prada heels. But trying them on, she trips?conks her head?and wakes up in the year 1815! There Callie meets Emily, who takes her in, mistaking her for a long-lost friend. As she spends time with Emily's family, Callie warms to them?particularly to Emily's cousin Alex, a hottie and a duke, if a tad arrogant. But can Callie save Emily from a dire engagement, and win Alex's heart, before her time in the past is up? More Cabot than Ibbotson, *Prada and Prejudice* is a high-concept romantic comedy about finding friendship and love in the past in order to have happiness in the present.

The Little Book of Coco Chanel Welbeck Publishing
'Haute couture is like an orchestra, whose conductor is Balenciaga. We other couturiers are the musicians and we follow the direction he gives' - Christian Dior The

godfather of conceptual design, a master of shape, a true fashion game changer – all are accolades bestowed upon one of the most interesting, venerated and iconic couturiers of the twentieth century: Cristóbal Balenciaga. His pureness of line, the comfort of his garments and innovative work with textiles, colour and volume made a huge impact on twentieth-century fashion, with creations such as the babydoll, balloon and sack dresses still influencing fashion today. Through stunning images and captivating text, *Little Book of Balenciaga* depicts the work and life of Balenciaga the couturier. Fashion historian Emmanuelle Dirix examines his legacy both through tracing the Maison's artistic direction after his death, and the generations of designers influenced by the master himself. [Schiaparelli & Prada](#) Hachette UK 'Warm and witty - Julie's got it in spades' Tracy Bloom. Cassie Beresford has recently landed her dream job as deputy head at her local, idyllic village primary school, Little Acorns. So, the last thing she needs is her husband of twenty years being 'outed' at a village charity auction - he has been having an affair with one of

her closest friends. As if that weren't enough to cope with, Cassie suddenly finds herself catapulted into the head teacher position, and at the forefront of a fight to ward off developers determined to concrete over the beautiful landscape. But through it all, the irresistible joy of her pupils, the reality of keeping her teenage children on the straight and narrow, her irrepressible family and friends, and the possibility of new love, mean what could have been the worst year ever, actually might be the best yet... Julie Houston's novels are funny, wonderfully warm and completely addictive. Perfect for all fans of Gervaise Phinn, Katie Fforde and Jill Mansell. Praise for Julie Houston: 'A warm, wonderful, feel-good-hug of a book' NetGalley Reviewer. 'A Village Affair is a totally absorbing read that's beautifully written, full of warmth, charm, humour, a compelling and heart-warming plot that I didn't want to put down' NetGalley Reviewer. 'This is a story about family, friendship, and realising your own worth and not being afraid of taking a chance, and I devoured this book in a couple of hours because I just didn't want to put it down' NetGalley Reviewer. 'An enthralling

novel, hard to put down' NetGalley Reviewer. 'It is a must read, heart-warming story - no hesitation in giving this one 5 stars!!' NetGalley Reviewer. 'What a brilliant story this turned out to be so full of surprises and shocking revelations from the start to the end' NetGalley Reviewer. 'Lovely and entertaining, with wonderful set of lovable characters will have you rooting for Cassie' NetGalley Reviewer. *Sneakers 2* Simon and Schuster "Pradasphere is a collection of archival objects arranged to reveal the complex, often intertwined obsessions of one of the world's most influential designers. The Prada vision is manifest in everything from fashion and accessories to art, architecture, film and culture. Pradasphere posits that when these elements are taken as a whole, core ideas - about beauty, taste, embellishment, gender, vanity and power - emerge"--P. 13. *The Hill We Climb* HarperCollins "The Met's Spring 2012 Costume Institute exhibition, Schiaparelli and Prada: Impossible Conversations, explores the striking affinities between Elsa Schiaparelli and Miuccia Prada, two Italian designers from different eras. Inspired by Miguel

Covarrubias's "Impossible Interviews" for Vanity Fair in the 1930s, the exhibition features orchestrated conversations between these iconic women to suggest new readings of their most innovative work. Iconic ensembles will be presented with videos of simulated conversations between Schiaparelli and Prada directed by Baz Luhrmann, focusing on how both women explore similar themes in their work through very different approaches."--MMA website.

The Little Book of Hermès Vintage

This monograph on Coco Chanel chronicles the life and legacy of one of history's most influential couturiers.

[Little Book of Dior](#) Anchor

The boxed set of the stories of four iconic fashion houses, including images of their designs and text on the personalities behind the brands.

The Monocle Book of the Home Harry N. Abrams

When Friedman moved to New York City, he missed the dogs that had surrounded him growing up. He began photographing dogs on the street, and posting them on his blog, The Dogist. Whether because of the look in a dog's eyes, its innate beauty,

or even the clothes its owner has dressed it in, every portrait in this book tells a story and explores the dog's distinct character and spirit.

The New Fashion Rules: Inthefrow Carlton Books

Little Book of Hermès tells the story of the evolution of the House of Hermès, through beautiful illustrations of the most coveted items and authoritative text by fashion historian Karen Homer.

Little Book of Prada Hachette UK

This richly illustrated entry in the stylish series tells the story of groundbreaking designer Christian Dior and the fashion house he founded. Christian Dior's spectacular rise to the upper echelons of Parisian haute couture is one of the most compelling stories of twentieth-century fashion. An art gallerist with a contemporary vision, Dior's debut collection invented the "new look" silhouette and revolutionized the way women dressed, shopped, and saw themselves. The House of Dior's unique style blended the traditional, artisanal skills of the French fashion house—tailoring and intricate embellishment—with a modern sensibility.

Dior himself helmed the company for only a decade, but it has flourished under the creative direction of some of the most storied names in fashion. Currently, Maria Grazia Chiuri steers the brand as it stays true to its identity—of opulence, femininity, drama, and what Christian Dior called "the complete look," from garments to perfume and shoes. Little Book of Dior tells the story of Christian Dior's early life, the brand's inception, the triumphs of the couture collections on the catwalk and the red carpet, and the brand's journey after the death of its founder.

[Little Book of Yves Saint Laurent](#) Rizzoli Publications

The rules of fashion have changed. The new digital era is all about being seen, liked and inspired. So how do we define ourselves through style? And why has the evolution of the Internet changed the way we buy and wear clothing?

The Dogist Harry N. Abrams

A collection of twenty-two fashion-inspired nursery rhymes is a tongue-in-cheek, name-dropping volume of politically incorrect parodies that celebrates the intersection between the responsibilities of motherhood and the pursuit of top labels.

The Little Book of Prada Hachette UK
 A jewel of a short story from the bestselling, award-winning author of *Atonement*—"My Purple Scented Novel" follows the perfect crime of literary betrayal, scrupulously wrought yet unscrupulously executed. Published to celebrate Ian McEwan's 70th birthday. "You will have heard of my friend the once celebrated novelist Jocelyn Tarbet, but I suspect his memory is beginning to fade. . . You'd never heard of me, the once obscure novelist Parker Sparrow, until my name was publicly connected with his. To a knowing few, our names remain rigidly

attached, like the two ends of a seesaw. His rise coincided with, though did not cause, my decline. . . . I don't deny there was wrongdoing. I stole a life, and I don't intend to give it back. You may treat these few pages as a confession." Don't miss Ian McEwan's new novel, *Lessons*.

Dior Catwalk Welbeck Publishing
 "In *Things a Woman Should Know About Style* you will discover insider tips and tricks that will never let you down on such topics as choosing accessories, how to dress for the evening or office, plus how to prepare social events and avoid faux-pas.

Most important of all, you will learn that style truly does come from within"--Back cover.

The Prada Life National Geographic Books
