PERKINS KENNEDY

On the Sidelines Sports Publishing LLC
 NEW YORK TIMES BESTSELLER • United States Senator Kirsten Gillibrand recounts her personal journey in public service and galvanizes women to make a meaningful difference in the world around them. “One of the most helpful, readable, down-to-earth, and truly democratic books ever to come out of the halls of power.”—Gloria Steinem *Off the Sidelines* is a playbook for women who want to step up, whether in Congress or the boardroom or the local PTA. If women were fully represented in politics, Gillibrand says, national priorities would shift to issues that directly impact them: affordable daycare, paid family medical leave, and equal pay. Pulling back the curtain on Beltway politics, she speaks candidly about her legislative successes (securing federally funded medical care for 9/11 first responders, repealing Don’t Ask, Don’t Tell) and her crushing disappointments (failing by five votes to pass a bill protecting survivors of sexual assault in the military). Gillibrand also shares stories of growing up the daughter and granddaughter of two trailblazing feminists in a politically active family in Albany, New York, and retraces her nonlinear path to public office. She lays bare the highs and lows of being a young (pregnant!) woman in Congress, the joys and sacrifices every working mother shares, and the support system she turns to in her darkest moments: her husband, their two little boys, and lots of girlfriends. In *Off the Sidelines*, Gillibrand is the tough-love older sister and

cheerleader every woman needs. She explains why “ambition” is not a dirty word, failure is a gift, listening is the most effective tool, and the debate over women “having it all” is absurd at best and demeaning at worst. In her sharp, honest, and refreshingly relatable voice, she dares us all to tap into our inner strength, find personal fulfillment, and speak up for what we believe in. Praise for *Off the Sidelines* “Gillibrand has written a handbook for the next generation of women to redefine their role in our world.”—Arianna Huffington “There are moments of immensely appealing self-disclosure that seldom appear in other books of this genre. . . . This isn’t your mother’s political memoir.”—The New York Times Book Review

Sidelines Triumph Books

An emotional YA romance about small town secrets, high school football, and broken hearts. Julian Jackson has a short to-do list for his senior year at Crenshaw County High School in Meriden, Texas: football, football, and more football. He knows he’s only got one chance to earn a college scholarship and make it out of his small town, and keeping his head down, his grades up, and his cleats on the field is that one chance. And then Elijah Vance walks back into his life, throwing all of his carefully-laid plans into a tailspin. Elijah and Julian used to be best friends, maybe even on their way to something more than just friends. But three years ago, Elijah broke into the school to steal money from the coach’s office, and Julian was the one who turned him in. After that, Elijah and his family disappeared without a trace. And now he’s back, sitting at Julian’s grandmother’s kitchen table. But time and distance haven’t erased all of their feelings, and Elijah knows that he finally has a chance to prove to Julian that he’s not the same person he was three years ago. But with secrets still growing between them and an uncertain future barreling towards them, it may be harder to lean

on each other than they thought.

Fun with the Family Michigan Simon and Schuster

In 1960s Ireland, 19-year-old Will Daniels is out hunting rabbits when he comes upon a tinker poaching fish in the river. Thinking to have a bit of fun, Will calls out to the poacher. Things turn nasty when the tinker threatens Will with a knife. Will's reaction will change his life forever.

At one point in his life, author Donquies Sledge wasn't happy, and he didn't know who he was. In *The 5 Ls*, he tells how he looked within himself to discover his identity with help from the 5 Ls: live, love, laugh, let go, and let God. In this inspirational and motivational book, Sledge explains each concept and how it can help you be a better person and have a better way of life. Through his own experiences, Sledge weaves advice and principles to follow in regard to family, friends, relationships, kids, and everyday routines. Keeping a positive focus, *The 5 Ls* encourages you to believe in yourself, do good things, and become that great person who is already inside you.

The Book Forger Otto Harrassowitz Verlag

Since their dominance of professional football in the 1960s, the Green Bay Packers have reemerged as one of the elite teams in the NFL, with Super Bowl championships in 1996 and 2010. The victory and legend of Green Bay Packers continues in Chuck Carlson's *Tales from the Green Bay Packers Sideline*, now updated through the 2014 season. In this behind-the-scenes look at the NFL's second oldest franchise, Carlson captures the determination, aggression, and vision that have constantly spurred the Packers to greatness. Through interviews and extensive research, Carlson brings to life stories from Packers legends such as Curly Lambeau, Vince Lombardi, Bart Starr, Ray Nitschke, Brett Favre, and the stars of today's Packers like Aaron Rodgers and Clay Matthews, Jr. *Tales from the Green Bay Packers Sideline* opens a window into the greatest Packers moments both on and off the field. Why was Vince Lombardi against the idea of rededicating the Packers stadium and naming it Lambeau Field? How was Monday Night Football changed forever during a Packers game on October 17, 1983? How did Aaron Rodgers respond to the pressure of Super Bowl XLV? Readers will relive the greatest moments and quirkiest anecdotes from throughout Packers history. This newly updated collection is a must-have for any Green Bay fan. Skyhorse Publishing, as well as our Sports Publishing imprint, are proud to publish a broad range of books for readers interested in sports—books about baseball, pro football, college football, pro and college basketball, hockey, or soccer, we have a book about your sport or your team. Whether you are a New York Yankees fan or hail from Red Sox nation; whether you are a die-hard Green Bay Packers or Dallas Cowboys fan; whether you root for the Kentucky Wildcats, Louisville Cardinals, UCLA Bruins, or Kansas Jayhawks; whether you route for the Boston Bruins, Toronto Maple Leafs, Montreal Canadiens, or Los Angeles Kings; we have a book for you. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.

The theme of the essays in this volume is the identification of the resources which between c.1320 and 1642 the English church saw fit to provide for the performance of the music of its liturgy. Individual essays describe the music and the choirs of Canterbury and Lincoln Cathedrals, Winchester Cathedral Priory and the private chapel of Cardinal Wolsey, while the personnel of the chapels of Edward III, the Black Prince and John of Gaunt emerge from study of the texts of compositions of the 14th century. From the alignment of contemporary musical and archival sources there arises a web of conclusions relating to the size of ensemble, vocal scoring and sounding pitch envisaged by its composers for English church polyphony of the period c.1320-1559. These essays thus encompass the two most profound of the revolutions to which the music of the English church was subject at this period: the inauguration and widespread adoption of choral polyphony in the years c.1455-85 and the liturgical and doctrinal Reformation of 1547 to 1563.

Sideline U of Nebraska Press

During his 27-year tenure with the Chargers, beloved equipment manager Sid Brooks kept more than 5,000 football players from appearing naked before their cheering fans. The first African American to hold the job of equipment manager in the NFL, Brooks was tasked with seeing that each player left the locker room in uniform. But the means to that end was far more complicated—and outrageous—than one would believe. In *Tales from the Chargers Locker Room*, Sid recounts stories unique to a life spent working behind the scenes in the Chargers locker room. He features stories about Chargers greats like Dan Fouts, Charlie Joiner, Kellen Winslow, Louie Kelcher, John Jefferson, Rodney Harrison, and Junior Seau. With an eye for detail, he recounts tales of spies sent out to capture the opposing team's playbooks; the night the lights went out on Don Shula; wild cab rides; the zany pregame rituals and idiosyncrasies; rivalries born not on the playing field, but at the dominoes table; and plenty of pranks and good-natured ribbing. Brimming with hilarity, insight, and fascinating behind-the-scenes stories, *Tales from the Chargers Locker Room* is a must-read for every Chargers devotee.

Sidelined Rowman & Littlefield

Michael Longley's prose centers on poetry. This is so, even when he is writing autobiographically, or reflecting on war and memory, or enthusing about music and painting. Since Longley writes relatively little criticism, readers of his poetry have lacked access to his aesthetic thinking. *Sidelines* fills the gap by assembling prose that ranges from his (often-combative) youthful poetry reviews, to the lectures he gave as Ireland Professor of Poetry. Among the poets Longley discusses are Homer, Propertius, Louis MacNeice, Robert Graves, James Wright, Ian Hamilton Finlay, and Ruth Stone. *Sidelines*, which includes interviews with Longley, not only illuminates his own work. Longley's perspectives on modern poetry are both distinctive and important. He is also uniquely qualified to interpret the phenomenon of poetry from Northern Ireland.

"Sidelined is the feminist sports book we've all been waiting for." —Jessica Valenti Shriill meets Brotopia in this personal and researched look at women's rights and issues through the lens of sports, from an award-winning sports journalist and women's advocate In a society that is digging deep into the misogyny underlying our traditions and media, the world of sports is especially fertile ground. From casual sexism, like condescending coverage of women's pro sports, to more serious issues, like athletes who abuse their partners and face only minimal consequences, this area of our

culture is home to a vast swath of gender issues that apply to all of us—whether or not our work and leisure time revolve around what happens on the field. No one is better equipped to examine sports through this feminist lens than sports journalist Julie DiCaro. Throughout her experiences covering professional sports for more than a decade, DiCaro has been outspoken about the exploitation of the female body, the covert and overt sexism women face in the workplace, and the male-driven toxicity in sports fandom. Now, through candid interviews, personal anecdotes, and deep research, she's tackling these thorny issues and exploring what America can do to give women a fair and competitive playing field in sports and beyond.

Covering everything from the abusive online environment at Barstool Sports to the sexist treatment of Serena Williams and professional women's teams fighting for equal pay and treatment, and looking back at pioneering women who first took on the patriarchy in sports media, *Sidelined* will illuminate the ways sports present a microcosm of life as a woman in America—and the power in fighting back.

Among the world's myriad cultures and their associated calendars, the idea of a "New Year" is relative and hardly specifies a universal celebration or even a universal point in time. Ways of celebrating the New Year range from the observances of religious rituals and superstitions to social gatherings featuring particular foods, music, dancing, noisemaking, fireworks and drinking. This first encyclopedia devoted exclusively to the New Year includes 320 entries that give a global perspective on the New Year, beyond its traditional Western associations with Christmas. National or regional entries detail the principal traditions and customs of 130 countries, while 27 entries discuss major calendar systems in current use or of significant historical interest. The remaining entries cover a wide variety of subjects including literary works, movies, and television specials; the customs of specific ethnic groups; universal customs such as toasting and drinking; football bowl games and parades; and the New Year celebrations at the White House and the Vatican.

F. T. D. A. Fortieth Anniversary, 1950 Taylor & Francis

The New York Jets have not basked in an abundance of pride and glory. Sure, they were led to the promised land by Joe Namath with the stunning Super Bowl VII upset victory that capped the magical 1969 season. Since then, however, the Jets have careened through life alternating between bumbling and embarrassing, maddening and entertaining, while all along the way teasing their ardent fan base so tantalizingly that, rather sadistically, it has become a way of life. In *Tales from the Jets Sideline*, author Mark Cannizzaro takes readers on a journey, through his eyes and the eyes of the subjects he has covered, across the maze of musings, controversial happenstances, and occasional brilliance the Jets have displayed during the years he has followed the franchise. Fans will be taken through some of the crazy Bruce Coslet years that featured a series of extreme highs and lows. Fans will also recall Coslet's successor, Pete Carroll, who lasted only a year after the team's late owner, Leon Hess, had a revelation by the name of Rich Kotite while vacationing in the islands. Jets fans will never forget Kotite, but for all of the wrong reasons. The Jets saw some light after the colossal failed experiment that was Kotite, and that light was Bill Parcells and his incredible band of assistant coaches who came within 30 minutes in Denver of bringing the Jets back to where Namath had brought them some 30 years earlier. The Parcells era, however, proved to be as much of a tease as anything in Jets history, because he opted not to finish the job, leaving coaching and soon after leaving the Jets in a messy divorce. Enter Herman Edwards, the energetic fireball of a head coach who is currently trying to make Jets fans forget about all of the previous angst and tantalizing teases they have endured since Joe Willie's memorable triumph.

Cinderella Across Cultures Skyhorse Publishing Inc.

Bob Hayes grew up in a small Alabama town, the son of a prominent high school coach. Although he had a few shining moments as a player, he never really became a starter. Instead, he found his niche in the preparation and application of player performance strategy. He was great at bringing out the best in his players. *SIDELINE* tells the story of Bobs unexpected early success and gives the reader a glimpse into the famed young football coach's unique talents. *SIDELINE* gets you out on the playing field and puts you right in the middle of the huddle. Along with these thrills, Bobs story is full of lessons about sports and life. The finer points of these lessons, Garys Gems, are highlighted within the stories and listed for you at the end, making this a great book for coaches and students of any sport at all levels of participation.. Guys, girls, men and women of all ages will enjoy this story. Its more than just a tale about football; its also a story of one young mans journey and the surprising relationships that develop along the way. This is what makes *SIDELINE* championship material. Go ahead, read and discover for yourself!

Tales from the Minnesota Vikings Sideline University of Toronto Press

Some of the most entertaining stories from one of the most remarkable franchises in sports are told in this revealing look at the New England Patriots. While the team's owner, coach, and stadium now all rank among the best in the National Football League, the team was known for decades as having comically inept management and ownership, as well as the worst stadium in the NFL. In *Tales from the Patriots Sideline*, former players share their tales of the tumultuous years. Their initial owners had to sell the team after going bankrupt promoting a Michael Jackson concert tour. Their coaches have been a colorful lot, too, including one who accepted a new job the day before a playoff game. From the AFL years through the lowest of low seasons, Patriots history has also been sprinkled with the occasional spikes of success. They were a franchise on the verge of being relocated before current management took the team to its new heights as three-time Super Bowl champions. Fans can find stories about it all in *Tales from the Patriots Sideline*.

Sidelines University of Michigan Press

Amid the revelry of Queen Elizabeth's court, scandal after scandal finds a spirited young woman who learns to defy society, own her actions, and fall in love. Pleasure takes priority during the twelve days of Christmas in Queen Elizabeth's court, and newcomer Mary Montgomery jumps in with abandon. Unfortunately, such joie de vivre also leads to accusations that she has stabbed an earl, impersonated the Queen, and punched a countess in the face. Despite the gossip swirling about her, Sir Charles, a knight and member of the Queen's Guard, is drawn to her vibrancy. After all, scandals are nothing new at Queen Elizabeth's court. Unfortunately, Mary does not have the wealth or rank to survive them unscathed and soon finds herself on the outside of society's good graces. And though his loyalty taints his own reputation, Charles continues to stand by Mary's side. He knows his

intentions and where his priorities lie—he just isn't sure how she'll react when she finds out that the man who ruined her reputation is his half-brother. Indeed, before she can accept his affections, Mary must not only forgive herself for her past but realize she is worthy of love. Sensuality Level: Sensual

100 Things Cardinals Fans Should Know and Do Before They Die Random House

Take a journey from the infant stages of football in Minnesota up through the Vikings' four Super Bowl appearances in Bill Williamson and Eric Thompson's *Tales from the Minnesota Vikings Sideline*. For more than fifty years the Vikings have established themselves as one of the premier teams in the NFL. Perhaps the most successful team to never win a Super Bowl, the Vikings have nevertheless harbored a rich tradition of winning football. Now fans of this Midwest powerhouse will relive all the history, all the passion, and all the tantalizingly glory of Vikings football within these pages. Remember the bone-chilling days of old Metropolitan Stadium? Or the no-nonsense, in-your-face coaching style of Bud Grant? From Cris Carter to Fran Tarkenton, Randy Moss, Brett Favre, Adrian Peterson, Teddy Bridgewater and more, this newly revised edition of *Tales from the Minnesota Vikings Sideline* has it all!

As well as his time in Mott The Hoople, Ian Hunter has had a long and adventurous solo career. In this book, we unlock the secrets behind every lyric, riff, and melody. From the soul-stirring anthems that defined an era to the hidden gems that eluded the spotlight, we leave no chord unheard. It is an immersive voyage into the evolution of a songwriter extraordinaire, as we explore the stories, inspirations, and the mind of the creative maverick that brought these songs to life. With a mix of anecdotes, in-depth analyses, and a touch of rockstar charisma, this book isn't just a collection of pages, it's a front-row seat to Hunter's musical legacy. Whether you've been inspired by 'All The Young Dudes' since its debut or you're just discovering the magic of the Defiance series, Hunter's music has become the soundtrack to so many people's lives. It's a deep dive into the heart and soul of Hunter's almost unparalleled musical journey. This book will appeal to all casual or diehard fans of Mott The Hoople's legendary frontman, making it the ultimate backstage pass Hunter fans have been waiting for. G. Mick Smith, PhD, The Doctor of Digital, is a consultant and recovering academic. Tales from the Patriots Sideline Univ of Massachusetts Press

One of the Spectator's Books of the Year 2012 'Farewell and adieu to you fair Spanish ladies Farewell and adieu to you ladies of Spain For we've received orders for to sail for old England But we hope in a short while to see you again' One of the great English popular art forms, the folk song can be painful, satirical, erotic, dramatic, rueful or funny. They have thrived when sung on a whim to a handful of friends in a pub; they have bewitched generations of English composers who have set them for everything from solo violin to full orchestra; they are sung in concerts, festivals, weddings, funerals and with nobody to hear but the singer. This magical new collection brings together all the classic folk songs as well as many lesser-known discoveries, complete with music and annotations on their original sources and meaning. Published in cooperation with the English Folk Dance and Song Society, it is a worthy successor to Ralph Vaughan Williams and A.L.Lloyd's original Penguin Book of English Folk Songs. 'Her keen eye did glitter like the bright stars by night The robe she was wearing was costly and white Her bare neck was shaded with her long raven hair And they called her pretty Susan, the pride of Kildare' In association with EFDSS, the English Folk Dance and Song Society

The Dictionary of Newfoundland English, first published in 1982 to regional, national, and international acclaim, is a historical dictionary that gives the pronunciations and definitions for words that the editors have called "Newfoundland English." The varieties of English spoken in Newfoundland date back four centuries, mainly to the early seventeenth-century migratory English fishermen of Cornwall, Devon, Dorset, and Somerset, and to the seventeenth- to the nineteenth-century immigrants chiefly from southeastern Ireland. Culled from a vast reading of books, newspapers, and magazines, this book is the most sustained reading ever undertaken of the written words of this province. The dictionary gives not only the meaning of words, but also presents each word with its variant spellings. Moreover, each definition is succeeded by an all-important quotation of usage which illustrates the typical context in which word is used. This well-researched, impressive work of scholarship illustrates how words and phrases have evolved and are used in everyday speech and writing in a specific geographical area. The Dictionary of Newfoundland English is one of the most important, comprehensive, and thorough works dealing with Newfoundland. Its publication, a great addition to Newfoundlandia, Canadiana, and lexicography, provides more than a regional lexicon. In fact, this entertaining and delightful book presents a panoramic view of the social, cultural, and natural history, as well as the geography and economics, of the quintessential lifestyle of one of Canada's oldest European-settled areas. This second edition contains a supplement offering approximately 1500 new or expanded entries, an increase of more than 30 per cent over the first edition. Besides new words, the supplement includes modified and additional senses of old words and fresh derivations and usages.
