In 1735, five Maroon boys are ready to be initiated as warriors. They have prepared long and hard for this day, and must now pass a sequence of tests. How the boys approach this, the most important day of their lives, says much about how they will respond to the challenges ahead. When they encounter a Redcoat troop in the forest near their village, the defence of the village and surrounding Maroon communities will depend on these boys, their training, courage, and intelligence. On this occasion, their community depends on them for its survival, but their initiation as warriors also teaches them lifelong lessons about loyalty, responsibility, trustworthiness and friendship.

Amanda Fisher sees things in her dreams most people don't. Her world is turned upside down when she begins receiving messages through her dreams from her grandmother, who died recently. This leads thirteen-year-old Amanda and her younger brother, Danny, on an adventure where they learn an ancient family secret. They are the last in line of guardians of the mysterious Source Crystals, the most powerful stones in the world. Hunted by the Hraefn Corporation, and horrible, dark creatures who have been after their family for thousands of years, they are caught in a battle between light and dark forces. The guardians seek help from the wise Elders they meet in a mystical place inside the earth. They will be challenged far beyond the training they receive from the Elders. If they are not successful, millions of people will be in danger and the planet will return to the terror of the Dark Ages. A Book Club Discussion Guide is included in the book, perfect for Middle Readers reading groups and study guides. This is the first of a series.

A thrilling time travel adventure from Newbery Medalist and bestselling author Linda Sue Park. Twelve-year-old Kevin Kim is shocked when a young man, complete with bow and arrows, crash-lands on his bedroom floor—especially when that man, Skillful Archer, claims to be a legendary ruler from ancient Korea. As much as Kevin enjoys teaching Archie about contemporary life and learning about Korean history from Archie's stories, Kevin needs to help Archie get back home—or history will be changed forever. This exciting middle grade novel is from Newbery Medalist Linda Sue Park, whose beloved books include *A Single Shard* and *A Long Walk to Water*. "Will intrigue and amuse readers." —KLIATT (starred review) "Excellent." —Kirkus

From New York Times bestselling author Mia Sheridan comes an emotional, slow burn romance about a woman desperate to hide and the man who sees through her walls, perfect for fans of

Colleen Hoover and Lucy Score. I wanted to lose myself in the small town of Pelion, Maine. To forget everything I had left behind. The sound of rain. The blood. The coldness of a gun against my skin. For six months, each breath has been a reminder that I survived--and my dad didn't. I'm almost safe again. But the moment I meet Archer Hale, my entire world tilts on its axis . . . and never rights itself again. Until I trespass into his strange, silent, and isolated world, Archer communicates with no one. Yet in his whiskey-colored eyes, something intangible happens between us. There's so much more to him than just his beauty, his presence, or the ways his hands communicate with me. On me. But this town is mired in secrets and betrayals, and Archer is the explosive center of it all. So much passion. And so much hurt. But it's only in Archer's silence that we might just find what we need to heal . . . and live. Includes an exclusive extended epilogue from Archer's POV! A Goodread's "Top Romance Novel of All Time" A New York Times, USA Today, and Wall Street Journal bestseller

The path to achieving Zen (a balance between the body and the mind) is brilliantly explained by Professor Eugen Herrigel in this timeless account. This book is the result of the author's six year quest to learn archery in the hands of Japanese Zen masters. It is an honest account of one man's journey to complete abandonment of 'the self' and the Western principles that we use to define ourselves. Professor Herrigel imparts knowledge from his experiences and guides the reader through physical and spiritual lessons in a clear and insightful way. Mastering archery is not the key to achieving Zen, and this is not a practical guide to archery. It is more a guide to Zen principles and learning and perfect for practitioners and non-practitioners alike.
