Creative Beading Vol. 8 Kalmbach Books
Seed Bead Stitching explores beadweaving techniques using colorful seed beads and beautiful accents such as pearls and gemstones. Step-by-step photographs and illustrations guide readers through the basics of classic stitches and inventive variations. Includes an introduction to the basics of beads, threads, and bead-stitching techniques. Creative variations and lesser-known stitches are sure to inspire intermediate and advanced beaders.

The Complete Guide to Beading Techniques Penguin

This beading book offers projects that are

chic, unique, and absolutely wearable. With more than thirty super-cool designs, it covers essential tools and materials, must-know beading techniques, and ideas for personalizing every project. You'll whip up designs with pizzazz to adorn your apartment, your friends, or yourself! With a sassy attitude, hip projects, and color photos, this will bring out your inner diva. *Julia Pretl's Big Book of Beadwork* Kalmbach Books
16 gorgeous beaded jewelry projects for intermediate-to-advanced beaders, featuring one-of-a-kind, nature-inspired designs. "The elaborate process of creating tiny beaded works of art has never been so well-captured." —Booklist (Starred review) Drawing from the shapes, colors, and beauty of the natural world, award-winning jewelry designer Melissa Shippee has fashioned a breathtaking

collection of wearable art. From delicate earrings made of graceful beaded flowers to a showstopping crystal fringe necklace inspired by ancient stalactites, each striking project uses popular materials such as seed beads, crystals, and Czech glass beads. Along with illustrated step-by-step instructions, a basics section provides a refresher on essential beadweaving techniques. A gallery of works from top artists offers additional inspiration. *Beaders Guide: Peyote Stitch* Kalmbach Books
Here is everything the beader needs to know about using peyote stitch to create both flat and three-dimensional pieces. Thread, beads, graphing techniques, and five projects are thoroughly explained, and a brief history, with photographs, describes the differences between today's stitch and the Native American original.

The highlight of the book is a full-color photo gallery of peyote-stitched beadwork by the authors and 20 other nationally known artists, sure to inspire both the beginning and the veteran beadworker. *Best of Two-Hole Bead Stitching* Kalmbach Publishing, Co.

Features 24 beaded rope designs. From dainty to heavy and from simple to outrageously textured, this title contains beautiful and wearable necklace, lariat, bangle and bracelet projects that utilise such popular stitch techniques as spiral rope, peyote and oglala.

Hubble Stitch Sterling Publishing Company, Inc.

This book is the first in our Stitch Workshop series. This book will concentrate solely on peyote stitch, explaining the basics of that stitch in detail and supplying plenty of projects for beaders to practice with. With 28 peyote stitch projects organized from beginner to advanced, this book has a wide audience for those who are just learning the stitch and those who are looking for more project ideas. All of the projects in this book are from *Bead&Button* magazine. *Creative Bead Weaving* Kalmbach Books

The Absolute Beginners Guide: *Stitching Beaded Jewelry* is the introduction to bead stitching. This book helps beginners to have a successful start in stitching by answering questions like "What are the must-have supplies and tools?" and "How do I set up my workspace?" The projects introduce basic stitches starting with the easiest, such as cross-weave and right-angle weave, and moving into other more challenging techniques. Your confidence and skill set will grow as you work through the book, one project at a time.

Contemporary Cube Bead Designs Penguin

Readers will learn to turn inexpensive seed beads into one-of-a-kind jewelry. Ten basic bead stitches are covered.

Bead Stitching Handbook Quarto Publishing Group USA

Bead stitchers who want to perfect their peyote stitch skills will find plenty of inspiration in *Beaders' Guide: Peyote Stitch*. This in-depth look at the most popular beading stitch covers all the possibilities of peyote stitch, from traditional to contemporary, in 20+ fantastic projects. Ideal for advanced beginners and intermediate stitchers, *Beaders' Guide: Peyote Stitch* opens with a thorough guide to this versatile stitch. The book covers variations on the stitch, including flat, two-drop, circular, tubular, shaped, and the new peytwist variation, which reproduces the look of bead crochet. Beaders will work the stitch using

common and popular beads -- Delicas, seed beads, two-hole, and shaped beads -- in all kinds of colors and finishes. All instructions and projects are written by the contributors and editors of *Bead&Button* magazine and fully tested for accuracy. This essential guide will appeal to every beader.

Beaders' Guide: Right-Angle Weave Createspace Independent Publishing Platform

Artist and author Nancy Zellers takes it to the limit with this utterly original bead tube book. Using a simple peyote or brick-stitched tube, the author shows how to create more than 30 projects ranging in style from elegant to funky, and with colors spanning from subtle to brilliant, all from tiny, colorful, easy-to-find seed beads. Readers are able to see how changing colors and designs create new and exciting beaded beads. Also, a range of bracelets, earrings, and necklaces will delight the aspiring artist.

Bead-Weaving Stitches Turner Publishing Company

Bead Play Every Day features over 20 projects with a creative twist on traditional stitching techniques. Stitchers will learn a single technique by making a small, easy to complete component. Then, through repetition and creative experimentation, they will take on a larger project to perfect the technique. The results are beautifully stitched necklaces, bracelets, and earrings. Beth Stone has a dimensional, inquisitive approach to stitching that is perfect for stitchers who are ready to experiment with making their own design choices.

Your Seed Bead Style Kalmbach Books

Beaders are always seeking new ways to create complex effects and sophisticated looks for their beadwoven creations. In *Lush & Layered Beadweaving*, experienced teacher and designer Marcia Balonis breaks down the process of layering beads into easy-to-make designs. Each of the 20+ jewelry projects starts with a layer of beads that serves as the base. Balonis instructs jewelry makers to stitch layers of beads to the base to create gorgeous dimension and texture. The projects make the most of beaders' favorite materials, including multi-hole beads, seed beads, pearls, crystals, and glass. Balonis has a well-developed sense of color and utilizes numerous different colors and shades into her projects. Each project includes clear step-by-step instructions and photos. Experienced beadweavers will love Marcia's projects that incorporate many colors, intriguing ideas, and lush designs — and will want to make them all!
