KIDD RANDALL

Let's Go to the Beach! With Dr. Seuss's Lorax Rutgers University Press

Includes access code (p. 2) for an online readalong of the story. *Who's who & What's what in the Books of Dr. Seuss* Orchard Books

A sleepy tale full of wonderful yawning creatures from the iconic Dr. Seuss, gets a brand new look! This book is the original (and the best) remedy for children who don't want to go to sleep.

A Problematic Paradox Random House Books for Young Readers
On each page, color in a beautiful scene inspired by the poetry of Scotland's Bard, Robert Burns. From snow-covered mountains, to green valleys and wild-hanging woods, let the busy world melt away and take a walk through the highlands. Add color to pages of tangled briar and barley, curlicues of wild roses and lilac and water rushing past mossy banks and relax in the company of Burn's timeless poetry. For just a few minutes of each day, escape to a place of stillness and beauty.

Dr. Seuss's Sleep Book Random House Books for Young Readers
The simplicity of children's picture books--stories told with illustrations and a few well chosen words or none at all--makes them powerful tools for teaching morals and personal integrity. Children follow the story and see the characters' behaviors on the page and interpret them in the context of their own lives. But unlike many picture books, most children's lives don't feature monsters. This collection of new essays explores the societally sanctioned behaviors imparted to children through the use of monsters and supernatural characters. Topics include monsters as instructors, the normalization of strangers or the "other," fostering gender norms, and therapeutic monsters, among others. *A Dictionary of Arts and Sciences* Houghton Mifflin Harcourt
Offers five classic Dr. Seuss tales, including the story of the return of the mischievous Cat in the Hat with his Little Cat friends.

The Book Tree RH Childrens Books

Michelle Ann Abate examines a variety of texts that offer

information, ideology, and even instructions on how to raise kids right, not just figuratively, but politically. Highlighting the works of William Bennett, Lynne Cheney, Bill O'Reilly, and others, she brings together such diverse fields as cultural studies, literary criticism, political science, childhood studies, brand marketing, and the cult of celebrity. --from publisher description.

The Dr. Seuss Catalog Random House Books for Young Readers
An easy-to-read book about color, inspired by Dr. Seuss and illustrated with artwork from his books! This simple rhymed riff about color is illustrated with art from some of the most beloved—and colorful—works by Dr. Seuss, including *The Cat in the Hat*, *Green Eggs and Ham*, and *One Fish Two Fish Red Fish Blue Fish*. Great for the earliest reader, it is a perfect companion to Dr. Seuss concept books like *Mr. Brown Can Moo! Can You?*, *The Shape of Me and Other Stuff*, and *Dr. Seuss's ABC*. Nurture a love of reading—and of the many colorful characters created by Dr. Seuss—with this great new concept book for beginning readers! *Bright and Early Books* are perfect for beginning beginner readers! Launched by Dr. Seuss in 1968 with *The Foot Book*, *Bright and Early Books* use fewer and easier words than *Beginner Books*. Readers just starting to recognize words and sound out letters will love these short books with colorful illustrations.

Edible Colors Roaring Brook Press

Two children sitting at home on a rainy day are visited by the Cat in the Hat who shows them some tricks and games.

The Cat in the Hat HarperCollins UK

Educational resource for teachers, parents and kids!

Let's Go Green Together Perfection Learning

Grow your heart three sizes and get in on all of the Grinch-mas cheer with this lift-the-flap board book edition of the holiday classic for the youngest Seuss fans! A board-book version of Dr. Seuss's *How the Grinch Stole Christmas!* This super-simple, super-sturdy adaptation of the beloved holiday classic is perfect for the youngest Seuss fans. With a shortened rhymed text and over sixty Grinchy flaps for little fingers to lift, it's an ideal introduction to the story and a perfect gift for toddlers and preschoolers. Now everyone in the family can have a merry Grinchmas!

Science is an Action Word Random House Books for Young Readers

Join the Lorax and learn about beaches in this lift-the-flap board book for Dr. Seuss's youngest fans--perfect for encouraging a love of nature and printed on recycled paper! The Lorax shares his love of animals and the environment in this sturdy board book about the importance of taking care of our beaches. Written in rhymed verse and with flaps to lift that uncover simple facts about gulls, hermit crabs, shells, and other beach elements, it's both a fun read and an educational tool for toddlers and preschoolers. Also look for *Let's Go to the Garden! With Dr. Seuss's Lorax!*

Who's Afraid of the Big Bad Book? Boxtree

Arlo sees his town change for the worse after the Mayor bans and destroys all books, but by sharing stories Arlo helps set things right again.

The Eye Book National Geographic Books

Images from the work of Dr. Seuss for all ages to color! This beautiful book—featuring two colors of foil on the cover—will provide hours of creative fun for Dr. Seuss fans from 7 to 107! With intricate illustrations (some more complex than others), playful patterns, and iconic images based on pages from such titles as *The Cat in the Hat*, *Oh, the Places You'll Go!*, *The Lorax*, and *Horton Hears a Who!*, now you can color Dr. Seuss's work any way you want!

On Beyond Bugs! All About Insects Hachette UK

A new paperback edition, never before published in the UK, written and illustrated by the one and only Dr. Seuss.

The Grinch's Great Big Flap Book Barefoot Books

Describes the work of a man who tracks trash as it travels great distances by way of ocean currents.

The English Encyclopædia HarperCollins UK

The definitive, fascinating, all-reaching biography of Dr. Seuss Dr. Seuss is a classic American icon. Whimsical and wonderful, his work has defined our childhoods and the childhoods of our own children. The silly, simple rhymes are a bottomless well of magic, his illustrations timeless favorites because, quite simply, he makes us laugh. *The Grinch*, *the Cat in the Hat*, *Horton*, and so

many more, are his troupe of beloved, and uniquely Seussian, creations. Theodor Geisel, however, had a second, more radical side. It is there that the allure and fasciation of his Dr. Seuss alter ego begins. He had a successful career as an advertising man and then as a political cartoonist, his personal convictions appearing, not always subtly, throughout his books—remember the environmentalist of *The Lorax*? Geisel was a complicated man on an important mission. He introduced generations to the wonders of reading while teaching young people about empathy and how to treat others well. Agonizing over word choices and rhymes, touching up drawings sometimes for years, he upheld a rigorous standard of perfection for his work. Geisel took his responsibility as a writer for children seriously, talking down to no reader, no matter how small. And with classics like *Green Eggs and Ham*, and *One Fish Two Fish Red Fish Blue Fish*, Geisel delighted them while they learned. Suddenly, reading became fun. Coming right off the heels of George Lucas and bestselling Jim Henson, Brian Jay Jones is quickly developing a reputation as a master biographer of the creative geniuses of our time.

The Morals of Monster Stories KC Press

Let's Go Green Together empowers children to take essential action: tending to the planet we call home. This important guide recognizes that young people hunger to make a difference, and provides the practical information kids need to make their world a cleaner and greener place-starting today! To extend its

usefulness, the book is divided into sections for both younger and older readers. In the front section, engaging text and eye-catching photos introduce younger readers to Aaron, a child much like them. As Aaron shares his love for nature and demonstrates the simple steps he takes to care for the world around him, even very young children will feel encouraged to take action, too. The back section of the book provides invaluable resources for older children, parents, and educators. This in-depth material allows readers who are ready for more to explore background information, dig into further research, or find ideas on how to take further action. The book is rounded out with questions to enhance family or classroom discussions and a GreenKid Award to reinforce the positive changes that young readers will undertake. Don't miss the chance to share this life-changing guide with the young people in your life—environmental conservationist Dr. Peter Bower calls it "a must-read for all families."

The Wee Book of Colouring Random House Books for Young Readers

Dr. Seuss's youngest concept book is now available in a sturdy board book for his youngest fans! All of the stunning illustrations and imaginative type designs of Steve Johnson and Lou Fancher are here, as are the intriguing die-cut squares in the cover. A brighter, more playful cover design makes this board book edition all the more appropriate as a color concept book to use with babies or a feelings and moods book to discuss with toddlers.

Because a Little Bug Went Ka-choo! Random House Books for Young Readers

A clever parable built on the subject of pollution and the waste of natural resources.

Raising Your Kids Right HarperCollins UK

The bestselling author of *When God Made You* and *When I Pray for You* captures the wonder of Christmas and the joy of Jesus' birth in a lyrical exploration of what makes the season so colorful, magical, and personal. In his trademark style, Matthew Paul Turner celebrates the Christmas season, particularly the colors that infuse the holiday and all the memorable sensations and experiences—including a festive market, sledding, and nativity scene—connected to those bright hues. Matthew draws his readers into a whirling ribbon of the familiar reds and greens of Christmas, as well as other festive hues, including white, gold, blue, and brown. Christmas is RED. It's a bright shiny sled. It's candy canes, and toy store lanes. It's sprinkles on sweet bread. Christmas is BROWN It's pinecones scattered round... It's a cradle soft with hay And a donkey's gentle bray. It's God within a baby's skin on that very first Christmas Day. All the colors come together when readers are reminded that Christmas is YOU—you're a part of the story, the joy and the glory! Matthew shows us again and again that the holidays are nothing without being with the people we love, celebrating treasured traditions, and making new memories—all in vivid color.
