This is a read-along edition with audio synced to the text, performed by Geraldine McEwan. The classic picture book story of Sophie and her extraordinary teatime guest has been loved by millions of children since it was first published more than fifty years ago.

Now an award-winning animation! *Passport to Heaven* F A Davis Company Lesser Feasts and Fasts has not been updated since 2006. This new edition, adopted at the 79th General Convention (resolution A065), fills that need. Biographies and collects associated with those included within the volume have been updated; a deliberate effort has been made to more closely balance the men and women represented within its pages.

In this groundbreaking work on ethics, Ben Benjamin and Cherie Sohnen-Moe directly address the difficult, confusing, and seldom-discussed-but-often-troubling dilemmas confronting touch therapy practitioners. By honestly describing the issues, identifying clear principles, naming specific resources and using stories straight from the treatment room, they have written a book to guide, support and inspire both students and seasoned practitioners. Reflective exercises and questions allow the reader to personalize each chapter. With love and respect for the field and for clients everywhere, Dr. Benjamin and Ms. Sohnen-Moe articulate high expectations and outline practical steps to meet them. This book belongs in the office of

every somatic practitioner and in the classrooms of every professional training school. The Ethics of Touch has sold 60,000 copies, and is recommended by more than 750 healing arts associations and schools. Over 250 schools require it as a text. The first edition of The Ethics of Touch was five years in the making. The second edition is significantly revised with additional and updated material, and new chapters. It is a collaborative endeavor of many knowledgeable, caring, and articulate professionals. Most massage therapists, bodyworkers, chiropractors, acupuncturists, physical therapists, and other somatic practitioners do not receive adequate ethics training in school. This book supports hands-on professionals in expanding their

knowledge about the field of ethics, to better manage boundaries, and to run ethical practices. When Betty Friedan produced *The Feminine Mystique* in 1963, she could not have realized how the discovery and debate of her contemporaries' general malaise would shake up society. Victims of a false belief system, these women

were following strict social convention by loyally conforming to the pretty image of the magazines, and found themselves forced to seek meaning in their lives only through a family and a home. Friedan's controversial book about these women - and every woman - would ultimately set Second Wave feminism in motion and begin the battle for equality. This groundbreaking and life-changing work remains just as powerful, important and true as it was forty-five years ago, and is essential reading both as a historical document and as a study of women living in a man's world. 'One of the most influential nonfiction books of the twentieth century.' *New York Times* 'Feminism began with the work of a single person: Friedan.' Nicholas Lemann

 The Sword may destroy your enemies, but the Scepter will secure your inheritance. For too long, Christians have been battling against the forces of darkness when they should be ruling over them! It is time to shed our spiritual warrior mentality and take our rightful seat as rulers in the Kingdom of God. Wanda Alger is a nationally recognized prayer leader who wants to activate you as a ruling co-heir with Jesus. In *Moving from Sword to Scepter*, you will discover how to displace demonic forces and release Heaven's rule from a place of spiritual authority, both personally and corporately as the Ekklesia of God. This revelatory prayer protocol will teach you how to: Engage in victorious spiritual warfare, modeling practices from the

Book of Acts. Function as a spiritual governor, ruling in the midst of the enemy. Operate in spiritual protocols that defeat strongholds. Displace and occupy enemy territory. Practice apostolic prayer and intercession. Discover how to rule as the Ekklesia of God!

"Character" has become a front-and-center topic in contemporary discourse, but this term does not have a fixed meaning. Character may be simply defined by what someone does not do, but a more active and thorough definition is necessary, one that addresses certain vital questions. Is character a singular characteristic of an individual, or is it composed of different

aspects? Does character--however we define it--exist in degrees, or is it simply something one happens to have? How can character be developed? Can it be learned? Relatedly, can it be taught, and who might be the most effective teacher? What roles are played by family, schools, the media, religion, and the larger culture? This groundbreaking handbook of character strengths and virtues is the first progress report from a prestigious group of researchers who have undertaken the systematic classification and measurement of widely valued positive traits. They approach good character in terms of separate strengths--authenticity, persistence, kindness, gratitude, hope, humor, and so on--each of which exists in degrees. Character Strengths and

Virtues classifies twenty-four specific strengths under six broad virtues that consistently emerge across history and culture: wisdom, courage, humanity, justice, temperance, and transcendence. Each strength is thoroughly examined in its own chapter, with special attention to its meaning, explanation, measurement, causes, correlates, consequences, and development across the life span, as well as to strategies for its deliberate cultivation. This book demands the attention of anyone interested in psychology and what it can teach about the good life.

This report is the second in a series of three evaluating underexploited African plant resources that could help broaden

and secure Africa's food supply. The volume describes the characteristics of 18 little-known indigenous African vegetables (including tubers and legumes) that have potential as food- and cash-crops but are typically overlooked by scientists and policymakers and in the world at large. The book assesses the potential of each vegetable to help overcome malnutrition, boost food security, foster rural development, and create sustainable landcare in Africa. Each species is described in a separate chapter, based on information gathered from and verified by a pool of experts throughout the world. Volume I describes African grains and Volume III African fruits.

 "You have a call, Elder Wilder." When missionary Micah Wilder set his sights on bringing a Baptist congregation into the Church of Jesus Christ of Latter-day Saints, he had no idea that he was the one about to be changed. Yet when he finally came to know the God of the Bible, Micah had no choice but to surrender himself—no matter the consequences. For a passionate young Mormon who had grown up in the Church, finding authentic faith meant

giving up all he knew: his community, his ambitions, and his place in the world. Yet as Micah struggled to reconcile the teachings of his Church with the truths revealed in the Bible, he awakened to his need for God's grace. This led him to be summoned to the door of the mission president, terrified but confident in the testimony he knew could cost him everything. *Passport to Heaven* is a gripping account of Micah's surprising journey from living as a devoted member of a religion based on human works to embracing the divine mercy and freedom that can only be found in Jesus Christ.

On October 20, 2006, a middle-aged auto mechanic, Jeff Markin, walked into the emergency room at the Palm Beach

Gardens Hospital and collapsed from a massive heart attack. Forty minutes later he was declared dead. After filling out his final report, the supervising cardiologist, Dr. Chauncey Crandall, started out of the room. "Before I crossed its threshold, however, I sensed God was telling me to turn around and pray for the patient," Crandall explained. With that prayer and Dr. Crandall's instruction to give the man what seemed one more useless shock from the defibrillator, Jeff Markin came back to life--and remains alive and well today. But how did a Yale-educated cardiologist whose Palm Beach practice includes some of the most powerful people in American society, including several billionaires, come to believe in supernatural healing? The answers to

these questions compose a story and a spiritual journey that transformed Chauncey Crandall.

The Glory of God Revealed As you read The Glory of God Revealed, you will be amazed at the wonderful things Donna Rigney saw and learned on her many spiritual encounters with Father, Jesus and Holy Spirit. Her vivid, detailed accounts of a special golden mountain in Heaven, and all that glorious mountain holds for Gods children who hunger for His glory, will inspire you to become an avid glory seeker. Through her book, you will learn how you, too, can access the glory in your life. What is the Glory of God? Father explained: You cannot

separate My glory from Me or from who I am. My glory is My essence, My fragrance, My nature and My being. Just as your humanity cannot be separated from you - that is who you are - human; in the same way, My glory cannot be separated from Me. Wherever I am, that is where My glory is. "The days ahead will be marked by My glory. Being flooded with My glory will become commonplace and expected by all. A new addiction will overtake My children an avarice addiction to My glory! In the days ahead, you will see many transformed from Saul, the persecutor of My people, to Paul, the apostle to the Gentiles. Many will leave their ignorance and embrace the wisdom, knowledge and glory of My kingdom."

Everyone agrees that we should pray. Prayer is, after all, a central part of the Christian faith. But what happens when you don't know how? When you pray and nothing happens; when you open your mouth but don't know what to say? Prayers that Shake Heaven and Earth is a collection of effective prayers. They've been used to secure breakthroughs in many lives. If you are longing for your prayer life and ministry to bear fruit, look no further. Are you among those asking, "What should I say?" "Is God listening to me?" "How should I pray for my children, pets, or sleep?" Are your prayers impacting your life and the lives of your loved ones, or is it like you haven't even

spoken? Maybe you've seen great results from prayer. Maybe you're simply looking to take your prayer life further. Maybe you minister to others regularly, and you are looking for keys to unlock a more powerful ministry. Regardless of your situation, this book will bless you! The language in these prayers is based on the written Word of God and the mechanics of the spirit realm. The subjects covered are broad. It includes prayers for the morning, the evening, the home, children, and pets. It includes powerful healing and deliverance prayers for use within a ministry context, and so much more! It is an extraordinary tool that will empower your walk with God.

America's top psychic medium reflects on his life of speaking to Spirit and the lessons he's learned along the way—from both the living and the dead. Matt Fraser is just an ordinary guy...who happens to talk to dead people. Born into a psychic family, Matt carries on the legacy passed down from his late Grandmother Mary by connecting people to their dearly departed loved ones and delivering messages from the other side. His sold-out live group readings,

television appearances, and private readings have allowed him to bring hope and healing to fans from around the world. But people who are not in the habit of talking with the dead have a hard time imagining what his day-to-day life is like. Based on the questions he gets, they seem to think he spends most of his time sitting cross-legged in a trance, maybe hovering a few inches off the ground, leaving his physical body behind as he journeys across the veil to the spirit realm. But it's not like that at all. Now, in *When Heaven Calls*, Matt opens up about it's really like to be a psychic medium—including how he discovered his spiritual gift, what it's like to connect with souls on the other side, what communicating with the dead has taught him about embracing life, and

how you can tap into your own intuitive awareness to manifest your dreams, goals, and desires.

Visions of Hell... In *A Divine Revelation of Hell*, over a period of thirty nights, God

gave Mary K. Baxter visions of hell and commissioned her to tell people still alive on earth to reject sin and evil, and to choose life in Christ. Here is an account of the place and beings of hell contrasted with the glories of heaven. Follow Mary in her supernatural journey as she enters with Jesus into a gateway to hell and encounters the sights, sounds, and smells of that dark place of torment, including its evil spirits, cells, pits, jaws, and heart. Be an eyewitness to the various punishments of lost souls and hear their shocking stories. This book is a reminder that each of us needs to accept the miracle of salvation before it is too late—and to intercede for those who do not yet know Christ. Time is running out.
