SLADE HOBBS

The Official Railway Guide Rough Guides

Montreal and Quebec City are like outposts of European culture in the heart of Canada just hours from the US, distinctively Canadian but with a palpable French spirit. The Rough Guide to Montreal takes you through everything in great detail, providing informative and entertaining accounts of what the city has to offer in terms of attractions, restaurants, accomodation and its vibrant nightlife. There is extensive coverage of Quebec City, as well as the snow-capped peaks of the Laurentian Mountains and Eastern Townships, all accessible day-trips from Montreal. In each chapter there are detailed maps and plans covering every neighbourhood. The contexts section includes a useful French language section and glossary.

Encyclopedia Britannica BoD - Books on Demand

This Annual Information Bulletin presents a survey of research in hand on the social and economic aspects of transport in over 400 specialised agencies which are mainly European (West and East) but in some cases American, Canadian or Australian.

Guide to Asian Studies in Europe Psychology Press

Reprint of the original, first published in 1867.

Le Guide Musical Walter de Gruyter GmbH & Co KG

This Guide is produced on behalf of the European Science Foundation Asia Committee. The Guide provides a comprehensive survey of researchers, institutes, university departments, museums, organisations, and newsletters in the field of Asian Studies in Europe. The 352 page Guide is published by the International Institute for Asian Studies in co-operation with Curzon. This is the first such guide ever published, and contains highly detailed current information including specialisation by subject and region for each entry. The Guide contains an alphabetical list of 5,000 European Asianists; 1,200 institutes and university departments; 300 museums, organisations, and newsletters.

The Encyclopaedia Britannica: Con to Edw OECD Publishing

The Guide provides a comprehensive survey of researchers, institutes, university departments, museums, organisations and newsletters in the field of Asian Studies in Europe.

The Encyclopaedia Britannica: Ton to Zym Rough Guides UK

In this introduction to commutative algebra, the author choses a route that leads the reader through the essential ideas, without getting embroiled in technicalities. He takes the reader quickly to the fundamentals of complex projective geometry, requiring only a basic knowledge of linear and multilinear algebra and some elementary group theory. The author divides the book into three parts.

In the first, he develops the general theory of noetherian rings and modules. He includes a certain amount of homological algebra, and he emphasizes rings and modules of fractions as preparation for working with sheaves. In the second part, he discusses polynomial rings in several variables with coefficients in the field of complex numbers. After Noether's normalization lemma and Hilbert's Nullstellensatz, the author introduces affine complex schemes and their morphisms; he then proves Zariski's main theorem and Chevalley's semi-continuity theorem. Finally, the author's detailed study of Weil and Cartier divisors provides a solid background for modern intersection theory. This is an excellent textbook for those who seek an efficient and rapid introduction to the geometric applications of commutative algebra.

A Handbook for Travellers in France Routledge

The Rough Guide to France is the ultimate travel guide with clear maps and detailed coverage of all the best French attractions. Discover the length and breadth of this majestic country, from the stunning lavender-covered fields of sunny Provence to the beautiful, languid canals of Burgundy and the mighty Cathar castles of Languedoc. Informative full-colour features explore the very best French wines and cheeses, as well as France's key walking regions and routes, while an extensive language section will get you started on all the most important French phrases and vocabulary. Find detailed practical advice on what to see and do in France while relying on up-to-date descriptions of the best hotels in France, bars in France, restaurants in France, shops in France and French festivals for all budgets. You'll find expert tips on exploring France's varied landscapes, from the alpine slopes of the Alps to the vibrant metropolis of Paris; and authoritative background on France's history, wildlife and food, with the low-down on the top French films and books. Explore all corners of France with the clearest maps of any guide.
