Safran noir Henry Holt and Company (BYR) Homicide detective Kara Gillian has a special talent: she can sense the "arcane" in our world, and

there's quite a bit of it, even in Beaulac, Louisiana. She's also a summoner of demons, and works on a task force that deals with supernatural crimes. Her partners are attractive and smart FBI agents, but they're not summoners, and they're not telling Kara why they are on this special force with her. To complicate things even more, Kara has pledged herself to one of the most powerful of demons—Demon Lord Rhyzkahl—who helped save her partner's life, but

now expects things in return. Meanwhile, she's trying to solve a string of murders that are somehow tied together by money, sex, rock music and...mud. But how can she concentrate on the case when she's not even sure who—or what—her partners are? Secrets of the Demon is the exciting third installment of the Kara Gillian series. *The Alchemyst* Albin Michel

Napoleon's Hemorrhoids Henry Holt and Company (BYR)

New York Times

Bestseller! A compendium

about tiny ripples that created big waves in history. What was Hitler's real name? Which famous artist was mistakenly thought to be stillborn, until his uncle revived him by blowing cigar smoke in his face? And what were Albert Einstein's last words? Hilarious, fascinating, and a roller coaster of dizzying historical what-ifs and lesser-known anecdotes, *Napoleon's Hemorrhoids* is a potpourri for serious historians and casual history buffs that reveals how much of history

turned out to be the consequences of fortune, accident, or luck. Here, you'll learn that Communist jets were two minutes away from opening fire on American planes during the Cuban missile crisis, when they had to turn back as they were running out of fuel. You'll discover that before the Battle of Waterloo, Napoleon's painful hemorrhoids prevented him from mounting his horse to survey the battlefield. You'll learn that Nixon's White House taping system was

accidentally revealed by an aide, causing his downfall in the Watergate scandal. You'll discover how Coca-Cola's most famous advertisement, launched in 1971 was inspired by an unplanned all-night layover at an Irish airport. (And . . . no one actually knows Einstein's last words. They were in German, a language his nurse did not speak.) A treasure trove of astonishing anecdotes about the tiny ripples that created big waves in history, Napoleon's Hemorrhoids reveals how

our most famous incidents, best-loved works of art, and most accepted historical outcomes are simply twists of fate.

Entangled: Teen Stephen is used to invisibility. He was born that way. Invisible. Cursed. Elizabeth sometimes wishes for invisibility. When you're invisible, no one can hurt you. So when her mother decides to move the family to New York City, Elizabeth is thrilled. It's easy to blend in there. Then Stephen and Elizabeth meet. To Stephen's amazement, she can see him. And to Elizabeth's amazement,

she wants him to be able to see her - all of her. But as the two become closer, an invisible world gets in their way - a world of grudges and misfortunes, spells and curses. And once they're thrust into this world, Elizabeth and Stephen must decide how deep they're going to go - because the answer could mean the difference between love and death. From the critically acclaimed and bestselling authors David Levithan - who wrote *Every Day* and co-wrote *Will Grayson, Will Grayson* with John

Green, and Nick & Norah's *Infinite Playlist* with Rachel Cohn, as well as many other novels - and Andrea Cremer - who wrote the bestselling *Nightshade* series - comes a remarkable story about the unseen elements of attraction, the mortal risks of making yourself known, and the invisible desires that live within us all. David Levithan and Andrea Cremer met each other in Washington, DC, even though that's not where they live. Andrea was pretty certain she wasn't invisible, but David

confirmed that fact by introducing her to some other writers, who were all able to see her. Before writing with Andrea, David had never written a novel with a one-word title. His novels include *Every Day*, *Will Grayson, Will Grayson* (with John Green) and *Nick & Norah's Infinite Playlist* (with Rachel Cohn). Qui était Gustave Caillebotte, l'homme derrière l'artiste et mécène des impressionnistes ? Quelles étaient ses pensées ? Quels sont ses secrets ? Que peut-on lire de sa vie dans ses peintures, notamment Partie de

bateau ? Ce roman-biographie reprend les étapes connues de sa vie, depuis son enfance jusqu'à sa mort, avec pour coeur les années 1877-1879 lors des troisième et quatrième expositions impressionnistes. En partant de ses peintures, l'auteur remplit, en les inventant, les vides laissés par les lacunes sur son histoire personnelle et éclaire la lecture de son oeuvre. Il crée aussi de toutes pièces la vie de Charlotte Berthier, son intrigante compagne,

dont nous ne possédons que l'acte de naissance, qui nous dévoile une double identité et qui est reconnue avec certitude sur une seule peinture de Caillebotte, nue sur un divan. Pourquoi ce choix ? Ce livre est aussi une réflexion sur l'art, la construction de soi, le non-dit, la question de l'identité sexuelle et du genre, l'histoire de l'homosexualité, la condition féminine et le féminisme.

Complots politiques,

affaires de mœurs, scandales judiciaires..., l'Histoire est un éternel recommencement, un extraordinaire roman vrai, que Stéphane Bern a découvert dès sa plus tendre jeunesse en dévorant les œuvres d'Alexandre Dumas. l'identité de Kaspar Hauser, l'enfant sauvage, de Dracula ou de Jack l'éventreur, la disparition de Saint-Exupéry, les amours de François Ier, la mort de Descartes ou d'Agnès Sorel, les bâtards de Louis XIV et de Napoléon Ier, les monstruosité des Borgia..., Stéphane Bern nous raconte avec passion et talent ces grandes énigmes du passé où la comédie humaine prend toute sa dimension.
