MARTINEZ CAITLYN

Pink Floyd în roșu LIT EDIZIONI

Quella che racconta Weigel è una storia di ascesa e caduta, di ambizioni artistiche spropositate e di scelte sbagliate. Ma è anche la storia di grandi musicisti in grado di ripensare radicalmente il ruolo della musica pop e le sue forme. Una stagione ingenua e satura di talento, in cui le possibilità della musica sembravano illimitate, e il rock pareva davvero in grado di salvare il mondo.

ANNO 2020 LO SPETTACOLO E LO SPORT SECONDA PARTE

Antonio Giangrande
 Quell'omino che vediamo è lo stesso che poco tempo prima voleva uccidere tutte le

donne del mondo. È proprio lui. E ora fa di tutto e si dispera perché una di loro possa tornare a vivere. Luci della ribalta è un film possente, geometrico, torbido e menzognero dove la bellezza, come il sole sugli specchi, gibigianando va. Eccolo Buster Keaton. Una sfingea apparizione di pochi secondi ove per poco il cor non si spaura. Insieme. Come se Michelangelo scolpendo il David avesse fatto fare l'orecchio sinistro a Leonardo. Luci della ribalta è un film che sferza e ci aggrandisce. Incatena l'attenzione dello spettatore. Il film "ideologico" più riuscito di Chaplin poiché conserva intatta la forza del sentimento che è l'unica, vera forza rivoluzionaria. Ma questi sono discorsi. I fatti sono che quando si torna a casa la notte dopo aver visto un film così, guardando il cielo stellato ci vien di sussurrare: "L'ho già visto.

Il Segno dell'io Europa Editions

'The definitive story of the Rolling Stones' HEAT In this remarkable book, the Stones themselves reveal the story behind the legend, getting right to the heart of what makes the group tick. It's the band's-eye view of their history, punctuated by pithy comments on album and single releases, on memorable performances and on the ups and downs of their private world, and also includes stunning illustrations, many from their own personal archives. The book begins with their roots and what brought them together. It then charts their rise from playing in tiny clubs to their success as 'the greatest rock 'n' roll band in the world'. They describe how their music has evolved and how it has changed their lives. 'It wasn't so much a question of being a wizard on the guitar. You also had to be quite a magician to live with the

This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the "public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

[Oriana Fallaci](#) EPC srl

A landmark biography of the most famous Italian journalist of the twentieth century, an inspiring and often controversial woman who defied the codes of reportage and established the "La Fallaci" style of interview. Oriana Fallaci is known for her uncompromising vision. To retrace Fallaci's life means to retrace the course of history from World War II to 9/11. As a child, Fallaci enlisted herself in the Italian Resistance alongside her father. Her hatred of fascism and authoritarian regimes would accompany her throughout her life. Covering the entertainment industry early on in her career, she created an original, abrasive interview style, focusing on her subject's emotions, contradictions, and facial expressions more than their words. When she grew bored of interviewing movie stars and directors, she turned her attention to the greatest international figures of the time: Khomeini, Gaddafi, Indira Gandhi, and Kissinger, placing herself front and center in the story. Reporting from the front lines of the world's greatest conflicts, she provoked her own controversies wherever she was stationed, leaving behind epic collateral damage in her wake. Thanks to unprecedented access to personal records, Cristina De Stefano brings back to life a remarkable woman whose groundbreaking work and torrid love affairs will not soon be forgotten. Oriana Fallaci allows a new generation to discover her story, and witness the passionate, persistent journalism that we urgently need in these times of upheaval and uncertainty.

[John Cassavetes. Un'autobiografia postuma](#) HarperCollins Leadership

In his trademark straight-talking, no-nonsense style Mark Webber reveals his amazing life on and off the Formula One race track in Aussie Grit. Mark Webber was at the centre of one of the most

captivating chapters in the history of Formula One. In 2010, while racing for Red Bull, he and his team mate Sebastian Vettel went head to head for the World Championship. There could only be one winner. Since retiring from Formula One Mark has concentrated on endurance racing, including the legendary Le Mans 24 Hour race. He hit the front pages of newspapers around the world in December 2014 when he slammed into the barricades in the final round of the FIA World Endurance Championship in South America, and was lucky to escape with his life. But the controversy of his relationship on and off the track with Vettel, who went on to win multiple world titles, has never been far beneath the surface. Here, for the first time, Webber tells the inside story of one of Formula One's most intriguing battles - it is a story that goes to the heart of why the sport is loved by millions of fans around the world. From his first taste of karting to his F1 debut in 2002, scoring Minardi's first points in three years at the Australian Grand Prix, through to his first win with Red Bull at the 2009 German Grand Prix and the year he should have been crowned World Champion. Mark Webber's journey to the top of Formula One was every bit as determined and committed as his racing. Aussie Grit is his searingly honest story. Includes a foreword by Formula One legend Sir Jackie Stewart.

Eminent Hipsters Antonio Giangrande Originally published in 1987, a collection of anecdotes as well as opinions pro and con on a wide range of subjects by legendary actress Bette Davis--now in ebook for the first time! A woman of strong appetites and opinions, Bette Davis minces no words. In frank, no nonsense terms she talks about the stroke that nearly killed her, and inspires us with the story of her subsequent recovery from cancer--a lively and encouraging account shot through with the star's unique blend of spunk and wit. Davis was famous for being as unsparing of herself as she was of others. Among the "others" of this book are President Ronald Reagan, who was a contract player at Warner Bros. when she was; Joan Crawford, her costar in *What Ever Happened to Baby Jane?*; Humphrey Bogart; Marilyn Monroe; Elizabeth Taylor; and Helen Hayes, Bette's costar in her first film after her illness, *Murder with Mirrors*. She also talks about her deep friendship with her longtime assistant, Kathryn Sermak, who nursed Davis back to health after her stroke and ushered her back into acting when Davis's doctors thought all hope was lost. As Davis says, "If everyone likes you, you're doing your job wrong."

This is a unique and controversial book by

one of the most incandescent and unconventional acting talents of all time, as magnetic and supremely talented as the lady herself.

The Art of Pink Floyd the Wall Hachette UK Never-before-published commentaries and personal reflections of the great Zen master on living in stillness and timelessness Thich Nhat Hanh shares the essence of his lifetime of spiritual seeking in this intimate and poetic work, inspired by the classic text *Being Time* by thirteenth-century Japanese Master Dogen. *Inside the Now* begins with an autobiographical reflection in which we hear the voice of the young monk, poet, and community-builder struggling in war-torn Vietnam to develop a Buddhism relevant to the suffering of his time. These early experiences lay the groundwork for Thich Nhat Hanh's insights into the nature of time and interbeing. In part two, we hear the clear, direct voice of the Zen master challenging us to open our hearts, seize the moment, and touch the now. A beautifully designed and personal book that will be cherished for generations, *Inside the Now* is interspersed with poetry from other Zen masters as well as the author's own verse and calligraphy.

According to the Rolling Stones Antonio Giangrande

John Cassavetes (1929-1989), attore poliedrico e regista di film quali *Ombre, Volti, Mariti e Gloria* (Leone d'Oro a Venezia), è considerato il padre del cinema americano indipendente. I suoi film, realizzati con budget minimi e la collaborazione, sia dietro le quinte che sulla scena, di amici e parenti - tra cui gli «attori feticcio» Seymour Cassel, Ben Gazzara, Peter Falk e Gena Rowlands - hanno inaugurato un nuovo modo di fare cinema lontano dall'egemonia degli studios hollywoodiani, libero da sceneggiature rigide e incentrato sulla massima improvvisazione degli attori. In questo libro, l'autore raccoglie e raccorda fra loro una quantità imponente di citazioni da interviste edite e inedite con il regista e i suoi amici e i collaboratori più stretti: dalle vicende personali ai dietro le quinte della realizzazione dei film, fino alle battaglie per la loro diffusione, quello che ne emerge è il ritratto completo, onesto e appassionato di uno dei cineasti più geniali e coraggiosi di sempre.

Inside out Parallax Press

A woman goes home to Naples after her mother's mysterious death in a "tour de force" by the New York Times-bestselling author of *My Brilliant Friend* (Seattle Times). Following her mother's untimely and unexplained drowning, which was preceded by a series of strange phone

calls, forty-five-year-old Delia leaves Rome and embarks on a voyage of discovery through the beguiling yet often hostile streets of her native Naples. She is searching for the truth about her family and the men in her mother's life, past and present, including an abusive husband. What she discovers will be more unsettling than she imagines, but will also reveal truths about herself, in this psychological mystery marked by "tactile, beautifully restrained prose" (Publishers Weekly) about mothers and daughters and the complicated knot of lies and emotions that binds them. "Ferrante's polished language belies the rawness of her imagery." —The New Yorker "With the quick-paced mystery guiding the story, Delia explores her relationship with her mother, unraveling memories and secrets repressed since childhood and coming to terms with an upbringing filled with jealousy and violence . . . Troubling Love is vivid and powerful." —Library Journal

My Bloody Roots 1st World Publishing
 This special edition of the book is accompanied by an exclusive original artwork print, personally signed by the artist, available with the 100 copy limited edition of *The Art of Pink Floyd's The Wall*. The print shows Gerald Scarfe's interpretation of the horrors that lurk behind the character Pink's personal defences: the smothering Mother, the cruel, sarcastic Teacher and the cold, poisonous Wife. These were all inspired by Roger Waters lyrics for the legendary 'Wall'. *The Art of Pink Floyd The Wall* is a sumptuously illustrated book, collecting Gerald Scarfe's iconic work for Pink Floyd. First *The Wall* was an album, then it was a stage show, a film - now there will be the definitive book, which will be a work of art in its own right. This large, landscape-format book, presented in a stunning slipcase designed by Scarfe, is packed with photos, drawings and designs which will incorporate the iconic imagery of *The Wall* alongside new and previously unseen material. Forty years on, *The Wall* has lost none of its impact, and its themes are more relevant than ever. Presenting the phenomenal artwork as it has never been seen before, *The Art of Pink Floyd The Wall* is a must-have for any Pink Floyd fan.

 Noi siamo quello che altri hanno voluto che diventassimo. Facciamo in modo che diventiamo quello che noi avremmo (rafforzativo di saremmo) voluto diventare.
ANNO 2019 LO SPETTACOLO E LO SPORT

PRIMA PARTE Little Brown GBR
 Arrivato a doppiare il mezzo secolo di vita e coronato da un successo planetario stimato in oltre cinquanta milioni di copie, il disco *The Dark Side of the Moon* (1973) del gruppo inglese Pink Floyd resta agli atti come uno dei più accattivanti episodi della stagione stilistica del cosiddetto progressive pop e uno dei più riusciti esempi di concept album, ossia un album caratterizzato da un fil rouge tematico che ne attraversa e collega tutti i brani. Ma questo disco, parte delle memorabilia sonore del Novecento, si candida innanzi tutto a essere preso in considerazione per la sua trama formale e per la sua ricchezza strumentale, oltre che per l'aura extraterrestre e per le riflessioni filosofiche e psicologiche che ne ispirano, allusivamente, i singoli episodi. Questo e molto altro (la *Swingin' London*, la scena britannica underground, l'estetica e la discografia fondamentale del progressive, gli apporti creativi di Gilmour, Waters, Mason e Wright, il decisivo contributo tecnico di Alan Parsons alla registrazione dell'album) illustra il libro di Dainese attraverso una rigorosa ma fruibile analisi musicologica e contestuale, riferibile anche al "rafforzamento progressivo" degli insegnamenti istituzionali di musica popular e afro-americana.

Gertrude Stein in T/tempo Elefant Online
 A witty, candid, sharply written memoir by the cofounder of Steely Dan In his entertaining debut as an author, Donald Fagen—musician, songwriter, and cofounder of Steely Dan—reveals the cultural figures and currents that shaped his artistic sensibility, as well as offering a look at his college days and a hilarious account of life on the road. Fagen presents the "eminent hipsters" who spoke to him as he was growing up in a bland New Jersey suburb in the early 1960s; his colorful, mind-expanding years at Bard College, where he first met his musical partner Walter Becker; and the agonies and ecstasies of a recent cross-country tour with Michael McDonald and Boz Scaggs. Acclaimed for his literate lyrics and complex arrangements as a musician, Fagen here proves himself a sophisticated writer with his own distinctive voice.
