## LEILA LAYLAH

*Design* Ch. Links Verlag

At head of title: World Health Organization, regional office for Europe.

*Coleridge and Opium-eating and Other Writings* Back Bay Books

San Pedro is Bolivia's most notorious prison. Small-time drug smuggler Thomas McFadden found himself on the inside. *Marching Powder* is the story of how he navigated this dark world of gangs, drugs and corruption to come out on top. Thomas found himself in a bizarre world, the prison reflecting all that is wrong with South American society. Prisoners have to pay an entrance fee and buy their own cells (the alternative is to sleep outside and die of exposure), prisoners' wives and children often live inside too, high quality cocaine is manufactured and sold from the prison. Thomas ended up making a living by giving backpackers tours of the prison - he became a fixture on the backpacking circuit and was named in the *Lonely Planet* guide to Bolivia. When he was told that for a bribe of \$5000 his sentence could be overturned, it was the many backpackers who'd passed through who sent him the money. Written by lawyer Rusty Young, *Marching Powder* - sometimes shocking, sometimes funny - is a riveting story of survival.

*The Human Body* Routledge

*Waterstones'* Books of the Year Nick McDonell's electrifying novel tells the story of a fictional drug called Twelve and its devastating effects on the beautiful rich and desperate poor of New York City. From page one, this novel pulsates towards its apocalyptic climax. Twelve is cool, cruel and utterly compulsive. Twelve has been adapted for film by Hollywood director Joel Schumacher starring Chace Crawford, Emma Roberts, and 50 Cent. Praise for Twelve 'As fast as speed, as relentless as acid' -- Michiko Kakutani, *New York Times* 'The hype is all true' -- *Sunday Telegraph* 'Bret Easton Ellis territory...an extraordinary assured debut' -- Harper & Queen 'McDonell is an authentic talent and, long after the storms of hype have died away, his novel will endure as a snapshot of his generation' -- *Observer* 'Consistently brilliant... One of the most exciting new writers around' -- *Independent on Sunday* 'A brilliant satirical debut' -- *Time Out* 'A compulsive elegy to wasted, privileged youth, lives up to the hype... lean, elegant and bleakly witty' -- Elle

**Egon Erwin Kisch-Preis 2000** Penguin

*Breaking Bad: Critical Essays on the Contexts, Politics, Style, and Reception of the Television Series*, edited by David P. Pierson, explores the contexts, politics, and style of AMC's original series *Breaking Bad*. The book's first section locates and addresses the series from several contemporary social contexts, including neo-liberalism, its discourses and policies, the cultural obsession with the economy of time and its manipulation, and the epistemological principles and assumptions of Walter White's criminal alias Heisenberg. Section two investigates how the series characterizes and intersects with current cultural politics, such as male angst and the re-emergence of hegemonic masculinity, the complex portrayal of Latinos, and the depiction of physical and mental impairment and disability. The final section takes a close look at the series' distinctive visual, aural, and narrative stylistics. Under examination are *Breaking Bad*'s unique visual style whereby image dominates sound, the distinct role and use of beginning teaser segments to disorient and enlighten audiences, the representation of geographic space and place, the position of narrative songs to complicate viewer identification, and the integral part that emotions play as a form of dramatic action in the series.

**Mr Nice** Springer-Verlag

Die Formen und Institutionen der Gegenwartskultur seit 1945 - Rückblick und Überblick. Traditionelle Kunstformen wie Literatur, Theater, Film, Fotografie, Musik, Bildende Kunst und Architektur rücken ebenso in den Blickpunkt wie neuere Formen der Medienästhetik. Dazu zählen Fernsehen, Werbung,

Comics, Video, Internet und CD-ROM. Formen der Alltagskultur und die kulturellen Institutionen werden detailliert erläutert. Gewürdigt werden außerdem die Theoriebildung und Debatten seit 1945, z.B. Kritische Theorie, Poststrukturalismus, Dekonstruktivismus und Historikerstreit.

*Cocas Fluch* Walter de Gruyter

Howard Marks is the most famous drug smuggler of his age, and a hero to a generation. On his release from one of America's toughest prisons, Howard made a promise to himself to go straight. No more drugs, no more smuggling, no more fake passports. He would retire to a quiet life with his family in the Balearic Islands of Spain. It didn't quite work out that way. This was the mid-nineties, the height of the ecstasy and clubbing boom, and Ibiza was at the very centre of the vortex for the 'E generation'. Pills had taken the place of marijuana, Paul Oakenfold had replaced The Rolling Stones as the music of the masses, but some people are just born for life on the other side of the law. It wasn't long before Howard found himself trying pure ecstasy and rubbing shoulders with some of the king-pins of the pill trade. These included some of Britain's most notorious gangsters, who were laundering millions of pounds of gold stolen from the legendary Brink's-Mat bullion raid. As Britons descended on Ibiza ahead of one of the greatest summers of the nineties, Howard was preparing for his most outrageous operation yet. Incredibly funny, moving and scabrous, Howard Marks' *Mr Smiley* follows a journey to the heartland of the clubbing and British crime scene. It is also a fitting last word from one of Britain's best loved bad boys.

*Rainer Werner Fassbinder* LIT Verlag Münster

Winner of the both the Edgar Award for Best Fact Crime and the CWA Non-Fiction Dagger from the author of *City of Devils* chronicling an incredible unsolved murder, *Midnight in Peking* captures the aftermath of the brutal killing of a British schoolgirl in January 1937. The mutilated body of Pamela Werner was found at the base of the Fox Tower, which, according to local superstition, is home to the maliciously seductive fox spirits. As British detective Dennis and Chinese detective Han investigate, the mystery only deepens and, in a city on the verge of invasion, rumor and superstition run rampant. Based on seven years of research by historian and China expert Paul French, this true-crime thriller presents readers with a rare and unique portrait of the last days of colonial Peking.

*Raw Material* Random House

An account of Jack and Jackie Kennedy's final year together reveals details of their complex marriage, including rumored infidelities, the president's hidden medical problems, and the tragic death of their infant son.

*Alcohol in the European Union* Emro Publication

Examines the history of cocaine from its first medical uses to the worldwide issues it presents today.

*Verzeichnis lieferbarer Bücher* Profile Books

*Discourse and Discrimination* is a study of how racism, antisemitism and ethnicism are reflected in discourse. Drawing on a wide range of sources- Reisisl and Wodak question why even today, racism and antisemitism are still virulent.

*Konkret* Penguin UK

21ST ANNIVERSARY EDITION WITH AN INTRODUCTION BY IRVINE WELSH He was Britain's most wanted man. He spent seven years in America's toughest penitentiary. You'll like him. During the mid 1980s Howard Marks had forty three aliases, eighty nine phone lines and owned twenty five companies throughout the world. At the height of his career he was smuggling consignments of up to thirty tons of marijuana, and had contact with organisations as diverse as MI6, the CIA, the IRA and the Mafia. Following a worldwide operation by the Drug Enforcement Agency, he was arrested and sentenced to twenty-five years in prison at the Terre Haute Penitentiary, Indiana. He was released in April 1995 after serving seven years of his sentence. Told with humour, charm and candour, Mr Nice is his own extraordinary story. 'The story of a remarkable life, lived by the very brilliant and exceptionally wonderful Mr Nice' Irvine Welsh 'Frequently hilarious, occasionally sad,

and often surreal' GQ 'A man who makes Peter Pan look like a geriatric' Loaded 'A folk legend' Daily Mail

Portrait of an Addict as a Young Man W. W. Norton & Company

"The first and only full biography on legendary Harlem gangster, Bumpy Johnson who was depicted in the movies Cotton Club, Hoodlum, and American Gangster. ... Bumpy was a man whose contradictions are still the root of many an argument in Harlem. But there is one thing on which both his supporters and detractors agree in his lifetime, Bumpy was the man in Harlem." --p. [4] of cover. Marching Powder Macmillan

Is the world en route to becoming a linguistic colony of the United States? Or is this dramatic view an exaggeration, and there is no danger to linguistic diversity at all? The German language is at the center of an intensive debate on this issue. Its position in the world is under increasing pressure due to the growing importance of (American) English as the language of globalization. The articles in this volume deal with the national and international position of German in relation to English, language policies, the future of German as a language of science, German in the USA, and the intellectual and aesthetic dimensions of encountering a foreign language. They present critical assessments addressing the dangers for the future of languages other than English, as well as positions which perceive the growing importance of English as a challenge and resource rather than as a threat.

**Discourse and Discrimination** Pan Macmillan

From the international bestselling author of Gomorrah, this searing exposé of dirty money and the drug trade reveals how they are at the heart of our lives, our economy, and our world. 'The most important book of the year ... Here it is, laid bare: cartel as corporation, corporation as cartel; cocaine as pure capitalism ... Saviano realises the brutal truth: that to understand narco-traffic is to understand the modern world ... it is revolutionary' Ed Vulliamy, Observer 'A dense, dazzling, dizzying narrative about the terrifying violence of the cocaine trade, but also the vast, unassailable reach of it' Rose George, Independent 'A tremendously gripping work of reportage' Ian Thomson, Evening Standard 'Italy's bravest investigative writer ... must-read nonfiction' GQ 'Impassioned, remarkable' Misha Glenny, Financial Times 'After reading Saviano, it becomes impossible to see Italy, and the global market, in the same way again' The New York Times

Mr Smiley Lexington Books

Die Autoren beschäftigen sich mit der Kulturgeschichte, den Konsumformen und den gesellschaftlichen Wirkungen des Kokains. Anhand der Chronologie des Koka-, Kokain- und Crackgebrauchs wird aufgezeigt, daß Prestige oder Stigma der Droge nicht so sehr von ihren objektiven Wirkungen abhängig ist als vielmehr von der sozialen Schicht, der ihr Gebrauch primär zugeordnet wird. Darüber hinaus analysiert das Buch die Situation in den drogenproduzierenden Staaten Südamerikas sowie in den konsumierenden Industrieländern, nicht zuletzt in Deutschland. Es verdeutlicht, welche entscheidende Rolle Kokain im internationalen Drogengeschäft, im Leben von zahllosen Konsumenten und deren Familien sowie in der Entwicklung unserer Gesellschaft spielt.

*Profil* Springer-Verlag

Damnation is the opener to Peter Beck's acclaimed high-octane series, complete with high stakes, plenty of action and an unforgettable hero in Tom Winter - a thrilling mixture of Jack Reacher and George Smiley, but with a Swiss twist

**Harlem Godfather** Penguin

'They were all the same, communists, Nazis, parents, church, book reviews, features section, editorial, revolutionary struggle, Baader-Meinhof, capital, television, Club Voltaire, pacifism, guerrilla, Mao, Trotsky, Red Student Action, the underground scene and Germania Security. They were all part of the same idea, they knew how things ought to be, they had a monopoly on consciousness, love, human happiness.' In Raw Material Jrg Fauser casts an eye over the times he lived in and his own life: a junkie in Istanbul, the move to a commune in Berlin and a squat in Frankfurt, work on an underground magazine and unceasing efforts to get a novel published. The autobiographical testament of Fauser's alter ego Harry Gelb is an unsparing, razor-sharp but often lovingly ironic portrait of the 1960s and 70's. It is a portrait of the artist to rank with the best, and a portrait of the ferment of Europe at that time.

American Gangster Revisited Atlantic Books Ltd

An examination of childhood trauma and its surreptitious, debilitating effects by one of the world's leading psychoanalysts. Never before has world-renowned psychoanalyst Alice Miller examined so persuasively the long-range consequences of childhood abuse on the body. Using the experiences of her patients along with the biographical stories of literary giants such as Virginia Woolf, Franz Kafka, and Marcel Proust, Miller shows how a child's humiliation, impotence, and bottled rage will manifest itself as adult illness—be it cancer, stroke, or other debilitating diseases. Never one to shy away from controversy, Miller urges society as a whole to jettison its belief in the Fourth Commandment and not to extend forgiveness to parents whose tyrannical childrearing methods have resulted in unhappy, and often ruined, adult lives. In this empowering work, writes Rutgers professor Philip Greven, "readers will learn how to confront the overt and covert traumas of their own childhoods with the enlightened guidance of Alice Miller."

**Globalization and the Future of German** Pan Macmillan

This is the gritty prison memoir of Michaela McCollum, one half of the infamous 'Peru Two', sentenced to 7 years in a Peruvian jail for attempting to smuggle 11kg of cocaine.

**Kokain** Simon and Schuster

Bill Clegg had a thriving business as a literary agent, a supportive partner, trusting colleagues, and loving friends when he walked away from his world and embarked on a two-month crack binge. He had been released from rehab nine months earlier, and his relapse would cost him his home, his money, his career, and very nearly his life. What is it that leads an exceptional young mind want to disappear? Clegg makes stunningly clear the attraction of the drug that had him in its thrall, capturing in scene after scene the drama, tension, and paranoid nightmare of a secret life--and the exhilarating bliss that came again and again until it was eclipsed almost entirely by doom. He also explores the shape of addiction, how its pattern--not its cause--can be traced to the past. Portrait of an Addict as a Young Man is an utterly compelling narrative--lyrical, irresistible, harsh, honest, and beautifully written--from which you simply cannot look away.
