 Now more than ever intercessors are needed to pray and usher in the end-time harvest by deploying the keys of the Kingdom to execute the judgments written

against the heathens and the wicked. We must know the Dominion Mandate is still God's original plan for mankind. God wants man to have dominion in the earth. Until someone prays God can do nothing for humanity. But, we must also understand the rules of engagement to be effective in our prayers. In this book, through the study of the scriptures, stories of the men and women of renown in the Bible and through recounting the great revivals and prayer watches of this modern age, we see that ordinary men and women were able to move God in prayer. These men and women have moved on to glory. But, their prayers are still producing power and the mantles they used to open the heavens and bring God into the affairs of men are available to us today. This book will empower, edify and encourage you to pray more effectively so that your prayers

move God!

 Existing scholarship on World Christianities tends to privilege the local and the regional. In addition to offering an explanation for this tendency, the editors and contributors of this volume also offer a new perspective. An Introduction, Afterword and case-studies argue for the importance of transregional connections in the study of Christianity worldwide.

Returning to an older post-war conception of 'World Christianity' as an international, ecumenical fellowship, the present volume aims to highlight the universalist, globalising aspirations of many Christians worldwide. While we do not neglect the importance of the local, our aim is to give due weight to the significant transregional networks and exchanges that have constituted Christian communities, both historically and in the present day. Contributors are: J. Kwabena Asamoah-Gyadu, Naures Atto, Joel Cabrita, Pedro Feitoza, David C. Kirkpatrick, Chandra Mallampalli, David Maxwell, Dorottya Nagy, Peter C. Phan, Andrew Preston, Joel Robbins, Chloe Starr, Charlotte Walker-Said, Emma Wild-Wood.

Discover Pastor Paula's strength in her inspiring faith journey as well as your own spiritual gifts through her honest and stirring story. Early in Paula's life, she didn't know God, but there was always a pull to something greater. Once she prayed for salvation at the age of eighteen, Paula finally understood the meaning of grace and purpose, and realized God had been taking care of her the whole time. Paula shares her journey of faith in Something Greater, what she calls "a love letter to God from a messed up Mississippi girl." She details feeling led to a higher calling as a child, how she came to serve others as a female pastor, and what led to being asked to become spiritual advisor to President Donald Trump. Something Greater encourages readers to know and understand the "something greater" that is in all of them, and will teach them how to cling to Jesus Christ in times of need and abundance.

This 2000 book analyses the revival of charismatic Protestant Christianity as an example of globalization. Simon Coleman shows that, along with many social movements, these religious conservatives are negotiating their own interpretations of global and postmodern processes. They are constructing an evangelical arena of action and meaning within the liminal, chaotic space of the global. The book examines globalization not only as a social process, but also as an embodied practice involving forms of language and ritualized movement. Charismatic Christianity is presented through its material culture - art, architecture and consumer products - as well as its rhetoric and theology. The book provides an account of the incorporation of electronic media such as television, videos and the Internet into Christian worship. Issues relating to the

conduct of fieldwork in contexts of globalization are raised in an account which is also a major ethnography of a Faith ministry.

Find power in your prayer like never before with this inspiring guide from #1 New York Times bestselling author Bishop T.D. Jakes. In a time when women carry more influence than any other generation, the power of prayer has never been more important to remind us that we do not have to bear our crosses alone. We need prayer to stand guard over our hearts and minds and over the hearts and minds of our families. Women today are shattering glass ceilings and forging new paths in the world. What Happens When a Woman Prays is a clarion call for women to continue their progressive march of empowerment by dreaming like their daughters and praying like their grandmothers. Through exploring the lives of 10 prayer-filled women of the Bible, Bishop Jakes emphasizes the life-changing power that women have when they find their identity, their strength, their healing, and their voices in Christ.

US Senate Chaplain Barry C. Black, PhD. Senate Chaplains Office, S-332, The Capitol, Washington, DC, 20510. He wrote: I look forward to devouring your final chapters, for I have been greatly blessed by what you had previously written. . . I believe this will be a significant contribution to the homiletical literature, combining scholarship and practicality as it is rarely seen, helping to fill a void. Dr. Derek J. Morris. Director, Hope Channel, and former editor of Ministry Magazine, published by the Seventh-day Adventist Church and read by clergy of all faiths. He responded, This is the best work I have read by an Adventist author on preaching. Its EXCELLENT! Pastor Adrian Craig. Australian church leader and internationally acclaimed preacher. He

said, Here are a few preliminary comments about your excellent book on preaching. In 321 pages, you have packed full a comprehensive and detailed volume on the art of preaching. One has to read and pause and absorb. Your terse verse, one-liners, and the illustrations are readily saleable. Mummies dancing, the description of the horse as it relates to the pace of preaching, the Ravi illustration on page 99, and your repeated use of scripture to illustrate points shouts volumes of your commitment to the Word. **Open to Judgement** Hendrickson Publishers

Are you tired of reading another news story about Christians supposedly acting at their worst? Today there are too many examples of those claiming to follow Christ being caustic, divisive, and irrational, contributing to dismissals of the Christian faith as hypocritical, self-interested, and politically co-opted. What has happened in our society? One short outrageous video, whether it is true or not, can trigger an avalanche of comments on social media. Welcome to the new age of outrage. In this groundbreaking book featuring new survey research of evangelicals and their relationship to the age of outrage, Ed Stetzer offers a constructive way forward. You won't want to miss Ed's insightful analysis of our chaotic age, his commonsensical understanding of the cultural currents, and his compelling challenge to Christians to live in a refreshingly different way.

Sixty-six books, forty authors, written over nearly 2,000 years, in many different genres. A worldwide best-seller published in countless translations and languages. A book that has been sworn by in court, fought over, and quoted in arguments. Clearly, the Bible is no ordinary book. So how can we begin to read and understand the Bible as a whole? In this excellent overview, Vaughan Roberts paints the big picture, showing how the different parts of the Bible fit together under the theme of the kingdom of God. He offers us tools to read it with confidence, enthusiasm and understanding. Vaughan points us to the Bible's supreme subject, Jesus Christ, and the salvation God offers through him.

**Let It Go** Whitaker House

A patriarch's final blessing was important in biblical times as a practical matter of

inheritance rights that revealed God's supernatural power at work through the men of His choosing. Today's fathers can speak life-giving blessing into their children's lives and observe the outcomes with eternal significance.

**Commentary on Matthew** Hachette UK Warfare always surrounds the birth of a miracle. Praying Through the Promises of God deals with engaging your prophetic word and not letting the enemy steal your prophecy or interfere with your destiny. When a prophetic word is released, the enemy knows God's plan and begins to work against it. It is the responsibility of the believer to take that spoken word and birth it into the earth realm through diligent prayer and fasting. There is a prevalent notion which says; "God said it, I believe it, and that settles it." However, this notion has led to many disappointments because of a lack of understanding concerning the rules of engagement. This classic will inspire and show you how to translate your promise into reality.

Prosperity theology--the belief that financial and physical well-being is God's will for his followers--has become prevalent in modern-day Christianity. For Christians looking to better understand how it is affecting the life and growth of the church around the world, this book is an accessible and practical resource. Evaluating the prosperity theology movement from a biblical and evangelical perspective, the authors encourage readers to think critically about the ways in which the theology we follow can lead toward or away from the kingdom of God. **Prosperity Theology and the Gospel** is in four parts: The first part turns our attention to God's word and looks at what the Bible says about the issue of prosperity. Part 2 looks at the issue from different perspectives--be it historical, ethical, or sociological. Part 3 considers the impact of prosperity theology in different regions of the world through several case studies. Part 4 proposes how we might respond to some of the challenges we have identified and what could be a way forward for us all. Each chapter is followed by ideas for further thought and discussion. Contributors include Femi Adeleye, Christopher Wright, Joel Tejedo, Valdir and Maicon Steuernagel, and many others.

Shaking...Then Revival...Then Harvest! The end times are unfolding before our

eyes. First, there will be unprecedented shakings. Today, the world is shaking in alarming ways. And this is just the beginning. Nations, institutions, economies, families, individuals, the earth's environment, the cosmos, the spiritual realm—in every dimension and sphere of life, we will see powerful waves of shaking that disrupt the course of our lives and take away our false sense of security in earthly resources, compelling us to return to our Creator. The main purpose of these shakings is to judge the people of the world for their sin and rebellion against God. Yet God is using the shaking we are now experiencing to refine believers so we will be purified to become the remnant that is ready for Jesus's imminent appearing. Second, there will be unprecedented revival. As we respond to the shaking with repentance and wholehearted devotion to God, we will be prepared to take an active role in the coming last-days revival in which God's sovereign glory will be revealed! There will be an all-inclusive supernatural movement characterized by miracles, healings, salvations, financial provision, prophetic visions, renewed holiness, powerful worship, strong discipleship, and profound love. Finally, there will be an unprecedented harvest of souls with global impact! The Holy Spirit will empower the church to reach the lost with the demonstration of miracles, signs, and wonders. Millions of people worldwide will come to genuine repentance, surrendering their hearts to the Lord Jesus. In **End-Time Shaking and Revival**, best-selling author Guillermo Maldonado expands on last-days themes introduced in his previous books, revealing how to... Avoid God's judgment Respond correctly to the divine shakings in your life and in the world Be revived and continuously filled with the Spirit Participate in the worldwide harvest Move in supernatural power We must understand God's cycle of end-time events so we can align our lives with His momentous purposes in these last days! **Why Sleep In Times Like These** Hachette UK You are no accident. Your presence on this earth is not a mistake. Neither is it insignificant. On the contrary, you are wanted here—and needed! You are a creation of God with a unique purpose. Many people “do” things to try to gain acceptance by others, so that they can “be” someone. They become slaves to public opinion and never really know who they were meant to be. When we know that we are God's beloved children, chosen from the foundation of the world, and discover who He designed us to be,

we will think and act from that perspective. Everything else will develop from our identity and existence in Him. That identity goes beyond even our personal purpose to God's eternal plans for the world and our exciting role in them. God created all human beings to have dominion over the earth. And He has assigned each of us a portion of "territory"

where we can exercise the measure of our dominion on earth. This dominion is based on the faith, anointing, and gifts He has given us. Our words and actions are most effective when we are in the territory God has assigned to us and are seeking first His kingdom. This "territorial" power is not merely symbolic. It is a reality in which we must live. The territory in which we are to be fruitful is not random or general but

specific. In Created for Purpose, you will discover God's plan for your life as a loved and valuable member of His creation, what it means to be called by God, and how to know and live in your purpose throughout your life. You are not an accident. You are present on this earth for a significant reason. Find out who you were meant to be!
