On 28th February 1975 a  
London Underground train  
crash led to the deaths of  
43 people and injured  
dozens more. Now for the  
first time in 40 years,  
stories of that day and the  
aftermath are brought  
together in one volume to  
give a terrifying account  
of a day that shook the  
rail network. Interviews  
from survivors, rescuers  
and the relatives of those

killed answer questions  
that until now have  
remained hidden. How  
was a packed train able to  
overshoot a terminal  
station and crash with  
such devastating  
consequences? How were  
the rescuers able to pull  
people out of the  
wreckage alive over 12  
hours after impact? Most  
importantly...what was  
the cause of the crash?  
Author Richard M. Jones

has dedicated his life to researching disasters of historical significance that have been forgotten.

**A Novel** Simon and Schuster

From the bestselling author of the #Lovestruck novels comes a rousing romance about following your dreams, second chances, and playing the game of love. Disgraced college quarterback Logan Hunt was on his way to NFL stardom when he messed up big-time. Now the Texas star player with a bad temper has a new option: Seattle's EOL

College--as in End of the Line, to his fellow misfit recruits. It's Logan's last chance. If he can follow the rules. No parties, no fighting, no swearing, and oh, no dating the coach's daughter, Jess. Simple. Yeah, right. For Logan, there has never been a rule he's more tempted to break. The deal is "just friends." The pretty, confident, and fiercely smart math whiz is fine with pizza, tutoring, and keeping Logan in line. But the closer Jess gets, the more receptive she is to his warm heart and spirit--

not to mention his irresistible off-field passes. With defenses down, they're both heading into the danger zone. It's more than thrilling. It's love. It's also a game changer that could sideline Logan's NFL goals--and more important, a future with Jess. But dreams are worth fighting for, right? [The End of the Line](#) Montlake Romance Golding's iconic 1954 novel, now with a new foreword by Lois Lowry, remains one of the greatest books ever

written for young adults and an unforgettable classic for readers of any age. This edition includes a new Suggestions for Further Reading by Jennifer Buehler. At the dawn of the next world war, a plane crashes on an uncharted island, stranding a group of schoolboys. At first, with no adult supervision, their freedom is something to celebrate. This far from civilization they can do anything they want. Anything. But as order collapses, as strange howls echo in the night,

as terror begins its reign, the hope of adventure seems as far removed from reality as the hope of being rescued.

*The Siege of Khe Sanh*  
Crown

Argues that if nothing is done to stop the squandering of fish stock, the ecological balance of life in the oceans will face collapse and millions of people could starve, and examines the causes and implications of the problem.

Book Concierge A wave of refugees has arrived on the Sicilian coast, and Inspector Montalbano and his team have been stationed at port, alongside countless volunteers, to receive and assist the newcomers. Meanwhile, Livia has promised their presence at a friend's wedding, and the inspector, agreeing to get a new suit tailored, meets the charming master seamstress Elena Biasini. But while on duty at the dock one late night, tragedy strikes, and a woman is found

gruesomely murdered. Between managing the growing crowds at the landing, Montalbano delves into the world of garments, in the company of an orphaned cat, where he works to weave together the loose threads of the unsolved crimes and close the case.

Seizing his one chance to escape, Ethan Hosking leaves his violent ex-boyfriend, leaves his entire life, and walks into the path of a raging bushfire. Desperate to start over, a new man named Aubrey Hobbs walks out of the fire-ravaged forest, alive and alone. With no ID and no money, nothing but his grandfather's telescope, he goes where the Southern Cross leads him. Patrick Carney is the resident lighthouse keeper in Hadley Cove, a

small town on the remote Kangaroo Island off the coast of South Australia. After the tragic death of his lover four years ago, he lives a solitary life; just him, a tabby cat, the Indian and Southern Oceans, and a whole lot of loneliness. He's content with his life until a stranger shows up in town and turns Patrick's head. Patrick never expected to be interested in anyone else. Aubrey never expected to be happy. Between Aubrey's love of the stars and Patrick's love of the ocean, these

two fragile hearts must navigate new waters. If they can weather the storm of their pasts, they could very well have a love that eclipses everything.

*Over the End Line* Travis Hill

J-Rite is 100% blackhearted. New to the city of Grand Rapids but not new to making money, she was born a straight gangster. The pint-sized exotic dancer turned street hustler is caught up in living the "Black American Hood Dream." She has no off

button or filter when it comes to getting paid. With a team of murder-minded goons ready to do nothing but win, win, win, J-Rite makes enemies of everyone, including the man she loves, all because they dare to stand in the way of her being on top.

Crackhouse Urban Books Fans of James Patterson and Michael Connelly will love C.M. Sutter He chooses his prey as they ride the subway to their final destination, and when they do, he exits into the night. The women

of Chicago have no idea that a knife-wielding killer is following them until it's too late. They're caught off guard, and his razor-sharp tactical knife cuts through them like butter. It's up to Detective Jesse McCord and the homicide unit to track down the killer and bring him to justice, but the only image of his face is on a home's doorbell camera that's gone missing, along with the nineteen-year-old sister of the murder victim who lived there. The killer taunts Jesse's partner, Frank Mills, and starts a

race against time. The police need to find the missing girl before she's the killer's next victim—and he's becoming restless. American business landscape. At the forefront of the global communications revolution, AT&T led the way in the development of the telephone, wireless communication, and the Internet. But at the end of the twentieth century, with one man floundering at the helm, the corporate giant collapsed. It was the end of an era. Veteran telecom journalist Leslie Cauley pursued the story for over a decade and witnessed the entire debacle. At The Wall Street Journal and at USA

Today, she has earned a reputation for aggressive investigation of the numerous industry shake-ups -- none more dramatic than AT&T's headlong plunge as it misguidedly attempted to become a broadband leader. Cauley gained access to current and former AT&T executives, boardmembers, and other insiders. Filled with new and controversial material and peopled by a cast of characters worthy of a Shakespearean drama, this is the first book to chronicle this riveting

tale. Up through the late 1990s, AT&T -- tough, innovative, resourceful -- seemed infallible. For industry insiders and for the general public, it loomed as an emblem of American business prowess and, even more, of the American Dream fulfilled. End of the Line is an unprecedented account of the ruin of an icon and one of the shattering corporate events of our time. Attitudes in Drawing Capstone Classroom An illustrated catalogue that features work by

international artists who have a diverse and interesting approach to drawing. It accompanies the Hayward Touring exhibition to MIMA, Middlesbrough (opening February 2009), The Bluecoat, Liverpool (May), Bristol City Museum & Art Gallery (September) and Fruitmarket, Edinburgh (November). After the death of leading haematologist Professor Anstruther, antiquarian book dealer Anthony Sparrow is tasked with clearing out his mansion of its books and papers. He soon begins to question the real circumstances of the old man's death: was he in fact murdered, and if so, who was responsible? The answer might be found in the personal diaries and letters which Sparrow

unearths. But as he closes in on the answer, the perspective suddenly shifts and everything which he was sure about dissolves into darkness and shadows.

*End of the Line* Montlake Romance

*Work Identity at the End of the Line?* tells the story of workplace culture and identity in the railway industry before during and after privatization in the mid-1990s. It combines rich interview material from workers and managers involved in the privatisation process with

a fascinating background detail of nationalization. The book will be of interest to sociologists, cultural and economic historians as well as those studying culture change in business. *Work Identity at the End of the Line?* has been shortlisted for the British Sociological Association's Philip Abrams Memorial Prize 2005. It is one of only four titles to be shortlisted.

**Corporation** Currency Overweight and shy, Janet keeps to herself at school

until Lola arrives and decides they will be friends, but Janet is afraid Lola is just teasing her, as others do, when she reaches the spot where they are to meet for a sleep over and weird things start to happen. *The Failure of Communism in the Soviet Union and China* W. W. Norton & Company In this classic of Russian humor and social commentary, a fired cable fitter goes on a binge and hopes a train to Petushki (where his "most beloved of trollops" awaits). On

the way he bestows upon angels, fellow passengers, and the world at large a magnificent monologue on alcohol, politics, society, alcohol, philosophy, the pains of love, and, of course, alcohol.

How Overfishing is Changing the World and what We Eat Dundurn

The rules of love and second chances are due for a major-league shake-up in a warm, witty, and unpredictable romance by the bestselling author of *The Friend Zone*. Ian "Bash" Sebastian and

Ember Carlson were high school sweethearts...until their single parents got married. With one thorny twist of fate, a secret young crush went from on fire to off-limits. What could a new stepbrother do but bail? Now, after almost four years, Bash has returned to Seattle, and he's back in Ember's orbit at End of the Line. EOL is the go-to college for second-chance scholarships. But what about love? Sure, the old hurts are there. So is the attraction--and it's more magnetic than ever. Still,

they're adults now, levelheaded and just fine with the friend thing. If only to make family dinners less awkward. But when they agree to start dating other people, moving on threatens to bring them closer together than ever. Is it time to admit their past to their parents? Even trickier, their hope for the future? Because Ember and Bash deserve a love story of their own. With all their defenses down, can they make it a happy ever after?
