## **JOSIE WARREN**

[Prehistoric Monsters](#) Macmillan + ORM

The official novelization of the summer blockbuster *Godzilla: King of the Monsters*, the latest film in the *Monsterverse*™ franchise, starring Kyle Chandler, Vera Farmiga, Millie Bobby Brown, with Ken Watanabe and Ziyi Zhang. *Godzilla: King of the Monsters* follows the heroic efforts of the cryptozoological agency Monarch as its members face off against a battery of god-sized monsters, including the mighty Godzilla, who collides with Mothra, Rodan, and its ultimate nemesis, the three-headed King Ghidorah. When these ancient super-species—thought to be mere myths—rise again, they all vie for supremacy, leaving humanity's very existence hanging in the balance.

[Godzilla](#) Springer Nature

*Lonely Planet: The world's leading travel guide publisher Where To Go When*, the ultimate trip planner for every month of the year, is a beautifully illustrated book that is both practical and inspiring. For every month of the year it presents 30 recommendations of destinations that are at their best during each month, whether due to their climate, or value or because there's a lot going on. The suggestions feature every flavour of travel experience from culture-rich city breaks and tropical beach holidays to adventurous road trips and wildlife-watching expeditions. Every corner of the planet is covered so you'll find out when the best time to see mountain gorillas is or to go shopping in Paris. The book is organised by month. At the start of each chapter a flowchart guides you through the options so readers can filter the recommendations according to their interests. Whether you're into beaches, trying the local specialities or backpacking off the beaten path, there will suggestions for you. Diagrams also depict the climate, value for money and family friendliness of each suggestion in the month. Then *Lonely Planet's* authors explain in detail why each destination has been selected. The text describes the place and why it's special at that particular time. The destinations are illustrated by inspiring photographs and have a small infographic that shows the key reasons to go. Practical details make the first step of planning a trip easier. Packed with facts, photos and new ideas for your next adventure, *Where to Go When* will inspire and interest anybody who loves travel. About *Lonely Planet*: Started in 1973, *Lonely Planet* has become the world's leading travel guide publisher with guidebooks to every destination on the planet, gift and lifestyle books and stationery, as well as an award-winning website, magazines, a suite of mobile and digital travel products, and a dedicated traveller community. *Lonely Planet's* mission is to enable curious travellers to experience the world and to truly get to the heart of the places they find themselves in. TripAdvisor Travelers' Choice Awards 2012, 2013, 2014, and 2015 winner in Favorite Travel Guide category 'Lonely Planet guides are, quite simply, like no other.' - New York Times 'Lonely Planet. It's on everyone's bookshelves; it's in every traveller's hands. It's on mobile phones. It's on the Internet. It's everywhere, and it's telling entire generations of people how to travel the world.' - Fairfax Media (Australia) Important Notice: The digital edition of this book may not contain all of the images found in the physical edition.

[Boneyard, vol.6](#) Lonely Planet

Penelope Sweetwater Prissily, a beehive-wearing, tantrum-throwing brat, is on a mission to become the 'Meanest Girl in The World.' Also known as Petroleum due to her excessive use of hair gel, Penelope, along with her panicky, moth ball-scented mother, Hattie Prissily, is determined to achieve fame and fortune by crafting an illusion of success. However, their plans are disrupted when a mischievous, street-performing, broom-selling ghost moves into the neighborhood, captivating audiences with unbelievable magical tricks using a mysterious satchel of marshmallows. The ghost's presence threatens to expose Penelope and Hattie as ordinary and unremarkable, a fate they dread even more than a shortage of hair gel. Determined to uncover the secrets of the ghost's magical

powers, Penelope and her friends, the Cinders, embark on a daring mission to steal the ghost's bag of marshmallows and follow him into an abandoned train station. What ensues is a hilarious and thrilling adventure, as the forces of good and evil engage in a climactic battle over the grandeur of dreams and the enchanting power of marshmallows.

[Apocalypse Then](#) iUniverse

Megan Marshall thought she'd made all her dreams come true. Her career as a TV chef was taking off on the network level and in three days she'd be on her way to New York to shoot her first show for the Culinary Channel. When a strange Vampire shows up, she's sure her brother and sister's job with St. Vlad's Slayers has finally come to bite her in the butt. To bad she was right. On the run with Stalking Shadow, the Vampire sent to save her life, she finds herself in the middle of the first Vampire War in over four thousand years. Now, she not only has to stay alive long enough to become the next Paula Deen, she's got to find a way to do it while falling in love with the last man she should fall for, a Vampire.

[Godzilla on My Mind](#) McFarland

It started with a job he knew well: fighting a crowd of thugs. Their message was heard loud and clear by the man at the top of the Tiger Society. The street gangs stopped extorting local businesses... and went after Razor with full force. But now, his team of extraordinary talents, tested like a sword in a forge, goes after them. "The key to a satisfying life is to do things full of risk. Things the opposite of comfortable. Things just flat out bad." - Razor This book contains adult content and is not recommended for readers under the age of 18.

[Professional Communication](#) Routledge

Rob and Sabrina are undercover cops working in Fort McMurray, a large, isolated, and extremely busy urban service area nestled in the northern part of the boreal forest in Alberta. But beyond what you can see from the busy streets, there's a secret community underworld in the bushes of Fort McMurray. Foxy, a young lady, appears unexpectedly in the middle of an undercover sting operation that ruins Rob's plan. This incognito woman is brought into the police station for questioning. Foxy claims she has been raised in the bushes of Fort McMurray by a psychopath. Little by little, she tells the incredible and shocking story of her tortured life in the bushes. Is she telling the truth? Is she totally delusional? Is she manipulating the police? Or is she the psychopath?

[The Cinematic Superhero as Social Practice](#) Desert Breeze Publishing In

Provides comprehensive coverage of all the topics of the Professional Communication syllabus for B.Pharm students of UPTU. It focuses on communication in different contexts, explaining to students how to communicate in a variety of situations.

[The Startup](#) Mythical Press

Over centuries, discoveries of fossil bones spawned legends of monsters such as giants and dragons. As the field of earth sciences matured during the 19th century, early fossilists gained understanding of prehistoric creatures such as Tyrannosaurus, Triceratops and Stegosaurus. This historical study examines how these genuine beasts morphed in the public imagination into mythical, powerful engines of destruction and harbingers of cataclysm, taking their place in popular culture, film, and literature as symbols of "lost worlds" where time stands still.

[King Energy](#) Doubleday

This highly readable volume tells the true story of a venture that achieved more than 400,000% return for its founders and investors. The book follows one of the principals in the startup as he navigates a series of extraordinary twists and turns becoming an entrepreneur and building a company. The turbulent journey educates and entertains as the author recounts his own learning experiences—providing a practical education on the fundamentals of customer discovery, sales, marketing, business development and entrepreneurship. This personal story conveys the substance of content taught in the classroom in a compelling and easy to read style. With learning experiences

ranging from opportunity identification to customer acquisition and raising money and exiting a company, the book presents a collection of topics carefully curated to answer fundamental questions about innovation, entrepreneurship, and career success. The book serves as an essential guide for those who wish to innovate to create value and wealth for themselves and others. Readers will gain a gritty, yet inspiring, view of the trials and tribulations inherent in any entrepreneurial endeavor, and will walk away from the book with practical tools and techniques for career success, whether it is with a brand-new startup or an established corporation.

**Flight Plan** Orca Book Publishers

Abducted from his home and transported to an unknown planet, Boudreaux is forced to fight in lethal combat as entertainment for his alien captors.

*Time's Fugitive* U of Minnesota Press

The first English translations of the original novellas about the iconic kaijū Godzilla emerged from the sea to devastate Tokyo in the now-classic 1954 film, produced by Tōhō Studios and directed by Ishirō Honda, creating a global sensation and launching one of the world's most successful movie and media franchises. Awakened and transformed by nuclear weapons testing, Godzilla serves as a terrifying metaphor for humanity's shortsighted destructiveness: this was the intent of Shigeru Kayama, the science fiction writer who drafted the 1954 original film and its first sequel and, in 1955, published these novellas. Although the Godzilla films have been analyzed in detail by cultural historians, film scholars, and generations of fans, Kayama's two Godzilla novellas—both classics of Japanese young-adult science fiction—have never been available in English. This book finally provides English-speaking fans and critics the original texts with these first-ever English-language translations of Godzilla and Godzilla Raids Again. The novellas reveal valuable insights into Kayama's vision for the Godzilla story, feature plots that differ from the films, and clearly display the author's strong antinuclear, proenvironmental convictions. Kayama's fiction depicts Godzilla as engaging in guerrilla-style warfare against humanity, which has allowed the destruction of the natural world through its irresponsible, immoral perversion of science. As human activity continues to cause mass extinctions and rapid climatic change, Godzilla provides a fable for the Anthropocene, powerfully reminding us that nature will fight back against humanity's onslaught in unpredictable and devastating ways. Retail e-book files for this title are screen-reader friendly.

**Japan's Favorite Mon-star** McFarland

Boys' Life is the official youth magazine for the Boy Scouts of America. Published since 1911, it contains a proven mix of news, nature, sports, history, fiction, science, comics, and Scouting.

**The Cinema of Japan & Korea** Austin Macauley Publishers

On every continent and in every nation, animals unrecognized by modern science are reported on a daily basis. People passionately pursue these creatures--the name given to their field of study is cryptozoology. Coined in the 1950s, the term literally means the science of hidden animals. When the International Society of Cryptozoology (ISC) was formed in 1982, the founders declared that the branch of science is also concerned with "the possible existence of known animals in areas where they are not supposed to occur (either now or in the past) as well as the unknown persistence of presumed extinct animals to the present time or to the recent past...what makes an animal of interest to cryptology is that it is unexpected." This reference work presents a "flesh and blood" view of cryptozoology. Here, 2,744 entries are listed, the majority of which each describe one specific creature or type of creature. Other entries cover 742 places where unnamed cryptids are said to appear; profiles of 77 groups and 112 individuals who have contributed to the field; descriptions of objects and events important to the subject; and essays on cryptotourism and hoaxes, for example. Appendices offer a timeline of zoological discoveries, annotated lists of movies and television series with cryptozoological themes, a list of crypto-fiction titles and a list of Internet websites devoted to cryptozoology.

**Kaiju Unleashed** Springer

During the 2010s, science fiction's immortal adversaries King Kong and Godzilla, representing our conflicts per Carl Sagan's "dream dragons" analogy, made comebacks in American cinema. The blockbuster Kaiju resurged onto the screen, depicting these protectors of an Earth plagued by mankind's hubris and folly. With Earth's future hanging in the balance, their climactic 2021 staging settled a score between the two giant monsters, resolving Toho's classic 1963 film King Kong vs. Godzilla. As formidable creatures emerging from Time's Tomb on Mother Earth, metaphorical Kong and Godzilla are considered here in light of new millennial environmentalism's stark reality. This book, nostalgic in tone, explores the meaning of Kong and Godzilla as planetary saviors--titanic protectors of a theoretical "living Earth" Gaia--defending the globe from a prehistoric plague of adversaries.

**The Pride and the Pressure** Epic Ink

The United States, the only country to have dropped the bomb, and Japan, the only one to have suffered its devastation, understandably portray the nuclear threat differently on film. American science fiction movies of the 1950s and 1960s generally proclaim that it is possible to put the nuclear genie back in the bottle. Japanese films of the same period assert that once freed the nuclear genie can never again be imprisoned. This book examines genre films from the two

countries released between 1951 and 1967--including Godzilla (1954), The Mysterians (1957), The Incredible Shrinking Man (1957), On the Beach (1959), The Last War (1961) and Dr. Strangelove (1964)--to show the view from both sides of the Pacific.

**Warlord** Simon and Schuster

Ghostly brawls, voodoo magic and a manhunt for a power-hungry dead guy. Underworld double agent Gabe Gantry can't stop screwing up. And why can't he have a cool Topside superpower like his partner Alex? Trying to commit covert good deeds from inside Hell is a devilishly tricky balancing act and the scales have just tipped. Being a secret agent in the Underworld is never simple, but a gig that doesn't involve preventing the next apocalypse is suspiciously non-Satanic. But Gabe knows better. There has to be a catch. All he has to do is uncover the truth, fend off murderous ghosts, save a young genius and do it all without colossal screw ups or giving away his secret. No problem! If you like snarky characters, and dark humor, then you'll love New Dominion, the second book in the action-packed supernatural Judas Files urban fantasy series by C.G. Harris. (Think Dresden Files against the backdrop of Hell). Series now complete. Fans of , Lindsay Buroker, Alex Gates and Steve Higgs, will enjoy The Judas Files.

**Nuts, Bolts, and Monster Worship** Next Chapter

Godzilla: The Official Guide to the King of the Monsters celebrates more than 60 years of movie mayhem in an exceptional, fully illustrated book. An official publication in partnership with Toho Co., this must-read guide brings together every incarnation of the world's most famous creature for the first time - including all the Japanese and Western movies, as well as Godzilla's most celebrated appearances in TV, comics and video games. Inside you'll find detailed reviews, spectacular stills and behind-the-scenes images from every Godzilla movie, from 1954's Gojira to 2021's Godzilla vs. Kong, along with countless insights into the making of one of cinema's most enduring, innovative and successful franchises. Packed with essential info, incredible trivia and stunning artwork, this is the ultimate illustrated reference to all things Godzilla.

**Godzilla** Hot Chocolate Press

The Cinema of Japan and Korea is the fourth volume in the new 24 Frames series of studies of national and regional cinema, and focuses on the continuing vibrancy of Japanese and Korean film. The 24 concise and informative essays each approach an individual film or documentary, together offering a unique introduction to the cinematic output of the two countries. With a range that spans from silent cinema to the present day, from films that have achieved classic status to underground masterpieces, the book provides an insight into the breadth of the Japanese and Korean cinematic landscapes. Among the directors covered are Akira Kurosawa, Takeshi Kitano, Kim Ki-duk, Kenji Mizoguchi, Kinji Fukusaku, Kim Ki-young, Nagisa Oshima and Takashi Miike. Included are in-depth studies of films such as Battle Royale, Killer Butterfly, Audition, Violent Cop, In the Realm of the Senses, Tetsuo 2: Body Hammer, Teenage Hooker Becomes a Killing Machine, Stray Dog, A Page of Madness and Godzilla.

**Lonely Planet's Where To Go When** Hachette UK

When all technology breaks down and he's far from home, thirteen-year-old Jamie learns he's stronger (and braver) than he thought he was in this dystopian adventure. Thirteen-year-old Jamie's plane is just taking off when something goes terribly wrong. The lights go out, communications halts and the engine stops. After a bumpy landing, Jamie realizes it's not just his flight. All the other planes have been grounded too. And every car on the road has stopped in its tracks. And no one's cell phone is working. Technology has shut down, and no one knows why. Soon, it becomes clear that this disaster is anything but local, and people begin to panic. Jamie is now stranded 1,200 miles away from home and the world is in chaos. With the help of the plane's flight crew, a group of fellow passengers and a rescued dog named Godzilla, Jamie must make the long, perilous journey home.

**Introduction to Japanese Horror Film** McFarland

"A stellar book; an entertaining and vivid look at Japanese pop culture, its globalization, and American encounters with Japan." —Theodore C. Bestor, author of Tsukiji: The Fish Market at the Center of the World Ever since Godzilla (or, Gojira, as he is known in Japan) crawled out of his radioactive birthplace to cut a swath of destruction through Tokyo, he has claimed a place alongside King Kong and others in the movie monster pantheon. He is the third most recognizable Japanese celebrity in the United States, and his fan base continues to grow as children today prove his enduring appeal. Now, Bill Tsutsui, a life-long fan and historian, takes a light-hearted look at the big, green, radioactive lizard, revealing how he was born and how he became a megastar. With humorous anecdotes, Godzilla on My Mind explores his lasting cultural impact on the world. This book is sure to be welcomed by pop culture enthusiasts, fans, and historians alike. "Godzilla On My Mind is a good read, well written, occasionally provocative and full of facts that show it to be well researched as well as a labour of love." —Dr. Dolores Martinez, author of The Worlds of Japanese Popular Culture "William Tsutsui's Godzilla takes a fresh, original, and appealing look at one of our more intriguing pop culture icons. Although informed by careful scholarship, the book is highly accessible. It's funny, stimulating, and an overall pleasure to read. I'll never look at Godzilla the same way again!" —Susan Napier, author of Anime from Akira To Princess Mononoke
