With First Look and Find: Finding Nemo, What's Different?, your child can join Nemo and his friends in eight great adventures. Suitable for young children, this book features underwater scenes with the popular characters from the Disney/Pixar movie Finding Nemo. Each scene has two colorful side-by-side pictures. Children can look for six or seven "find 'ems" in each picture. Then they can examine the pair of pictures again to find 20 differences between them. Can't find all 20 differences? No problem. An answer key at the back of the book shows each scene with the 20 differences circled.
