The Old Testament

Paulist Press

Enter the classroom of
John Goldingay, one of
today's premier biblical
interpreters, and begin
the adventure of
exploring the Bible's
First Testament. More
workbook than

handbook, this refreshing introduction to the Old Testament outfits you with basic knowledge, points out the main approaches, outlines the primary issues and then sets you loose to explore the terrain for yourself.

Ecclesiastes Lion Hudson Ltd

This new isagogics textbooks examines and explores each book of the Old Testament, preparing students of the Bible to read Israel's texts with understanding and insight. It helps answer questions such as What is helpful and what is detrimental to evangelical faith? And How do conservative scholars respond to critical views of the Old Testament? The book interacts with scholars in a respectful way while providing

evangelical assessments that foster historical and theological confidence in the Old Testament. Learning about the Old Testament Moody Publishers

The Old Testament: A Historical and Literary Introduction to the Hebrew Scriptures, Second Edition continues to be a balanced, engaging, and up-to-date introduction to the Hebrew scriptures, which distills the best of current scholarship. Employing the narrative chronology of the Bible itself and the history of the ancient Near East as a framework, author Michael D. Coogan covers all the books of the Hebrew Bible, along with the deuterocanonical books included in the

Bible used by many Christians. He treats every book of the canon with careful attention to its historical context, its particular genre, and its distinctive features. Working in detail with ancient Near Eastern sources and archaeological data, Coogan works from a primarily historical and critical methodology but also introduces readers to literary analysis and current interpretive strategies. *A Biblical-theological Introduction to the Old Testament* Baker Academic "An Indispensable Resource for Old Testament Studies" The present work is an attempt to evaluate the contents of the Old Testament and the Apocrypha against the vast background of

knowledge that is now available for students of ancient Near Eastern life and culture. (From the Preface) With characteristic understatement, R. K. Harrison embarked on this massive attempt and produced a volume that for scrupulous detail, scholarly rigor, and sheer erudition has remained unmatched for nearly fifty years. Writing from his own apparently limitless scholarship combined with a conservative perspective, Harrison first reviews the entire history of Old Testament criticism and sets the Hebrew scriptures in their full historical and theological context. He then presents a detailed discussion of each Old Testament book, along with a

lucid overview of the apocryphal books. Harrison's engagement of the perennial issues and problems of Old Testament scholarship make this classic text a vital foundation for a new generation of scholars. For contemporary Old Testament studies, this highly respected volume continues to be the essential point of departure." *Fahrenheit 451* Zondervan Academic Read the Old Testament from a biblical-theological perspective. Featuring contributions from thirteen respected evangelical scholars, this gospel-centered introduction to the Old Testament will help anyone who teaches or studies Scripture to better see the initial outworking of God's

plan to redeem the world through Jesus Christ. [A Brief Introduction to the Old Testament](#) Zondervan Academic A Respected Scholar Introduces Students to the Discipline of Old Testament Studies Richard Hess, a trusted scholar of the Old Testament and the ancient Near East, offers a substantial introduction to the Old Testament that is accessibly written and informed by the latest biblical scholarship. Hess summarizes the contents of the Old Testament, introduces the academic study of the discipline, and helps readers understand the complex world of critical and interpretive issues, addressing major concerns in the critical interpretation of

each Old Testament book and key texts. This volume provides a fulsome treatment for students preparing for ministry and assumes no prior knowledge of the Old Testament. Readers will learn how each book of the Old Testament was understood by its first readers, how it advances the larger message of the whole Bible, and what its message contributes to Christian belief and the Christian community. Twenty maps, ninety photos, sidebars, and recommendations for further study add to the book's usefulness for students. Resources for professors are available through Baker Academic's Textbook eSources. *An Introduction to the Old Testament Prophetic Books*

Westminster John Knox Press
This Introduction attempts to offer a different model for the discipline from that currently represented. It seeks to describe the form and function of the Hebrew Bible in its role as sacred scripture for Israel. It argues the case that the biblical literature has not been correctly understood or interpreted because its role as religious literature has not been correctly assessed. *The Old Testament*
Orbis Books
Engaging and accessible to students from all backgrounds, *A Brief Introduction to the Old Testament* is an updated and concise version of Michael D. Coogan's best-selling *The Old Testament: A Historical and Literary*

Introduction to the Hebrew Scriptures (OUP 2013). Incorporating historical and critical methodology, students will be introduced to literary analysis and other interpretive strategies as they explore the Old Testament. Providing a non-denominational and non-doctrinal treatment, this text offers a unique and captivating introduction to the Hebrew scriptures themselves and to how they have been--and can be--interpreted. Oxford English Dictionary Zondervan Academic

It's easy to see the Old Testament as confusing, out of date, or irrelevant. Using seven key sentences drawn straight from the Old Testament,

Christopher J. H. Wright fits the pieces together, shows us the coherent whole, and points us toward Jesus. This short survey shows God's faithfulness and love for his people and illuminates how the Old Testament Scriptures prepared for the identity and mission of Jesus.

Reading the Old Testament Princeton University Press

Applying Norman Gottwald's thesis on Israel's origins, Cereski argues that Israel was formed through a process of social revolution, inspired by the memory of runaway slaves and their worship of a God whose cult mandated radical social equality and justice. Old English Literature Canongate U.S.

The Oxford English Dictionary is the internationally recognized authority on the evolution of the English language from 1150 to the present day. The Dictionary defines over 500,000 words, making it an unsurpassed guide to the meaning, pronunciation, and history of the English language. This new upgrade version of The Oxford English Dictionary Second Edition on CD-ROM offers unparalleled access to the world's most important reference work for the English language. The text of this version has been augmented with the inclusion of the Oxford English Dictionary Additions Series (Volumes 1-3), published in 1993 and 1997, the Bibliography

to the Second Edition, and other ancillary material. System requirements: PC with minimum 200 MHz Pentium-class processor; 32 MB RAM (64 MB recommended); 16-speed CD-ROM drive (32-speed recommended); Windows 95, 98, Me, NT, 2000, or XP (Local administrator rights are required to install and open the OED for the first time on a PC running Windows NT 4 and to install and run the OED on Windows 2000 and XP); 1.1 GB hard disk space to run the OED from the CD-ROM and 1.7 GB to install the CD-ROM to the hard disk; SVGA monitor: 800 x 600 pixels: 16-bit (64k, high color) setting recommended. Please note: for the upgrade, installation requires

the use of the OED CD-ROM v2.0.

Exodus Routledge
An upper-level introduction to the Old Testament that offers students a thorough understanding of three key issues: historical background, literary analysis, and theological message. This second edition of *An Introduction to the Old Testament* integrates recent developments in Old Testament scholarship. It has many distinctive features that set it apart from other introductions to the Old Testament: It's committed to a theologically evangelical perspective. Emphasizes "special introduction"—the study of individual books. Interacts in an irenic spirit with the

historical-critical method. Features points of research history and representative scholars rather than an exhaustive treatment of past scholarship. Deals with the meaning of each book, not in isolation but in a canonical context. Probes the meaning of each book in the setting of its culture. Including callouts, charts, and graphs, *An Introduction to the Old Testament* is written with an eye to understanding the nature of Old Testament historiography. Perfect for seminary students, professors, and Bible teachers and ministry leaders, as well as anyone looking for an in-depth and balanced approach to Old Testament study.

A Brief History of Old Testament

Criticism Simon and Schuster

The Old Testament prophets spoke to Israel in times of historical and moral crisis. They saw themselves as being a part of a story that God was weaving throughout history--a story of repentance, encouragement, and a coming Messiah. In this updated introductory book, each major and minor prophet and his writing are clustered with the major historical events of their time. Our generational distance from the age of the prophets might seem to be a measureless chasm. Yet we dare not make the mistake of assuming that passing years have rendered irrelevant not only the

Old Testament prophets, but also the God who comprehends, spans, and transcends all time. In these pages, C. Hassell Bullock presents a clear picture of some of history's most profound spokesmen--the Old Testament prophets--and the God who shaped them.

Introduction to the Old Testament Ignatius Press

Mark Gignilliat discusses critical theologians and their theories of Old Testament interpretation in this concise overview, providing a working knowledge of the historical foundation of contemporary discussions on Old Testament interpretation. Old Testament interpretation

developed as theologians and scholars proposed critical theories over time. These figures contributed to a large, developing complex of ideas and trends that serves as the foundation of contemporary discussions on interpretation. Mark Gignilliat brings these figures and their theories together in *A Brief History of Old Testament Criticism*. His discussion is driven by influential thinkers such as Baruch Spinoza and the critical tradition, Johann Semler and historical criticism, Hermann Gunkel and romanticism, Gerhard von Rad and the tradition-historical approach, Brevard Childs and the canonical approach,

and more. This concise overview is ideal for classroom use as it provides a working knowledge of the major critical interpreters of the Old Testament, their approach to the subject matter, and the philosophical background of their approaches. Further reading lists direct readers to additional resources on specific theologians and theories. This book will serve as a companion to the forthcoming textbook *Believing Criticism* by Richard Schultz.

An Introduction to the Old Testament
Grove/Atlantic, Inc.
A quick, on-the-ground guide to the Old Testament of the Bible. This rich and practical handbook—an abridged edition of the bestselling book *An*

Introduction to the Old Testament—makes Old Testament scholarship accessible to the everyday reader. Renowned Bible scholar Tremper Longman III gathers the best in historical research and literary analysis to lead you through each book of the Old Testament—from Genesis to Malachi. Most significantly, Longman explores the meaning of each book in light of its cultural setting. Features include: A chapter on each book of the Old Testament with orientating data on what that book is about, key points to understand, when and why it was written, and references to key passages. A section in each chapter about how that book of the

Bible anticipates the Gospel. End-of-chapter questions for group discussion or personal reflection. A bibliography of further resources. Introducing the Old Testament makes the words, history, and culture of biblical times come alive for readers. Laypersons as well as church leaders will gain a solid understanding of the historical background and theological message of the Old Testament and be inspired to apply biblical truths to their lives.

Introducing the New Testament Oxford University Press
The author offers an exploration of the 'Old Testament', illuminating its importance as history, literature, and sacred text. He provides an

overview of one of the great pillars of Western religion and culture, a book which remains important today for Jews, Christians, and Muslims worldwide. *Brief Introduction to the Old Testament* John Wiley & Sons

Continuously in print for over 30 years, and available in many different languages, John Drane's *Introducing the New Testament* has long been recognized as an authoritative and accessible survey of the subject. This new edition has been fully revised and updated with fresh material on the many political contexts in which the early church flourished, along with new insights into the writing and reception of written texts in what was essentially an oral

culture. Specific issues that will be of particular interest to students are highlighted in special boxed feature sections, along with an extensive glossary of technical terms and key maps and diagrams. This book is the ideal starting point for readers who wish to explore the New Testament and its world in the light of recent scholarship, and its relevance to life in the twenty-first century.

A Catholic Introduction to the Bible Banner of Truth

A new commentary for today's world, *The Story of God Bible Commentary* explains and illuminates each passage of Scripture in light of the Bible's grand story. The first commentary series to

do so, SGBC offers a clear and compelling exposition of biblical texts, guiding everyday readers in how to creatively and faithfully live out the Bible in their own contexts. Its story-centric approach is ideal for pastors, students, Sunday school teachers, and laypeople alike. Each volume employs three main, easy-to-use sections designed to help readers live out God's story: LISTEN to the Story: Includes complete NIV text with references to other texts at work in each passage, encouraging the reader to hear it within the Bible's grand story. EXPLAIN the Story: Explores and illuminates each text as embedded in its canonical and historical setting. LIVE the Story: Reflects on how each

text can be lived today and includes contemporary stories and illustrations to aid preachers, teachers, and students.

—Exodus— Exodus' place within the story of God is defined by its record of God's greatest act of redemption until the cross and resurrection of Christ. Its concluding picture of God in all his blessing and glory dwelling in the midst of his people will spark the faith and vision of the concluding picture of the whole Bible.

Edited by Scot McKnight and Tremper Longman III, and written by a number of top-notch theologians, The Story of God Bible Commentary series will bring relevant, balanced, and clear-minded theological insight to any biblical

education or ministry.
