The bold and innovative McGraw-Hill Taxation series is now the most widely adopted code-based Tax title across the country. It's apparent why the clear, organized, and engaging delivery of content, paired with the most current and robust tax code updates, is used by more than 600 schools. The breadth of the topical coverage, the storyline approach to presenting the material, the emphasis on the tax and non-tax consequences of multiple parties involved in transactions, and the integration of financial and tax accounting topics make this book ideal for the modern tax curriculum. Story line Approach: Each chapter begins with a story line that introduces a set of characters or a business entity facing specific tax-related situations. Examples related to the story line allow students to learn the code in context. Integrated Examples: In addition to providing examples in-context, we provide "What if" scenarios within many examples to illustrate how variations in the facts might or might not change the answers. More than 100 Videos: Guided Example hint videos provide students with on-demand walk-throughs of key Tax topics, offering narrated, animated, step-by-step solutions to algorithmic variants for select exercises

similar to those assigned. Conversational Writing Style, Superior Organization, and Real-World Focus

Once again, Schmalleger is the most current and popular text on the market and continues to lead as the gold-standard among criminal justice texts today! Criminal Justice Today: An Introductory Text for the 21st Century, 13e continues to lead as the gold-standard for criminal justice texts. Best-selling, student- and instructor-preferred, and time-tested Schmalleger is the most current and popular text on the market. This textbook guides criminal justice students in the struggle to find a satisfying balance between freedom and security. True to its

origins, the thirteenth edition focuses on the crime picture in America and on the three traditional elements of the criminal justice system: police, courts, and corrections. This edition continues to question the viability of our freedoms in a world that has grown increasingly more dangerous. Students are asked to evaluate the strengths and weaknesses of the American justice system as it struggles to adapt to an increasingly multicultural society and to a society in which the rights of a few can threaten the safety of many.

**Teaching and Learning Experience** This book will ground students in the important issues that continue to evolve from the tension between the struggle for justice and the need for safety. It provides: An all-in-one, comprehensive resource: Provides students with the gold-standard among criminal justice texts on the market today Latest developments in the field: Offer extensive coverage of technology and crime Critical analysis of today's issues: Includes the most up-to-date coverage of white collar crime, hate crime, and cyber crime Exceptional pedagogical features: Gives students the tools to master key concepts faster and more effectively MyCJLab: MyCJLab was designed to meet the needs of today's instructors and students. [Business Law I Essentials](#) McGraw-Hill Companies Updated in its 13th edition, Joseph

Devito's *The Interpersonal Communication Book* provides a highly interactive presentation of the theory, research, and skills of interpersonal communication with integrated discussions of diversity, ethics, workplace issues, face-to-face and computer-mediated communication and a new focus on the concept of choice in communication. This thirteenth edition presents a comprehensive view of the theory and research in interpersonal communication and, at the same time, guides readers to improve a wide range of interpersonal skills. The text emphasizes how to choose among those skills and make effective communication choices in a variety of personal, social, and workplace relationships.

[The Ethical, Global, and E-commerce Environment](#) Pearson Education India 3 things to know about the focus of *Dynamic Business Law, 2e*: Emphasis on ETHICAL DECISION-MAKING. In chapter 2, the authors introduce a framework for making ethical business decisions that students can use on a regular basis. Following each case there are questions designed to train students to apply this approach. Then repeatedly throughout the chapters, questions about business ethics are raised in the text. This framework is designed to help improve the learning process of students and to give a sense of relevancy to the ethical decision making process. Emphasis on CRITICAL THINKING. Neil Browne, one of the co-authors of this text, has written a successful text on critical thinking. His framework is included in *Dynamic Business Law* as well - to help students learn how to frame and reframe a question/issue. Critical thinking questions are also included at the end of each case, to further tie in this component. Emphasis on the BUSINESS in business law. *Dynamic Business Law* emphasises the tie of legal issues back to the core business curriculum. This will help both students and faculty. Students need to understand how the concepts they learn in this course tie into their business careers. Instructors can easily show that the study of business law is best seen as a foundational component of the larger study of business administration. *Dynamic Business Law* now includes *Connect Business Law* as a packaging option. *Connect* includes Interactive Applications for each chapter of the textbook and helps students apply legal concepts to business, stimulates critical thinking, and reinforces key topics.

**Overview:** *Dynamic Business Law, 2e* is appropriate for the two-term business law course. Emphasis on the BUSINESS in business law. *Dynamic Business Law* emphasizes the tie of legal issues back to

the core business curriculum. This will help both students and faculty. Faculty need to know how this is integrated as they are constantly "defending" the inclusion of this course in the business curriculum. And students need to understand how the concepts tie to their future business careers. Emphasis on TEACHING. Many professors teaching this course are attorneys first and academics second. They do not have a lot of time to prepare or think about how to apply this information effectively for their business students. *Dynamic Business Law* contains a helpful instructor's manual, particularly for the many adjuncts teaching this course. Emphasis on CRITICAL THINKING. Neil Browne, one of the co-authors of this text, has written a successful text on critical thinking. His framework is included in *Dynamic Business Law* as well - to help students learn how to frame and reframe a question/issue. Critical thinking questions are also included at the end of each case, to further tie in this component.

**Instructor's Supplements:** The Online Learning Center contains the complete IM, Test Bank, PowerPoint, image library, and video clips. **Instructor's Manual:** The Instructor's Manual provides a clear outline of how to begin using this text and is especially helpful to adjuncts who teach Business Law. Sample syllabi are included, as well as detailed lecture outlines incorporating PowerPoints and other materials professors can bring into their lectures. Exciting and new examples from outside the text are also included, and can be discussed in class to help generate excitement and involvement in the course from students. **Test Bank:** The Test Bank, developed by Vonda Laughlin of Carson-Newman College, contains a variety of true/false, multiple choice, and essay questions - as well as "scenario-based" questions, which are application-based, and use a situation described in a narrative, with 3 - 5 multiple-choice test questions based on the situation described in the narrative. We've aligned our Test Bank with the new AACSB guidelines, tagging each question according to its knowledge and skills areas. Categories include Global, Ethics and Social Responsibility, legal and other External Environment, communication, Diversity, Group Dynamics, Individual Dynamics, Production and IT. Designations aligning questions with Learning Objectives, features, and case, exist as well.

**PowerPoint Presentation slides:** Developed by Jeff Penley at Catawba Valley Community College, we offer two different sets of slides for professors. The "Basic" set consists of an outline of each chapter.

The “Premium” set expands on this outline to include hypotheticals and ethical dilemmas, allowing the instructor to incorporate application into the lecture. Instructor Video DVD (ISBN: 0077339118, 13-digit: 9780077339111): The Instructor Video DVD contains video clips from CBS that highlight current legal issues. Instructor Notes, located on the OLC, give insight into how to incorporate segments into the classroom and offer questions to stimulate discussion. Most of these videos are also part of Premium content - a big plus for instructors teaching online/hybrid courses.
