### Manual for Quality Control for Plants and Production of Structural Precast Concrete Products

Ingram  
"This code covers the requirements associated with welding sheet steel having a minimum specified yield point no greater than 80 ksi [550 MPa]. The code requirements cover any welded joint made from the commonly used structural quality low-carbon hot rolled and cold rolled sheet and strip steel with or without zinc coating (galvanized). Clause 1 includes general provisions, Clause 4 design, Clause 5 prequalification, Clause 6 qualification, Clause 7 fabrication, and Clause 8 inspection."--Title page.

### Standard Specification for Cold Weather Concreting (ACI 306.1-90)

Specifiers, producers, testing labs, inspection consultants, teachers, designers, and quality technicians should all have a copy of this QC manual. These standards and the accompanying commentary will serve as a strong foundation for a plant's quality system for the manufacture of structural precast concrete products and for the manufacture of structural precast

concrete products with architectural finishes

### ADA

Gives all accessibility guidelines for buildings and facilities and contains the full text of the new (July 2004) ADA and ABA guidelines, organized and presented in an easy-to-use format with an extended index and enhanced illustrations. What's more, you'll find all like subjects contained in the same chapter, with cross-references to all relevant guidelines, and special advisories to enhance your understanding of the guidelines and their practical application.

### American Softwood Lumber Standard

Published by the Architectural Woodwork Institute, the Woodwork Institute and the Architectural Woodwork Manufacturers Association of Canada, The Architectural Woodwork Standards is the architectural woodwork industry's comprehensive standard for quality, construction methods, finishing and installation of fine architectural woodwork. On October 1, 2009, the new AWS book replaces the AWI-AWMAC Quality Standards Illustrated and the WI Manual of Millwork as the industry standards.
