*Cruising World* Vandalia Press

First on the Rope – the acclaimed English translation of the French fiction classic *Premier de Cordée* by Roger Frison-Roche – is a tale about the harsh lives of mountain guides and their families in the French Alps in the 1920s and 1930s. An ascent of Mont Blanc as porter with his uncle leaves young Pierre further convinced he wants to be a mountaineer, breathing the crisp, pure air and soaking up the splendour of the wild landscape. But his family have other ideas. Chamonix is becoming ever more popular with tourists wanting their thrills on the slopes, and they all need somewhere to stay. Running a hotel, however, is not Pierre's idea of fulfilment. Among the glittering peaks and desolate passes, wonderful sunsets and wild winds, tragedy strikes across the Vallée Blanche on the Dru: a brutal storm leaves sadness and destruction in its wake. Can the onset of spring and the hope it brings rebuild Pierre's passion for climbing? *First on the Rope* epitomises the rhythm of mountain life, the clanking cowbells and the gurgling streams set against the formidable grandeur of the ice and rock. Equip yourself for an immersive and emotive experience in the high Alps.

For 15 years, Bischoff Black's life in a quiet town in the Nataturi Realm remained uneventful. When a series of unlucky events shatters his tranquil existence, he's hurled into a perilous world of piracy, mixed with a bit of magic. Captured by the very pirates responsible for his father's death, he's compelled to join their quest for a fabled, but cursed treasure. Amidst treacherous sea battles and haunting spirits, Bischoff must adapt swiftly to survive. Yet, as he spends more time in this pirating world, his principles waver. Will he succumb to the allure of the pirate's life and the promise of untold riches? Or will he risk it all to uncover the truth behind his father's murder? In this high-stakes, swashbuckling adventure full of mystery and adventure, one decision will determine Bischoff's destiny.

Here for the first time in one place is everything you will ever need to know in order to survive just about any difficult or dangerous situation. Drawing from dozens of the U.S. Army's official field manuals, editor Jay McCullough has culled a thousand pages of the most useful and curious tidbits for the would-be soldier, historian, movie-maker, writer, or survivalist—including techniques on first aid; survival in the hottest or coldest of climates; finding or building life-saving shelters; surviving

nuclear, biological, and chemical attacks; physical and mental fitness, and how to find food and water anywhere, anytime. With hundreds of photographs and illustrations showing everything from edible plants to rare skin diseases of the jungle, every page reveals how useful Army knowledge can be.

J. S. Fletcher's 'British Murder Mysteries - The J. S. Fletcher Collection' is a captivating anthology of classic detective fiction from the early 20th century. Known for his intricate plots and well-developed characters, Fletcher's writing style is reminiscent of the Golden Age of detective fiction, drawing comparisons to Agatha Christie and Arthur Conan Doyle. The collection includes a diverse range of mysteries set in various English locales, each with its own unique twist and suspenseful climax. Readers will be kept on the edge of their seats as they follow the brilliant detectives solving perplexing crimes in the tradition of the great British whodunits. As a prolific writer of over 200 novels and short stories, J. S. Fletcher's deep fascination with crime and human nature is evident in his mastery of the mystery genre. His keen observations of society and meticulous attention to detail shine through in his intricate narratives, making his stories both entertaining and intellectually stimulating. Fletcher's background as a journalist and historian informs his writing, adding depth and authenticity to his portrayal of the English countryside and urban settings. I highly recommend 'British Murder Mysteries - The J. S. Fletcher Collection' to fans of classic detective fiction and anyone looking for a well-crafted mystery that will keep them guessing until the final page. Fletcher's timeless tales of intrigue and suspense are sure to delight readers seeking a riveting glimpse into the world of early 20th-century British crime-solving.

**This Is the Rope** Good Press

From New York Times bestselling author Alex Tresniowski comes a “compelling” (The Guardian) and

“riveting” (The New York Times Book Review) true-crime thriller recounting the 1910 murder of ten-year-old Marie Smith, the dawn of modern criminal detection, and the launch of the NAACP. In the tranquil seaside town of Asbury Park, New Jersey, ten-year-old schoolgirl Marie Smith is brutally murdered. Small town officials, unable to find the culprit, call upon the young manager of a New York detective agency for help. It is the detective’s first murder case, and now, the specifics of the investigation and daring sting operation that caught the killer is captured in all its rich detail for the first time. Occurring exactly halfway between the end of the Civil War in 1865 and the formal beginning of the Civil Rights Movement in 1954, the brutal murder and its highly-covered investigation sits at the historic intersection of sweeping national forces—religious extremism, class struggle, the infancy of criminal forensics, and America’s Jim Crow racial violence. History and true crime collide in this “compelling and timely” (Vanity Fair) murder mystery featuring characters as complex and colorful as those found in the best psychological thrillers—the unconventional truth-seeking detective Ray Schindler; the sinister pedophile Frank Heidemann; the ambitious Asbury Park Sheriff Clarence Hetrick; the mysterious “sting artist,” Carl Neumeister; the indomitable crusader Ida Wells; and the victim, Marie Smith, who represented all the innocent and vulnerable children living in turn-of-the-century America. “Brisk and cinematic” (The Wall Street Journal), *The Rope* is an important piece of history that gives a voice to the voiceless and resurrects a long-forgotten true crime story that speaks to the very divisions tearing at the nation’s fabric today.

*The Big Book of British Murder Mysteries* Vertebrate Publishing

This volume of Creative Beading includes more than 75 projects to inspire beaders. Each of the book’s three sections, stitching, wirework, and miscellaneous, contains a wealth of editor-tested projects, and includes a range of stringing, wirework, and bead crochet projects in addition to the fantastic stitching projects for which *Bead&Button* magazine is known. This book also includes thorough sections on basics, tools, and materials, making getting organized easy for readers.

*The Cabinet Cyclopaedia* Audel del Rio

Get ready to take the Math Challenge! Singapore Math Challenge will provide fourth grade students with skill-building practice based on the leading math program in the world, Singapore Math! Common Core Standards accelerate math expectations for all students, creating a need for challenging supplementary math practice. Singapore Math Challenge is the ideal solution, with problems, puzzles, and brainteasers that strengthen mathematical thinking. Step-by-step strategies are clearly explained for solving problems at varied levels of difficulty. A complete, worked solution is also provided for each problem. Singapore Math Challenge includes the tools and practice needed to provide a strong mathematical foundation and ongoing success for your students. The Common Core State Standards cite Singapore math standards as worldwide benchmarks for excellence in mathematics.

From the best-selling author of *Republic of Fear*, here is a gritty and unflinching novel about Iraqi failure in the wake of the 2003 American invasion, as seen through the eyes of a Shi’ite militiaman whose participation in the execution of Saddam Hussein changes his life in ways he could never have anticipated. When the nameless narrator stumbles upon a corpse on April 10, 2003, the day of the fall of Saddam Hussein, he finds himself swept up in the tumultuous politics of the American occupation and is taken on a journey that concludes with the discovery of what happened to his father, who disappeared into the Tyrant’s gulag in 1991. When he was a child, his questions about his father were ignored by his mother and his uncle, in whose house he was raised. Older now, he is fighting in his uncle’s Army of the Awaited One, which is leading an insurrection against the Occupier. He slowly begins to piece together clues about his father’s fate, which turns out to be intertwined with that of the mysterious corpse. But not until the last hour before the Tyrant’s execution is the narrator given the final piece of the puzzle—from Saddam Hussein himself. *The Rope* is both a powerful examination of the birth of sectarian politics out of a legacy of betrayal, victimhood, secrecy, and loss, and an enduring story about the haste with which identity is cobbled together and then undone. Told with fearless honesty and searing intensity, *The Rope* will haunt its readers long after they finish the final page.

This work provides a comprehensive look at the author’s years with the Coniston Tigers, one of the first climbing clubs in the Lake District. It talks of his climbing with the great names such as George Basterfield, G.S. Sansom and C.F. Holland, and captures daring exploits of climbing in the 1930s long before modern safeguards.

*Journal of the Royal Agricultural Society of England* Skyhorse Publishing Inc.

*Knots for Kids* delivers relevant, expertly curated content perfect for kids. Outdoor skills expert and veteran author Buck Tilton provides readers with accessible information on choosing the best knot for the situation, tying different types of common knots and hitches, selecting the best kinds of rope, and much more. With step-by-step instructions (for both righties and lefties!) on tying the most used and useful knots, this is the perfect book to teach children how to tie knots like the experts.

*The Ultimate Guide to U.S. Army Survival Skills, Tactics, and Techniques* BoD – Books on Demand

The story of one family’s journey north during the Great Migration starts with a little girl in South Carolina who finds a rope under a tree one summer. She has no idea the rope will become part of her family’s history. But for three generations, that rope is passed down, used for everything from jump rope games to tying suitcases onto a car for the big move north to New York City, and even for a family reunion where that first little girl is now a grandmother. Newbery Honor-winning author Jacqueline Woodson and Coretta Scott King Award-winning illustrator James Ransome use the rope to frame a thoughtful and moving story as readers follow the little girl’s journey. During the time of the Great Migration, millions of African American families relocated from the South, seeking better opportunities. With grace and poignancy, Woodson’s lilting storytelling and Ransome’s masterful oil paintings of country and city life tell a rich story of a family adapting to change as they hold on to the past and embrace the future.
