Sarah Cook, a beautiful blonde teenager disappeared fifteen years ago, the same night her parents were brutally murdered in their suburban Ohio home. Her boyfriend Brad Stockton - black and from the wrong side of the tracks - was convicted of the murders and sits on death row, though he always maintained his innocence. With his execution only weeks away, his devoted sister, insisting she has spotted Sarah at a local gas station, hires PI Roxane Weary to look again at the case. Reeling from the recent death of her cop father, Roxane finds herself drawn to the story of Sarah's vanishing act, especially when she

thinks she's linked Sarah's disappearance to one of her father's unsolved murder cases involving another teen girl. Despite her self-destructive tendencies, Roxane starts to hope that maybe she can save Brad's life and her own. With echoes of Sue Grafton, Dennis Lehane and the hit podcast *Serial*, *The Last Place You Look* is the gripping debut of both a bold new voice and character.

Ill Will Bella Books

Three book editors, jaded by reading far too many crackpot manuscripts on the mystic and the occult, are inspired by an extraordinary conspiracy story told to them by a strange colonel to have some fun. They start feeding random bits of information into a powerful computer capable of inventing connections between the entries, thinking they are creating nothing more than an amusing game, but then their game starts to take over, the deaths start mounting, and they are forced into a frantic search for the truth

Daisy Ellery's pies have a secret ingredient: The magical ability to avenge women done wrong by

men. But Daisy finds herself on the receiving end in Misha Popp's cozy series debut, a sweet-as-buttercream treat for fans of Ellery Adams and Mary Maxwell. The first time Daisy Ellery killed a man with a pie, it was an accident. Now, it's her calling. Daisy bakes sweet vengeance into her pastries, which she and her dog Zoe deliver to the men who've done dirty deeds to the town's women. But if she can't solve the one crime that's not of her own baking, she'll be out of the pie pan and into the oven. Parking her *Pies Before Guys* mobile bakery van outside the local diner, Daisy is informed by Frank, the crusty diner owner, that someone's been prowling around the van—and not just to inhale the delectable aroma. Already on thin icing with Frank, she finds a letter on her door, threatening to reveal her unsavory secret sideline of pie à la murder. Blackmail? But who whipped up this half-baked plot to cut a slice out of Daisy's business? Purple-haired campus do-gooder Melly? Noel, the tender—if flaky—farm boy? Or one of the abusive men who prefer their pie without a deadly

scoop of payback? The upcoming statewide pie contest could be Daisy's big chance to help wronged women everywhere...if she doesn't meet a sticky end first. Because Daisy knows the blackmailer won't stop until her business is in crumbles.

HIDDEN MICKEY 1
Schwartz & Wade

Micky Knight reluctantly takes on two cases, one for money, one for pity. The first is a trawl through archives to solve a century old murder for an arrogant grandson who thinks riches should absolve his family of any sins. The other, to answer a mother's anguish as she tries to understand her daughter's suicide. Micky sees no happy ending to either case; the dusty pages of history aren't going to give up their secrets after holding them for so long. And even if she finds answers for the mother's questions, nothing will bring her daughter back. But as Micky discovers, the past is never past and a young girl can lead a complicated, even dangerous, life. The secrets, both past and present, are meant to remain hidden—only the first murder is hard. The rest come easy. A Micky

Women. Crime. Justice. At least the search for it. On the mean streets, the back allies, the dark corners. These are stories of tough women in hard places. The nights are long, the women are fast, and danger is always a short block or quick minute away. Edited by award winning author/editors J.M. Redmann and Greg Herren, *Women of the Mean Streets* is an anthology of some of the top, tough women crime writers today, noir stories with a lesbian twist.

The Snow Queen Simon and Schuster

It is fall in the steamy underworld of New Orleans, the seasons are changing, and so is tough detective Micky Knight's life. Micky takes on the case of the daughter of a friend, who is believed to be sexually abused, not knowing that the investigation will lead her on a dangerous sexual odyssey. In Cissy's sleepless nights, Micky sees echoes of her own past, and she becomes caught up in a world where young girls are treated as commodities. While doing battle with seedy thugs and

struggling to hold on to her rocky relationship with Dr. Cordelia James, Micky travels between the uptown opulence of the Sans Parel Club, one of New Orleans's exclusive private clubs, and a tawdry hole of a bar near the Desire Projects. Evil exists in both places, and the mystery culminates where law and desire intersect. The third book in the Micky Knight mystery series.

Death of a Dying Man

With a single kiss, a young maid saves her beloved from the Snow Queen's icy imprisonment. When splinters from an evil troll's magic mirror get into the heart and eye of Kai, he is tricked into accompanying the Snow Queen to her palace, and only the innocence and kindness of Gerda's heart can save him. The inspiration for Frozen, Hans Christian's Andersen's "The Snow Queen" is one of the most beloved fairy tales in history.

The Shoal of Time

Macmillan + ORM

Micky Knight, a hard-hitting, tough-talking dyke detective, has been hired to provide security for a party at an old country mansion. It should be easy—a perfect spring evening, mild weather, and women everywhere. Suddenly another woman shows up—brutally murdered, left to die in the surrounding woods. The police find a prime suspect when the body of yet another victim is found in the clinic of Dr. Cordelia James, a woman whom Micky has a very personal reason to defend. Micky struggles against demons, past and present, in her death-defying search for the murderer. The second book in the Micky Knight mystery series.

Night Shadows Crooked Lane Books

Newly promoted police captain Bennett Carlyle considers being project manager for the new district substation the way to prove her worth in the male-dominated upper ranks of the department. But when the first girl she loved returns as the architect with little

understanding of the operational needs of a police station, Bennett's career and her heart could face permanent damage. Architect Kerstin Anthony believes the new police substation will be the springboard to her own firm and the necessary resources to care for her mother. When she confronts the girl she kissed in high school, now a tantalizing police officer with unrealistic expectations about the new facility, Kerstin's path to success becomes littered with unexpected hurdles. Along with tight deadlines, budget restraints, and architectural challenges, she has to battle both past and present feelings for the woman she was torn away from years ago.

Let us be clear about this much at least: Slough House is not in Slough, nor is it a house... Slough House is Jackson Lamb's kingdom; a dumping ground for members of the intelligence service who've screwed up: left a secret file on a train, blown a surveillance, or become drunkenly unreliable. They're the service's poor relations - the slow horses - and bitterest among them is

River Cartwright, whose days are spent transcribing mobile phone conversations. But when a young man is abducted, and it's threatened that he'll be beheaded live on the Internet, River sees an opportunity to redeem himself. Is the victim who he first appears to be? And what's the kidnapers' connection with a disgraced journalist? As the clock ticks on the execution, River finds that everyone involved has their own agenda ... And unless the slow horses can prove they're not as useless as they're thought to be, a young man's death is going to echo around the world. Praise for Mick Herron: Mick Herron never tells a suspense story in the expected way, which is why his new novel, *Reconstruction*, reads as much like a puzzle mystery as it does a thriller ... unpleasant things are bound to happen, and they do-but not until Herron has finished surprising us . . . there is no hiding under the desk. *New York Times*. 'This is one of these novels where you read it, not just to see what happens at the end, but to see what happens on the very next page' Booklist 'Good

characterisation, dialogue and well-paced narrative make this confident first novel frighteningly plausible' Sunday Telegraph 'Tight, literary and cliché free' Publishers Weekly 'Stylish and engaging' Washington Post

The Sad Little Fact

Hachette UK

In the aftermath of Hurricane Katrina, Micky Knight investigates to determine the identity of a woman whose body was found in one of the many destroyed homes in New Orleans and uncovers clues that lead Micky in pursuit of someone who is using the destruction wrought by the hurricane to finish a crime that began a hundred years ago.

Killer Ambition Mickey

Knight Mystery

Finally back in print - the first Micky Knight mystery. It should have been the perfect case for Micky Knight - a simple missing person trace. But this case turned from simple to complex to dangerous to deadly, leading Micky from a bar in the French Quarter to a plantation on the Mississippi, and into the murky water bayous of her youth. She is finally led back into the past that she has tried so

desperately to avoid.

Cast out of the very Republic he founded, with half his fleet destroyed, he wages a rogue war on Mercury. Outnumbered and outgunned, is he still the hero who broke the chains? Or will he become the very evil he fought to destroy? In his darkening shadow, a new hero rises. Lysander au Lune, the displaced heir to the old empire, has returned to bridge the divide between the Golds of the Rim and Core. If united, their combined might may prove fatal to the fledgling Republic. On Luna, the embattled Sovereign of the Republic, Virginia au Augustus, fights to preserve her precious democracy and her exiled husband. But one may cost her the other, and her son is not yet returned. Abducted by enemy agents, Pax au Augustus must trust in a Gray thief, Ephraim, for his salvation. Far across the void, Lyria, a Red refugee accused of treason, makes a desperate bid for freedom

with the help of two unlikely new allies. Fear dims the hopes of the Rising, and as power is seized, lost, and reclaimed, the worlds spin on and on toward a new Dark Age. Don’t miss any of Pierce Brown’s Red Rising Saga: RED RISING • GOLDEN SON • MORNING STAR • IRON GOLD • DARK AGE • LIGHT BRINGER

A provocative dystopian thriller set in a future that seems scarily possible, FLASHBACK proves why Dan Simmons is one of our most exciting and versatile writers. The United States is near total collapse. But 87% of the population doesn't care: they're addicted to flashback, a drug that allows its users to re-experience the best moments of their lives. After ex-detective Nick Bottom's wife died in a car accident, he went under the flash to be with her; he's lost his job, his teenage son, and his livelihood as a result. Nick may be a lost soul but he's still a good cop, so he is hired to investigate the murder of a top governmental advisor's son. This flashback-addict becomes the one man who may be able to change the course of an entire nation turning away from the future to live in the past.
