Faust is a tragic play in two parts by Johann Wolfgang von Goethe, usually known in English as Faust, Part One and Faust, Part Two. Although rarely staged in its entirety, it is the play with the largest audience numbers on German-language stages. Faust is considered by many to be Goethe's magnum opus and the greatest work of German

literature. The earliest forms of the work, known as the Urfaust, were developed between 1772 and 1775; however, the details of that development are not entirely clear. Urfaust has twenty-two scenes, one in prose, two largely prose and the remaining 1,441 lines in rhymed verse. The manuscript is lost, but a copy was discovered in 1886.

Faust Courier Dover Publications

A 2015 Whitney Award Nominee! A powerful story of loss, second chances, and first love, reminiscent of Sarah Dessen and John Green. When Oakley Nelson loses her older brother, Lucas, to cancer, she thinks she'll never recover. Between her parents' arguing and the battle she's fighting with depression, she feels nothing inside but a hollow emptiness. When Mom suggests they spend a few months in California with Aunt Jo, Oakley isn't sure a change of scenery will alter anything, but she's willing to give it a try. In California, Oakley discovers a sort of safety and freedom in Aunt Jo's beach house. Once they're settled, Mom hands her a notebook full of letters addressed to her—from Lucas. As Oakley reads one each day, she realizes how much he loved her, and each letter challenges her to be better and to continue to enjoy her life. He wants her to move on. If only it were that easy. But then a surfer named Carson comes into her life, and Oakley is blindsided. He makes her feel again. As she lets him in, she is surprised by how much she cares for him, and that's when things get complicated. How can she fall in love and be happy when Lucas never got the chance to do those very same things? With her brother's dying words as guidance, Oakley knows she must learn to listen and trust again. But will she have to leave the past behind to find happiness in the future? Sky Pony Press,

*The Religious Life of Goethe* Hardpress Publishing

A USA TODAY BESTSELLER! "A powerful debut that proves the threads that interweave our lives can withstand time and any tide, and bind our hearts forever."—Susanna Kearsley, New York Times bestselling author of *Belleweather* and *The Vanished Days* A historical novel inspired by true events, Kelli Estes's brilliant and atmospheric debut is a poignant tale of two women determined to do the right thing, highlighting the power of our own stories. The smallest items can hold centuries of secrets... While exploring her aunt's island estate, Inara Erickson is captivated by an elaborately stitched piece of fabric hidden in the house. The truth behind the silk sleeve dated back to 1886, when Mei Lien, the lone survivor of a cruel purge of the Chinese in Seattle found refuge on Orcas Island and shared her tragic experience by embroidering it. As Inara peels back layer upon layer of the centuries of secrets the sleeve holds, her life becomes interwoven with that of Mei Lien. Through the stories Mei Lien tells in

silk, Inara uncovers a tragic truth that will shake her family to its core—and force her to make an impossible choice. Should she bring shame to her family and risk everything by telling the truth, or tell no one and dishonor Mei Lien's memory? A touching and tender book for fans of Marie Benedict, Susanna Kearsley, and Duncan Jepson, *The Girl Who Wrote in Silk* is a dual-time period novel that explores how a delicate piece of silk interweaves the past and the present, reminding us that today's actions have far reaching implications. Praise for *The Girl Who Wrote in Silk*: "A beautiful, elegiac novel, as finely and delicately woven as the title suggests. Kelli Estes spins a spellbinding tale that illuminates the past in all its brutality and beauty, and the humanity that binds us all together." —Susan Wiggs, *New York Times* bestselling author of *The Beekeeper's Ball* "A touching and tender story about discovering the past to bring peace to the present." —Duncan Jepson, author of *All the Flowers in Shanghai* "Vibrant and tragic, *The Girl Who Wrote in Silk* explores a horrific, little-known era in our nation's history. Estes sensitively alternates between Mei Lien, a young Chinese-American girl who lived in the late 1800s, and Inara, a modern recent college grad who sets Mei Lien's story free." —Margaret Dilloway, author of *How to Be an American Housewife* and *Sisters of Heart and Snow*

Faust by J. Von Goethe. Worldwide literature classic, among top 100 literary novels of all time. A must read for everybody. In the 1980s, Italo Calvino (the most-translated contemporary Italian writer at the time of his death) said in his essay "Why Read the Classics?" that "a classic is a book that

has never finished saying what it has to say", without any doubt this book can be considered a Classic. This book is also a Bestseller because as Steinberg defined: "a bestseller as a book for which demand, within a short time of that book's initial publication, vastly exceeds what is then considered to be big sales".

*Faust Part I* Nabu Press

'It was a very momentous day, the day on which I was to be slaughtered' Bringing together tales of melancholy and madness, nightmare and fantasy, this is a new collection of the most haunting German stories from the past

200 years. Ranging from the Romantics of the early nineteenth century to works of contemporary fiction, it includes Hoffmann's hallucinatory portrait of terror and insanity 'The Sandman'; Chamisso's influential black masterpiece 'Peter Schlemiel', where a man barter his own shadow; Kafka's chilling, disturbing satire 'In the Penal Colony'; the Dadaist surrealism of Kurt Schwitters' 'The Onion'; and Bachmann's modern fairy tale 'The Secrets of the Princess of Kagran'. Macabre, dreamlike and expressing deep unconscious fears, these stories are also spiked with unsettling humour, showing stylistic daring as well as giving insight into the darkest recesses of the human condition. Peter Wortsman's powerful translations are accompanied by brief overviews of the lives of each author, and an introduction discussing the notion of 'angst' and the stories' place in the context of German history. Translated, selected and edited with an introduction by Peter Wortsman

Love, Lucas Forgotten Books

In 1828, Delacroix's lithographs on Faust were published in Paris as a rare large-format folio. For more than a century, these drawings remained virtually unknown. When seeing Delacroix's drawings for his masterwork, 76-year-old Goethe wrote to his good friend Johann Peter Eckermann: "The more perfect image of such an artist forces us to think about the situations as well as he has thought them himself. I must now admit that M. Delacroix has surpassed my own conception in certain scenes!"
