 Updated in its 13th edition, Joseph Devito's *The Interpersonal Communication Book* provides a highly interactive presentation of the theory, research, and skills of interpersonal communication with integrated discussions of diversity, ethics, workplace issues, face-to-face and computer-mediated communication and a new focus on the concept of choice in communication. This thirteenth edition presents a comprehensive view of the theory and research in interpersonal communication and, at the same time, guides readers to improve a wide range of interpersonal skills. The text emphasizes how to choose among those skills and make effective communication choices in a variety of personal, social, and workplace relationships

 When the United Nations undertook the publication of the Reports of International Arbitral Awards, the `Pasicrisie internationale' was identified as one of the rare truly general collections of international case law in existence. In fact, in deciding to publish the arbitration clauses and arbitral awards from 1794 to 1900, Henri La Fontaine was doing pioneering work, foreshadowing the famous Reports by half a century. As we near the end of the century, the `Pasicrisie internationale' remains just as pertinent as it was when first published in 1902. This collection of arbitral awards, with its modest appearance, has certainly contributed more to the development of international arbitration case law than any number of lyrical speeches advocating peace through

law. First edition printed in 1902 by Stämpfli, Bern. Lorsque l'Organisation des Nations Unies entreprit la publication de son Recueil des sentences arbitrales, elle identifia la Pasicrisie internationale comme constituant l'une des rares véritables collections générales de jurisprudence internationale préexistantes. De fait, en décidant de rassembler les clauses compromissaires et les sentences arbitrales de 1794 à1900, Henri La Fontaine avait fait oeuvre de pionnier et il préfigurait, avec un demi-siècle d'avance, le célèbre Recueil. En cette fin de siècle, la Pasicrisie internationale constitue donc un outil de travail toujours aussi actuel que lors de sa publication en 1902. Cette compilation de sentences arbitrales, d'apparence modeste, a certainement plus contribué au développement de la jurisprudence arbitrale internationale que bien des discours lyriques prônant la paix par le droit. Première édition imprimée en 1902 par Stämpfli, Berne.

### Acts Passed at the ... Session of the Legislature of the State of Louisiana ...

Focusing primarily on three early modern French authors, this book explores the erotics and politics of voluntary servitude in classical antiquity and the early modern period through Michel Foucault's late work on governmentality and the care of the self. Marc Schachter explores how these authors-Étienne de La Boétie, Michel de Montaigne, and Marie de Gournay-pursue related inquiries into voluntary servitude and self-control in marriage, friendship, pederasty, and politics.

**The First Part of the Institutvtes of the Lawes of England** Includes section, "Recent book acquisitions" (varies: Recent United States publications) formerly published separately by the U.S. Army Medical Library.
