The brilliant new post-apocalyptic collection by master anthologist John Joseph Adams, for the first time including new stories by the edgiest modern writers. The new post-apocalyptic collection by master anthologist John Joseph Adams, featuring never-before-published stories and curated reprints by some of the genre's most popular and critically-acclaimed authors. In WASTELANDS: THE NEW APOCALYPSE, veteran anthology editor John Joseph Adams is once again our guide through the wastelands using his genre and editorial expertise to curate his finest collection of post-apocalyptic short fiction yet. Whether the end comes via nuclear war, pandemic, climate change, or cosmological disaster, these stories explore the extraordinary trials and tribulations of those who survive. Featuring never-before-published tales by: Veronica Roth, Hugh Howey, Jonathan Maberry, Seanan McGuire, Tananarive Due, Richard Kadrey, Scott Sigler, Elizabeth Bear, Tobias S. Buckell, Meg Elison, Greg van Eekhout, Wendy N. Wagner, Jeremiah Tolbert, and Violet Allen—plus, recent reprints by: Carmen Maria Machado, Carrie Vaughn, Ken Liu, Paolo Bacigalupi, Kami Garcia, Charlie Jane Anders, Catherynne M. Valente, Jack Skillingstead, Sofia Samatar, Maureen F. McHugh, Nisi Shawl, Adam-Troy Castro, Dale Bailey, Susan Jane Bigelow, Corinne Duyvis, Shaenon K. Garrity, Nicole Kornher-Stace, Darcie Little Badger, Timothy Mudie, and Emma Osborne. Continuing in the tradition of WASTELANDS: STORIES OF THE APOCALYPSE, these 34 stories ask: What would life be like after the end of the world as we know it?

The Bear's Song Goldenraft

As majestic as they are dangerous, and as timeless as they are current, bears continue to captivate readers. Speaking of Bears is not your average collection of stories. Rather it is the history, compiled from interviews with over 100 individuals, of how Yosemite, Sequoia, and Kings Canyon National Parks, all in California's Sierra Nevada, created a human-bear problem so bad

that there were eventually over 2,000 incidents in a single year. It then describes the pivotal moments during which park employees used trial-and-error, conducted research, invented devices, collaborated with other parks, and found funding to get the crisis back under control. Speaking of Bears is for bear lovers, national park buffs, historians, wildlife managers, biologists, policy and grant-makers, and anyone who wants to know the who, what, where, when, and why of what once was a serious human-bear problem, and the path these parks took to correct it. Although these Sierran parks had some of the worst black bear problems in the country, hosted much of the research, and invented the bulk of the technological solutions, they were not the only ones. For that reason, intertwining stories from several other parks including Yellowstone, the Great Smoky Mountains, and Banff-Canada are included. For anyone seeking solutions to human-wildlife conflicts throughout the world, the lessons-learned are invaluable and widely applicable.

**Restart** Duluth, Minn. : Holy Cow! Press

When Bertie is chased by a bear, all sorts of people chase after him and make all sorts of deafening sounds.

Chasing the Italian Dream Scholastic Inc.

We're going on a bear hunt. Through the long wavy grass, the thick oozy mud and the swirling, whirling snowstorm - will we find a bear today?

**Maudie and Bear** Crown Publishing Group (NY)

A starship hurtles through the emptiness of space. Its destination-unknown. Its purpose-a mystery. Now, one man wakes up. Ripped from a dream of a new home-a new planet and the woman he was meant to love in his arms-he finds himself wet, naked, and freezing to death. The dark halls are full of monsters but trusting other survivors he meets might be the greater danger. All he has are questions -- Who is he? Where are they going? What happened to the dream of a new life? What happened to Hull 03? All will be answered, if he can survive the ship. Hull Zero Three is an edge-of-your-seat thrill ride through the darkest reaches of space.

**Touching Spirit Bear** Da Capo Press

A dual biography of two coaching legends -- Bear Bryant and Nick

Saban -- who built the Alabama Crimson Tide into a true football dynasty. Both Bear Bryant and Nick Saban are undeniable kings of college football, two coaches at Alabama who have each won more national championships -- six apiece -- than anyone else in the history of the game. CHASING THE BEAR examines how they did it, revealing along the way their similarities in style, background, football philosophy, and recruiting methods, while providing readers a rare inside look at two of the greatest leaders in the history of sports. Bear Bryant and Nick Saban never met, but they have more in common than either of them realize. Both grew up in small towns -- Bryant in Moro Bottom, Arkansas, a dot on the map, and Saban from Monongah, West Virginia, population five hundred. As a child, Saban pumped gas at his father's service station, washing and waxing cars and doing anything he could to help the business. Bryant's father suffered from multiple physical ailments, which forced Bryant to work to keep the family farm going. Both men knew the value of hard work from the time they were young boys, and both understood that there were no shortcuts to success. But both dreamed of escaping their hometowns, and both used football as the means to do so. Separated by two generations, Bear Bryant and Nick Saban are mythic figures linked by a school, a town, and a barroom debate centering on one question: Which is the greatest college coach of all time?

**We're Going on a Bear Hunt** Grand Central Publishing

Winner of the 2023 New Mexico-Arizona Book Award Reading the West Longlist for Nonfiction No animal shakes the human consciousness quite like a bear, and few compare to the giant short-faced bears that stalked North America during the Pleistocene. Even among the mammoths and saber-toothed cats, they were a staggering sight: on all fours, the biggest would stare a six-foot person in the face and weigh close to a ton. On hind legs they towered more than ten feet, with jaws powerful enough to crush skulls and snap bones like twigs. The bears weren't invincible, however. Despite their size, they were swept off the planet in a mysterious wave of Ice Age extinctions more than ten thousand years ago, then mostly forgotten. Chasing the Ghost Bear is Mike Stark's journey into the bear's enigmatic story--its

life, disappearance, and rediscovery--and those trying to piece it together today. An engaging guide through his intrepid search, Stark's story leads us from the La Brea Tar Pits in Los Angeles to a cornfield in Indiana, the far ends of the Arctic, the plains of Texas, and the swamps of Florida. Part natural history, part travelogue, and part meditation on extinction and loss, Chasing the Ghost Bear returns these magnificent beasts to their rightful place in our understanding of the world just an epoch past.

The Bumblebear Rowman & Littlefield

Literary legends Stan and Jan Berenstain take readers for a ride in this classic Beginner Book edited by Dr. Seuss. Small Bear has a new bike, but before he can ride it, his dad insists on a teaching him about bike safety. From learning how to stop and turn to going down a hill and traveling roads you know, Small Bear has a lot to learn. And Father Bear has an unforgettable way of showing his son all the tricks of biking. The second in the beloved Berenstain Bears series, *The Bike Lesson* is the Tour de France of funny tales for early readers. Originally created by Dr. Seuss, Beginner Books encourage children to read all by themselves, with simple words and illustrations that give clues to their meaning.

Bear Attacks Centers for Disease Control & Prevention

It started with an energetic bunny and a grumpy bear. It continued with a geeky swan and her playboy bear. And then we encountered an ornery croc who couldn't help falling for a foxy lady. The three Furry United Coalition stories you've come to love are now available in one handy bundle. Hours of romantic and humorous entertainment. Includes: *Bunny and the Bear*: Bears and bunnies aren't supposed to mix, or that's what Chase keeps telling himself when his bouncy new neighbor won't stay out of his business--and his mind. However, the more he gets to know his overly perky neighbor, the more he craves her, a desire worse than his addiction to honey and pie. *Swan and the Bear*: Screw honey, this bear craves chocolate. Mason, a ladies man and a big teddy of a bear, is on a mission to protect the shifter community. Lucky him, his task requires him to guard the agency's tech wizard--a curvy mocha hottie. When an evil mastermind sets his sights on her, will this playful bear be enough to save her feathery tail from danger? And can he somehow wiggle his way into her heart? *Croc and the Fox*: A cold blooded and violent croc, Viktor never intended to settle down, but he didn't count on a

determined fox. When he rescues her from a laboratory, Renee latch on and refuse to let go. Viktor's violent side should have sent her running, but instead, she finds the courage to face her fears -and tame the lizard. Warning: This series is loaded with giggle out loud moments, raunchy innuendo and the strangest shapeshifters you'll ever meet, including a killer bunny. It's also full of romance and great, if mismatched, couples. Genres: multi-book anthology, paranormal romance, shapeshifter romance, werewolf romance, shapeshifting bunny, romantic comedy *Wastelands* National Geographic Books

In his Nautilus Award-winning classic *Touching Spirit Bear*, author Ben Mikaelson delivers a powerful coming-of-age story of a boy who must overcome the effects that violence has had on his life. After severely injuring Peter Driscall in an empty parking lot, mischief-maker Cole Matthews is in major trouble. But instead of jail time, Cole is given another option: attend Circle Justice, an alternative program that sends juvenile offenders to a remote Alaskan Island to focus on changing their ways. Desperate to avoid prison, Cole fakes humility and agrees to go. While there, Cole is mauled by a mysterious white bear and left for dead. Thoughts of his abusive parents, helpless Peter, and his own anger cause him to examine his actions and seek redemption—from the spirit bear that attacked him, from his victims, and, most importantly, from himself. Ben Mikaelson paints a vivid picture of a juvenile offender, examining the roots of his anger without absolving him of responsibility for his actions, and questioning a society in which angry people make victims of their peers and communities. *Touching Spirit Bear* is a poignant testimonial to the power of a pain that can destroy, or lead to healing. A strong choice for independent reading, sharing in the classroom, homeschooling, and book groups.

*In the Eye of the Wild* Hachette UK

More adventures await *The Bear's Song's* Little Bear and Papa Bear. When the bears seek warmth from their chilly perch atop the Paris Opera House, Little Bear is mistaken for a toy bear and whisked away . . . to a tropical island! Papa Bear sets out on a frenzied journey to find Little Bear, traveling to a bustling wharf, beneath a sea brimming with coral and mermaids, onto a busy beach, and all the way to a sun-drenched island. As in *The Bear's Song*, Little Bear is featured in every spread. Will Papa Bear—and the reader— find him? Children and parents alike will savor

Chaud's lush, detail-rich illustrations and the sweet story as well as the book's bonus seek-and-find elements. Plus, this is the fixed format version, which will look almost identical to the print version. Additionally for devices that support audio, this ebook includes a read-along setting.

*Bear of My Heart* Harper Collins

An inspiring, humorous, and original book of conventional and unconventional self-help ideas from former Congressman Ric Keller, who rose from humble beginnings to the US House of Representatives. We are all born with a gift—a unique skill or talent that brings us joy and serves the greater good. At some point, we come to a crossroads: should we take a risk and chase our dreams or play it safe? Should we “chase the bears,” a metaphor for chasing our dreams, or are we fearful? In *Chase the Bears*, Ric Keller shows you that it is never too late. No matter your age or stage in life, you can still be what you wish to be. This inspiring book weaves together practical, actionable steps with fascinating stories about how other successful people have applied secret techniques to convert their thoughts and dreams into reality. You can, too!

*Moon Bear* National Geographic Books

A bear gobbles up a wolf, a lion, and an elephant after each animal steals the bear's teddy bear and refuses to return it. *The Berenstain Bears Don't Pollute (Anymore)* Random House From the bestselling author of *Escape to the French Farmhouse* comes a deliciously feel-good story about making your dreams come true, set in sun-kissed southern Italy. 'A tale full of wonderful characters, sunshine, food and romance. A winning recipe!' Katie Fforde ----- A summer escape she'll never forget . . . Lucia has worked hard as a lawyer in Wales, aiming for a big promotion she hopes will shortly come her way. Finally taking a well-earned break at her grandparents' house in southern Italy, the sunshine, lemon trees and her nonna's mouth-watering cooking make her instantly feel at home. But she's shocked to learn that her grandfather is retiring from the beloved family pizzeria and will need to sell. Lucia can't bear the thought of the place changing hands - especially when she discovers her not-quite-ex-husband Giacomo wants to take it over! Then bad

news from home forces Lucia to re-evaluate what she wants from life. Is this her chance to carry on the family tradition and finally follow her dreams? ----- Readers have fallen sure with *Chasing the Italian Dream* 'The perfect escape' 'This book is like summer on a page' 'I loved getting whisked away to Italy' If you love Jo's books, her newest summer novel, *Summer at the Ice Cream Cafe*, is out now!

**Bear Despair** Simon and Schuster

In 1936, Quentin Young, a 22-year-old Chinese American, led American socialite Ruth Harkness on a 1,500-mile expedition into the remote mountains of Sichuan. Braving warlords and primitive tribes, the duo captured a giant panda and brought it back alive, the first time a live panda had been seen by the Western world. Hunters and scientists assumed the pair had stolen the animal. When it became clear the find was genuine, Ruth Harkness became a celebrity. But Quentin Young, together with his brother and fellow guide, Jack, was swept into the chaos of World War II and became a spy. A few years ago, Michael Kiefer discovered Quentin, now elderly and living in the United States. The resulting book sets the record straight.

**Furry United Coalition #1** Chronicle Books

*Billedbog*. A bear knocks on a door, and a boy tells the bear to go home, but the bear keeps coming back. When the bear finally

stops coming back, the boy misses him

*Bear* Random House Books for Young Readers

Ray will need every ounce of his drone skills and outdoor smarts to recover his missing bear cub before poachers get to it first. When his orphan bear cub goes missing, sixteen-year-old drone enthusiast Ray McLellan decides to use his airborne spying skills to find it. Little does he know that an evil bear-poaching gang operating in the surrounding forest has drones, too — and a cold welcome for those who would attempt to take them down. As a New York City kid recently forced to move to the Great Bear Rainforest by his parents, Ray doesn't have a lifetime of outdoor instincts or familiarity with the valley and its wildlife. That makes him very different from his grumpy grandfather, who — like his new school friends — berates his city-kid uselessness at every opportunity. Can Ray use his drones and smarts to prove himself, find his cub, and expose what's going on in the woods?

*Bear's Surprise Party* Walker Books Limited

For almost forty years, Robert B. Parker's inimitable private investigator Spenser has been solving cases and selling millions of books worldwide. Now, for the first time, see how it all began as the Mystery Writers of America Grand Master sheds light on Spenser's formative years spent with his father and two uncles

out West. This is an event book for every fan of Spenser, and a revelation for teens about to discover an American icon.

**Chasing the Ghost Bear** Simon & Schuster Books For Young Readers

Three species of bear inhabit North America: the grizzly, the polar bear, and the black bear. But the American black bear is truly North America's bear, found only in North America. Black bears range from Canada to Mexico, from New England to California. There may be as many as 750,000 black bears roaming the forests and mountains of the continent. With its large population, and with more people moving into black bear territory, it's important that we understand this magnificent animal. Stephen R. Swinburne takes us to where black bears live. He joins biologists in search of bears in the Pennsylvania woods, where a mother bear is examined and her cubs tagged. He visits a "school teacher" for orphaned cubs who teaches them how to survive in the wild. Along the way, he offers his personal observations together with fascinating facts about black bears and their world. (Did you know that in the autumn, black bears consume as much as twenty thousand calories a day? That's equivalent to forty-two hamburgers!) With stunning full-color and archival photographs, this lively book shows how North America's bear behaves and survives.
