Commander's Estranged Wife in Hard  
Landing a Military Romantic Suspense by  
Marliss Melton Navy SEAL Brant "Bronco"  
Adams adores women but never lets  
himself get too close to any one of them--  
until he meets sweet, classy Rebecca  
McDougal. Rebecca is the wife of Mad  
Max, Brant's commanding officer and  
safely off-limits--until she confesses that  
she's desperate to escape her nightmare  
of a marriage and that Max isn't the  
upstanding commander they all think.  
Emboldened to protect her, Brant skids  
head-long into Mad Max's plot to do him  
in. Suddenly, the former playboy will  
assume any risk to give him and  
Rebecca hope for a future of their own.  
PUBLISHER'S NOTE: Marliss Melton

Four dragons, one fate. One soul  
shattered, four entwined. Losing my  
mate had left me jaded. I never  
imagined I could find love again. But all  
at once, they walk into my life--three  
dragon shifters who stir emotions I'd  
long forgotten. I'm torn, lost, and losing  
control. I need a partner, but I can't  
choose between them. If I don't decide  
soon, I could lose everything I've worked  
so hard to build. What scares me most,  
though, is that all three of them are  
dangerously close to winning my heart.  
*Dragon Shattered* is the first book in a  
reverse harem trilogy featuring one  
strong female dragon shifter and the  
three hot-as-sin male dragon shifters  
who win a place in her company...and in  
her bed. additional keywords: urban

In Janet McDonald's powerful and funny  
novel, a smart and resilient young  
woman whose life isn't what she  
dreamed it would be learns that there  
are many ways to spell SUCCESS.  
Raven's life has been derailed. She  
never expected she'd be a mother at  
sixteen like her best friend, Aisha, and  
she's afraid she's going to be just  
another high school dropout, a project  
girl with few prospects. And although  
Raven is ambitious, when is she going to  
find the time to finish school in the few  
minutes she's not looking for a job or  
caring for her infant son, Smokey? Then  
her older sister, Dell, tells her about a  
spelling bee that promises the winner

enrollment in a college prep program and a scholarship. But spelling? There isn't a subject she's worse at! Still, Raven is fiercely determined to win, and so she starts memorizing words. An ALA Best Book for Young Adults

 Shunned and ostracized Mira is alone in her own community. Creeped out by her new bodyguards, Mira jumps at the first chance to get out of Emmitt's apartment and back on the case. Getting closer to Gabriel is an added benefit, even if he can't decide what he wants. While Gabriel and Emmitt butt heads, Mira struggles to keep her bad karma in check. Getting someone killed is bound to leave permanent black marks on her soul. Gabriel is torn by wanting to keep Mira close to him and needing to keep her safe. When the enemy makes a bold move to take Mira, even Harker isn't able to protect her. Seeing the threats against Mira, Gabriel is faced with the risk of becoming a fallen angel. He doesn't care if his wings turn black as night if it means he can save her. Mira finds herself making a decision that effects all their lives. Voluntarily going into the Ether isn't the smartest move Mira can make, but is it the right one?

When a demon is loosed in the city, guild bartender Tori gets a crash course in Demonica magic--and it's about to get ugly.

Red Winter Independently Published

There's bad, and then there's bad. And I'm not sure which applies to a certain reluctant friend of mine. His transgressions include black-magic dealings, kidnapping, and murder, and he's about to add "revenge-fueled killing spree" to his resume-if I don't stop him. Maybe the question is ... should I stop him?

The Citadel of Broken Dreams was not meant to be explored. It was—as Alex was told numerous times—a trap. But the Citadel was the last place Lily's brother had entered before he disappeared. He'd been in search of an object of power, an item created in the early years of the game, which seemed to be at the center of the disappearances. Alex and her friends must enter a place renowned for its difficulty, a dungeon not meant to be beaten, and claim this mysterious magical item. The Citadel will test them in ways they never imagined, and to win they will be faced with a choice that will change them—and Gamemakers Online—forever. I could not put this book down and have told all of my friends to get a copy to read. I can't wait for the rest of the series!!! It was a fun

refreshing take on magic and creatures. The characters are so captivating. I am glad to see a magic related series that is more female based and has more of the "Supernatural" feel to it.- L. Coffing Added to my collection of urban fantasy beautifully written - Tevin I've read other things by this author, but this one stands head and shoulders above the others! Fast paced, fascinating characters, twists and turns, loved it all and am so happy I could dive right into the second. Keep them coming - don't want to go into withdrawals! - Tami Cowles This is a well-structured and exciting tale, with a magical system that any Fantasy lover would die for. This inspiring first novel shows a promising start to a series and kept a firm grasp on my attention throughout. Trials of Magic makes for an addictive read. Many times, I even found myself shouting at the characters, praying either for their safety or for them to succeed in their endeavors. A true work of fiction with great artistic flair. There is a lot of heart embedded within these pages. Trials of magic is a five-star read and a real credit to Mr. Thomas Carpenter. - Dax Munro TRA I've always enjoyed coming-of-age novels and this one is fantastic. It is Well written, well plotted, and gripping. The characters and plot do not let you go. - PRBC I thoroughly enjoyed reading this book. The characters are all interesting, I couldn't predict what would happen (which I LOVE), and I can hardly wait to find out what happens next. (I also appreciate that I want more, but that the book actually ended very well, and not in a cliffhanger.) Thomas Carpenter is a new favorite author for me! - Skipperdo Loved this new book. It's amazing how real Carpenter makes this world and all the people in it. - Sharon Brigham Spratt Animalians I really love how quickly you

fall head over heels for the Animalian Hall. - Yorkiemom The Animalians series is easily one of the most enjoyable reads I have had in the past year. Filled with a relatable heroine, strong character building and equal doses of magic and action, the series starts strong and only gets better. - amazon customer This is an excellent series. Fun and amazing characters with each a great separate plot. - Zippy Inger This is one of the most amazing, spellbound series I have read in a long time. Loads of action, adventure, suspense and supernatural creatures. A must read series!- Liza van der Pluym Gamemakers- Fast paced and spot on descriptions will keep you turning pages well into the night. If you adore Jordan and Martin, Thomas Carpenter and his Hundred Halls series are MUST READS as sci-fantasy of today! - Lynda C. If you want lots of interesting action and characters, this book has it. - J Krug LitRPG has become very formulaic as a genre. The warped Forest steps beyond those norms and explores character development and world exploration/design in excellent ways. - Scott Reimers Stone singers I have treasured each and every one of the Hundred Halls stories. Tom Carpenter has a unique style of writing which is always brilliantly researched, detailed for easy visualization and reads like you have a master storyteller in your head. - Lynda C It's a well written, enthralling read that grabs you from the get go. The world building is incredible, the storyline, action packed and fast paced and the characters intriguing. Thrust into a world of soul swapping, magic, music, secrets and so much more, this had me on the edge of my seat and I could not put it down. - Debbie Like all the other hundred hall series this one does not disappoint. Very unique scenarios and

most unsuspecting plots. Fall in love with Minerva and follow her on her path of survival. – Liza van der Pluym

It's not a great time to be a witch. The investigation takes an uncanny turn once magic users are targeted.

Discovering Gabriel is supernatural should make working the case easier. Instead, it's ripping apart his friendship with Ian, causing karma to tighten its noose tighter around Mira. Gabriel is ticked off. He's compelled to track down Mira when she's in trouble and each time is a nagging reminder that he's an angel. Telling Ian is out of the question, at least until he comes to terms with his winged half. But to track the missing witches, coming clean may be the only way forward. Even with a guardian angel, keeping Mira alive long enough to help the case is harder than they imagined. If you love Urban Fantasy or Supernatural Suspense, you're going to love reading the Spellbound Murder series!

Perfect for fans of *Throne of Glass* and *A Court of Thorns and Roses* by Sarah J. Maas and *Daughter of Smoke and Bone* by Laini Taylor. Sworn to a goddess. One with her blade. A heart yet unbroken. It would have been only one more year of training. One year in the dust and wind of the Calma Desert. But Gandrett Brayton's fate storms in disguised as a beautiful stranger with a damning secret. As he forces her into the service of the lord who tore her from her mother's arms ten years ago to commit her to the Order of Vala, Gandrett is left with a choice: run, or work for the man she despises and earn the chance to see her family again. Trained with all the weapons she can wield with her hands, Gandrett must learn that at the courts of the shattered kingdom of Sives, her sword won't help her-- especially when it is her own heart on the line. ★★★★★

 "Desperately affecting." —The New York Times "Generous and epic...takes us through generations of a singular family, whose loves and losses also tell us a story about America itself." —Eliot Schrefer, National Book Award finalist, author of *Endangered* Justin Deabler's *Lone Stars* follows the arc of four generations of a Texan family in a changing America. Julian Warner, a father at last, wrestles with a question his husband posed: what will you tell our son about the people you came from, now that they're gone? Finding the answers takes Julian back in time to Eisenhower's immigration border raids, an epistolary love affair during the Vietnam War, crumbling marriages, queer migrations to Cambridge and New York, up to the disorienting polarization of Obama's second term. And in these answers lies a hope: that by uncloseting ourselves—as immigrants, smart women, gay people—we find power in empathy.

*Forged from Flame* Australian Speculative Fiction

After months of anguish and pain Julia's life is finally getting back on track. She is seeing a handsome giant, an art dealer named Quentin, the agency is getting a lot of business and she is finally over her ex. All of the sudden her peaceful life shifts, when she blacks out and wakes up several hours later with blood on her hands and with no recollection of what's happened to her. But life must go on and Julia carries on with her morning, stressed and worried about the future. When she arrives at La Caz Corporation, she stumbles upon a dead body, her ex-co worker Jennifer Griffiths. She starts seeing visions of herself wandering around streets with a knife, the same knife her ex-co worker has been murdered with. Sadly this is just the beginning of her problems as more petrifying visions keep haunting her thoughts. She begins seeing her mother dying in the fire, screaming for help, and when a new enigmatic elderly elf shows up with an offer that she can't turn down, nothing seems to be making sense anymore. She knows for sure that she has to do everything in her power to prevent her visions from happening, which means that she has to start taking some magic lessons and learn to put her trust in strangers. She gets pulled into the most dangerous game of desire, death and magic. She has to fight her beliefs, understand herself and face the internal struggle of what's wrong and what's right. It's going to be tough but Julia has no choice other than to pull through.

NEW YORK TIMES BESTSELLER • In the seventh book in The Iron Druid Chronicles, two-thousand-year-old Druid Atticus O'Sullivan and his apprentice Granuaile take on an ancient plague-summoning demon and confront a

rebellion of the Fae in Tír na nÓg. "Funny, razor-sharp . . . plenty of action, humor, and mythology."—Booklist (starred review) Atticus's apprentice Granuaile is at last a full Druid herself. What's more, Atticus has defrosted an archdruid frozen in time long ago, a father figure (of sorts) who now goes by the modern equivalent of his old Irish name: Owen Kennedy. And Owen has some catching up to do. Atticus takes pleasure in the role reversal, as the student is now the teacher. Between busting Atticus's chops and trying to fathom a cell phone, Owen must also learn English. For Atticus, the jury's still out on whether the wily old coot will be an asset in the epic battle with the Norse god Loki—or merely a pain in the arse. But Atticus isn't the only one with daddy issues. Granuaile faces a great challenge: to exorcise a sorcerer's spirit that is possessing her father in India. Even with the help of the witch Laksha, Granuaile may be facing a crushing defeat. As the trio of Druids deals with pestilence-spreading demons, bacon-loving yeti, fierce flying foxes, and frenzied Fae, they're hoping that this time, three's a charm. "Uproariously entertaining in a way that [Kevin] Hearne is uniquely able to achieve . . . [Shattered] has the feeling of a new beginning for its hero and for the series."—RT Book Reviews "This series just gets bigger and better, and Shattered shows no signs of it slowing down."—Vampire Book Club Don't miss any of The Iron Druid Chronicles: HOUNDED | HEXED | HAMMERED | TRICKED | TRAPPED | HUNTED | SHATTERED | STAKED | SCOURGED | BESIEGED
