MORRIS JAXSON

The Absolute Basics of the Christian Faith Pan Macmillan

This is a short, accessible analysis of Christianity that focuses on its social and cultural diversity as well as its historical dimensions.

Martin Luther's 95 Theses David C Cook

Apologetics for Christian kids and tweens on the evidence for Christianity. Sooner or later, kids have big questions about God, life, faith and the Bible, especially when their friends start asking them about what they believe. A common one is: How do we know Christianity is really true? Big questions deserve good answers. This pithy, fun and fast-paced book looks at what the Bible says to help 9-13s think through this big question for themselves. It explains why we can trust the Gospels as real historical documents and walks through the evidence for Jesus' resurrection. Lively stories and illustrations make this book easy for this age group to engage with.

Everything is Spiritual Zondervan

What beliefs are core to the Christian faith? This book is here to help you understand the reason for your hope as a Christian so that you can see it with fresh sight and invite others into the conversation. A lot of Christians take their story—the narratives that give rise to their beliefs—for granted. They pray, go to church, perhaps even read their Bible. But they might be stuck if a stranger asked them to explain what they believe and why they believe it. Author, pastor, and theologian Mike Horton unpacks the essential and basic beliefs that all Christians share in a way that is easy to understand and applicable to our lives today. And in a way that will make you excited to be a Christian! Core Christianity covers topics like: Jesus as both fully God and fully man. The doctrine of the Trinity. The goodness of God despite a broken world. The ways God speaks. The meaning of salvation. What is the Christian calling? Includes discussion questions for individual or group use. This introduction to the basic doctrines of Christianity is perfect for those who are new to the

faith, as well as those who have an interest in deepening their understanding of what it means to be a follower of Jesus Christ.

The Unsaved Christian The Good Book Company
 This book lays out the requirements and difficulties that will come with the pursuit of holiness in our Christian lives. Ryle starts out with the way to achieve holiness and the difficulties that arise with pursuing a holy life, and then going throughout the Bible giving true examples of the cost of holiness and the rewards it brings as the Bible promises us. To often we sing and pray for such a life without being willing to undergo the necessary life changes and adjustments to get there. This book lays out what we can expect in such a journey and what God will ask of each of us to get us to the point He wants us to be.

Holiness Zondervan Academic
 Hyper-spiritual approaches to finding God's will don't work. It's time to try something new: Give up. Pastor and author Kevin DeYoung counsels Christians to settle down, make choices, and do the hard

work of seeing those choices through. Too often, he writes, God's people tinker around with churches, jobs, and relationships, worrying that they haven't found God's perfect will for their lives. Or-even worse-they do absolutely nothing, stuck in a frustrated state of paralyzed indecision, waiting...waiting...waiting for clear, direct, unmistakable direction. But God doesn't need to tell us what to do at each fork in the road. He's already revealed his plan for our lives: to love him with our whole hearts, to obey His Word, and after that, to do what we like. No need for hocus-pocus. No reason to be directionally challenged. Just do something.

Jesus Christ the Counterfeit Christian Messiah - Incorporating "What Really Happened in the Garden of Eden" and God, Genes and Evil
Penguin UK

'A searingly passionate book' - Bettany Hughes, author of *The Seven Wonders of the Ancient World In The Darkening Age*, historian Catherine Nixey tells the little-known - and deeply shocking - story of how a militant religion deliberately tried to extinguish the teachings

of the Classical world, ushering in unquestioning adherence to the 'one true faith'. The Roman Empire had been generous in embracing and absorbing new creeds. But with the coming of Christianity, everything changed. This new faith, despite preaching peace, was violent, ruthless and intolerant. And once it became the religion of empire, its zealous adherents set about the destruction of the old gods. Their altars were upturned, their temples demolished and their statues hacked to pieces. Books, including great works of philosophy and science, were consigned to the pyre. It was an annihilation. A Book of the Year in the Daily Telegraph, the Spectator, the Observer, and BBC History Magazine A New York Times Book Review Editors' Choice Winner of the Royal Society of Literature Jerwood Award for Nonfiction 'Nixey combines the authority of a serious academic with the expressive style of a good journalist.' - The Times

[The Darkening Age](#)
Canongate Books

Most of us are regular people who have good days and bad days. Our

lives are radically ordinary and unexciting. That means they're the kind of lives God gets excited about. While the world worships beauty and power and wealth, God hides his glory in the simple, the mundane, the foolish, working in unawesome people, things, and places. In our day of celebrity worship and online posturing, this is a refreshing, even transformative way of understanding God and our place in his creation. It urges us to treasure a life of simplicity, to love those whom the world passes by, to work for God's glory rather than our own. And it demonstrates that God has always been the Lord of the cross--a Savior who hides his grace in unattractive, inglorious places. Your God Is Too Glorious reminds readers that while a quiet life may look unimpressive to the world, it's the regular, everyday people that God tends to use to do his most important work.

Paul Baker Books
In Everything is Spiritual, the author Rob Bell explores how ideas about creation, love and connection shaped him and how they shape every one of us. Bell observes that more than anything,

people want to understand their purpose here on earth. And when you embrace who and where you come from, including your wounds, your pains and your regrets, you will discover that lurking there in the mess of life is an invitation to expand - just as the universe has been expanding for 13 billion years. Written in a lyrical, almost stream of consciousness style this wide-ranging book shares stories from Bell's life to illuminate lessons about the world around you to help you find purpose, meaning and connection. 'Rob Bell might have left the church, but he will always be my minister - in the purest and most uncorrupted sense of that word. Nobody else can take ancient teachings and modern science, and blend them together into wisdom that makes sense to me, and heals me. Rob's unorthodox and bold thinking stirs my intellect, comforts my heart and makes me believe that - within all the frightening chaos of the unknowable universe - I still have a sacred place. His work is a sacred gift to a troubled world.' - Elizabeth Gilbert, New York Times bestselling author of *Big Magic*

Heaven and Hell Simon and Schuster
Lionel Attwell, a former highly successful national newspaper reporter, spent seven years investigating the Christian Church and discovered that it was built on a premeditated perversion of the original Hebrew/Greek Scriptures ingeniously mutated to fit its warped agenda and erroneous doctrines. In the process it created a pagan counterfeit Christianized Messiah. His research also reveals the incredible events which actually occurred in the Garden of Eden: the forbidden fruit was a narcotic and aphrodisiac; when "high" Eve was seduced by Satan and gave birth to a child with mutated genes subsequently inherited by the whole of mankind. He also explains the causes of human disasters and suffering. This book will change your life.
The Essentials of Christian Thought HarperCollins
If you're looking for an NIV Youth Bible that will encourage young people aged 11-18 to know and love God's Word - Engage is it. Engage includes the full text of the Anglicised 2011 New International Version in double column 9PT British Text, At the beginning of the Bible you

will find helpful introductory articles, such as the Big Story of the Bible, and How to Read the Bible. Each book of the Bible has its own introduction which explains when the book was written, and the main points of the book. There is also a memory verse and a Bible study on a key passage for each book. There are 12 issues based studies on topics relevant to teenagers such as stress, body image and relationships, as well as a three-week Big Bible Story reading plan with associated Bible studies. There are eighty one-page articles on applying the Bible to your life ('Stuff'), answering your friends' difficult questions ('Tricky'), how to explain Bible doctrines ('Essential') and stories about real people whose faith has made an impact in the world ('Real Lives'). This Bible has wide margins for note-taking, drawing, colouring and journaling.
No More Faking Fine Wm. B. Eerdmans Publishing
Over half of Americans believe in a literal heaven, in a literal hell. Most people who hold these beliefs are Christian and assume they are the age-old teachings of the Bible. Ehrman shows that

eternal rewards and punishments are found nowhere in the Old Testament, and are not what Jesus or his disciples taught. He recounts the long history of the afterlife, ranging from The Epic of Gilgamesh up to the writings of Augustine, focusing especially on the teachings of Jesus and his early followers. Ehrman shows that competing views were intimately connected with the social, cultural, and historical worlds out of which they emerged. -- adapted from jacket

Understanding Jesus

Hachette UK

An unabridged, unaltered edition of the Disputation on the Power & Efficacy of Indulgences Commonly Known as The 95 Theses
A History of Christianity
Zondervan

Apologetics for Christian kids and tweens on why God lets bad stuff happen. Sooner or later, kids have big questions about God, life, faith and the Bible, especially when their friends start asking them about what they believe. A common one is: Why does God let bad things happen? Big questions deserve good answers. This warm, reassuring and fast-paced book looks at what the Bible says to help 9-13s think through

this big question for themselves. It puts the problem of suffering in the context of the Bible's big story, and encourages readers to see that whatever they're facing, Jesus is with them. Lively stories and illustrations make this book easy for this age group to engage with.

The Scandal of the Evangelical Mind
Moody Publishers

Winner of the Christianity Today Book of the Year Award (1995) "The scandal of the evangelical mind is that there is not much of an evangelical mind." So begins this award-winning intellectual history and critique of the evangelical movement by one of evangelicalism's most respected historians. Unsparing in his indictment, Mark Noll asks why the largest single group of religious Americans—who enjoy increasing wealth, status, and political influence—have contributed so little to rigorous intellectual scholarship. While nourishing believers in the simple truths of the gospel, why have so many evangelicals failed to sustain a serious intellectual life and abandoned the universities, the arts, and

other realms of "high" culture? Over twenty-five years since its original publication, *The Scandal of the Evangelical Mind* has turned out to be prescient and perennially relevant. In a new preface, Noll lays out his ongoing personal frustrations with this situation, and in a new afterword he assesses the state of the scandal—showing how white evangelicals' embrace of Trumpism, their deepening distrust of science, and their frequent forays into conspiratorial thinking have coexisted with surprisingly robust scholarship from many with strong evangelical connections.

Nature, Power, Deceit and Prevalency of Indwelling Sin in Believers ... Harper Collins

A Mere Christianity of the 21st century, coming out as Tom Wright's popularity grows and grows, and at a peak point of interest in CS Lewis. The book provides an intelligent, grownup introduction to Christianity - what Christians believe, and why, how should we live? - with a passionate sense of personal engagement.
How to Be a Christian

Zondervan

Does the failure of the conventional idea of God spell the end of the Christian tradition? Or does it simply mean the end of conventional Christian doctrine? Christianity without God affirms the latter, treating Christian culture as a living and evolving stream. In this cogently argued book, Lloyd Geering brings the resources of his deep scholarship to look at what the world really needs from contemporary religion. His inspiration is the cultivation of the wisdom of Christianity, not a dependence on beliefs about a supernatural saviour.

**What is Christianity?
Bible Study Edition**

Bridget Williams Books
Modern-day Christians often bring their own presuppositions and assumptions to the reading of the Bible, not realizing how deeply their understanding of Christ's life and teachings is affected by a 21st-century worldview. In *Understanding Jesus*, author Joe Amaral delves deep into Jewish history, societal mores, and cultural traditions, closing the gap created by geographical distance and over two thousand years

of history. Using a chronological approach to the life of Christ, he guides the reader through significant events such as Jesus' birth, baptism, and crucifixion, pointing out illuminating details that the Western mind would normally miss. Amaral's premise is that to understand Jesus, we must understand the time and place in which he was born, the background from which he drew his illustrations, and the audience he spoke to. Throughout the book he explores specific terms, places, and events for their significance and shows how they add richness and meaning to the text. Topics include the connection between Jesus and John the Baptist, the annual Feasts and why they are important to modern Christianity, Jewish customs such as foot-washing, clean and unclean foods, paying tribute to political governments, and the significance of various miracles. In *Understanding Jesus*, Amaral draws back the curtain on a way of life that existed during the reign of the Caesars, and in doing so, reveals truths about the way we live more than two thousand

years later, half a world away.

Just Do Something B&H Publishing Group

Diarmaid MacCulloch's epic, acclaimed history *A History of Christianity: The First Three Thousand Years* follows the story of Christianity around the globe, from ancient Palestine to contemporary China. How did an obscure personality cult come to be the world's biggest religion, with a third of humanity its followers? This book, now the most comprehensive and up to date single volume work in English, describes not only the main facts, ideas and personalities of Christian history, its organization and spirituality, but how it has changed politics, sex, and human society. Taking in wars, empires, reformers, apostles, sects, churches and crusaders, Diarmaid MacCulloch shows how Christianity has brought humanity to the most terrible acts of cruelty - and inspired its most sublime accomplishments. 'A stunning tour de force' Simon Sebag Montefiore, *Sunday Telegraph* Books of the Year 'A landmark in its field, astonishing in its range, compulsively readable, full of insight ... It will have few, if any,

rivals in the English language' Rowan Williams, Archbishop of Canterbury, Guardian 'A prodigious, thrilling, masterclass of a history book' John Cornwell, Financial Times 'Essential reading for those enthralled by Christianity and for those enraged by it' Melvyn Bragg, Observer, Books of the Year 'Magnificent ... a sumptuous portrait, alive with detail and generous in judgement' Richard Holloway, The Times Diarmaid MacCulloch is Professor of the History of the Church at Oxford University. His Thomas Cranmer won the Whitbread Biography Prize, the James Tait Black Prize and the Duff Cooper Prize. He is the author most recently of Reformation: Europe's House Divided 1490 - 1700, which won the Wolfson Prize for History and the British Academy Prize.

How Do We Know Christianity Is Really True? Sovereign Grace Publishers, What to do when they say they're Christian but don't know Jesus Whether it's the Christmas and Easter Christians or the faithful church attenders whose hearts are cold toward the Lord, we've all

encountered cultural Christians. They'd check the Christian box on a survey, they're fine with church, but the truth is, they're far from God. So how do we bring Jesus to this overlooked mission field? The Unsaved Christian equips you to confront cultural Christianity with honesty, compassion, and grace, whether you're doing it from the pulpit or the pews. This practical guide will: show you how to recognize cultural Christianity teach you how to overcome the barriers that get in the way give you easy-to-understand advice about VBS, holiday services, reaching "good people," and more! If you've ever felt stuck or unsure how to minister to someone who identifies as Christian but still needs Jesus, this book is for you.
