"I didn't decide to become anorexic. It snuck up on me disguised as a healthy diet, a professional attitude. Although there was a certain glamour to anorexics, I didn't want to be one. I just wanted to excel in dieting. And weighing in at 80 pounds on 300 calories a day, I was the best little dieter there ever was." In scalding prose, Portia de Rossi reveals the pain and illness that haunted her for decades. She alternately starved herself and binged, putting her life in danger and lying to herself and everyone around her about the depth of her illness. From her lowest point, Portia began the painful climb back to health and happiness, ultimately falling head over heels in love with Ellen DeGeneres. In this remarkable and landmark book, she tells a story that inspires hope and nourishes the spirit.

People go traveling for two reasons: because they are searching for something, or they are running from something. Katie's world is shattered by the news that her headstrong and bohemian younger sister, Mia, has been found dead at the bottom of a cliff in Bali. The authorities say that Mia jumped—that her death was a suicide. Although they'd hardly spoken to each other since Mia suddenly left on an around-the-world trip six months earlier, Katie refuses to accept that her sister would have taken her own life. Distraught that they never made peace, Katie leaves her orderly, sheltered life in London behind and embarks on a journey to find out the truth. With only the entries in Mia's travel journal as her guide, Katie retraces the last few months of her sister's life and—page by page, country by country—begins to uncover the mystery surrounding her death. . . . Weaving together the exotic settings and suspenseful twists of Alex Garland's *The Beach* with a powerful tale of familial love in the spirit of Rosamund Lupton's *Sister*, *Swimming at Night* is a fast-paced, accomplished, and gripping debut novel of secrets, loss, and forgiveness.

This Plunkett Lake Press eBook is produced by arrangement with Viking, an imprint of Penguin Publishing Group, a division of Penguin Random House LLC. "Health is natural; sickness is unnatural; at least so it seems to man," is how Stefan Zweig begins his fascinating, often entertaining examinations of Franz Anton Mesmer, Mary Baker Eddy, and Sigmund Freud. "Bodily suffering is not assuaged by technical manipulation but through an act of faith." Mental Healers is dedicated to Albert Einstein, the scientist who had won the Nobel Prize for Physics in 1921. It first appeared in 1931 as *Die Heilung durch den Geist*, or *Healing Through the Spirit*, a title that anticipates our current interest in alternative medicine and the placebo effect. Zweig's first healer, Franz Anton Mesmer (1734-1815), was a German physician who introduced "animal magnetism" to the world. Viewed by many as a charlatan, he died an outcast before he could properly understand and explain his discovery. Zweig's second healer, Mary Baker Eddy (1821-1910), was a New England matron who found her vocation only in middle age. She established Christian Science, an American Protestant system of religious practice that rejects medical intervention, when she was almost 60. Zweig's third healer, Sigmund Freud (1856-1939), was the Viennese Jewish physician who founded psychoanalysis. Zweig, who knew Freud and delivered a eulogy at his funeral, describes Freud's then-new ideas with the insight of an artist who lived in the same time and place. Fluently written and psychologically astute, *Mental Healers* is compelling cultural history and a valuable window onto the genesis of new ideas in healing. "Mesmer, Eddy and Freud were critical figures alerting the modern world to the influences of the mental and emotional on health and illness. Their impact was tremendous and Zweig's classic study provides a wonderful opportunity to engage with these significant innovators." — Ted Kaptchuk, Professor of Medicine, Harvard Medical School, Director, Program in Placebo Studies & Therapeutic Encounter

"The satisfying conclusion to Gardam's Old Filth trilogy offers exquisite prose, wry humor, and keen insights into aging and death" (The New Yorker). While Old Filth introduced readers to Sir Edward Feathers, his dreadful childhood, and his decades-long marriage, *The Man in the Wooden Hat* was his wife Betty's story. Last Friends is Terence Veneering's turn. His beginnings were not those of the usual establishment grandee. Filth's hated rival in court and in love is the son of a Russian acrobat marooned in the English midlands and a local girl. He escapes the war and later emerges in the Far East as a man of panache and fame. The Bar treats his success with suspicion: Where did this handsome, brilliant Slav come from? This exquisite story of Veneering, Filth, and their circle tells a bittersweet tale of friendship and grace and of the disappointments and consolations of age. They are all, finally, each other's last friend as this magnificent series ends with the deep and abiding satisfaction that only great literature provides. "[Gardam's] prose sparkles with wit, compassion and humor. She keeps us entertained, and she keeps us guessing. Be thankful for her books. Be thankful for this trilogy, which is ultimately an elegy, created with deep affection." —The Washington Post "Restores us to an era rich in spectacle and bristling with insinuation and intrigue. Vivid, spacious, superbly witty, and refreshingly brisk . . . the story (and the author) will endure." —The Boston Globe "All three Gardam books are beautifully written but it's a pleasure to note that *Last Friends* is the most enjoyable, the funniest and the most touching." —National Post

A modern Australian classic from bestselling author Libby Hathorn, now celebrating its twenty-fifth anniversary. Lara feels completely alone after her mother's death. She moves to the bush to live with her father, but his new family make her feel like an intruder, and a bully makes school just as

unwelcoming. With the appearance of the mysterious dog Thunderwith, Lara begins to feel a connection to this harsh place. Will it ever feel like home - and will her stepmother and half-siblings ever feel like family? THUNDERWITH has won numerous awards, including the Children's Book Council Honour Book Award (1990), the American Library Association Best Book for Young Adults (1991) and was also adapted into the classic TV movie THE ECHO OF THUNDER, starring Judy Davis, who was nominated for an Emmy for her portrayal of Gladwyn. THUNDERWITH was directly inspired by Libby's family holidays in the Wallingat rainforest: 'One night there was a huge storm and when I looked out of the window, this big black dog ran across the clearing, a very proud and wonderful-looking animal. Afterwards, when I climbed back into the bunk where I had been sleeping, there seemed to be this chanting thing going on between the thunder and the rain on the roof, "Thunderwith, Thunderwith." By morning, I had a story.' 'A powerful novel about hope and the human spirit's ability to finally win through.' - COURIER MAIL, Brisbane 'Hathorn deftly injects a sense of wonderment into this intense, very real story. Readers cannot help but be swept up on the action and emotion.' - AMERICAN PUBLISHERS WEEKLY 'A believable plot featuring a shattering climax and a satisfyingly realistic resolution.' - HORN BOOK '... a powerful book with complex characters and a strong story.' - WEST AUSTRALIAN 'The parallels between the restorative powers of fantasy are juxtaposed against the cleansing, recuperative power of nature; the symbolic strength to be found in nature is as much to be observe in Libby Hathorn's imagery as is the concomitant power of the imagination.' - CHILDREN'S BOOK COUNCIL OF AUSTRALIA

Und wessen Hilfe er vertrauen kann ... cbj-Leserstimmen: Die Geschichte besteht aus genau der richtigen Mischung von Abenteuer, Liebe und Dokumentation. Also, kurz und knackig: Alles in einem, und die Mischung

stimmt! Quadratisch, praktisch, gut! Janina, 15 Wieder ein brillantes Werk von Herrn Schröder!!! Besser kann man eine Geschichte rund um die Reformation nicht erzählen, wenn man den Roman einerseits spannend machen möchte aber dem Leser gleichzeitig etwas über diese Zeit vermitteln will. Er schafft es wieder einmal mit sehr gut recherchiertem Hintergrundwissen die Geschichte so aufzupeppen, das man denkt, das alles sei wirklich so passiert. Durch seinen Schreibstil schafft es der Autor, dass man sich wirklich so fühlt, als würde man neben Sebastian stehen. Florian, 15 Als erstes hab ich natürlich gedacht: ein Buch das um das Christentum in Martin Luthers Zeiten spielt;

kann das spannend sein? Andauernd ist Gott im Spiel, auf jeder Seite wird seine Macht gepriesen... wenn man nicht religiös ist, nervt einen das nicht? Nach ein paar Seiten ließ ich meine Zweifel hinter mir. Denn egal, ob religiös oder nicht: die Schreibweise ist super, die Geschichte spannend und die Hauptfiguren wieder mal perfekt ausgewählt. Ein junger, mutiger Mann, der um sein Leben kämpft, und um seine Existenz. Dann der Junge "Lukas", der sich als Mädchen herausstellt; was natürlich total unerwartet ist und auch perfekt, denn eine Liebesgeschichte darf in so einem Buch nicht fehlen. Jasmine, 19
