Pop goddess? Then sip on a Material Girl. Rockabilly kid? You'll need a Cheesecake Rodriguez in between dances. Punk? A Zombie Ghost Train before the rebellion. After all, drinks are not just drinks, and tunes are not just tunes - both the music you listen to and the cocktails you indulge in are statements of intent. What you think determines what you drink. So, after hunting down original recipes from bartenders at leading Australian and New York bars, rock journalist Jane Rocca created the ultimate guide to finding the spirit for every soundtrack. From Indie to Rock and Noir to Soul, Country and even the cheesy strains of Karaoke, Cocktails and Rock Tales distills the personality of each music genre into the perfect accompanying cocktails.

The Classic Rock and Roll Reader

Routledge
The author found herself jetting on tour with the Rolling Stones when she was just 19. One-stop was

NYC, New York. It beckoned to her and so became her new home. One night she crossed the line with a spirit that stayed with her communicating for years. Her story became a best seller in both New Zealand, and Australia where she lived later. It was the reality of spirit Figures that prompted the book you're now holding, *Shake Rattle & Roll*. *Arts with the Brain in Mind* Bowperson Publishing Get ready for a colorfully entertaining Day of the Dead celebration! Graveyard skeletons shake, rattle, and roll as a Mexican family marks the annual Day of the Dead holiday. At dusk on the holiday known as Day of the Dead, a Mexican family has set out fiesta offerings in the graveyard in hopes that departed loved ones may return to visit. The playful skeletons rise from their graves to celebrate with gusto. All night long, they sing, dance, dine, tell stories, and play games. As morning approaches, they give thanks to the stars for their night of fun, tidy up after themselves, and leave no trace of their "clatter bash" behind as they return to their coffins until next year's Day of the Dead. Author-

illustrator Richard Keep's rollicking rhyme—sprinkled with Spanish words—captures the bone-rattling sounds and fun of the evening. An illustrated afterword gives information about the customs associated with el Día de los Muertos, a Mexican celebration of honoring relatives who have passed on.

A brief meeting An immediate attraction A weekend to remember. Christian Sucato wishes he'd never agreed to go on tour once he meets Bethany Dalton. But, he needs to go, and it's not for the music. There's someone he must find. Bethany Dalton has avoided men and complications through college but just as she nears graduation, Christian Sucato steps into her life and nothing is ever going to be the same. Their weekend together was mind-blowing and bone melting, but is it a fling or real? Will there be anything left when he returns? Two pregnancy tests. One positive result. His, not hers. And Christian is left wondering if he'll ever have the one thing he's always wanted. He's not even sure he'll live to

have the chance. Will Bethany remain? Is it fair to even ask?

Rigby Literacy Book Sales Inc

The birth of rock 'n roll ignited a firestorm of controversy--one critic called it "musical riots put to a switchblade beat"--but if it generated much sound and fury, what, if anything, did it signify? As Glenn Altschuler reveals in *All Shook Up*, the rise of rock 'n roll--and the outraged reception to it--in fact can tell us a lot about the values of the United States in the 1950s, a decade that saw a great struggle for the control of popular culture. Altschuler shows, in particular, how rock's "switchblade beat" opened up wide fissures in American society along the fault-lines of family, sexuality, and race. For instance, the birth of rock coincided with the Civil Rights movement and brought "race music" into many white homes for the first time. Elvis freely credited blacks with originating the music he sang and some of the great early rockers were African American, most notably, Little Richard and Chuck Berry. In addition, rock celebrated romance and sex, rattled the reticent by pushing

sexuality into the public arena, and mocked deferred gratification and the obsession with work of men in gray flannel suits. And it delighted in the separate world of the teenager and deepened the divide between the generations, helping teenagers differentiate themselves from others. Altschuler includes vivid biographical sketches of the great rock 'n rollers, including Elvis Presley, Fats Domino, Chuck Berry, Little Richard, Jerry Lee Lewis, and Buddy Holly--plus their white-bread doppelgangers such as Pat Boone. Rock 'n roll seemed to be everywhere during the decade, exhilarating, influential, and an outrage to those Americans intent on wishing away all forms of dissent and conflict. As vibrant as the music itself, *All Shook Up* reveals how rock 'n roll challenged and changed American culture and laid the foundation for the social upheaval of the sixties.

#1 NEW YORK TIMES BESTSELLER More than ONE MILLION copies sold A TODAY Show Read with Jenna Book Club Pick A New York Times Notable Book, and Chosen by Oprah Daily, Time, NPR, The Washington Post, Bill Gates and Barack Obama as a Best Book of the Year "Wise and wildly entertaining . . . permeated with light, wit, youth." —The New York Times Book Review "A classic that we will read for years to come." —Jenna Bush Hager, Read with Jenna book club "Fantastic. Set in 1954, Towles uses the story of two brothers to show that our personal journeys are never as linear or predictable as we might hope." —Bill Gates "A real joyride . . . elegantly constructed and compulsively readable." —NPR The bestselling author of *A Gentleman in Moscow* and *Rules of Civility* and master of absorbing, sophisticated fiction returns with a

stylish and propulsive novel set in 1950s America. In June, 1954, eighteen-year-old Emmett Watson is driven home to Nebraska by the warden of the juvenile work farm where he has just served fifteen months for involuntary manslaughter. His mother long gone, his father recently deceased, and the family farm foreclosed upon by the bank, Emmett's intention is to pick up his eight-year-old brother, Billy, and head to California where they can start their lives anew. But when the warden drives away, Emmett discovers that two friends from the work farm have hidden themselves in the trunk of the warden's car. Together, they have hatched an altogether different plan for Emmett's future, one that will take them all on a fateful journey in the opposite direction—to the City of New York. Spanning just ten days and told from multiple points of view, Towles's third novel will satisfy fans of his multi-layered literary styling while providing them an array of new and richly imagined settings, characters, and themes. "Once again, I was wowed by Towles's

writing—especially because The Lincoln Highway is so different from *A Gentleman in Moscow* in terms of setting, plot, and themes. Towles is not a one-trick pony. Like all the best storytellers, he has range. He takes inspiration from famous hero's journeys, including *The Iliad*, *The Odyssey*, *Hamlet*, *Huckleberry Finn*, and *Of Mice and Men*. He seems to be saying that our personal journeys are never as linear or predictable as an interstate highway. But, he suggests, when something (or someone) tries to steer us off course, it is possible to take the wheel." - Bill Gates

Shake, Rattle and Roll: Yugoslav Rock Music and the Poetics of Social Critique John Wiley & Sons

FOR HIS EIGHTH birthday, Mark Alan Stamaty's parents gave him his very own radio. Little did his mother realize that that innocent-looking plastic box would one day be the gateway for a new kind of sound that would "rock" her nearly out of her mind. . . . Mark first heard the howling thunder of Elvis Presley singing "Hound Dog" on the radio one lazy day and his life

was forever changed. Soon he was styling his hair like the King and practicing his dance moves with a tennis racket as his pretend guitar in front of the mirror. But his mother lived in constant fear that her son's new love of rock 'n' roll would turn him into a juvenile delinquent. Could Mark's performance at his Cub Scout talent show change her mind? *Rotten School #5: Shake, Rattle, and Hurl!* Andrews McMeel Publishing

Looks at the history and science of earthquakes in New Zealand. Suggested level: primary, intermediate.

Sew Modern Baby National Geographic Books

Book Love is a gift book of comics tailor-made for tea-sipping, spine-sniffing, book-hoarding bibliophiles. Debbie Tung's comics are humorous and instantly recognizable—making readers laugh while precisely conveying the thoughts and habits of book nerds. Book Love is the ideal gift to let a book lover know they're understood and appreciated.

Play a wide variety of songs from Green Day and R.E.M. to Van Morrison and Jimmy Buffett, plus your favorite traditional and holiday tunes, including "House of the Rising Sun,"

"Scarborough Fair,"

"Amazing Grace," and

"Silent Night."

Shake, Rattle & Turn That Noise Down!: How Elvis Shook Up Music, Me & Mom Timeless Romance, Inc.

Die Musikbranche verfügt über die einzigartige Fähigkeit, eine geradezu fanatische Treue bei ihren Anhängern zu erzeugen. Von den Rolling Stones, über Elton John und Madonna bis hin zu U2 - die "Altrockers" wissen ganz genau, wie sie ihre Fans glücklich machen, so dass diese ihr Geld in neue Platten und Konzertkarten etc. investieren. "Brands that Rock" entstand in Zusammenarbeit mit der Rock and Roll Hall of Fame, die zahlreiche Geschichten und auch Geheimnisse der Branchengrößen preisgibt. Das Buch vermittelt einen einzigartigen Einblick, wie man Markenbewusstsein, Kundentreue und Gewinne vergrößern kann, indem man sich der Strategien der international erfolgreichsten Marken bedient. Die Autoren beschreiben einen 13-Stufen Marketingplan für die Entwicklung einer tiefen Beziehung zum Kunden. Das Hauptziel besteht darin, Kunden in

treue Anhänger zu verwandeln, in Leute, die bereit sind, Zeit, Aufmerksamkeit, Energie, Gefühle und Geld in den Aufbau und die Aufrechterhaltung ihrer Beziehung zu einer Marke zu investieren. Mit einer Fülle von Anekdoten, Interviews mit Brancheninsidern und Beispielen zu Unternehmen, die diese Strategie äußerst erfolgreich angewandt haben, darunter die NFL, JetBlue, WalMart und Victoria's Secret. "Brands that Rock": Hier erfahren Sie, wie Sie Markenkönige erschaffen und Anhänger begeistern, und zwar immer aufs Neue. Eine ebenso aufschlussreiche wie unterhaltsame Lektüre, die sich insbesondere an Manager richtet, die mit klassischem Rock groß geworden sind.

iPod & iTunes For Dummies, Book + DVD Bundle Langdon Street Press

The Classic Rock and Roll Reader: Rock Music from Its Beginnings to the Mid-1970s is chock full of entertaining essays to inform and delight you about an era that shaped our culture and future musical trends. This unique book will surprise and enchant even the most zealous music buff with facts and information on the songs that reflected America's spirit and captured a nation's attention. The Classic Rock and Roll Reader is offbeat, somewhat irreverent, ironic, and anecdotal as it discusses hundreds of rock and non-rock compositions included in rock history era. The songs offer you information on: Rock's Not So Dull Predecessors (for example, "Bewitched, Bothered, and Bewildered" and "The Cry of the Wild Goose") The

Pioneering Rock Songs (such as "Rock Around the Clock" and "Shake, Rattle, and Roll") Older Style Songs Amidst the Rocks (for example, "I Could Have Danced All Night" and "Rocky Mountain High") The Megastars and Megagroups (such as "Blue Suede Shoes," "Respect," and "Surfin'USA") The Best Songs that Never Made No. 1 (for example, "I Feel Good" and "Tie a Yellow Ribbon Round the Ole Oak Tree") The Classic Rock and Roll Reader: Rock Music from Its Beginnings to the Mid-1970s also examines the music which preceded early rock, the music which followed early rock, and the numerous non-rock songs which flourished during the classic rock period. A wide spectrum of music is discussed in well over 100 essays on various songs. Musicians, librarians, and the general audience will be taken back to the birth of rock and roll and the various contributing influences. Analyzing each song's place in rock history and giving some background about the artists, The Classic Rock and Roll Reader offers even the most avid music enthusiast new and unique information in this thorough and interesting

guide.

Shake, Rattle & Roll: 1952-1955 Penguin

Come flock along as Henny-Penny and her barnyard pals take a side-splitting trip around the world in search of... King Kong? King Tut? Or is it Elvis? Along the way the gang breezes by many international landmarks such as the Egyptian pyramids and the Leaning Tower of Pisa. But when they meet up with that mean ball of fur Foxy-Loxy, their plans suddenly go a-fowl!

4-Chord Songs for the Absolute Beginner Hardie Grant

Why would anyone say "Let's stick wires into someone's brain, run voltage through it, and see what happens!?" So asks Jackie Hunt Christensen in "Life With a Battery-Operated Brain: A Patient's Guide to Deep Brain Stimulation Surgery for Parkinson's Disease." Author Christensen answers this question - and more - in her unique and comprehensive book, as she has first-hand knowledge of the procedure commonly referred to as DBS. She herself lived with Parkinson's disease for more than seven years before electing to be evaluated for DBS

surgery. It was not a fast and easy choice. For Christensen, a fear of DBS surgery - which involves placing one or two electrical wires inside the brain - and its potential complications had to be weighed against quality of life without the surgery, a life of increasing parkinsonian symptoms and a growing pharmacopeia of medications, which might help control her symptoms but which could have devastating

long-term effects on her body. Ultimately, she was deemed a good candidate for the surgery, and DBS seemed like her only logical option - a choice that has been validated post-surgery, as Christensen now enjoys life with most of her motor symptoms well controlled. Life with a Battery- Operated Brain John Wiley & Sons
Chipmunk is so shy... He inhales when he sneezes! He even blushes when

he's asleep! He plays guitar in the closet so he won't disturb anyone. But he just may be the best rock 'n' roll guitarist of all time! And Bernie Bridges needs him to win the annual Talent Contest for Rotten House. Bernie will do anything to keep the prize away from Sherman Oaks and his pals at Nyce House. Can Chipmunk conquer his stage fright and win? Or -- when Bernie pushes him onstage, will it be Shake, Rattle, and HURL?!
