 E. L. Shen's *The Comeback* is a heartfelt middle-grade debut about a young Chinese American girl trying to be a champ—in figure skating and in life. Twelve-year-old Maxine Chen is just trying to nail that perfect landing: on the ice, in middle school, and at home, where her parents worry that competitive skating is too much pressure for a budding tween. Maxine

isn't concerned, however—she's determined to glide to victory. But then a bully at school starts teasing Maxine for her Chinese heritage, leaving her stunned and speechless. And at the rink, she finds herself up against a stellar new skater named Hollie, whose grace and skill threaten to edge Maxine out of the competition. With everything she knows on uneven ice, will Maxine crash under the pressure? Or can she power her way to a comeback? Set in

Lake Placid, New York, this is a spunky yet stirring middle-grade story that examines racism, female rivalry and friendship, and the enduring and universal necessity of love and support.

In *Comeback Season*, Cathy Day, author of the highly praised novel *The*

Circus in Winter, tells the heartwarming story of how she got back in the game of love -- thanks to her favorite football team, the Indianapolis Colts. In 2005, Day, an Indiana native, moves to Pittsburgh to start her dream job. She's thirty-seven, a college professor, an acclaimed writer -- and still single. Psyching herself up, she thinks, "This is the year for the Colts and for me." Instead, both Day and quarterback Peyton Manning face heartbreaking end-of-

season losses: the man in her life decides to punt, and the Colts fall to the Pittsburgh Steelers, the eventual Super Bowl champs. Her blue heart broken, Day vows that if the Colts can come back in 2006 and try again, so can she. Inspired by Manning's legendary perfectionism, Day spends the off-season "in training." She gets in shape, imagining that she's Rocky Balboa running through the Philadelphia streets to the tune of "Gonna Fly Now." She quits smoking. She

reads dating primers. She watches *Sex and the City*. She takes notes. She asks everyone she knows, "Um, do you know any men my age who aren't married?" Come preseason, Day reluctantly joins an online dating service and goes on practice dates while the Colts play practice games. Indy goes 1-4 in the preseason, which is better than Day's record of 0-4. Lonely and dejected, Day returns home to watch Colts games with her family, who are full of well-

intentioned relationship advice -- much of it bad. The 2006 season finally arrives. Each week that fall, the Colts battle a new adversary and Day faces her enemies: her own romanticism, indecisive men, and her biggest foe, the singles industry. Friends and family deliver impassioned pep talks but can only watch anxiously from the sidelines as Day marches bravely into bars and coffee shops to meet perfect strangers. On the way to the Super Bowl, she discovers that the key to winning -- in both love

and football -- exists somewhere between Trying Everything and Letting Go. Honest, touching, and frequently hilarious, *Comeback Season* tells a timeless story about our need to feel connected to people and to places. This year-long chronicle of one woman's journey will resonate with anyone who's ever looked for love...fumbled...recovered ! and kept charging down the field.

Have you ever longed for a comeback? We all know what it feels like to have

life disappoint us and not work out as we'd hoped. We all know what it's like to long for something different, something better, something more. The Comeback celebrates new beginnings. It offers encouragement and perspective, and it's for you if you feel frustrated or confused, if you're sorrowing or in pain, if you've made mistakes or are grieving, if you're disappointed or feel as though life doesn't make sense. The good news is that God is in the business of giving fresh starts to

people. He gives hope to the hopeless. Direction to the directionless. Help to those who need help. God is always good, all the time, and God's plans will always prevail, even when our plans don't. God already knows what the solutions are. No matter what kind of disappointment or grief or pain or trouble or heartache you encounter, God always offers a new beginning, a change of heart, or a powerful spiritual turnaround. God offers the way forward, and his pathways are

always good. Your current circumstances will not get the final say in your life. God is the God of the comeback, no matter what kind of challenge you're facing. And your story can become a great comeback story too. [Beyond the Rice Fields](#) EduGorilla Community Pvt. Ltd. The first novel from Madagascar ever to be translated into English, Naivo's magisterial [Beyond the Rice Fields](#) delves into the upheavals of the nation's precolonial past through the twin

narratives of a slave and his master's daughter. Fara and her father's slave, Tsito, have shared a tender intimacy since her father bought the young boy who'd been ripped away from his family after their forest village was destroyed. Now in Sahaso, amongst the cattle and rice fields, everything is new for Tsito, and Fara at last has a companion to play with. But as Tsito looks forward toward the bright promise of freedom and Fara, backward to a twisted, long-denied family

history, a rift opens that a rapidly shifting political and social terrain can only widen. As love and innocence fall away, their world becomes defined by what tyranny and superstition both thrive upon: fear. With captivating lyricism and undeniable urgency, Naivo crafts an unsentimental interrogation of the brutal history of nineteenth-century Madagascar as a land newly exposed to the forces of Christianity and modernity, and preparing for a violent reaction

against them. Beyond the Rice Fields is a tour de force about the global history of human bondage and the competing narratives that keep us from recognizing ourselves and each other, our pasts and our destinies.

The uplifting, unlikely, and inspirational true story of the friendships formed between Cam Perron—a white, baseball-obsessed teenager from Boston—and hundreds of former professional Negro

League players, who were still awaiting the recognition and compensation that they deserved from Major League Baseball more than fifty years after their playing days were over. Featuring the players' fascinating stories and original photographs. Cam Perron always loved history, and from an early age, he had a knack for collecting. But when he was twelve and bought a set of Topps baseball cards featuring several players from the Negro Leagues, something

clicked. Cam started writing letters to former Negro League players in 2007, asking for their autographs and a few words about their careers. He got back much more than he expected. The players responded with detailed stories about their glory days on the field, and the racism they faced, including run-ins with the KKK. They explained how they were repeatedly kept out of the major leagues and confined to the historic but lower-paying Negro Leagues, even after Jackie

Robinson—who got his start in the Negro Leagues—broke the color barrier. By the time Cam finished middle school, letters had turned into phone calls, and he was spending hours a day talking with the players. In these conversations, many of the players revealed that their careers had been unrecognized over time, and they'd fallen out of touch with their former teammates. So Cam, along with a small group of fellow researchers, organized the first annual

Negro League Players Reunion in Birmingham, Alabama in 2010. At the celebratory, week-long event, fifteen-year-old Cam and the players—who were in their 70s, 80s, and 90s—finally met in person. They quickly became family. As Cam and the players returned to the reunion year after year, Cam became deeply involved in a complicated mission to help many players get pension money that they were owed from Major League Baseball. He also worked

to get a Negro League museum opened in Birmingham, and stock it with memorabilia. Sports fans—and anyone who enjoys a heartfelt story—will have their eyes opened by this book about unlikely friendships, the power of memories, and just how far a childhood interest can go.

Contributions by Kylie Cardell, Aaron Cometbus, Margaret Galvan, Sarah Hildebrand, Frederik Byrn Køhlert, Tahneer Oksman,

Seamus O'Malley, Annie Mok, Dan Nadel, Natalie Pendergast, Sarah Richardson, Jessica Stark, and James Yeh In a self-reflexive way, Julie Doucet's and Gabrielle Bell's comics, though often autobiographical, defy easy categorization. In this volume, editors Tahneer Oksman and Seamus O'Malley regard Doucet's and Bell's art as actively feminist, not only because they offer women's perspectives, but because they do so by provocatively bringing up the complicated,

multivalent frameworks of such engagements. While each artist has a unique perspective, style, and worldview, the essays in this book investigate their shared investments in formal innovation and experimentation, and in playing with questions of the autobiographical, the fantastic, and the spaces in between. Doucet is a Canadian underground cartoonist, known for her autobiographical works such as *Dirty Plotte* and *My New York Diary*. Meanwhile, Bell is a British American

cartoonist best known for her intensely introspective semiautobiographical comics and graphic memoirs, such as the *Lucky* series and *Cecil and Jordan in New York*. By pairing Doucet alongside Bell, the book recognizes the significance of female networks, and the social and cultural connections, associations, and conditions that shape every work of art. In addition to original essays, this volume republishes interviews with the artists. By

reading Doucet's and Bell's comics together in this volume housed in a series devoted to single-creator studies, the book

shows how, despite the importance of finding "a place inside yourself" to create, this space seems always for better or worse

a shared space culled from and subject to surrounding lives, experiences, and subjectivities.
