Reprint of the original, first published in 1872. The publishing house Anatiposi publishes historical books as reprints. Due to their age, these books may have missing pages or inferior quality. Our aim is to preserve these books and make them available to the public so that they do not get lost.

The History of British India Vikas Publishing House

U.S. History is designed to meet the scope and sequence requirements of most introductory courses. The text provides a balanced approach to U.S. history, considering the people, events, and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience). U.S. History covers key forces that form the American experience, with particular attention to issues of race, class, and gender.

India Since Independence Cambridge University Press
 The series, Awareness Social Sciences for classes VI, VII and VIII is based on the syllabus as specified by NCERT for the latest sessions. The syllabus has tried to link the academic curriculum with real life and, thus, dwelled on connecting the students' understanding with the real world around them. Accordingly, this book has incorporated real life examples, case studies, story lines and narratives which could be immensely helpful in assimilation and to inculcate interests among the students significantly.

UPSC NCERT GIST - 32 Books Summary Notes [Class 6-12, 32 books, 314 Chapters] for UPSC IAS and State PSC Exams Goyal Brothers Prakashan

History, Geography and Civics Education provides an in-depth and engaging introduction to teaching and learning socio-environmental education. It explores the centrality of socio-environmental issues to all aspects of life and education and makes explicit links between pedagogical theories and classroom activities. The book provides links to the Australian Curriculum.

Alberuni's India Penguin UK

NCERT Class 7 History Our Past I Summary Notes

Longman History & Civics Icse 8 by Mocktime Publication

A thorough and incisive introduction to contemporary India The story of the forging of India, the world's largest democracy, is a rich and inspiring one. This volume, a sequel to the best-selling *India's Struggle for Independence*, analyses the challenges India has faced and the successes it has achieved, in the light of its colonial legacy and century-long struggle for freedom. The book describes how the Constitution was framed, as also how the Nehruvian political and economic agenda and basics of foreign policy were evolved and developed. It dwells on the consolidation of the nation, examining contentious issues like party politics in the Centre and the states, the Punjab problem, and anti-caste politics and untouchability. This revised edition offers a scathing analysis of the growth of communalism in India and the use of state power in furthering its cause. It also documents the fall of the National Democratic Alliance in the 2004 General Elections, the United Progressive Alliance's subsequent rise to power and the Indo-US Nuclear Deal that served to unravel the political consensus at the centre. Apart from detailed analyses of Indian economic reforms since 1991 and wide-ranging land reforms and the Green Revolution, this new edition includes an overview of the Indian economy in the new millennium. These, along with objective assessments of Jawaharlal Nehru, Indira Gandhi, Jayaprakash Narayan, Lal Bahadur Shastri, Rajiv Gandhi, Vishwanath Pratap Singh, Atal Bihari Vajpayee and Manmohan Singh, constitute a remarkable overview of a nation on the move.

Amritanubhava Ratna Sagar

Through The Ages for classes 6 to 8 follows the latest syllabus guidelines of Council for the Indian School Certificate Examinations. With an attractive layout and interesting features and activities, the books have been designed to make studying history and civics enjoyable for the students.

NCERT Social Studies Practice Book 7 Frank Brothers

National history has once again become a battlefield. In internal political conflicts, which are fought on the terrain of popular culture, museums, schoolbooks, and memorial politics, it has taken on a newly important and contested role. Irrespective of national specifics, the narratives of new nationalism are quite similar everywhere. National history is said to stretch back many centuries, expressing the historical continuity of a homogeneous people and its timeless character. This people struggles for independence, guided by towering leaders and inspired by the sacrifice of martyrs. Unlike earlier forms of nationalism, the main enemies are no longer neighbouring states, but international and supranational institutions. To use national history as an integrative tool, new nationalists claim that the media and school history curricula should not contest or question the nation and its great historical deeds, as doubts threaten to weaken and dishonour the nation. This book offers a broad international overview of the rhetoric, contents, and contexts of the rise of these renewed national historical narratives, and of how professional historians have reacted to these phenomena. The contributions focus on a wide range of representative nations from around all over the globe.

Longman History & Civics ICSE 7 Cambridge University Press

A contemporary, thoroughly researched History & Civics series for class 6-8 based on the latest ICSE syllabus, this series provides an understanding of those aspects of the past that are crucial to understand the present global scenario.

Transitions History and Civics 7 by Mocktime Publication Transitions brings alive History and Civics for learners and transforms these subjects into an exciting journey. The books strictly follow the guidelines of the Inter State Board for Anglo-Indian Education and the ICSE Board. The series fosters a sense of history in young learners by reconstructing the past and introduces young minds to people and events from the past. It also makes students feel responsible towards their surroundings and fellow beings.

U.S. History S. Chand Publishing

Translated and annotated by orientalist Edward Sachau (1845-1930), this 1887-8 two-volume work is the account by Muslim polymath and traveller Alberuni (973-1048) of Indian political and social life in the medieval period. Sachau published the manuscript in Arabic in 1885-6, at the same time working on an English translation. Alberuni, born in Chorasmia, south of the Aral Sea, was one of the leading scholars of his day. He accompanied the Afghan ruler Mahmud on his invasion of India in the early eleventh century, and remained there for thirteen years, making a detailed study of Indian life and culture, and in particular studying the Hindu religion. Alberuni claims that his work is not polemical in nature, but a simple historical record of facts, and he commends the learning of the Hindus in philosophy, mathematics and astronomy. Volume 1 discusses Hindu beliefs, the caste system and the calendar.

NCERT Class 7 History Our Past I Summary Notes Canongate Books

Composite Mathematics is a series of books for Pre Primer to Class 8 which conforms to the latest CBSE curriculum. The main aim of writing this series is to help the children understand difficult mathematical concepts in a simple manner in easy language.

Focus on History & Civics for Class 7 Cambridge University Press

These books can be used with any English Reader and serve as workbooks or grammar practice books. The exercises are varied and well-graded. They are structured in such a way that the children progress from easy exercises to slightly more complex tasks. They consist of crosswords, wordsearches, word ladders, picture-based drills and other interesting activities. The Composition section includes descriptive and picture compositions.
