 THE NEW YORK TIMES AND SUNDAY TIMES
 BESTSELLER Hi! I'm Seth! I was asked to describe my book, Yearbook, for the inside cover flap (which is a gross phrase) and for websites like this one, so... here it goes!!! Yearbook is a collection of true stories that I desperately hope are just funny at worst, and life-changingly amazing at best. (I understand that it's likely the former, which is a fancy "book" way of saying "the first one.") I talk about my grandparents, doing stand-up comedy as a teenager, bar mitzvahs and Jewish summer camp, and tell way more stories about doing drugs than my mother would like. I also talk about some of my adventures in Los Angeles, and surely say things about other famous people that will create a wildly awkward

conversation for me at a party one day. I hope you enjoy the book should you buy it, and if you don't enjoy it, I'm sorry. If you ever see me on the street and explain the situation, I'll do my best to make it up to you.

Delacorte Press Books for Young Readers
 Instead of a traditional written diary, Julia Kaye has always turned to art as a means of self-reflection. So when she began her gender transition in 2016, she decided to use her popular webcomic, *Up and Out*, to process her journey and help others with similar struggles realize they weren't alone. Julia's poignant, relatable comics honestly depict her personal ups and downs while dealing

with the various issues involved in transitioning—from struggling with self-acceptance and challenging societal expectations, to moments of self-love and joy. *Super Late Bloomer* both educates and inspires, as Julia faces her difficulties head-on and commits to being wholly, authentically who she was always meant to be. [The Complete Wimmen's Comix](#) IDW Publishing
 In the late '60s, underground comix changed the way comics readers saw the medium — but there was an important pronoun missing from the revolution. In 1972, ten women cartoonists got together in San Francisco to rectify the situation and produce the first and longest-lasting all-woman comics anthology, *Wimmen's Comix*. Within two years the *Wimmen's Comix* Collective had introduced cartoonists like Roberta Gregory and Melinda Gebbie to the comics-reading public, and would go on to publish some of the most talented women cartoonists in America — Carol Tyler, Mary Fleener, Dori Seda, Phoebe Gloeckner, and many others. In its twenty year

run, the women of *Wimmen's* tackled subjects the guys wouldn't touch with a ten-foot pole: abortion, menstruation, masturbation, castration, lesbians, witches, murderesses, and feminists. Most issues of *Wimmen's Comix* have been long out of print, so it's about time these pioneering cartoonists' work received their due. *Comics Values Annual, 1998* Candlewick Press

A Sunstone crossover event! Dan and Cathy are on a trip to New York and decide to visit the BDSM club featured in the Sunstone books by Stjepan Sejic. Hijinks ensue as some familiar characters from Sunstone meet our Swinging duo! And, oh yeah, Cathy is pregnant!

Komacoon House of Collectibles

Whether it's "Flashback Friday" or "Throwback Thursday," audiences are hungry for nostalgic film and television, and the streaming giant Netflix serves up shows from the past that satisfy this craving, in addition to producing original contemporary content with nostalgic flavor. As a part of the series "Reboots, Remakes and Adaptations" originated

by series editors Dr. Carlen Lavigne and Dr. Paul Booth, this edited volume focuses exclusively on the intersection between the Netflix platform and the current nostalgia trend in popular culture. As both a creator and distributor of media texts, Netflix takes great advantage of a wide variety of audience nostalgic responses, banking on attracting audiences who seek out nostalgic content that takes them back in time, as well as new audiences who discover "old" and reimagined content. The book aims to interrogate the complex and contradictory notions of nostalgia through the contemporary lens of Netflix, examining angles such as the Netflix business model, the impact of streaming platforms such as Netflix on the consumption of nostalgia, the ideological nature of nostalgic representation in Netflix series, and the various ways that Netflix content incorporates nostalgic content and viewer responses. Many of the contributed chapters analyze current, ongoing Netflix series, providing very timely and original analysis by established and emerging scholars in

a variety of disciplines. What can we learn about our selves, our times, our cultures, in response to an examination of "Netflix and Nostalgia"?

Comics Values Annual 2008 Hachette UK

New York Times and USA Today bestselling author

Alyssa Cole's second Runaway Royals novel is a queer Anastasia retelling, featuring a long-lost princess who finds love with the female investigator tasked with tracking her down. Makeda Hicks has lost her job and her girlfriend in one fell swoop. The last thing she's in the mood for is to rehash the story of her grandmother's infamous summer fling with a runaway prince from Ibarania, or the investigator from the World Federation of Monarchies tasked with searching for Ibarania's missing heir. Yet when Beznaria Chetchevaliere crashes into her life, the sleek and sexy investigator exudes exactly the kind of chaos that organized and efficient Makeda finds irresistible, even if Bez is determined to drag her into a world of royal duty Makeda wants nothing to do with. When a threat to her grandmother's livelihood pushes Makeda to agree to return to Ibarania, Bez takes her on a transatlantic adventure with a crew of lovable weirdos, a fake marriage, and one-bed hijinks on the high seas. When they finally make it to Ibarania, they realize there's more at stake than just cash

and crown, and Makeda must learn what it means to fight for what she desires and not what she feels bound to by duty. *Lady Killer 2 #1* Krause Publications
The most comprehensive personal essay collection by sex workers available, demanding change in a world where bodies, sex, and difference are increasingly policed and politicized. Wynonna Earp Legends: Doc Holliday #2 HarperCollins
A graphic novel memoir depicting the author's teenage experiences at summer camp where she fell in love with an older girl. How to Find a Princess IDW Publishing
From the daughter of comedy legend Harold Ramis (and featuring a Foreword by Seth Rogen) comes a hilarious and heartwarming account of his life, work, and legacy. Most of us know Harold Ramis as the writer, director, and actor who brought warmth and humor to the big screen in classics like *Animal House*, *Caddyshack*, *Ghostbusters*, *National Lampoon's Vacation*, and *Groundhog Day*. To his daughter, Violet, he was best known as an amazing father, confidant, and

friend. In *Ghostbuster's Daughter*, Violet reflects on the life and legacy of her father, providing readers with an extraordinarily candid and insightful look into the man who helped shape modern American comedy. Funny, endearing, and vulnerable, *Ghostbuster's Daughter* takes readers into the private life of the American comedy icon, from his humble roots in Chicago and ascension into Hollywood stardom to his personal philosophies on life, love, and filmmaking. While the book offers a comprehensive history of her father's career, *Ghostbuster's Daughter* also provides a profound homage to their special father-daughter relationship. Violet weaves anecdotes about her father's unique and devoted parenting style among stories of her own unconventional upbringing, creating a vivid and dynamic portrait of the man behind the movies. A distinctly offbeat memoir as well as a charming family story for the ages, *Ghostbuster's Daughter* is an intimate look at one of America's preeminent comedy filmmakers. Stay Sexy & Don't Get
