“Hilarious, heartwarming and unique, the Starcrossed series is highly recommended.” –USA TODAY The one guy she can’t have is the one she can’t forget. Liam Quinn is one of the biggest movie stars in the world...and the only man Elissa Holt has ever truly loved. After being out of her life for six years, he and his gorgeous fiancé are set to star in the new Broadway show Elissa is stage managing. The only trouble is, when late night rehearsals bring Elissa and Liam together, the line between what is and what could have been gets blurred. Now one moment of weakness is about to create a scandal that will echo around the world. Elissa knows that falling for Liam again would be a tragedy in the making, but as any good romantic knows, love doesn’t always follow the script. “With the perfect balance of humor, steam, angst and impossible to put down, Leisa Rayven is a gifted storyteller, and Wicked Heart is truly exceptional.” –NATASHA IS A BOOK JUNKIE

*The Corrupter of Boys* Little, Brown

I have loved Channing Monroe all my life. In first grade, he asked for my Trapper Keeper. I hit him in the head with it. Third grade, we were best friends. We kissed in seventh grade. Eighth grade, he turned into a bad boy and the rest was a tumultuous storm. Growing up, the problem was never

love for us. Bad times. Good times. There were times when I felt our love in every inch of my body, vibrating, making me feel like it could bring me back to life. The problem was us. The problem is that we're from two different worlds now. Fallen Crest and its millionaires for me. Roussou and their criminals for him. I was thriving in mine and he was running his. But... But there were nights I felt we couldn't be further apart than we were, and there were nights I felt we shared the same heartbeat. When was it time? When was it time to either sacrifice, make a change, or walk away from the boy I grew up with?

Meet Ken Rijock, decorated Vietnam veteran, high flying lawyer, and one of the world's biggest money launderers. In 1980s Miami, he was the middle man between the Colombians and the domestic cartels flooding America's streets with cocaine. 'The Laundry Man' is the story of an ordinary man caught up in an extraordinary life.

Agent Storm St. Martin's Griffin

"A freak accident in rural Wyoming leads the Sheriff's Department to arrest a man for a possible double homicide, but further investigations suggest a much more horrifying discovery -- a serial killer who has been kidnapping, torturing and mutilating victims all over the United States for at least twenty-five years. The suspect claims he is a pawn in a huge labyrinth of lies and deception -- can he be believed?"--

As for many of Dickens' novels, highlighting social injustices is at the heart of Little Dorrit. His father was imprisoned for debt, and Dickens' shines a spotlight on the fate of many who are unable to repay a debt when the ability to seek work is denied. Amy Dorrit is the youngest daughter of a man imprisoned for debt and is working as a seamstress for Mrs Clennam when Arthur Clennam crosses her path. Will the sweet natured Amy win Arthur's heart? And will they ever escape the shadow of debtors' prison?

*Tracker's End* Simon and Schuster

The true story of a jihadi convert seeking redemption in “a rollicking read and a rare insider’s account of Western spying in the age of al Qaeda” (The New York Times Book Review). Standing over six feet tall with flaming red hair, Morten Storm was an unlikely jihadi. But after a troubled youth in his native Denmark, Storm found peace and purpose in his conversion to Islam. His absolute devotion only grew after he attended a militant madrasa in Yemen, named his son Osama, and became close friends with American-born terrorist cleric Anwar al-Awlaki. Then, after a decade of jihadi life, he not only rejected extremism—he began a quest for atonement, becoming a double agent for the CIA as well as British and Danish intelligence agencies. Agent Storm takes readers inside the fanatical jihadist mindset and into the shadows of the world’s most powerful spy agencies in an action-packed account that “reads like a screenplay for a James Bond movie written by Joel and Ethan Coen” (The Washington Post).

Reaper's Legacy is a raw and intensely erotic tale in Joanna Wylde's Reapers Motorcycle Club series. Eight years ago, Sophie gave her heart-and her virginity-to Zach Barrett on a night that couldn't have been less romantic or more embarrassing. Zach's step-brother, a steely-muscled, tattooed biker named Ruger, caught them in the act, getting a peep show of Sophie he's never forgotten. She may have lost her dignity that fateful night, but Sophie also gained something precious-her son Noah. Unfortunately, Zach's a deadbeat dad, leaving Ruger to be Noah's only male role model. When he discovers Sophie and his nephew living in near poverty, Ruger takes matters into his own hands-with the help of the Reapers Motorcycle Club-to give them a better life. Living with outlaw bikers wasn't Sophie's plan for her son, but Ruger isn't giving her a choice. He'll be there for Noah, whether she wants him or not. But Sophie does want him, has always wanted him. Now she'll learn that taking a biker to bed can get a girl dirty in every way . . .

The Reapers Motorcycle Club series is a fresh and gritty romance series from Joanna Wylde, which fans of Fifty Shades and Sons of Anarchy will lust after. Reaper's Legacy is followed by Devil's Game. Praise for Reaper's Legacy: 'Mixes a super-hot bad guy, a struggling young single mother, and sex that blisters the imagination, resulting in a thrill ride as raw as it is well written' Publishers Weekly Joanna Wylde is a freelance writer who lives in Coeur d'Alene, Idaho.

God Owes Us Nothing reflects on the centuries-long debate in Christianity: how do we reconcile the existence of evil in the world with the goodness of an omnipotent God, and how does God's omnipotence relate to people's responsibility for their own salvation or damnation. Leszek Kolakowski approaches this paradox as both an exercise in theology and in revisionist Christian history based on philosophical analysis. Kolakowski's unorthodox interpretation of the history of modern Christianity provokes renewed discussion about the historical, intellectual, and cultural omnipotence of neo-Augustinianism. "Several books a year wrestle with that hoary conundrum, but few so dazzlingly as the Polish philosopher's latest."—Carlin Romano, Washington Post Book World "Kolakowski's fascinating book and its debatable thesis raise intriguing historical and theological questions well worth pursuing."—Stephen J. Duffy, Theological Studies "Kolakowski's elegant meditation is a masterpiece of cultural and religious criticism."—Henry Carrigan, Cleveland Plain Dealer

Written by the bestselling author of The Ice Man, The Butcher is a gripping and disturbing fly-on-the-wall account of the US Drug Enforcement Administration's four-year hunt to bring down Tommy 'Karate' Pitera, a drug-dealing, murderous capo in the Bonanno crime family. In 1992, Pitera was sentenced to life in prison for murdering six people and supporting a massive drug-dealing operation. Yet this covered only a fraction of the crimes he committed. Pitera is thought to have murdered more than 60 people, cutting many of his victims into pieces before burying them on Staten Island. Exhaustively researched and written with the cooperation of the DEA agents who hunted Pitera down, The Butcher will send shivers down the

spine of the most hardened reader.

The Edgar Award-winning author of the Peter Duluth series delivers a taut mystery of a mild-mannered man out to prove himself innocent of murder. Patrick Quentin, best known for the Peter Duluth puzzle mysteries, also penned outstanding detective novels from the 1930s through the 1960s under other pseudonyms, including Q. Patrick and Jonathan Stagge. Anthony Boucher wrote: “Quentin is particularly noted for the enviable polish and grace which make him one of the leading American fabricants of the murderous comedy of manners; but this surface smoothness conceals intricate and meticulous plot construction as faultless as that of Agatha Christie.” Andrew Jordan might be called an everyman—if it meant that every man drifts through life in a perpetual haze of boredom, a completely bland creature married to a woman who neither appreciates nor loves him. Even the series of anonymous messages warning him of his wife’s infidelity spark nothing in him except a belief that whatever is wrong must be his fault. Then his wife is murdered, and the meek Andrew is a prime suspect. With no one to turn to, Andrew begins his own investigation, discovering there were more than a few people who had it in for his wife. The more he learns, the more he realizes someone is setting him up for a big fall. And if he doesn’t stand up, man up, and prove his innocence, they are going to succeed.

In this #1 New York Times bestseller, Nora Roberts delves into the world of elite firefighters who thrive on danger and adrenaline—men and women who wouldn’t know how to live life if it wasn’t on the edge. Little else in life is as dangerous as fire jumping. But there’s also little else as thrilling—at least to Rowan Tripp. Being a Missoula smoke jumper is in Rowan’s blood: her father is a legend in the field. At this point, returning to the wilds of Montana for the season feels like coming home—even with reminders of the partner she lost last season still lingering in the air. One of the best of this year’s rookie crop, Gulliver Curry is a walking contradiction, a hotshot firefighter with a big vocabulary and a winter job at a kids’ arcade. And though Rowan, as a rule, doesn’t hook up with other smoke jumpers, Gull is convinced he can change her mind... But everything is thrown off balance when a dark presence lashes out against Rowan, looking to blame someone for last year’s tragedy. Rowan knows she can’t complicate things with Gull—any distractions in the air or on the ground could be lethal. But if she doesn’t find someone she can lean on when the heat gets intense, her life may go down in flames.

You won't believe what happens inside Indonesia's most notorious jail! FROM THE ACCLAIMED AUTHOR OF TRUE CRIME BESTSELLERS SNOWING IN BALI AND OPERATION PLAYBOY: Kathryn Bonella. Welcome to Hotel Kerobokan, the ironic nickname for Kerobokan Jail, Bali's most notorious prison, which has been home to a procession of the infamous and tragic, true criminals you will have heard of: the Bali Bombers, Gold Coast beautician Schapelle Corby and the Bali Nine, among many others. Backed up by hundreds of true life prisoner interviews, the truth about Hotel Kerobokan explodes off the page. In these filthy and disease-ridden cells, a United Nations of prisoners live crushed together in misery. Criminal gangs, petty thieves and small-time drug users share cells with killers and rapists. Hardened drug traffickers sleep alongside unlucky tourists, who've seen their holiday turn from paradise to hell over one ecstasy tablet. Hotel Kerobokan reveals the true life wild 'sex nights' organised by corrupt guards for prisoners who have the money to pay, the rampant drug use, the suicides and killings, and days out at the beach. It exposes the jail's role in supplying high-grade drugs to the outside, the criminal gang that rules the jail through terror, the corruption that means anything is for sale, and the squalor and misery endured by prisoners. From the internationally bestselling author of Snowing in Bali and Operation Playboy and co-author of Schapelle Corby's autobiography, this is the shocking, true life inside story of Bali's most notorious jail. In the fourth century, clerics began to distinguish themselves from members of the laity by virtue of their augmented claims to holiness. Because clerical celibacy was key to this distinction, religious authorities of all stripes—patristic authors, popes, theologians, canonists, monastic founders, and commentators—became progressively sensitive to sexual scandals that involved the clergy and developed sophisticated tactics for concealing or dispelling embarrassing lapses. According to Dyan Elliott, the fear of scandal dictated certain lines of action and inaction, the consequences of which are painfully apparent today. In *The Corrupter of Boys*, she demonstrates how, in conjunction with the requirement of clerical celibacy, scandal-averse policies at every conceivable level of the ecclesiastical hierarchy have enabled the widespread sexual abuse of boys and male adolescents within the Church. Elliott examines more than a millennium's worth of doctrine and practice to uncover the origins of a culture of secrecy and concealment of sin. She charts the continuities and changes, from late antiquity into the high Middle Ages, in the use of boys as sexual objects before focusing on four specific milieus in which boys and adolescents would have been especially at risk in the high and later Middle Ages: the monastery, the choir, the schools, and the episcopal court. *The Corrupter of Boys* is a work of stunning breadth and discomfoting resonance, as Elliott concludes that the same clerical prerogatives and privileges that were formulated in late antiquity and the medieval era—and the same strategies to cover up the abuses they enable—remain very much in place.
