## LEXI CROSS

**Adab and Modernity** Roman Books  
 This book is an accessible, comprehensive, and nuanced history of Pakistan. It reflects upon state and society in Pakistan and shows they have been shaped by historical forces and personae. Hoodbhoy expertly maps the journey of the region from many millennia ago to the circumstances and impulses that gave birth to the very first state in history founded upon religious identity. He documents colonial rule, the trauma of Partition, the nation's wars with India, the formation of Bangladesh, and the emergence of Baloch nationalism. The book also examines longstanding complex themes and issues – such as religious

fundamentalism, identity formation, democracy, and military rule – as well as their impact on the future of the state of Pakistan. Drawing on a range of sources and written by one of the foremost intellectuals of the region, this book will be indispensable for scholars, researchers, students of history, politics, and South Asian studies. It will be of great interest to the general reader interested in understanding Pakistan.

The nature of Muslim knowledge concerning the West through travel accounts makes for fascinating reading. The eighteenth-century encounters of Munshi Ihtisamuddin and Mirza Abu Taleb Khan, embedded in their travelogues,

however, seem very distant and less urgent. With Syed Ahmed, however, begins an entirely new phase with his interplay between Muslims and the West, on the one hand, and between Islam and Christianity, on the other. Even though his portrait of England is sometimes facile, his account of his travels opens the door to new questions, particularly because this was the period when the relations between Europeans and Indians were at the centre of many debates.

Consequently, passages in the Musafirani-Landan introducing 'Europe' and 'England' are historically important enough to merit attention, since they are not used merely as fulsome descriptions of Western society's advances, but also contain the germ of the justification for an Anglo-Muslim rapprochement. This makes the Musafirani-Landan an important source

for the construction of the history of an era. Its English translation, the first ever to be undertaken in full, makes it accessible to those who have no knowledge of Urdu. Although several accounts of 'India and West' are available, *A Voyage to Modernism* is of special significance. Set apart from his later endeavours like the *Tahzibul Akhlaq* and *Asar-al Sanadid*, it is the Syed's impressions caught in *A Voyage to Modernism* that mattered to all those who knew anything about his standing in public life and his stature as an enlightened reformer in the last quarter of the nineteenth century. This eminently readable translation is enriched by editorial interventions by translators and editors of the work, and supported by rare archival photographs

"A collection of essays that probe the experience of modernity in South Asia through narratives of specific issues and/or contexts, pushing the argument that South Asia's experience of modernity has to be understood in connection with a global experience and not in isolation. The essays also critically engage with various concepts that inform debates on modernity."--BOOK JACKET.

One of the greatest scholars and geniuses produced by Muslim Spain - indeed, the whole Islamic world - was Imam Ibn Hazm (May Allah have mercy upon him). He has huge and diverse literary works that makes him a Polymath. He was Faqeeh (jurist), Muhaddith (Hadith scholar), Mufassir (exegete of Quran), Adeb (litterateur), theologian, thinker, psychologist, poet, historian, philosopher, politician and debator. He authored around 400 works in the cities of Islamic Spain like Cordoba, Jativa, Almeria, Majorca, Valencia, Seville and Niebla. A reader of his books will come to realize the

smartness of Ibn Hazm and will be impressed by his intellectual voracity, deep knowledge in various sciences, razor-sharp critical analysis, eloquent language and originality of his research. In his outstanding work, "Ibn Hazm Khilafat Aam", Abu Abdul Rahman bin Aqeel al-Zahiri listed the works, including published books and manuscripts, from the 5th century A.H. till 1400 A.H. - a span of a thousand years - which discuss Imam Ibn Hazm. In this book, I have written concisely about his life, ideas, contributions and I have addressed few issues which were wrongly ascribed to him.

This book offers a historical perspective on the changing Hindu-Muslim relationship in India through a study of syncretic traditions in Kurundwad, Maharashtra. It explores the social and cultural dynamics between the two communities and analyses underlying issues of caste hierarchy, Hindu hegemony, and social dominance. The volume focusses on how the realization of cultural distinctiveness, politics of identity, and the struggle for dominance have played a role in shaping Hindu-Muslim relations in Maharashtra. Through field interviews conducted over three years, the authors contextualise and analyse the nature of cultural hybridity in Kurundwad and how the relationship has changed over the years. The book also focusses on notions of tolerance and inequality, and provides insights into the reasons for the growing distinctiveness in cultural and religious identity in Kurundwad since the 1990s, in the aftermath of the demolition of the Babri Masjid and the Shah Banu verdict. The book provides a comprehensive framework for understanding the relationship between Hindus and Muslims in India. It will be of great interest to researchers and students of sociology, politics, modern history, cultural studies,

minority studies, and South Asian studies. [UGC NET History Solved Previous Year Papers | 25+ Papers | 2012 Onwards | On Page Solutions](#) Notion Press
