Albert Benjamin Simpson  
was God's man. From  
inauspicious beginnings in  
Bayview, Prince Edward  
Island, Canada, he rose to  
prominence through

Presbyterian pastorages  
in Hamilton, Ontario,  
Louisville, Kentucky, and  
New York City. But God  
had other plans for  
Simpson. He resigned  
from his comfortable  
pulpit to launch a ministry  
aimed at reaching the  
world's lost multitudes.  
Wingspread is Simpson's  
story—a story of one of  
God's chosen leaders,  
written by another man of

God, A. W. Tozer. It will  
captivate and challenge  
you, inspiring you to rise  
up and attempt  
something great for God.

Is our Christianity that of the New Testament? "God and men and their relation to each other—this I believe to be all that really matters in the world, and that is what I have written about here." —A. W. Tozer Like

a physician running a biopsy on lifeless faith, here A. W. Tozer offers one of the most compelling critiques of feigned spirituality you may ever read. In *Of God and Men*, Tozer exposes false religious notions and lifts up true New-Testament Christianity. A loving and gentle critique of culture and even the church, it reveals lies we unknowingly believe, godless practices we unknowingly do, and treasures of Christ we unknowingly ignore. A manifesto of true religion,

Of God and Men will set your foot on the narrow path and lift your heart in soaring worship.

It would seem that every culture on earth has a propensity towards controlling and authoritarian leadership – at its very core, the human condition has a desire for control and self-determination. In this book, Julyan Lidstone uses his decades of experience in western and central Asia and, most importantly, the

authoritative teaching of the Bible, to shed light on issues of authoritarian leadership in honour-shame cultures. Gifted young leaders are gathering new believers in Jesus all over the world but the prevailing culture of domineering leadership is the single greatest obstacle to the healthy growth and firm establishment of these new churches. Lidstone winsomely and accurately applies the servant leadership modelled by Jesus Christ and the Apostle Paul, as revealed

by Scripture, as the cross-centred antidote to the pain, damage and disillusionment caused by leadership that does not reflect the Christlikeness of the kingdom of God.

of the time? - is there a dark and light side To The cross? - Should we expect more from God? - How can we see through the fog of the contemporary scene? - is there a secret to moving leadership from overwork to overflow? Read the challenging answers to these questions and be inspired to learn what it means to carry the cross of Christ and be blessed.

### **The Making of a Leader**

The Holy Spirit in

Leadership: A Case for

Spiritual Leaders This

book aims to promote the

Holy Spirit's role in church

leaders. Spiritual

leadership is the opposite of secular leadership. They may share some things in common, but they are not the same, nor are they equal in the church. Spiritual leadership is biblical, holy, and it is mandated upon the words and the works of Jesus Christ. Jesus taught his leadership style by example to his disciples. The first-century disciples absolutely modeled the words and works of Jesus Christ. One of the biggest problems today in the church is secular leadership.

Secular leadership is the root cause of inaction and declination of the church which promotes selfishness. Spiritual leadership promotes selflessness. This book's answer is the church's answer for spiritual leadership in the church over secular leadership. The church's solution to secular leadership is Christ's spiritual leadership implemented and lived by the first-century disciples. This book seeks to elevate spiritual leadership in the church through the Great

Commandment, the Great Commission, and biblical conflict resolutions. This kind of leadership is indispensable to spiritual leadership in the church. The teachings of our Lord and Savior, Jesus Christ, in the first-century apostles' doctrines are the guidelines that identify spiritual leadership. Leadership as an Identity

### **The Christian Book of Mystical Verse**

InterVarsity Press  
 What makes a leader a Christian leader? Too many churches and parachurch groups operate under secular leadership principles and strategies without considering what Scripture teaches. In this accessible and comprehensive book, leadership expert Aubrey Malphurs articulates a working definition of Christian leadership based on the Bible and his own extensive research.

Malphurs begins by defining a uniquely Christian leader from the inside out, from godly character and commitment to pure motives and a servant attitude. He examines the leaders of the first-century church and then discusses qualities such as credibility, capability, and influence that are essential for successful leadership. Each chapter contains helpful questions for reflection and discussion. The appendix includes numerous audits to help readers evaluate

themselves on various leadership components. Being Leaders is the first book of a two-part series on leadership. The companion book will address the how-to of building leaders.

This is a documentary on leadership from the Bible and how the Patriarchs depended on God for direction and guidance. It is an example for both Christian and secular leaders. The material in this book is brought to

you from a personal viewpoint; hopefully it will inspire those of you who read it to step out into the ranks of Leadership with renewed hope and ambitions. There is nothing, as satisfying as being a servant and helper to all who recognize the position of Leadership and finding real pleasure in supplying the wants and needs of their leader. Without healthy competition the leader and the organization will fail. This is what makes our free enterprise system work.

We should know who we are and be the best we can and do the best we can at what we do. But we should not be so prideful that others don't count. The leader should be able to appoint leaders from the group he leads. In Leadership one of the best ways to practice Christ likeness is to start each day with this question. Who can I serve today? Remember Jesus in His leadership of the twelve Apostles, He showed humility. And that made Him a good leader. Remember a leader

should always be respected to get the job done. One important thing we must remember we should not get to the point where we feel we are indispensable. Our most important commodity is time.

Lessons in Leadership

Moody Publishers

"If a leader is a Christian, what difference does it make?" Giant strides have been made in secular leadership theory toward a Christian viewpoint. Priority is now given to character as well as competence,

accountability as well as power, transformation as well as transaction, and servanthood as well as success. But these qualities apply to secular as well as to Christian leadership. So, the question remains, "What difference does it make?" David McKenna finds the answer in the Incarnation of Jesus Christ--a divine act for him and a defining attitude for us. Philippians 2:11-15 sets the standard and gives the details. "Your attitude should be the same as Jesus Christ" means following his call to

the cross, where we die to self and sacrifice all self-interest in position, power, and prestige in order to serve obediently, faithfully, and humbly for the good of others and the glory of God. Christ-centered leadership is not an extension of the highest and best of human leadership. Radical obedience to the call of Christ and utter dependence upon the Holy Spirit make a substantive difference. In the most practical terms, Incarnation continues in us when we live fully, lead

freely, and go where he wants us to go.

What every church will always need The need for talented, vigorous leaders in the church cannot be overemphasized. Such times demand active service of men and women who are guided by and devoted to Jesus Christ. With more than 1 million copies sold, *Spiritual Leadership* stands as a proven classic for developing such

leadership. J. Oswald Sanders, a Christian leader for nearly seventy years and author of more than forty books, presents the key principles of leadership in both the temporal and spiritual realms. He illustrates his points with examples from Scripture and biographies of eminent men of God, such as Moses, Nehemiah, the apostle Paul, David Livingstone, Charles Spurgeon, and others. Featured topics include: The cost of leadership The responsibility of leadership Tests of

leadership The qualities and criteria of leadership The art of reproducing leaders The one indispensable requirement of leadership Sanders holds that even natural leadership qualities are God-given, and their true effectiveness can only be reached when they are used to the glory of God. Let this classic be your guide for leadership, and watch how God works through you to do great things for His glory.

'I fear we shall never see another Tozer. Men like him are not college-bred but Spirit-taught.' Leonard Ravenhill, 20th century British evangelist. Pastor A. W. Tozer, author of the Christian classics *The Pursuit of God* and *The Knowledge of the Holy*, was a complex, intensely private, deeply spiritual man, and a gifted preacher whose impact for the kingdom of God is immeasurable. In this thoughtful biography, bestselling author Lyle Dorsett traces Tozer's life from his humble

beginnings as a Pennsylvania farm boy to his heyday as a Chicago pastor- when hundreds of college students would travel to his South Side church to hear him preach and thousands more heard his Sunday broadcasts on WMBI- to his final pastorate in Toronto. From his conversion as a teen to his death in 1963, Tozer remained true to one passion: to know the Father and make Him known, no matter what the cost. The price he paid was loneliness,

censure from other, more secular-minded ministers of the times, and even a degree of estrangement from his family. Read the life story of a flawed but gifted saint, whose works are still impacting the world today.

*The Seven Laws of Christian Leadership* Wipf and Stock Publishers  
This book brings the best of leadership theory and research together with biblical reflection and examples of leadership in action to offer a practical guide to Christian leaders. Combining expertise in

leadership studies and biblical studies, Justin Irving and Mark Strauss explore how leadership models have moved from autocratic and paternalistic leader-centered models toward an increased focus on followers. The authors show how contemporary theories such as transformational leadership, authentic leadership, and servant leadership take an important step toward prioritizing and empowering followers who work with leaders to

accomplish organizational goals. Irving and Strauss organize their book around "nine empowering practices," making it accessible to students, church leaders, and business leaders. Integrating solid research in leadership studies with biblical and theological reflection on the leadership ideas that are most compatible with Christian faith, this book is an important resource for all Christian students of leadership. Discipleship Baker Books Evangelicals stand divided

in their view of women in the church. On one side stand complementarians, arguing the full worth of women but assigning them to differing roles. On the other side stand egalitarians, arguing that the full worth of women demands their equal treatment and access to leadership roles. Is there a way to mend the breach and build consensus? Sarah Sumner thinks there is. Avoiding the pitfalls of both radical feminism and reactionary conservatism, she traces a new path through the

issues--biblical, theological, psychological and practical--to establish and affirm common ground. Arguing that men and women are both equal and distinct, Sumner encourages us to find ways to honor and benefit from the leadership gifts of both. *Men and Women in the Church* is a book for all who want a fresh and hope-filled look at a persistent problem. [Men and Women in the Church](#) Langham Publishing  
New leaders have

tremendous potential to be the next generation of church leaders, but for many, biblical character development was not a foundational part of growing up. Pastor Philip J. Rasmussen, vice president of church relations and spiritual formation at Northwest University, draws on his experience working closely with pastors and students to outline the problems to developing the next generation of church leaders—as well as solutions. He knows how concerned church leaders

are with finding qualified ministerial replacements, but he also knows most students have not been prepared to live a life in ministry. If they don't get the guidance they need, a shortage of qualified individuals looms on the horizon. *Lead Strong* starts with the premise that a person must fully embrace the Fruit of Spirit as the vital elements for character development. When the Fruit of Spirit is present in a believer's life, essential leadership qualities will naturally flow as the leader influences

people. This book can be used for ministry training sessions, small group studies, or one's individual devotional development. Its purpose is to reveal the role of the Holy Spirit in the life of the believer and to clearly describe the fruit that His presence should bear in one's character.

**The Burden** Moody Publishers

After examining the lives of hundreds of historical, biblical, and contemporary leaders, Dr. J. Robert Clinton gained perspective on how

leaders develop over a lifetime. By studying the six distinct stages he identifies, you will learn to: Recognize and respond to God's providential shaping in your life Determine where you are in the leadership development process Identify others with leadership characteristics Direct the development of future leaders This revised and updated edition includes several new appendixes and expanded endnotes, as well as an application section at the end of each

chapter.

Tozer on Christian Leadership WestBow Press

Spiritual lethargy is one of the greatest dangers to confront a believer in his or her day-to-day walk with God. A. W. Tozer said, "There are only three directions from which danger comes to the Christian life. They are the world through which we journey, the god of this world and our own mortified flesh." In this never-before-published book, the renowned teacher issues a clarion

call for all Christians to awaken to the times in which we live and stand boldly against spiritual and moral slumber. Tozer's focus is on those few believers who will heed the call to arouse themselves rise up in the face of the great temptation to malaise that is before us, believing that God always begins with one or two who hear and heed His voice, and refuse to become weary in their pursuit of Him.
