ANNA SOLIS

The Cambridge Companion to Greek Mythology

Cambridge
University Press
This text analyzes the
legal, social and
literary impact of
lesbian scandal on
early twentieth-century
British and Anglo-
American culture.

The Cambridge
Companion to John
Cage

ReadHowYouWant.com
The Cambridge
Companion to Lesbian
Literature examines
literary representations
of lesbian sexuality,
identities, and
communities, from the
medieval period to the
present. In so doing, it
delivers insight into the
variety of traditions

that have shaped the
present landscape of
lesbian literature.

The Cambridge Companion to American Gay and Lesbian Literature

Cambridge University
Press

Feminism has
dramatically influenced
the way literary texts
are read, taught and
evaluated. Feminist
literary theory has
deliberately
transgressed
traditional boundaries
between literature,
philosophy and the
social sciences in order
to understand how
gender has been
constructed and
represented through
language. This lively
and thought-provoking
Companion presents a
range of approaches to
the field. Some of the
essays demonstrate
feminist critical

principles at work in analysing texts, while others take a step back to trace the development of a particular feminist literary method. The essays draw on a range of primary material from the medieval period to postmodernism and from several countries, disciplines and genres. Each essay suggests further reading to explore this field further. This is the most accessible guide available both for students of literature new to this developing field, and for students of gender studies and readers interested in the interactions of feminism, literary criticism and literature.

Gay and Lesbian Issues
Cambridge University Press
Written by an

international team of experts, this comprehensive volume investigates modern-day family relationships, partnering, and parenting set against a backdrop of rapid social, economic, cultural, and technological change. Covers a broad range of topics, including social inequality, parenting practices, children's work, changing patterns of citizenship, multi-cultural families, and changes in welfare state protection for families. Includes many European, North American and Asian examples written by a team of experts from across five continents. Features coverage of previously neglected groups, including immigrant and

transnational families
as well as families of
gays and lesbians
Demonstrates how
studying social change
in families is
fundamental for
understanding the
transformations in
individual and social
life across the globe
Extensively reworked
from the original
Companion published
over a decade ago:
three-quarters of the
material is completely
new, and the
remainder has been
comprehensively
updated
*The Gay & Lesbian
Atlas* Cambridge
University Press
The History of the Nun
The Fair Vow-breaker
by Aphra Behn Behn's
remarkable work in
which she analyzes the
retribution of breaking
the vows, particularly
the religious vows

undertaken by nuns.
The tale, claimed to be
true, focuses on a nun
who was lured by the
charms of the world
into forsaking the
nunnery. Fate comes
down hard upon her as
she has to face the
troubles and threats
posed by the outside
world as well. We are
delighted to publish
this classic book as
part of our extensive
Classic Library
collection. Many of the
books in our collection
have been out of print
for decades, and
therefore have not
been accessible to the
general public. The aim
of our publishing
program is to facilitate
rapid access to this
vast reservoir of
literature, and our view
is that this is a
significant literary
work, which deserves
to be brought back into

print after many decades. The contents of the vast majority of titles in the Classic Library have been scanned from the original works. To ensure a high quality product, each title has been meticulously hand curated by our staff. Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work. We hope that you will enjoy this wonderful classic work, and that for you it becomes an enriching experience.

Women's Barracks

Cambridge University Press

Most of us think babies, kittens, and puppies are adorable, but why? What makes something cute?

The Cambridge

Companion to Lacan

Cambridge University Press

This exciting and engaging textbook introduces students to the psychology of lesbian, gay, bisexual, trans and queer lives and experiences. It covers a broad range of topics including diversity, prejudice, health, relationships, parenting and lifespan experiences from youth to old age. The book includes 'key researcher' boxes, which outline the contributions of significant individuals and their motivations for conducting their research in their own words. Key issues and debates are discussed throughout the book, and questions for discussion and classroom exercises help students reflect

critically and apply their learning. There are extensive links to further resources and information, as well as 'gaps and absences' sections, indicating major limitations of research in a particular area. This is the essential textbook for anyone studying LGBTQ psychology, psychology of sexuality or related courses. It is also a useful supplement to courses on gender and developmental psychology.

The Cambridge Companion to Gay and Lesbian Writing

Cambridge University Press

When it was first published in 1988, Pat Califia's *Macho Sluts*, a collection of S/M stories set in San Francisco's dyke bathhouses, sex

parties, and S/M gay bars, shocked the lesbian community and caused an upheaval in the field of queer publishin...

The Cambridge Companion to

Sappho Cambridge University Press

The tapping of typewriters first lifted the secrecy around homosexuality, and a vibrant array of voices was soon heard. The publishers of gay magazines and newspapers were a diverse and lively lot. Some wanted to publicise where the best parties were held; some to fight the political battle; and others to show new ways for lesbians and gay men to live their lives. The story of these magazines and newspapers is the story of society's

changing attitudes, and indeed, the changing gay world. This book traces the evolution of Australia's gay and lesbian publications from smudgy porn sold in brown paper bags to glossy coffee-table magazines proudly on display; from gestetnered newsletters to an industry publishing millions of newspapers each year - that is, until the Internet changed it all.

Growing Up in a Lesbian Family

Bloomsbury Publishing
In the last two decades, lesbian and gay studies have transformed literary studies. The Cambridge Companion to Gay and Lesbian Writing introduces readers to important concepts, methods and

cultural and historical debates relevant to the study of sexuality and literature.

Pink Ink Cambridge University Press
City of Friends offers a practical, intelligent, and well-informed overview of what it means to be gay or lesbian. The authors seek to help gay men and women, as well as their families and friends, to better understand the institutions and communities that make up the most culturally and ethnically diverse minority in America today. Beginning with basic concepts, LeVay and Nonas define the words "homosexual," "gay," "lesbian," and "bisexual" and discuss the various patterns of homosexuality in different cultures

around the world. They relate the history of the gay and lesbian community in the United States, and its struggle for equal rights and social acceptance, before tackling the question -- still highly controversial -- of what determines an individual's sexual orientation. City of Friends describes the great diversity within the gay and lesbian community: Life in the "gay ghetto." Old lesbians in rural hideaways. Gay resorts. A "town without men." Gay and lesbian Latinos, African-Americans, Asian-Americans, and Native Americans -- what it means to be a minority within a minority. Lesbian and gay youth, the elderly, the deaf. Bisexuals and

transsexuals. Academics, drag queens, technoqueers, publishers, softball players -- all make their appearance in these pages. LeVay and Nonas continue with a discussion of health issues (especially of the AIDS epidemic and the community's response to it), the law, and gay and lesbian politics. They describe the cultural achievements of lesbians and gay men - - their art, literature, theater, music, and dance. Finally they take a look at the spiritual life of gays and lesbians, both within and outside of organized religion.

The Cambridge Companion to American Gay and Lesbian Literature
Cambridge University Press

The diverse countries of Latin America have produced a lively and ever evolving tradition of novels, many of which are read in translation all over the world. This Companion offers a broad overview of the novel's history and analyses in depth several representative works by, for example, Gabriel García Márquez, Machado de Assis, Isabel Allende and Mario Vargas Llosa. The essays collected here offer several entryways into the understanding and appreciation of the Latin American novel in Spanish-speaking America and Brazil. The volume conveys a real sense of the heterogeneity of Latin American literature, highlighting regions whose cultural and geopolitical

particularities are often overlooked.

Indispensable to students of Latin American or Hispanic studies and those interested in comparative literature and the development of the novel as genre, the Companion features a comprehensive bibliography and chronology and concludes with an essay about the success of Latin American novels in translation.

The Cambridge Companion to the Spanish Novel
Cambridge University Press

This Companion examines the connections between LGBTQ populations and American literature from the late eighteenth to twenty-

first centuries. It surveys primary and secondary writings under the evolving category of gay and lesbian authorship, and incorporates current thinking in US-based LGBTQ studies as well as critical practices within the field of American literary studies. This Companion also addresses the ways in which queerness pervades persons, texts, bodies, and reading, while paying attention to the transnational component of such literatures. In so doing, it details the chief genres, conventional historical backgrounds, and influential interpretive practices that support the analysis of LGBTQ literatures in the United States.

The Cambridge Companion to American Poets
Cambridge University Press
The Cambridge Companion to the Spanish Novel presents the development of the modern Spanish novel from 1600 to the present. Drawing on the combined legacies of Don Quijote and the traditions of the picaresque novel, these essays focus on the question of invention and experiment, on what constitutes the singular features of evolving fictional forms. It examines how the novel articulates the relationships between history and fiction, high and popular culture, art and ideology, and gender and society. Contributors highlight the role played by

historical events and cultural contexts in the elaboration of the Spanish novel, which often takes a self-conscious stance toward literary tradition. Topics covered include the regional novel, women writers, and film and literature. This companionable survey, which includes a chronology and guide to further reading, conveys a vivid sense of the innovative techniques of the Spanish novel and of the debates surrounding it.

Summer Sisters John Wiley & Sons
 Publisher Description

 Independent Publishing Platform
 #1 NEW YORK TIMES BESTSELLER • READ

WITH JENNA BOOK CLUB PICK AS FEATURED ON TODAY •
 “Summer Sisters is a book to return to again and again.”—Colleen Hoover “As warm as a summer breeze blowing through your hair, as nostalgic as James Taylor singing ‘How Sweet It Is.’ You remember. So does Judy Blume. How sweet it was.”—Chicago Tribune
 In the summer of 1977, Victoria Leonard’s world changes forever when Caitlin Somers chooses her as a friend. Dazzling, reckless Caitlin welcomes Vix into the heart of her sprawling, eccentric family, opening doors to a world of unimaginable privilege, sweeping her away to vacations on Martha’s Vineyard, an enchanting place

where the two friends become “summer sisters.” Now, years later, Vix is working in New York City. Caitlin is getting married on the Vineyard. And the early magic of their long, complicated friendship has faded. But Caitlin begs Vix to come to her wedding, to be her maid of honor. And Vix knows that she will go—because she wants to understand what happened during that last shattering summer. And, after all these years, she needs to know why her best friend—her summer sister—still has the power to break her heart.

Safe Is Not Enough

Harvard Education
Press

Since the turn of the century, Performance Studies has emerged

as an increasingly vibrant discipline. Its concerns - embodiment, ethical research and social change - are held in common with many other fields, however a unique combination of methods and applications is used in exploration of the discipline. Bridging live art practices - theatre, performance art and dance - with technological media, and social sciences with humanities, it is truly hybrid and experimental in its techniques. This Companion brings together specially commissioned essays from leading scholars who reflect on their own experiences in Performance Studies and the possibilities this offers to representations of

identity, self-and-other, and communities.

Theories which have been absorbed into the field are applied to compelling topics in current academic, artistic and community settings. The collection is designed to reflect the diversity of outlooks and provide a guide for students as well as scholars seeking a perspective on research trends.

The Cambridge Companion to James Joyce

John Wiley & Sons

The Cambridge History of Gay and Lesbian Literature presents a global history of the field and is an unprecedented summation of critical knowledge on gay and lesbian literature that also addresses the impact of gay and lesbian literature on

cognate fields such as comparative literature and postcolonial studies. Covering subjects from Sappho and the Greeks to queer modernism, diasporic literatures, and responses to the AIDS crisis, this volume is grounded in current scholarship. It presents new critical approaches to gay and lesbian literature that will serve the needs of students and specialists alike.

Written by leading scholars in the field, The Cambridge History of Gay and Lesbian Literature will not only engage readers in contemporary debates but also serve as a definitive reference for gay and lesbian literature for years to come.

City of Friends Delta
"Writing anything

definitive about the queer American novel will always be unsatisfying, if not impossible. Unsatisfying, because the romances they contain are uncertain and, quite often, doomed: heartbreak, violence, and persecution pepper nearly every page. Impossible, because the genre's terrain is as vast and uncertain as America itself: the spaces, the characters, plots, ideas, and dynamics - too varied. The minute you say one thing, you could say another. And perhaps that might be the point. As one character from Djuna Barnes's lesbian novel *Nightwood* puts it, "With an American anything can be done."¹ We could say the same about the

queer American novel. If there is anything consistently connecting this genre, it is that it features, however obliquely, the effects characters (usually American, but not always) have as they seek reasons for why they have sexual feelings for those that are not obvious or traditional object choices. Frequently, these effects instruct characters in their pursuit of self-knowledge and self-understanding, especially if others have pathologized their desires (and America has and does pathologize its queers). In her autobiographical graphic memoir *Fun Home*, Alison Bechdel tells a story of a variety of discoveries that books, explicitly queer or not, can inspire.

During the same afternoon when she acknowledges that she is a "lesbian," she also finds herself asking a professor to let her take his course on James Joyce's *Ulysses* - her father's favorite book. As we move from the captions and the meticulous, stylized drawings, canonical books acquire an increasingly important role: books become guides to how Bechdel will affect "a convergence" with her "abstracted father.""
Gay and Lesbian Literary Heritage
 Cambridge University Press
 "Post-World War II mass migration to Great Britain altered its demographic composition more markedly than in any other period in its history, resulting in a

modern multicultural nation state shaped by the ethnic diversity of its citizenry. Populations from African, Caribbean, and South Asian locations arriving in Britain post-war brought diasporic sensibilities and literary heritages that have profoundly transformed British national culture, leading to a more complex and inclusive sense of its past. The *Companion to British Black and Asian Literature (1945-2010)* examines the creative impact of this rich infusion upon English literature against the backdrop of the seismic social and economic changes triggered by colonialism and migration, multiculturalism, and contemporary

globalization"--
