AVAILABLE DIGITALLY FOR THE FIRST TIME Undercover and on the hunt for a dangerous gang, Roman DeWinter checks into Charity Ford's inn with just the clothes on his back and a loaded .38 revolver. It's just another assignment for Roman - simple, uncomplicated. But the federal agent has never know the comfort and warmth of home - and he soon finds himself under the spell of Charity, his beautiful and intriguing innkeeper. The only problem is, Roman has come looking for a criminal mastermind, and Charity is his key suspect. Now he has to decide if he should trust his heart or his head... Includes a preview of The Witness

Furman. 2000.

Welcome, Holy Spirit Simon and Schuster

Years after the end of Apartheid South Africa remains racially polarized and socially divided. In this context pilgrimage and travelling rituals serve to help those who often find themselves at the bottom end of the social ladder to make sense of their world. This book describes a South Africa that is made up of a number of different fragmented worlds. The focus is on the Zion Christian Church, one of the largest religious movements in southern Africa, and a good example of indigenized African Christianity. Pilgrimage plays an important role in reintegrating some of those fragmented worlds into something approaching wholeness. This book tells the story of how the enduring ritual of pilgrimage is transforming African religion, along with the lives of ordinary South Africans.

African Pilgrimage Penguin

She no longer knows who she is or what she wants. He blames himself for her pain. Is their love strong enough to survive their greatest hurt? Christy has built her entire life around the dream of

being a mother and raising a family with the love of her life. After years of infertility, doctors, treatments and heartbreaking disappointments, that dream seems further away than ever.

Without her dream of motherhood, Christy no longer knows know who she is or what she wants. Mark loves his wife unconditionally but can't bear knowing that he failed to give her the family she so desperately wants. At the very time when they should be coming together, their pain is pulling them apart. Is this challenge more than their marriage can withstand? Or will they be able to see past their individual hurts and come together again to have their own second chance at love—together?

*The Welcoming* SUNY Press

With gorgeous multimedia paintings-and-collages by acclaimed artist Mary GrandPre, James Preller's All Welcome Here promises to be an evergreen gift picture book for children about to take the big leap into their first days of school. The bus door swishes Open, an invitation. Someone is not sure . . . The first day of school and all its excitement, challenges, and yes, anxieties, are celebrated here in connected haiku poems. A diverse cast of characters all start—and finish—their

first days of school, and have experiences that all children will relate to.

When Luke O'Neil isn't angry, he's asleep. When he's awake, he gives vent to some of the most heartfelt, political and anger-fueled prose to power its way to the public sphere since Hunter S. Thompson smashed a typewriter's keys. Welcome to Hell World is an unexpurgated selection of Luke O'Neil's finest rants, near-poetic rhapsodies, and investigatory journalism. Racism, sexism, immigration, unemployment, Marcus Aurelius, opioid addiction, Iraq: all are processed through the O'Neil grinder. He details failings in his own life and in those he observes around him: and the result is a book that is at once intensely confessional and an energetic, unforgettable condemnation of American mores. Welcome to Hell World is, in the author's words, a "fever dream nightmare of reporting and personal essays from one of the lowest periods in our country in recent memory." It is also a burning example of some of the best writing you're likely to read anywhere.

Even when circumstances feel wildly out of your control, you can make the decision each day to say yes to who God says you are in Him. This 52-week devotional from bestselling author Rebekah Lyons offers practical advice and spiritual wisdom to help you find renewed freedom in your daily rhythms as you intentionally focus on what God has for you in every moment of life. Rebekah found new freedom in discovering that yes in her own life as she and her husband made a cross-country move and adopted a child with Down syndrome. Along the way, she realized that when we say yes in even the small, ordinary moments of life, we experience renewed spiritual vitality for every aspect of God's calling. In *A Surrendered Yes*, Rebekah draws on biblical truths and her personal story to inspire you to: Say yes to God, yourself, and others Find freedom from the approval of others Use your time and energy to live a life of intention Practice Sabbath to maintain your emotional, physical, and spiritual health Release control to find God's presence in play and laughter Experience the truth that God is enough Each entry in this year-long devotional includes: A Bible verse A thoughtful devotion from Rebekah A journal prompt to help you apply that week's theme in your daily life *A Surrendered Yes* features a beautiful cover design and includes a ribbon marker, making it an encouraging gift for a family member, friend, or yourself. Discover the delight of living from a place of freedom in your daily routines and lifelong dreams. Live with joy instead of regret. Freedom instead of fear. Rest instead of striving. Say yes. Wake up and reclaim your one wild and precious life. New York Times best-selling author Sarah Wilson shows you how in this radical spiritual guidebook, the book we need NOW! From the New York Times bestselling author of *First, We Make the Beast Beautiful* 'A brilliantly raw book that reveals the truth of what really matters' - Fearne Cotton broadcaster, presenter, and author of *Bigger Than Us: The Power of Finding Meaning in a Messy World* 'I've encountered no other book that articulates with so much passion or clarity the unique feeling of this moment in history. This *One Wild and Precious Life* is the ideal guidebook for our long overdue journey back to nature, to each other, and to sanity in the deepest sense of the word' Oliver Burkeman journalist and author of *Four Thousand Weeks: Time Management for Mortals* We live in truly overwhelming times. The climate crisis, the pandemic, AI advances, conspiracy theories, political polarisation...and the rest...have left many of us in a state of 'spiritual PTSD', feeling disconnected from one another, from our values, from our joy. In this radical spiritual guidebook, New York Times best-selling author Sarah Wilson puts on her backpack and spends three years hiking around the world - in Jordan, Cornwall, the Lake District, the Australian Outback, Japan the Sierra Nevada and beyond - to find a path through it all. She follows in the footsteps of Nietzsche, Wordsworth and other favourite poets and thinkers, venturing deeper into nature, going to 'spiritual edges' and meeting monks, lovers and renegades along the way. And she emerges with a blueprint for living a wilder, more connected life, and one that must just save our precious life on this planet.

[Extraordinary Hospitality \(for Ordinary People\)](#) OUP Oxford

Queerness and Christianity, often depicted as mutually exclusive, both challenge received notions of the good and the natural. Nowhere is this challenge more visible than in the identities, faiths, and communities that queer Christians have long been creating. As Christians they have staked a claim for a Christianity that is true to their self-understandings. How do queer-identified persons understand their religious lives? And in what ways do the lived experiences of queer Christians respond to traditions and reshape them in contemporary practice? Queer Christianities integrates the perspectives of queer theory, religious studies, and Christian theology into a lively conversation—both transgressive and traditional—about the fundamental questions surrounding the lives of queer Christians. The volume contributes to the emerging scholarly discussion on queer religious experiences as lived both within communities of Christian confession, as well as outside of these established communities. Organized around traditional Christian states of life—celibacy, matrimony, and what is here provocatively conceptualized as promiscuity—this work reflects the ways in which queer Christians continually reconstruct and multiply the forms these states of life take. Queer Christianities challenges received ideas about sexuality and religion, yet remains true to Christian self-understandings that are open to further enquiry and to further queerness.

[Essentials of Research Methods in Education](#) Temple Lodge Publishing

How to offer Christian hospitality without becoming exhausted and overburdened. Generous hospitality is a significant way in which God works through our lives to bring life to others, yet many of us feel ill-equipped and overwhelmed at the prospect, especially if we don't have big houses and we are not wonderful cooks! Carolyn Lacey encourages us to focus on the goal of hospitality, which is to reflect God's welcoming heart, and shows us how we can all do that, regardless of our bank balance or living situation. She explores seven ways in which we can reflect God's character in the way we welcome others into our homes and into our lives, and so point people ultimately to Christ. This practical and realistic book explores how to make generous hospitality part of everyday life without becoming exhausted and overburdened.

[The Everything Wedding Checklist Book](#) InterVarsity Press

A comprehensive undergraduate textbook on research methods in education combining a broad overview of principles and practice with practical guidance to support your own educational research projects.

[Perplexity and Ultimacy](#) B&H Publishing Group

Physicians who choose to serve in public-sector mental healthcare settings and physicians-in-training assigned to public-sector mental health clinics may not be fully prepared for the many roles of the public and community psychiatrist. *Public and Community Psychiatry* is a concise guide for the resident and early-career psychiatrist called upon to serve in the roles of public-sector clinician, team member, advocate, administrator, and academician. Each chapter includes a concise description of these various roles and responsibilities and offers engaging examples of the public psychiatrist at work, as well as case-based problems typical of those faced by the public psychiatrist. Each chapter also features works of art and literature, usually from the public domain, in order to incorporate the core strengths of medical humanities into the dialogue of public-sector mental healthcare. This book aims to provide a level of support to psychiatrists that fosters their desire, individually and collectively, to serve the poor and the marginalized with grit and determination, and to broadly consider their potential to improve not only their patients' well-being, but also these patients' incorporation into their respective communities.

[The Complete Cursed Key Trilogy](#) Ashgate Publishing, Ltd.

Ways to Welcomes is a sweet, timely picture book from writer Linda Ashman and illustrator Joey Chou about kindness and connection, ideal for schools and classrooms. A welcome can be warm Or cold, Shy and quiet, Big and bold. An offering, A smiling face, That lights an unfamiliar place. There's lots of ways to show we care and welcome friends from everywhere! When everyone knows they're welcome, the world is a better place—and you might just make a new friend. This sweet, timeless picture book about small acts of kindness in a big world is one that kids and parents are sure to reach for again and again.

[Public and Community Psychiatry](#) Hachette UK

Using one of the most famous works in classical music—Beethoven's Fifth Symphony—here is the perfect way to introduce a young child to the world of classical music. This charming and interactive picture book with its panel of 19 sound buttons is like a ticket to a concert hall, taking readers on a journey from the exciting first moment when the musicians begin tuning up to the end of the first movement (attention newcomers: don't clap yet!). At each step of the way, readers learn the basics of classical music and the orchestra: What is a conductor? What is a symphony? Who was Beethoven? The different aspects of music: melody, harmony, tempo, theme. And the families of instruments—strings, woodwinds, brass, and percussion. But the best part is that every critical idea is illustrated in gorgeous sound. The sound panel allows readers to hear the different parts of the symphony and voices of the music—the famous beginning of the Fifth, what a clarinet sounds like, the difference between a violin and a viola, what a melody is, and what harmony is. Kids will want to match their voices to the A note that tunes the orchestra, dance to the rhythmic passages—and, of course, sing along to da-da-da-daah!

Winner of four Tastemaker Awards America's favorite food consultant who brought variety, taste, and style to the classic crockpot Don't miss out on one of the most popular cookbooks of all time! Now Mable Hoffman presents an all-new crockpot cookbook that builds on the success of her previous bestseller—and provides the perfect solution for our fast-paced, health-conscious times. Here are 150 all-new recipes that utilize the slow-cooking method of the classic crockpot to create low-fat, low-calorie, high-flavor meals the whole family will love. It's the ideal solution for the modern cook who's concerned about maintaining a healthy diet while managing a busy schedule. From appetizers to entrees to luscious desserts, these scrumptious new recipes are: Easy: Dishes that can be made days in advance or hours ahead of time using easy-to-find ingredients. Delicious: "Simmered in" flavor in every delectable bite. Healthy: Chock full of nutritious ingredients to ensure a balanced meal for you and your family. And every recipe includes a comprehensive nutritional analysis!

[When We Were Us](#) Evershade Publishing

What kind of book is the Bible? Is it a rulebook or a guidebook for moral living? Is it a history book or a book filled with fascinating (and sometimes fantastic) stories? Did humans write the Bible or did God somehow speak a perfect message that the authors transcribed? Many people have asked these questions about the nature of this beautiful, odd, comforting, disturbing book the church calls its "Holy Scripture." Charlotte Vaughan Coyle shares her own journey to make sense of the Bible in this read-through-the-Bible-in-a-year project. She discovered that the crucial work of asking hard questions and even arguing with the Bible revealed the Scriptures to be a symphony of polyphonic voices, a work of art that paints an alternative vision of reality, a complex novel-like story unavoidably embedded in its own culture and time, and yet able to give witness to the God beyond history who has acted (and continues to act) within history. With the heart of a pastor and the passion of a preacher, Rev. Coyle invites seekers and students (both church and un-church) to strap on their scuba gear and join her for a deeper dive beneath the surface of this immense, colorful, mysterious world of the Bible.

[Living in The Story](#) Ten Speed Press

This volume contains nine chapters of translation, by a range of leading scholars, focusing on core themes in the philosophy of Zhu Xi (1130-1200), one of the most influential Chinese thinkers of the later Confucian tradition. It includes an Introduction to Zhu's life and thought, a chronology of important events in his life, and a list of key terms of art. Zhu Xi's philosophy offers the most systematic and comprehensive expression of the Confucian tradition; he sought to explain and show the connections between the classics, relate them to a range of contemporary philosophical issues concerning the metaphysical underpinnings of the tradition, and defend Confucianism against competing traditions such as Daoism and Buddhism. He elevated the Four Books-i.e. the *Analects*, *Mengzi*, *Great Learning*, and *Doctrine of the Mean*-to a new and preeminent position within the Confucian canon and his edition and interpretation of these four texts was adopted as the basis for the Imperial Examination System, which served as the pathway to officialdom and success in traditional Chinese society. Zhu Xi's interpretation remained the orthodox tradition until the collapse of the Qing dynasty (1644-1911) and exerted a profound and enduring influence on how Confucianism was understood in Korea, Japan, and Vietnam.
