JIMMY LAYLAH

Anthem For Doomed Youth

Taylor & Francis
Pig is a brilliant gem of a short story from Roald Dahl, the master of the sting in the tail. In Pig, Roald Dahl, one of the world's favourite authors, tells a sinister story about the darker side of human nature. Here, a boy who

grows into an accomplished cook goes in search of a final, elusive recipe . . . Pig is taken from the short story collection Kiss Kiss, which includes ten other devious and shocking stories, featuring the wife who pawns the mink coat from her lover with unexpected results; the priceless piece of furniture that is the subject of a deceitful bargain; a wronged woman taking revenge on

her dead husband, and others. 'Unnerving bedtime stories, subtle, proficient, hair-raising and done to a turn.' (San Francisco Chronicle) This story is also available as a Penguin digital audio download read by Stephanie Beacham. Roald Dahl, the brilliant and worldwide acclaimed author of Charlie and the Chocolate Factory, James and the Giant Peach, Matilda, and many more

classics for children, also wrote scores of short stories for adults. These delightfully disturbing tales have often been filmed and were most recently the inspiration for the West End play, Roald Dahl's *Twisted Tales* by Jeremy Dyson. Roald Dahl's stories continue to make readers shiver today.

All You who Sleep Tonight
Random House

This "disgusting" themed anthology of poems is written by various authors. The anthologies in this series are updated

and revised versions of previously published titles, each with several brand new poems in them. There's an anthology for every place and topic. Make sure you've always got a verse rehearsed! Roaring dinosaur rhymes, silly school rhymes: even some revolting rhymes to get you groaning. You can rap or rhyme them, mime them out or tackle fiendish tongue-twisters. Heaps of rib-tickling rhymes to send you poetry potty, and it all supports the school

curriculum. A matching Teacher Resource Book, written by Paul Cookson, features workshop-style lessons based on different poetry types/genres. Each lesson focuses on a specific poem from one of the anthologies.

Dirty Beasts Verso Books
In this collection, Julia Donaldson has chosen poems with performance by children in mind, and in the notes section at the end of the book are her notes and ideas on performing them.

One of the problems which face all librarians adding e-books to their collections is that of bibliographic control: there is no legal deposit for e-books and consequently there is no single place from which new titles can be found. If this is true of commercially published e-books, it is most certainly also true of free e-books... and there are many thousands of free e-books available over the

Internet, many of which are of a quality such that librarians might wish to have them in their collections. The 2011 Guide to Free or Nearly-Free e-Books is offered as a tool for librarians and others involved in book selection (e.g. teachers in schools) in all sectors - school, further and higher education, public and special libraries - to facilitate easy access to free e-books and e-book collections which can enhance their digital library.

When war comes to Australia, Jack's family moves to Rottnest Island while his father helps the military build an airfield. Jack is left to explore his new home with his best friend Banjo ... and the pair have a knack for getting in trouble. Trouble that's exacerbated when their new classmate Dafty seeks revenge against the local schoolmaster for a punishment inflicted on

Banjo. Will Dafty's loyalty lead to things suddenly becoming more serious? Written in short, engaging chapters, this poignant and accessible story for younger readers offers valuable insights into wartime Australia.

If I Were in Charge of the World and Other Worries Turtleback

From the subversive wit of Roald Dahl's wicked retelling of Goldilocks to the magical wordplay of Lewis Carroll's "Jabberwocky" to the annual Christmas favorite from Clement C. Moore,

an illustrated collection of poetry includes comments from today's favorite authors about how these poems touched their lives.

Annabel Lee Faber & Faber

Poems can be silly, serious, or fun, just like kids! Whether it's the sing-song rhythm of a limerick, the serendipitous magic of a found poem, the deceptive simplicity of a haiku, or the easy familiarity of an acrostic poem, children are charmed by poetry. And what's more fun than reading poetry? Writing it!

In *Explore Poetry! With 25 Great Projects* children have fun learning about different forms of poetry while delving into different literary techniques such as personification, metaphor, and alliteration, all of which are discussed in a simple and accessible way. Activities include creative writing exercises designed to reinforce language arts skills, plus art projects that encourage children to visualize concepts and definitions. Short biographies of important

poets reinforce the concept of poetry as an important part of society. *Explore Poetry!* meets Common Core State Standards for language arts; Guided Reading Levels and Lexile measurements indicate grade level and text complexity. Informational and inspiring, *Explore Poetry!* fits seamlessly into the poetry curriculum of grades 2 to 4 and serves as an enrichment resource all during the school year, especially April, Poetry Month.

What You Have Heard

Is True Yale University Press

Carolyn Forché is 27 when a mysterious stranger calling himself Leonel appears on her doorstep, having driven direct from El Salvador. A friend has heard rumours about who he might be - a communist, a CIA operative, a sharpshooter, a revolutionary, a small coffee farmer - but nobody seems to know for certain. Captivated for reasons she doesn't fully

understand, she accepts his invitation to visit and learn about his country, and becomes enmeshed in the early stages of a civil war which will see a state turn death squads on its own people and over 100,000 dead. Told across peasant shanties, retired generals' grand homes, protest marches and safe houses on the run, this is the powerful true story of a woman's radical act of empathy and her fateful encounter with an intriguing man who will change the course of her life.

The Thought Fox Jonathan Cape

Printed poison. Pernicious stuff. Since the nineteenth century, these are some of the many concerned comments critics have made about media for children. From dime novels to comic books to digital media, Cassidy illustrates the ways children have used "old media" when they were first introduced as "new media." Further, she interrogates the extent to which different conceptions of childhood have influenced adults'

reactions to children's use of media. Exploring the history of American children and media, this text presents a portrait of the way in which children and adults adapt to a constantly changing media environment. [Poetry by Heart](#) Nomad Press A beautiful and inspiring collection of poetry by Maya Angelou, author of I KNOW WHY THE CAGED BIRD SINGS and 'a

brilliant writer, a fierce friend and a truly phenomenal woman' (BARACK OBAMA). 'I write about being a Black American woman, however, I am always talking about what it's like to be a human being. This is how we are, what makes us laugh, and this is how we fall and how we somehow, amazingly, stand up again' Maya Angelou Maya Angelou's poetry - lyrical and dramatic, exuberant and playful - speaks of love, longing, partings; of Saturday night partying,

and the smells and sounds of Southern cities; of freedom and shattered dreams. 'Her poetry is just as much a part of her autobiography as I Know Why the Caged Bird Sings and the volumes that follow.' Kirkus 'It is true poetry she is writing . . . it has an innate purity about it, unquenchable dignity'

After the death of the beautiful Annabel Lee, a young man contemplates their love story—the passionate love in their

youth, and the love that continues even after her passing. Despite the fact that his first published works were books of poetry, during his lifetime Edgar Allan Poe was recognized more for his literary criticism and prose than his poetry. However, Poe's poetic works have since become as well-known as his famous stories, and reflect similar themes of mystery and the macabre. "Annabel Lee" was the last complete poem composed by Poe, and was most likely inspired

by his wife, Virginia Eliza Clemm Poe. Another Fourth Poetry

Book Random House Tom Loxley is holed up in a cottage in the bush, trying to finish his book on Henry James, when his dog goes missing, trailing a length of orange twine. As Tom searches it becomes clear that he needs to unravel other puzzles in his life and the story shifts between past and present, taking in his parents' mixed-race marriage in India, their

arrival in Australia in the 1970s, Tom's own failed marriage, and his current involvement with Nelly Zhang, an artist with her own secrets and mysteries. Longlisted for the Man Booker Prize 2008.

[Phizz-Whizzing Stories - Gobblefunk](#) Penguin UK 'Two Cures for Love' is a sparkling miscellany, bringing together the best of Wendy Cope's poetry.
