CYNTHIA SNYDER

Story of Ireland Lonely Planet

This book offers a taste of some of the best-loved recipes and traditional dishes that have helped to earn Ireland's reputation for culinary excellence. It begins with an insight into some of the key ingredients, from vegetables, herbs and fruit to meat, fish and dairy. There then follows a range of over 60 traditional step-by-step recipes. More than 250 colour photographs illustrate how each dish is made, as well as showing the beautiful final result. Full nutritional information provides an at-a-glance dietary reference, and there are many suggestions for variations and

accompaniments, as well as stories of the traditions surrounding the recipes. Packed with tantalizing recipes, expert advice and stunning photography, this book is essential reading for all lovers of Irish food.

Measure yourself against the spire on O'Connell street, spot seals at the seaside, zoom down the slide in Stephen's Green playground, and enjoy a GAA game in croke park. My Little Album of Dublin takes the youngest of readers on a fun filled tour of the Fair City. Along the way, they will build up their vocabulary in English and Irish. Packed with delightful illustrations and words!

The Family Tree Irish Genealogy Guide MetroBooks

The history of Ireland has traditionally focused on the localized struggles of religious conflict, territoriality and the fight for Home Rule. But from the early Catholic missions into Europe to the embrace of the euro, the real story of Ireland has played out on the larger international stage. Story of Ireland presents this new take on Irish history, challenging the narrative that has been told for generations and drawing fresh conclusions about the way the Irish have lived. Revisiting the major turning points in Irish history, Neil Hegarty re-examines the accepted stories, challenging long-held myths and looking not only at the dynamics of what happened in Ireland, but also at the role of events abroad. How did Europe's 16th century religious wars inform the incredible violence inflicted on the Irish by the Elizabethans? What was the impact of the French and American revolutions on the Irish nationalist movement? What were the consequences of Ireland's policy of neutrality during the Second World War? Story

of Ireland sets out to answer these questions and more, rejecting the introspection that has often characterized Irish history. Accompanying a landmark series coproduced by the BBC and RTE, and with an introduction by series presenter, Fergal Keane, *Story of Ireland* is an epic account of Ireland's history for an entire new generation.

The Very Best of Traditional Irish Cooking Library of Alexandria Consider this: there are almost 10 times as many Irish-Americans in the U.S. as there are Irish in Ireland today! Ask any one of these Irish-Americans and they can tell you which county their people came from. But can they tell you the names of 10 great Irish Peace Prize Winners? Or the 10 most popular visitor attractions in Ireland? How about 10 universally-recognized words invited in Ireland? The newest addition to the Top 10 Of Everything series focuses on the facts, foibles and fables of the Emerald Isles, compiled in over 250 fascinating lists. From 10 great Irish catch phrases to the unlikely origins of 10 famous Irish songs...10 Irish sporting controversies to 10 great Irishmen who many have never existed, the Top 10 Of Ireland provides you with the ammo you need to slay 'em at the next St. Patrick's Day party, pub crawl...or visit to Boston!

This whole book has been reformatted, retyped and designed. These books are not made of scanned copies of their original work and hence the text is clear and readable.

The Great Book of Ireland: Interesting Stories, Irish History & Random Facts about Ireland Sterling Publishing (NY)

Winner, 2010 Donald Murphy Prize for a Distinguished First Book, American Conference on Irish Studies Renowned as one of the most brilliant satirists ever, Jonathan Swift has long fascinated Hibernophiles beyond the shores of the Emerald Isle. Sean Moore's examination of Swift's writings and the economics behind the distribution of his work elucidates the humorist's crucial role in developing a renewed sense of nationalism among the Irish during the eighteenth century. Taking Swift's Irish satires, such as *A Modest Proposal* and the *Drapier's Letters*, as examples of anticolonial discourse, Moore unpacks the author's carefully considered published words and his deliberate drive to liberate the Dublin publishing industry from England's shadow to argue

that the writer was doing nothing less than creating a national print media. He points to the actions of Anglo-Irish colonial subjects at the outset of Britain's financial revolution; inspired by Swift's dream of a sovereign Ireland, these men and women harnessed the printing press to disseminate ideas of cultural autonomy and defend the country's economic rights. Doing so, Moore contends, imbued the island with a sense of Irishness that led to a feeling of independence from England and ultimately gave the Irish a surprising degree of financial autonomy. Applying postcolonial, new economic, and book history approaches to eighteenth-century studies, Swift, the Book, and the Irish Financial Revolution effectively links the era's critiques of empire to the financial and legal motives for decolonization. Scholars of colonialism, postcolonialism, Irish studies, Atlantic studies, Swift, and the history of the book will find Moore's eye-opening arguments original and compelling.

Saint Patrick Retold Arcadia Publishing

Great Britain can be accused of many things; a proliferation of queuing, a fondness of the demon drink; but it's not without more than its fair share of important historical and modern people. 'Great Britons: A Very Peculiar History' looks at a myriad brilliant Britons and their influence on the world. The book features a short potted history of each person, detailing their achievements, personalities and lifestyles in a quirky and memorable way. From kings and queens, pirates and politicians, actors and directors to sportsmen, explorers, scientists and inventors, 'Great Britons: A Very Peculiar History' celebrates the men and women who have shaped Great Britain and made it what it is today.

Discover the Emerald Isle Oxford University Press
