So that's what she means! So that's what he's thinking! · Discover surprising little things that have big impact in any relationship. · See what the latest research reveals about differences between men and women. · Master what is most important to the most important person in your life. Based on the best-selling series of books by Shaunti and Jeff Feldhahn, this 2-disc DVD and participant's guide set provides three different video studies--one for women, one for men, and one for couples--that each deliver practical tips and surprising insights for both singles and married couples. Designed for individuals or groups (Bible studies, small groups, Sunday school classes, premarital or marriage counseling), this all-in-one special value package includes: · The For Women Only Video Study: Six 15-minute sessions for women with Shaunti Feldhahn · The For Men Only Video Study: Six 10- to 15-minute sessions for men with Jeff and Shaunti Feldhahn · The For Couples Only Video Study: Six sessions consisting of two 10-minute segments designed specifically to be watched by men and women together, with Shaunti and Jeff Feldhahn. Get ready to know each other in a whole new way!

For Young Women Only (eBook) Multnomah

REVISED AND UPDATED EDITION Discover the Truth He Wants You to Know The man in your life carries important feelings so deep inside he barely knows they're there, much less how to talk about them. Yet your man genuinely wants you to "get" him—to understand his inner life, to know his fears and needs, to hear what he wishes he could tell you. In her landmark bestseller, *For Women Only*, Shaunti Feldhahn reveals what every woman—single or married—needs to know. Based on rigorous research with thousands of men, Shaunti delivers one eye-opening revelation after another, including: · Why your respect means more to him than your love. · How he feels deep inside about his role as provider. · What it means for a man to be so visually "wired." · Why sex for him is primarily emotional, not physical. · What he most wishes he could say to you. Now, in this expanded and updated edition, you'll find insights from the latest brain research plus an all-new chapter that shows what's really going on when he seems to "check out." (You'll be surprised and pleased.) Millions worldwide have experienced dramatic change in their relationships because of the "aha" moments and practical ideas in this little book. Discover how to love your man for who he really is.

For Parents Only Multnomah

REVISED AND UPDATED EDITION "Shaunti and Jeff have unearthed a treasure chest of insights—eye-opening and life-changing." —Andy Stanley, senior pastor, North Point Community Church Finally, you can understand her! If you're like most men, you've burned up lots of energy trying to figure out what a woman wants, what makes her tick, how to make her happy. The good news: success is simpler than you ever thought. In their groundbreaking classic, *For Men Only*, Jeff and Shaunti Feldhahn reveal the eye-opening truths and simple acts that will radically improve your relationship with the woman you love. For example: · Why she can't "just not think about" something that's bothering her · How to get her real answers without games · How your provider instinct can actually cause her heartache – and what to do about it · Why "not tonight, honey" may not mean what you think · Why listening to her feelings is so hard for a guy, and a fix-it plan that works · Why her "I do" at the altar will always mean, "do you?" and the answer that rocks her world Now updated with the latest scientific research to explain the fabulous female brain plus an all-new chapter that shows how to decode her most baffling behavior, *For Men Only* is your roadmap to making her happy.

The Good News About Marriage Multnomah

Are You Ready to Do Something Extraordinary? Vance Brown believes most men are discouraged. They're worn out and wondering if their best days are behind them. Vance knows the feeling. There was a time he felt more dead than alive, but his friends still believed in him. "Have courage," they

urged. "God needs you, here, now . . . this day." That's what this book is about, men who stand up for each other and fight for things that matter. It's about men who fail but get back up and try again. Far from platitudes and pat answers, these are gritty pages that bleed, stories about ordinary men who are doing something extraordinary--choosing to live fully, no matter the cost. Answering this noble call is not easy, but you will never regret it. "We were absolutely rocked...by the overwhelming feeling that God is using these pages to awaken something in millions of men who instinctively know they are called to be part of a larger story."--from the foreword by Jeff and Shaunti Feldhahn, bestselling authors of *For Men Only* and *For Women Only Excellent for Men's Groups--Includes a Six-Week Study Guide* "This is a powerful and passionate book, brutally honest and wonderfully humble. This is going to help a lot of men recover hope and courage. It will draw us together as brothers. And most important, this book will help you find a deeper life in Jesus."--John Eldredge, author of *Wild at Heart* and *Beautiful Outlaw* "You may desire to be a great businessman, which is a noble goal. But there is an even higher calling--to be a good man for the kingdom of God. No Matter the Cost should be required reading for anyone who is fighting to be such a good man."--Tommy Spaulding, business consultant and New York Times bestselling author of *It's Not Just Who You Know* "This is a book filled not with bravado but with stories of men 'limping home, barely brave.' Vance's storytelling and John's golden pen result in a feast of all that is possible when men are willing to admit their need to live honestly before other men. Then men I respect the most desire and live this."--Jan Meyers Proett, counselor, speaker, author of *The Allure of Hope* and *Listening to Love* "Vance Brown has given us the spiritual weapons we need to become better fathers, husbands, and ministry leaders. His writing is heartfelt and his message is clear: God is calling all men to engage in a battle--the fight of our lives, the struggle we were created for. No Matter the Cost is a battle cry for authentic manhood."--Arnie Cole, CEO of *Back to the Bible* and coauthor of *Unstuck* "This book is a uniquely authentic call to the deepest part of a man's soul. Anyone in whom God's Spirit is moving will respond. The results can be dramatic."--Dr. Larry Crabb, founder of *NewWay Ministries* "No Matter the Cost issues a radical challenge to men of all ages: Become the Christ-built warriors we were created to be--unbending faith, unselfish in attitude, always honorable, and humble in word and deed. Every man must hear Vance Brown's powerful message and then pass it on to the next generation."--Michael Ross, bestselling author of *What Your Son Isn't Telling You*

The Surprising Secrets of Highly Happy Marriages Multnomah

Shaunti Feldhahn and Lisa Rice take you inside the mind of teens and preteens through the same innovative approach that seized national attention in the best-selling books *For Women Only*, *For Men Only*, and *For Young Women Only*. For every bewildered parent, there's a kid longing to be understood. What parent hasn't occasionally looked at their beloved but bewildering offspring and wondered, What in the world is he thinking? or Why is my sweet little girl acting like that? Feldhahn and Rice explore the results of a nationwide survey and personal interviews with more than 1,000 real-life teens and tweens to tackle those things parents often don't "get" about their kids. You'll hear first-hand about the longings that drive your kids' seemingly illogical decisions, the truth behind those exasperating "attitude problems," and what your children would tell you if they could trust you to truly listen.

The Kindness Challenge Harper Collins

Over 90 percent of couples experience some level of tension around money. In fact, money issues are the number one stressor in relationships. So many books try to fix the surface problems, such as how to budget and what to prioritize when it comes to finances, but the issues go much deeper than just a simple spreadsheet. How do men and women view money differently? What do most couples fight about? How can they get on the same page? What questions should men/women ask their significant others before marriage? There are emotional and spiritual components to finances that most couples ignore. How can you agree on a budget if you disagree with each other on the basic

purpose of money? Thriving in Love and Money is based on original research Shaunti and Jeff Feldhahn have conducted to get to the heart of these issues. And just as they did with their bestselling books *For Women Only* and *For Men Only*, they will use this research to provide the answers and insights you need to break the tension and provide the unity you're looking for. Let this book deepen your understanding of each other, leading to clear communication, peace as a couple, and better financial decision-making. Also available: video curriculum and workbook.

For Women Only Kregel Publications

"Where does 'highly happy' come from—and can we have some too?!" Have you ever looked at a blissfully married couple and thought, I wish I could know their secret? Now you can. After years of investigative research, Shaunti reveals twelve powerful habits that the happiest marriages have in common. Best news of all? Anyone can learn the secrets of a highly happy marriage! In *The Surprising Secrets of Highly Happy Marriages*, Shaunti Feldhahn shares her findings about little, very unexpected, often overlooked actions that make a huge difference. You're about to discover that highly happy couples: • Go to bed mad • Keep score (just not in the way you think) • Boss their feelings around • Have factual fantasies • Get in over their heads • Don't tell it like it is • Don't look to marriage to make them happy... Packed with eye-opening research and practical helps, this book delivers relationship insights that will take your marriage from "just fine" to "just the marriage we've always wanted."

For Women Only, For Men Only, and For Couples Only Participant's Guide Multnomah

The Veritas Conflict Multnomah

What's going on in a man's mind? Feldhahn's research reveals the inner lives of men and will open women's eyes to what the men in their life are really thinking and feeling.

For Young Women Only Multnomah

Unlock the Male Mystery Guys will be guys. And now girls can know what that means! For *Young Women Only* dives into the mysterious inner-workings of the teenage male mind so that you can begin to understand why guys say and do what they do. Exploring critical topics including respect, insecurity, appearance, physical affection, and the "tough and tender"-ness of guys, this book is also packed with "ask the expert" sections, quotes, and fun personal stories from guys in all walks of life. Why is he so visually stimulated? You may wish it weren't so, but that won't make it so. I don't want to put on a front for him to like me. Actually, he wants your genuineness, too! This book will help you grasp how God wired the opposite sex so you can enjoy your relationships with them. Why Are Guys So Weird? Unravel the mystery. A national scientific survey and in-depth personal interviews give you an unprecedented look inside the teenage male mind. Discover how: He'd be perfectly fine if he was loved by few and hated by many...as long as he was respected by all His ego is the size of Africa (but so are his insecurities) He hides his real feelings under a tough exterior He's magnetized by pretty girls—but also wants to find a diamond in the rough He actually does want to marry a virgin He just wants you to be yourself. It's the inside scoop you've been waiting for! You'll come to not only understand him, but also know what he might really be thinking about you. "This is a phenomenal book that I wish I'd had as a teenager!" -Shannon Ethridge, Bestselling author, *Every Young Woman's Battle* "Girls, this book is a MUST-read!" -Candace Cameron Bure, Actress, speaker *Story Behind the Book* "My teenage daughter really needs to hear this!" Such was the typical reaction from countless men and women who read Shaunti Feldhahn's bestselling *For Women Only*. "If forty-year-old women are surprised by the truth about how men think, we realized the value in helping teenagers discover these realities as well," says Shaunti. Teaming with her best friend Lisa Rice, a mother of teen girls and the coauthor of *For Women Only Discussion Guide*, they launched a major national survey of guys fifteen to twenty. Their surprising findings are revealed here to help girls improve their relationships with the opposite sex, now and into the future.

The Language of Love and Respect Baker Books

Have men really been engaged in a centuries-old conspiracy to exploit and oppress women? Have the essential differences between men and women really been erased? Have men now become unnecessary? Are they good for anything at all? In *Is There Anything Good About Men?*, Roy Baumeister offers provocative answers to these and many other questions about the current state of manhood in America. Baumeister argues that relations between men and women are now and have always been more cooperative than antagonistic, that men and women are different in basic ways, and that successful cultures capitalize on these differences to outperform rival cultures. Amongst our ancestors—as with many other species—only the alpha males were able to reproduce, leading them to take more risks and to exhibit more aggressive and protective behaviors than women, whose evolutionary strategies required a different set of behaviors. Whereas women favor and excel at one-to-one intimate relationships, men compete with one another and build larger organizations and social networks from which culture grows. But cultures in turn exploit men by insisting that their role is to achieve and produce, to provide for others, and if necessary to sacrifice themselves. Baumeister shows that while men have greatly benefited from the culture they have created, they have also suffered because of it. Men may dominate the upper echelons of business and politics, but far more men than women die in work-related accidents, are incarcerated, or are killed in battle—facts nearly always left out of current gender debates. Engagingly written, brilliantly argued, and based on evidence from a wide range of disciplines, *Is There Anything Good About Men?* offers a new and far more balanced view of gender relations.

To Love, Honor, and Vacuum Multnomah

More for Women Only! What's going on in a man's mind? You don't have to scratch your head any longer. After Shaunti Feldhahn's *For Women Only: What You Need to Know About the Inner Lives of Men* broached the subject, women everywhere responded with an overwhelming desire to dig deeper. Now this all-new discussion guide will help you and your friends explore the complex terrain beneath a man's confident exterior. Personal stories, fascinating case studies, and pointed questions will launch the conversations you need to open your eyes to what the man in your life—a boyfriend, brother, husband, or son—is really thinking and feeling. Men want to be understood, but they're afraid to "freak out" the women they love by confessing what is happening inside their heads. For women who really do want to understand, this group or one-on-one discussion guide is a must for helping you apply all those "ah ha" revelations to your relationships with the men in your life! This newly expanded study guide will help you answer that question. Discussion questions, personal stories, and situational case studies will equip you to apply truths from the book to the relationships in your life. Additional content includes: • Feedback from *For Women Only* readers • Space to pen your thoughts after each chapter • Quotes to remember • Tips for starting your own discussion group Ideal for book clubs, small groups, or one-on-one dialogue with the man in your life, this is an invaluable resource and companion to the acclaimed book. *Story Behind the Book* About five minutes after *For Women Only* hit the shelves, women started talking about it in small groups, book clubs, and coffee houses—and with their men. And about five days after that, Shaunti started getting e-mails saying, "We could really use something to help us work through these subjects." For *Women Only* has opened the eyes of women to things they never understood about men before. Now, the *For Women Only Discussion Guide* will help them talk through and apply those truths to their lives.

The Surprising Secrets of Highly Happy Marriages Multnomah

"Sheila speaks to both the heart and habits of the woman who is wife and mother. The lessons in this book are biblical, doable, and affordable!"--Margaret B. Buchanan From advertisements to mommy blogs to Pinterest, scenes of domestic bliss abound, painting a picture of perfection and expectation nearly impossible to live up to. Why can't you work a full-time job, stylishly clothe yourself and your children, plan a party for twelve with handmade decorations, keep your house sparkling clean without chemicals, and bake a gourmet meal in the same day? Everyone else is doing it! For many women, housework has become more than chores that need to be done; it is a symbol of identity. Sheila Wray Gregoire wants to stop that thinking in its tracks and help women back to a life of balance—for their sakes and for their families. She encourages women to shift their focus from housekeeping to relationships and shows them how to foster responsibility and respect in all family members. The second edition retains the helpful, concrete advice on everyday situations such as strategies for tackling chores and budgets and tips on effective communication, while incorporating the wisdom Sheila has gained through her interaction with thousands of readers of her blog and through her speaking ministry over the past ten years. Through the principles in *To Love, Honor, and Vacuum*, Gregoire promises readers they can grow and thrive in the midst of their hectic lives—even if their circumstances stay the same.

Brokenness Multnomah

For best pricing please go to www.provenmen.orgThis study is long overdue. I have sat across from countless women who have been hurt by the revelation that their husband, fiancé or boyfriend is trapped in sexual sin. I have watched the tears fall as they explain the pain and frustration they are experiencing. Every woman's story is unique, but the feelings are so often the same. It's natural to question love, to feel the insecurity, to doubt, and to be angry. This study was birthed from the angst of the stories I've heard; stories like yours, stories like mine. On a cold Sunday morning, my husband admitted to having a decade-long struggle with pornography. My world was shattered, and I didn't know where to turn. If I confided in a friend, I felt that I would be throwing my husband "under the bus." I certainly couldn't tell my parents. Where could I go to seek relief for my aching heart? Eventually, I learned the hard way that no one except Jesus Christ would be able to help restore my broken heart and resurrect our marriage. I searched His Word for answers, for His perspective and His heart about my situation. God was gracious in renewing my hope and joy through years of personal Bible study. Through the process, I was finally able to say that my husband's admission to his addiction was one of the best things that ever happened to our marriage. This study is a culmination of the truths God impressed on my heart as I sought Him, as well as wisdom I received from other godly individuals. These godly resources include three different professional counselors, other wives who understood my struggle and pain, pastors, and many books written by godly men and women. Woven in the following pages you will read personal stories of others who have walked through this journey. My deepest gratitude goes out to each one of these individuals. Without them, my marriage would not be where it is today, and this study would never have been written.

For Women Only in the Workplace Multnomah

Yes, guys, you can learn to read her mind! Who would have guessed? Through the surprising revelations in the best-seller *For Men Only*, countless men are realizing that they can indeed understand their wife or girlfriend. This companion book guides men on the next step of the journey. You'll not only learn how to apply those discoveries to your individual relationship, but you'll actually develop the skill of "reading her mind" - or at least reducing your confusion. Designed to work both as a small-group discussion guide and as a tool for gaining personal insights, this guy-friendly resource addresses the key issues that impact every marriage and offers practical ideas for simple changes that can make a huge difference. Questions, key reminders, and case studies that have been field-tested by several men's groups will help you understand what your wife or girlfriend is really thinking and how to make her happy. (Which will make you happy.) Whether you use this guide on your own, as a discussion handbook, or as a conversation starter with the woman in your life, you'll find it an invaluable resource in your quest to cut through the confusion and give her what she really wants and needs from you.

Thriving in Love and Money Multnomah

Please note: This is a companion version & not the original book. Sample Book Insights: #1 The answers to many common perplexities are related to what is going on in your man's inner life. They are things he wishes you knew but doesn't know how to tell you. #2 I wanted to understand what men were thinking and feeling, so I conducted interviews with many different men. I found that instead of being unusual, my character was like almost every man on the planet. #3 I found that many men had similar fears and concerns, feelings and needs. They shared a secret inner core that was often misunderstood by women. #4 The visual example is the key thing that will help you be a better wife, girlfriend, or mother. Men are visual, but what that means in practice is the key thing.

Proven Wives: A Roadmap for Restoration HarperChristian + ORM

Divorce is not the biggest threat to marriage. Discouragement is. You've probably heard the grim facts: Half of all marriages end in divorce. The divorce rate inside the church is the same as outside. Most marriages are just holding on. But what if these "facts" are actually myths? In *The Good News About Marriage*, best-selling author Shaunti Feldhahn presents groundbreaking research that reveals the shocking, incredibly inspiring truth: • The actual divorce rate has never gotten close to 50 percent. • Those who attend church regularly have a significantly lower divorce rate than those who don't. • Most marriages are happy. • Simple changes make a big difference in most marriage problems. • Most remarriages succeed. For too long, our confidence in marriage has been undermined by persistent misunderstandings and imperfect data. This landmark book will radically change how we think and talk about marriage—and what we can dare to hope from it. "Shaunti takes aim at marriage myths that have spread like a cancer through our culture—myths that have become self-fulfilling prophecies. This book is packed with game-changing revelations. Like this one: Not only are most people staying married, they are happy in their marriages!" -Emerson Eggerichs, best-selling author of *Love and Respect*

For Women Only Zondervan

What Happens When Women See What Men See? You already know that your husband, boyfriend, or son is wired differently from you, but do you know what that really means? It means, among other things, that he's been given the gift of a unique visual wiring—and the challenges that come with it. In *Through a Man's Eyes*, Shaunti Feldhahn and Craig Gross team up to help open our eyes to something we are often blind to. They address questions like: • "Why are guys so visual—and what does that mean, anyway?" • "How do I help my son navigate this sex-crazed culture?" • "How dare someone tell a woman to watch what she wears! Isn't it a man's responsibility not to look?" • "If he's tempted by visual images, is there something wrong with him? With me?" • "My husband is an honorable guy, so why would he be tempted by porn?" • "How can I talk to my husband or son about this? What can I do to support him?" Through the compassion and candor in this book, we can learn what men have long wished we knew (but didn't know how to explain)—and see the difference it makes when we do!

How Big Is Your Umbrella? Zondervan

The #1 National Bestseller In her most provocative book yet, America's top radio talk show host, Dr. Laura Schlessinger, urgently reminds women that to take proper care of their husbands is to ensure

themselves the happiness and satisfaction they deserve in marriage. Women want to be in love, get married and live happily ever after, yet countless women call Dr. Laura, unhappy in their marriages and seemingly at a loss to understand the incredible power they have over their men to create the kind of home life they yearn for. In the Proper Care and Feeding of Husbands, Dr. Laura provides real-life examples and real-life solutions on how to wield that power to attain all the sexual pleasure, intimacy, love, joy, and peace desired in life. Dr. Laura's simple principles have changed the lives of millions. Now they can change yours.
