BARNETT GONZALES

Scratch & Sketch Pet Shop Trace-Along Scratch and Sketch

Calling all extreme artists! Create detailed designs that glitter with color. Each two-page spread features an intricate mandala design to trace and color. The left-page image is for coloring with fine-tip markers or colored pencils; the right-page image on black is for Scratch and Sketching with the fine stylus included. Follow the lines to uncover brilliant foils and colorful swirls lying just beneath the surface as you sketch your way to inner peace. White outlines on black scratch-off pages create a fun way for younger children (ages 5 and up) to trace illustrations, revealing magnificent colors or sparkly foil beneath. Wire-o bound hardcover - 6-3/8" wide x 8-1/2" high (16.2 cm wide x 21.6 cm high) - 64 pages (20 scratch-off, 20 illustrated, 20 sketch pages) - Shrink-wrapped with a wooden stylus.

Super Scratch and Sketch Scratch and Sketch Trace-Along

Young artists will love exploring the exciting world of Scratch and Sketch Extreme! with this challenging collection of 20 cool and complex drawings, from the wild to the wonderful! As you trace intricate artwork on the black-coated pages, a wolf, night sky, unicorn, and so much more emerge in sparkling foils of silver and green, or colorful swirls! White outlines on black scratch-off pages create a fun way for younger children (ages 5 and up)

Monsters National Geographic Books

Presents twenty drawing and design projects, including hieroglyphics, tattoos, super-heroes, and African sculpture.

Happy Birthday! Scratch and Sketch TM TraceAlong Peter Pauper Press

Scratch (and sketch) the ears of the cutest bunch of puppies around! Meet an energetic Labrador puppy, a clever German shepherd, and a gentle golden retriever. Discover why the beagle puppy's tail sticks up, and what bulldogs are famous for. Trace each puppy with the stylus to make it shine with rainbow colors and sparkly foil. This is a Trace-Along title! Young artists can simply follow the white lines with the wooden stylus to create colorful pictures. Includes 20 extra paper pages for your own doodles and drawings. Book comes with a wooden stylus for scratching away the black coating. Art activity book measures 6-3/8" wide x 8-1/2" high. Ages 5 and up.

Essentials Fashion Sketchbook Peter Pauper Press

#1 New York Times Bestseller Over 10 million copies sold In this generation-defining self-help guide, a superstar blogger cuts through the crap to show us how to stop trying to be "positive" all the time so that we can truly become better, happier people. For decades, we've been told that positive thinking is the key to a happy, rich life. "F**k positivity," Mark Manson says. "Let's be honest, shit is f**ked and we have to live with it." In his wildly popular Internet blog, Manson doesn't sugarcoat or equivocate. He tells it like it is—a dose of raw, refreshing, honest truth that is sorely lacking today. The Subtle Art of Not Giving a F**k is his antidote to the coddling, let's-all-feel-good mindset that has

infected American society and spoiled a generation, rewarding them with gold medals just for showing up. Manson makes the argument, backed both by academic research and well-timed poop jokes, that improving our lives hinges not on our ability to turn lemons into lemonade, but on learning to stomach lemons better. Human beings are flawed and limited—"not everybody can be extraordinary, there are winners and losers in society, and some of it is not fair or your fault." Manson advises us to get to know our limitations and accept them. Once we embrace our fears, faults, and uncertainties, once we stop running and avoiding and start confronting painful truths, we can begin to find the courage, perseverance, honesty, responsibility, curiosity, and forgiveness we seek. There are only so many things we can give a f**k about so we need to figure out which ones really matter, Manson makes clear. While money is nice, caring about what you do with your life is better, because true wealth is about experience. A much-needed grab-you-by-the-shoulders-and-look-you-in-the-eye moment of real-talk, filled with entertaining stories and profane, ruthless humor, *The Subtle Art of Not Giving a F**k* is a refreshing slap for a generation to help them lead contented, grounded lives.

Scratch & Sketch Unicorn Adventure: An Art Activity Book for Creative Kids of All Ages [With Pens/Pencils] Peter Pauper Press

Join a girl named Polly and her unicorn friend on a magical journey to an enchanted castle! Use your stylus pen like a magic wand, tracing the unicorn, his friends, and all the wonders along the way, and discover the secret colors -- silver, gold, and rainbow -- beneath the black-coated pages! Unicorn Adventure Scratch and Sketch contains: 20 black-coated scratch-off art board pages: 10 have gold and silver glitter beneath, and 10 have multicolored swirls beneath. Children can create beautiful scratch art simply by tracing the white lines -- no freehand drawing required! Once they've finished tracing, young artists can add their own flair to each magical scene by doodling in the blank spaces on each art board. The only limit is your imagination! 20 drawings and descriptions of unicorns and friends. 20 extra pages for doodling. Wooden stylus for drawing. For children ages 5 and up.

Super Scratch Art Pads: Nature Union Square Kids

Pick up your pencil, embrace your inner artist, and learn how to draw in thirty days with this approachable step-by-step guide from an Emmy award-winning PBS host. Drawing is an acquired skill, not a talent -- anyone can learn to draw! All you need is a pencil, a piece of paper, and the willingness to tap into your hidden artistic abilities. With Emmy award-winning, longtime PBS host Mark Kistler as your guide, you'll learn the secrets of sophisticated three-dimensional renderings, and have fun along the way -- in just twenty minutes a day for a month. Inside you'll find: Quick and easy step-by-step instructions for drawing everything from simple spheres to apples, trees, buildings, and the human hand and face More than 500 line drawings, illustrating each step Time-tested tips, techniques, and tutorials for drawing in 3-D The 9 Fundamental Laws of Drawing to create the illusion of depth in any drawing 75 student examples to encourage you in the process

Ancient Egypt Scratch and Sketch Peter Pauper Press

Take a deep dive into a fascinating undersea world with intricate scenes of oceanic things, from shipwrecks to sharks! This book is packed with creatures that coast, chase, and camouflage. Use the included super-fine stylus to trace the white lines on each black page, revealing undersea art that sparkles and shines. Opposite each page of scratch-off art is a bonus coloring page, ready for you to get creative with markers, colored pencils, and more. Book contains 10 black-coated gold, silver, or green glitter pages, 10 black-coated multicolor swirl pages, 20 intricate undersea images to color and trace, and 20 extra pages for sketching and doodling.

Doodle Mania: An Art Activity Book [With Wooden Stylus] Harry N. Abrams

Forest Friends Scratch & Sketch (Trace Along) Peter Pauper Press

INDIEFAB Book of the Year Awards -- 2014 Finalist The first monograph to celebrate the diverse and eclectic work of one of the true visionaries of the contemporary art world. Joseph Ari Aloia-aka JK5-is a compulsive artist for whom every free moment is an opportunity to create. Bringing together his work as a fine artist with the instincts and references that color his passions of tattoo and graffiti art, JK5 has an expansive, textured, and highly individual visual vernacular. Whether as a painter, illustrator, calligrapher, or designer, JK5 is preoccupied with the collision of personal and revelatory themes with profound pop-cultural iconography, resulting in a powerful and readily identifiable style. This creatively designed monograph features work that extends from paintings on canvas to plastic vinyl toys, from storyboards for animation films to collages and scratch cards, and from outlines for tattoo work to a vast collection of sketchbooks--each completed with such regularity that they serve as a kind of artist diary, recording his changing preoccupations and varying visual interests. Edited by the artist--with contributions from fellow artists Mike Giant and Kenzo Minami--and designed to reflect the varying and tactile nature of the work, this is an artist's book that will exist as a unique and collectible object in its own right as much as a record of the remarkable output of one of the most prolific voices in contemporary art.
