## KAYLEY PIPER

*Penguin Readers Level 4: The Boy in Striped Pyjamas (ELT Graded Reader)* Stackpole Books

The experience of modernization -- the dizzying social changes that swept millions of people into the capitalist world -- and modernism in art, literature and architecture are brilliantly integrated in this account.

*Nicht ohne* Faber & Faber

Echoes in Death, the chilling new suspense novel from #1 New York Times bestselling author J.D.

Robb is the perfect entry point into the compelling In Death police procedural series featuring Lieutenant Eve Dallas. As NY Lt. Eve Dallas and her billionaire husband Roarke are driving home, a young woman—dazed, naked, and bloody—suddenly stumbles out in front of their car. Roarke slams on the brakes and Eve springs into action. Daphne Strazza is rushed to the ER, but it's too late for her husband Dr. Anthony Strazza. A brilliant orthopedic surgeon, he now lies dead amid the wreckage of his obsessively organized town house, his three safes opened and emptied. Daphne would be a valuable witness, but in her terror and shock the only description of the perp she can offer is repeatedly calling him “the devil”... While it emerges that Dr. Strazza was cold, controlling, and widely disliked, this is one case where the evidence doesn't point to the spouse. So Eve and her team must get started on the legwork, interviewing everyone from dinner-party guests to professional colleagues to caterers, in a desperate race to answer some crucial questions: What does the devil look like? And where will he show up next?

'An Apology for the Life of Mrs. Shamela Andrews' is a satirical burlesque novella by the English writer Henry Fielding, widely considered to be a direct attack on Samuel Richardson's popular novel 'Pamela'. Through a series of letters between major characters, Shamela reveals the true nature of Pamela Andrews, who turns out to be a wicked and lascivious creature scheming to entrap her master into marriage. The novel is a sustained parody of Richardson's stylistic failings and moral hypocrisy, revealing the hidden implications of his work to subvert and desecrate it. With its biting wit and sharp commentary on the commodification of chastity and the limitations of the epistolary form, 'Shamela' remains a literary classic and a must-read for lovers of satire and parody.

*The History of Love* Createspace Independent Publishing Platform

I have been a restaurant critic for over a decade, written reviews of well over 700 establishments, and if there is one thing I have learnt it is that people like reviews of bad restaurants. No, scratch that. They adore them, feast upon them like starving vultures who have spotted fly-blown carrion out in the bush. They claim otherwise, of course. Readers like to present themselves as private arbiters of taste; as people interested in the good stuff. I'm sure they are. I'm sure they really do care whether the steak was served au point as requested or whether the soufflé had achieved a certain ineffable lightness. And yet, when I compare dinner to bodily fluids, the room to an S & M chamber in Neasden (only without the glamour or class), and the bill to an act of grand larceny, why, then the baying crowd is truly happy. Don't believe me? Then why, presented with the chance to buy this ebook filled with accounts of twenty restaurants - their chefs, their owners, their poor benighted front of house staff - getting a complete stiffing courtesy of the sort of vitriolic bloody-curdling review which would make the victims call for their mummies, did you seize it with both hands?

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

*White Line Fever* CRC Press

"John Bull's Other Island" by George Bernard Shaw is a satirical comedy that offers a sharp critique of British imperialism and Irish identity. Set in Ireland, the play follows the character of Tom Broadbent, a British engineer who arrives in the country with plans to exploit its resources for profit. Through Tom's interactions with the locals, including his childhood friend Larry Doyle, Shaw explores the tensions between British colonialism and Irish nationalism. The play's witty dialogue and clever wordplay highlight the absurdities of imperialism and the clash of cultures between England and Ireland. "John Bull's Other Island" is a thought-provoking and entertaining work that challenges conventional attitudes towards colonialism and national identity, showcasing Shaw's skill as a playwright and social commentator.

*West Shore (Harrisburg Suburban, Cumberland County, Pa.) Directory* Penguin UK

According to a longstanding interpretation, book religions are agents of textuality and logocentrism. This volume inverts the traditional perspective: its focus is on the strong dependency between scripture and aesthetics, holy books and material artworks, sacred texts and ritual performances. The contributions, written by a group of international specialists in Western, Byzantine, Islamic and Jewish Art, are committed to a comparative and transcultural approach. The authors reflect upon the different strategies of »clothing« sacred texts with precious materials and elaborate forms. They show how the pretypographic cultures of the Middle Ages used book ornaments as media for building a close relation between the divine words and their human audience. By exploring how art shapes the religious practice of books, and how the religious use of books shapes the evolution of artistic practices this book contributes to a new understanding of the deep nexus between sacred scripture and art.

*All that is Solid Melts Into Air* St. Martin's Press

Told with Lemmy's indomitable charisma and humour, this is the autobiography of a rock icon who over the past thirty years in the industry, has stayed true to his music, his fans and his pleasures. Lemmy was born Ian Fraser Kilmister in 1945, the son of a vicar who walked out on his mother when Lemmy was just three months old. Having been inspired to play the guitar by Chicks, Little Richard and Buddy Holly, Lemmy formed what would become the ultimate metal group in 1975 and christened them Motorhead. The group went on to embrace a rock-and-roll lifestyle fuelled by drink, drugs and women, and in the process released twenty-one albums and attracted a huge following. WHITE LINE FEVER is a truly headbanging tour through the last few decades of speedmetal, offering a sometimes hilarious, often outrageous, but highly entertaining trip with the frontman of the loudest rock band in the world.

*Clothing Sacred Scriptures* Gale Cengage

ONE OF BARACK OBAMA'S FAVORITE BOOKS OF 2022 One of Bill Gates's "5 books to read this summer," this New York Times and Wall Street Journal bestseller shows us that America's political system isn't broken. The truth is scarier: it's working exactly as designed. In this "superbly

researched" (The Washington Post) and timely book, journalist Ezra Klein reveals how that system is polarizing us—and how we are polarizing it—with disastrous results. "The American political system—which includes everyone from voters to journalists to the president—is full of rational actors making rational decisions given the incentives they face," writes political analyst Ezra Klein. "We are a collection of functional parts whose efforts combine into a dysfunctional whole." "A thoughtful, clear and persuasive analysis" (The New York Times Book Review), *Why We're Polarized* reveals the structural and psychological forces behind America's descent into division and dysfunction. Neither a polemic nor a lament, this book offers a clear framework for understanding everything from Trump's rise to the Democratic Party's leftward shift to the politicization of everyday culture. America is polarized, first and foremost, by identity. Everyone engaged in American politics is engaged, at some level, in identity politics. Over the past fifty years in America, our partisan identities have merged with our racial, religious, geographic, ideological, and cultural identities. These merged identities have attained a weight that is breaking much in our politics and tearing at the bonds that hold this country together. Klein shows how and why American politics polarized around identity in the 20th century, and what that polarization did to the way we see the world and one another. And he traces the feedback loops between polarized political identities and polarized political institutions that are driving our system toward crisis. "Well worth reading" (New York magazine), this is an "eye-opening" (O, The Oprah Magazine) book that will change how you look at politics—and perhaps at yourself.

*Touching Feeling* Walter de Gruyter GmbH & Co KG

Penguin Readers is an ELT graded reader series. Please note that the eBook edition does NOT include access to the audio edition and digital book. Written for learners of English as a foreign language, each title includes carefully adapted text, new illustrations and language learning exercises. Titles include popular classics, exciting contemporary fiction, and thought-provoking non-fiction, introducing language learners to bestselling authors and compelling content. The eight levels of Penguin Readers follow the Common European Framework of Reference for language learning (CEFR). Exercises at the back of each Reader help language learners to practise grammar, vocabulary, and key exam skills. Before, during and after-reading questions test readers' story comprehension and develop vocabulary. *The Boy in Striped Pyjamas*, a Level 4 Reader, is A2+ in the CEFR framework. The text is made up of sentences with up to three clauses, introducing more complex uses of present perfect simple, passives, phrasal verbs and simple relative clauses. It is well supported by illustrations, which appear regularly. One day, Bruno's father gets a new job, and the family have to move from Berlin, Germany, to a new place. There is a strange camp at the end of the garden. Bruno is very unhappy and bored until he meets Shmuel. The two boys become very good friends. But why is Shmuel in the camp? And why is he wearing striped pyjamas? Visit the Penguin Readers website Register to access online resources including tests, worksheets and answer keys. Exclusively with the print edition, readers can unlock a digital book and audio edition (not available with the eBook).

*Fast, Cheap & Written That Way: Top Screenwriters on Writing for Low-Budget Movies* Penguin UK  
A MOST PRIVATE BATTLE Since Beatrice Thornton was 13 years old she's been living with a secret that could ruin her family forever. Her parents are the only ones who know, and now, seven years later, they are forced to put on a sham for Beatrice's late first Season. The plan, make Beatrice as mousy and ill-clothed as possible so no suitor would consider her. Then they can all escape back to their country home in Dorset to keep the terrible secret safe. But the unthinkable happens... Beatrice meets a man who gives her hope of a normal life, and Beatrice dares to love with horrible consequences. Captain Henry Gracechurch has resigned his commission after living through the horrors and waste of war. Recently returned from Spain, he is cajoled by his formidable godmother to make an appearance at one of her famous balls. When he sees a young woman abandoned on the dance floor, honour commands him to save the day. Nothing could have prepared him for meeting the person who is a balm to his soul and gives wings to his heart. But winning Beatrice Thornton will take every ounce of courage he has, and this is a war he will win, no matter the cost.

*Book Review Index* Penguin UK

Leo Gursky is a man who fell in love at the age of ten and has been in love ever since. These days he is just about surviving life in America, tapping his radiator each evening to let his upstairs neighbour know he's still alive, drawing attention to himself at the milk counter of Starbucks. But life wasn't always like this: sixty years ago in the Polish village where he was born Leo fell in love with a young girl called Alma and wrote a book in honour of his love. These days he assumes that the book, and his dreams, are irretrievably lost, until one day they return to him in the form of a brown envelope. Meanwhile, a young girl, hoping to find a cure for her mother's loneliness, stumbles across

a book that changed her mother's life and she goes in search of the author. Soon these and other worlds collide in *The History of Love*, a captivating story of the power of love, of loneliness and of survival.

*The Saxon Thief* Penguin UK

"By hook or by bishop's crook, Ventianus will see him dead by nightfall." While Cuthbert and Eadmund pursue a thief through the deserted streets of an enemy city, others plot to turn their help into harm and their honour into shame. Outwitted and outnumbered, they stumble into a nest of conspiracies that may send Britain crashing back into the bloodshed and chaos from which it just emerged. But Eadmund has more in the game than Cuthbert knows, and deciding who to trust may become the most dangerous choice of all. Every treasure has a secret, every saint has a past.

*Fiktion und Realität* Albert's Bridge Books

Britain's culinary Moses brings us the new foodie rules to live by, celebrating what and how we eat The Ten Commandments may have had a lot going for them, but they don't offer those of us located in the 21st Century much in the way of guidance when it comes to our relationship with our food. And Lord knows we need it. Enter our new culinary Moses, the legendary restaurant critic Jay Rayner, with a new set of hand-tooled commandments for this food-obsessed age. He deals once and for all with questions like whether it is ever okay to covet thy neighbour's oxen (it is), eating with your hands (very important indeed) and if you should cut off the fat (no). Combining reportage and anecdotes with recipes worthy of adoration, Jay Rayner brings us the new foodie rules to live by. *Image and Ornament in the Early Medieval West* Duke University Press  
Handbook for experienced climbers covers all the physical and psychological aspects of climbing training.

*Continuing Bonds* Simon and Schuster

Scholarship often treats the post-Roman art produced in central and north-western Europe as representative of the pagan identities of the new 'Germanic' rulers of the early medieval world. In this book, Matthias Friedrich offers a critical reevaluation of the ethnic and religious categories of art that still inform our understanding of early medieval art and archaeology. He scrutinises early medieval visual culture by combining archaeological approaches with art historical methods based on contemporary theory. Friedrich examines the transformation of Roman imperial images, together with the contemporary, highly ornamented material culture that is epitomized by 'animal art.' Through a rigorous analysis of a range of objects, he demonstrates how these pathways produced an aesthetic that promoted variety (varietas), a cross-cultural concept that bridged the various ethnic and religious identities of post-Roman Europe and the Mediterranean worlds.
