Indian classical music has long been fascinating to Western audiences, most prominently since the Beatles' sessions with Ravi Shankar in the 1960s. Du Perron examines Thumi Lyrics, a major genre of Hindustani music, from a primarily linguistic perspective.

Durga is a very special goddess. When I first encountered her, I was a little hesitant, but I knew deep down I needed to work with her. From 2014-2015, she has guided me. Ever so often, I am guided to work with one specific deity for a prolong period of time. It was Durga's turn then. She is by far one of the most beloved of the Hindu Goddess. She is fiercely loyal and will pull out all the stops when she is protecting her own. She is, in many ways, a gentler version of Kali, but not quite as gentle as Parvati or Lakshmi. Durga's

name means "Impassable and invincible". The name is derived from the Sanskrit word for fortress, Durg. She has several forms. In this book , we will deal with her nine forms, also known as Navadurga or literally 'Nine Forms of Goddess Durga" Each one has a purpose and we will perform nine rituals, one for each form. Her essence is very much immanent in the world. She has a transcendent and limitless quality, yet she is very present and accessible. Although "milder" than Kali, Durga will still challenge you in ways that are just right for you to get the lesson

and learn. When I worked with her, there were time when I was stubborn, she was able to push me to get me back on track. Seldom will she push you too hard, but it can be uncomfortable. Kali on the other hand will shove you right into the fire. Her mantras are often recited when people need protection and security. In this book we will tap into her nine names for the following purposes: Durga Form 1 - In this form, she is associated with the Root Chakra and therefore, we will use her to attain more grounding in this world. This will impact you finances and other related issue. Durga Form 2 - In this form, we will use her to attain occult and spiritual knowledge. Durga form 3 - Devi Chandraghanta - In this form, we will call upon her for protection. Durga form 4 - In this form we will call upon her to bestow upon us supernatural and occult powers. Durga Form 5 - In this form, we will use her to conquer our enemies. Durga Form 6 - In this form, we will use her to get rid of negative spiritual entities that may be haunting you. Durga Form 7 - This is similar to Katyayani, but much more fierce in her energy. We will use her to eradicate demonic energies in your abode. Durga

Form 8 - We will use her to attain good health and renewed vigor. You can also use her for love as well. The ritual for her can be used for either of those. I will get into that when we discuss her more in-depth. Durga Form 9 - We will use her to enhance our magickal practice, no matter what tradition. Reciting her mantra in this form, is of immense value to your entire magickal practice. Each of these rituals will have special mantras associated with them. I will transliterate them as we go. We have a lot to cover, now let us proceed.

The first glimpse of the sea on Marine Drive filled my heart, if not my head. I turned away from the red shadow. I

stopped thinking of that pyramid of killers, and Sanjay's improvidence. I stopped thinking about my own part in the madness. And I rode, with my friends, into the end of everything. Shantaram introduced millions of readers to a cast of unforgettable characters through Lin, an Australian fugitive, working as a passport forger for a branch of the Bombay mafia. In The Mountain Shadow, the long-awaited sequel, Lin must find his way in a Bombay run by a different generation of mafia dons, playing by a different set of rules. It has been two years since the events in Shantaram, and since Lin lost two people he had come to love: his father figure, Khaderbhai, and his soul mate, Karla, married to a handsome Indian media tycoon. Lin returns from a smuggling trip to a city that seems to have changed too much, too soon. Many of his old friends are long gone, the new mafia leadership has become entangled in increasingly violent and dangerous intrigues, and a fabled holy man challenges everything that Lin thought he'd learned about love and life. But Lin can't leave the Island City: Karla, and a fatal promise, won't let him go. Castes and Tribes of Southern India

The oldest and most extensive written language of Southeast Asia is Old Javanese, or Kawi. It is the oldest language in terms of written records, and the most extensive in the number and variety of its texts. Javanese literature has taken many forms. At various times, prose stories, sung poetry or other metrical types, chronicles, scientific, legal, and philosophical treatises, prayers, chants, songs, and folklore were all written down. Yet relatively few texts are available in English. The unstudied texts remaining are an unexplored record of Javanese culture as well as a language still alive as a

literary medium in Bali. Introduction to Old Javanese Language and Literature represents a first step toward remedying the dearth of Old Javanese texts available to English-speaking students. The ideal teaching companion, this anthology offers transliterated original texts with facing-page English translations. The anthology focuses on prose selections, since their straightforward style and syntax offer the beginning student the most rewarding experience. Four sections make up the collection. Part I offers several short readings as the most accessible entry point into Old Javanese. Part II contains two moralistic fables from an Old Javanese retelling of the Hindu Pañcatantra cycle. Part III takes up the epic, providing excerpts from one of the books of the Old Javanese retelling of the Mahābhārata. Part IV offers excerpts from two chronicles, the generic conventions of which challenge received notions of history writing because of their supernaturalism and folkloric elements. Includes introduction, glossary, and notes.

Many were filled with hopes as high as the stars as they crossed the Indian Ocean,

making their way from India to Durban in southern Africa in the late 1800s. Yet, realising the dream of a better life and returning home triumphant was not to be for many. Thousands returned with less than they had started out with, only to find that home was no longer the place they had left. The travellers, too, had changed irrevocably: caste had been transgressed, relatives had died and spaces for reintegration had closed up as colonialism tightened its grip. Home for these wandering exiles was no more.

Maa Durga Puja - a Complete Book of Mantras and Shlokas [Navratri Special Edition]

Oxford University Press India, That Is Bharat, the first book of a comprehensive trilogy, explores the influence of European 'colonial consciousness' (or 'coloniality'), in particular its religious and racial roots, on Bharat as the successor state to the Indic civilisation and the origins of the Indian Constitution. It lays the foundation for its sequels by covering the period between the Age of Discovery, marked by Christopher Columbus' expedition in 1492, and the reshaping of Bharat through a British-made constitution-the Government

of India Act of 1919. This includes international developments leading to the founding of the League of Nations by Western powers that tangibly impacted this journey. Further, this work also traces the origins of seemingly universal constructs such as 'toleration', 'secularism' and 'humanism' to Christian political theology. Their subsequent role in subverting the indigenous Indic consciousness through a secularised and universalised Reformation, that is, constitutionalism, is examined. It also puts forth the concept of Middle Eastern coloniality, which preceded its European variant and allies with it in the context of Bharat to advance their shared antipathy towards the Indic worldview. In order to liberate Bharat's distinctive indigeneity, 'decoloniality' is presented as a civilisational imperative in the spheres of nature, religion, culture, history, education, language and, crucially, in the realm of constitutionalism.

The Night of the Gods Bloomsbury Publishing

The blind matriarch, Matangi-Ma, lives on the topmost floor of an old house with many stories. From her eyrie, she hovers

unseeingly over the lives of her family. Her long-time companion Lali is her emissary to the world. Her three children are by turn overprotective and dismissive of her. Her grandchildren are coming to terms with old secrets and growing pains. Life goes on this way until one day the world comes to a standstill-and they all begin to look inward. This assured novel records the different registers in the complex inner life of an extended family. Like the nation itself, the strict hierarchy of the joint-family home can be dysfunctional, and yet it is this home that often provides unexpected relief and succour to the vulnerable within its walls. As certainties dissolve, endings lead to new beginnings. Structured with the warp of memory and the weft of conjoined lives, the narrative follows middle India, even as it records the struggles for individual growth, with successive generations trying to break out of the stranglehold of the all-encompassing Indian family. Ebbing and flowing like the waves of a pandemic, the novel is a clear-eyed chronicle of the tragedies of India's encounter with the Coronavirus, the cynicism and despair that accompanied it, and the resilience and

strength of the human spirit.
