Empire in Black and Gold Library of Alexandria

'Gold First' provides everything language students need to prepare for the Cambridge English First Exam (formerly Cambridge First Certificate of English).

Gold First New Edition Coursebook Longman

"No one makes me laugh harder than Judy Gold. If I had to pick one comedian to write a book about free speech, it would be Judy." – Amy Schumer From award-winning comedian Judy Gold, a concise, funny, and thoughtful polemic on the current assault on comedy, that explores how it is undermining free speech and a fundamental attack against the integrity of the art. From Mae West and Lenny Bruce to Richard Pryor and Howard Stern to Kathy Griffith and Kevin Hart, comedians have long been under fire for using provocative, often taboo subjects to challenge mores and get a laugh. But in the age of social media, comedians are at greater risk of being silenced, enduring shaming, threats, and damaged careers because of angry, censorious electronic mobs. But while comedians' work has often been used to rile up detractors, a new threat has emerged from the left: identity politics and notions like "safetyism" and trigger warnings that are now creating a cultural and political standard that runs perilously close to censorship. From college campuses to the Oscars, comics are being censored for old jokes, long-standing comedy traditions, unfinished bits and old material that instead of being forgotten, go viral. For comics like Judy Gold, today's attacks on comics would have Richard Pryor and Lenny Bruce "rolling in their graves." "No one has the right to tell comics what they can or cannot joke about. Do you tell artists what they can or cannot paint?" she asks. Freedom of speech is fundamental for great stand-up comedy. Humor is the most palatable way to discuss a subversive or taboo topic, but it better be funny. A comic's observations are deliberately delivered to entertain, provoke, and lead to an exchange of ideas. "We are truth tellers." More important, the tolerance of free speech is essential for a healthy

democracy. In addition to offering readers a quick study on the history of comedy and the arts (noting such historical reference points as The Hays Code) and the threats to them, Gold takes readers on a hilarious ride with chapters such as "Thank God Don Rickles is Dead," as well as her singular take on "micro-aggressions," such as: Person: "OMG! You're a lesbian? I had no idea. I mean you wear make-up. When did you become a lesbian?" Judy Gold: "Coincidentally, right after I met you!" (micro-assault!) In this era of "fake news," partisan politics, and heated rhetoric, the need to protect free speech has never been greater, especially for comics, who often serve as the canaries in the coalmine, monitoring the health of our democracy. Yes I Can Say That is a funny and provocative look at how safe spaces are the very antithesis of comedy as an art form—and an urgent call to arms to protect our most fundamental Constitutional right. There's a good reason it was the FIRST amendment.

Congressional Record Titan Books

It's 1918 . . . and Alice lives with her big family by the Swan River in Perth, while on the other side of the world, World War I rages. Alice's deepest wish is to become a ballerina, and when she auditions for a famous dance teacher from London, it seems as if her dreams might come true. But then there's a terrible accident, and Alice must ask herself whether there are more important things than dancing. Meet Alice and join her adventure in the first of four stories about a gifted girl in a time of war.

Still Life Dutton

Rod Ironsides, ambitious and hard-living mining expert, knows that the general managership of the Sonder Ditch gold mine is the chance of a lifetime. But the price of unquestioning obedience to the coldly obsessive genius of Dr Manfred Steyner proves impossible to pay. Both men are but unwitting tools of powerful people - for whom the control of a gold mine is only part of the realization of dreams and ambitions which include the destruction of the very mine itself...

The Interstellar Age HarperCollins UK

The definitive history of America's greatest incubator of innovation and the birthplace of some of the 20th century's most influential technologies "Filled with colorful characters and inspiring lessons . . . The Idea Factory explores one of the most critical issues of our time: What causes innovation?" —Walter Isaacson, *The New York Times Book Review* "Compelling . . . Gertner's book offers fascinating evidence for those seeking to understand how a society should best invest its research resources." —*The Wall Street Journal* From its beginnings in the 1920s until its demise in the 1980s, Bell Labs-officially, the research and development wing of AT&T-was the biggest, and arguably the best, laboratory for new ideas in the world. From the transistor to the laser, from digital communications to cellular telephony, it's hard to find an aspect of modern life that hasn't been touched by Bell Labs. In *The Idea Factory*, Jon Gertner traces the origins of some of the twentieth century's most important inventions and delivers a riveting and heretofore untold chapter of American history. At its heart this is a story about the life and work of a small group of brilliant and eccentric men-Mervin Kelly, Bill Shockley, Claude Shannon, John Pierce, and Bill Baker-who spent their careers at Bell Labs. Today, when the drive to invent has become a mantra, Bell Labs offers us a way to enrich our understanding of the challenges and solutions to technological innovation. Here, after all, was where the foundational ideas on the management of innovation were born.

The First Day of Spring Bloomsbury Publishing

The bell bandit: Siblings Evan and Jessie must solve the mystery of a missing cherished family treasure while coming to terms with their beloved grandmother's unsettling behavior.

The Lemonade War Three Books in One HarperCollins UK

An unforgettable tale of struggle, adventure and hope from War Horse author and former Children's Laureate, Michael Morpurgo.

The First Christmas HarperCollins

Empire in Black and Gold is the first instalment in the critically-acclaimed epic fantasy series *Shadows of the Apt* by Adrian Tchaikovsky. The days of peace are over . . . The Lowlands' city states have lived in peace for decades, hailed as bastions of

civilization. Yet that peace is about to end. A distant empire has been conquering neighbours with highly trained soldiers and sophisticated combat techniques. And the city states are its desirable new prize. Only the ageing Stenwold Maker – spymaster, artificer and statesman – foresees the threat, as the empires' armies march ever closer. So it falls upon his shoulders to open the eyes of the cities' leaders. He sees that war will sweep through their lands, destroying everything in its path. But to warn his people, he must stay alive. Empire in Black and Gold is followed by the second book in the Shadows of the Apt series, Dragonfly Falling.

Night Probe! Vintage

First Certificate Gold Clarion Books

The story of the men and women who drove the Voyager spacecraft mission— told by a scientist who was there from the beginning. --Publisher

Yes, I Can Say That Simon and Schuster

What happens in the woods, stays in the woods. . . Carey is keeping a terrible secret. If she tells, it could destroy her future. If she doesn't, will she ever be free? For almost as long as she can remember, Carey has lived in a camper van in the heart of the woods with her drug-addicted mother and six-year-old sister, Jenessa. Her mother routinely disappears for weeks at a time, leaving the girls to cope alone. Survival is Carey's only priority - until strangers arrive and everything changes . . . Jenny Downham, author of BEFORE I DIE, says that IF YOU FIND ME is "a beautiful book about survival, identity, family, love and so much more."

A SUNDAY TIMES BESTSELLER 'Cussler is hard to beat' Daily Mail

The page-turning Dirk Pitt classic from multi-million-copy king of the adventure novel, Clive Cussler. May 1914. Two diplomats hurry home by sea and rail, each carrying a document of world-changing importance. Then the liner Empress of India is sunk in a collision, and the Manhattan-Line express plunges from a bridge - both dragging their VIP passengers to watery oblivion. Tragic coincidence or conspiracy? In the energy-starved, fear-torn 1980s, Dirk Pitt discovers that those long-lost papers could destroy whole nations, throwing him into his biggest challenge yet. Racing against hired killers, he launches his revolutionary deep-sea search craft and faces the horrors of the sea bed to hunt for the documents. 'Night Probe' has begun . . . 'Clive Cussler is the guy I read' Tom Clancy 'The Adventure King' Daily Express Mariah Mundi Pearson Longman

Twist of Gold Pearson Longman

Naomi Novik's Spinning Silver meets Game of Thrones in a mesmerising and unputdownable Balkan fantasy novel of family and survival from the instant New York Times bestselling author of Wilder Girls. Rhea and her twin brother Lexos have spent an eternity helping their father rule their small, unstable country. For a hundred years, they've been each other's only ally, defending one another against their father's increasingly unpredictable anger. Now, with an independence movement gaining ground and their father's rule weakening, the twins must take matters into their own hands to keep their family - their entire world - from crashing down around them. But other nations are vying for power, ready to cross and double cross, and if Rhea and Lexos aren't careful, they'll end up facing each other across the battlefield.

Penguin

* THE GUARDIAN 2021 BEST CRIME AND THRILLER PICK * 'An unforgettable narrative voice' Paula Hawkins 'A darkly dazzling debut . . . gripping' Lisa Jewell 'Gorgeously written' Pandora Sykes 'I loved this book' Clare Mackintosh 'Sharp-edged and highly discussable' Booklist _____ 'So that was all it took,' I thought. 'That was all it took for me to feel like I had all the power in the world. One morning, one moment, one yellow-haired boy. It wasn't so much after all.' Chrissie knows how to steal sweets from the shop without getting caught, the best hiding place for hide-and-seek, the perfect wall for handstands. Now she has a new secret. It gives her a fizzing, sherbet feeling in her belly. She doesn't get to feel power like this at home, where food is scarce and attention scarcer. Fifteen years later, Julia is trying to mother her five-year-old daughter, Molly. She is always worried - about affording food and school shoes, about what the other mothers think of her. Most of all she worries that the social services are about to take Molly away. That's when the phone calls begin, which Julia is too afraid to answer, because it's clear the caller knows the truth about what happened all those years ago. And it's time to face the truth: is forgiveness and redemption ever possible for someone who has killed? The gripping and dark book club debut with a compelling voice at its centre. _____

'Perceptive and compassionate' Guardian 'A stunning debut' Washington Post 'Compelling . . . stunningly powerful' Grazia 'An extraordinary and heart-rending novel' Observer 'Compulsively readable' Ashley Audrain 'This is outstanding . . . so powerful' Tracy Fenton 'A gripping, unsettling debut novel' Abigail Dean _____ Readers love The First Day of Spring . . . ***** 'A powerful, distressing, haunting, but ultimately brilliant read' ***** 'Such a heartbreaking and powerful psychological drama that will stay with me for a long time' ***** 'An incredible book' ***** 'A thought provoking, dark and compulsive read... Highly recommend' ***** 'You DO NOT want to miss The First Day of Spring!'

Gold First New Edition Coursebook for MyEnglishLab Pack Pan Macmillan Adult

In 1937 Ernest Hemingway traveled to Spain to cover the civil war there for the North American Newspaper Alliance. Three years later he completed the greatest novel to emerge from "the good fight," For Whom the Bell Tolls. The story of Robert Jordan, a

young American in the International Brigades attached to an antifascist guerilla unit in the mountains of Spain, it tells of loyalty and courage, love and defeat, and the tragic death of an ideal. In his portrayal of Jordan's love for the beautiful Maria and his superb account of El Sordo's last stand, in his brilliant travesty of

La Pasionaria and his unwillingness to believe in blind faith, Hemingway surpasses his achievement in *The Sun Also Rises* and *A Farewell to Arms* to create a work at once rare and beautiful, strong and brutal, compassionate, moving, and wise. "If the

function of a writer is to reveal reality," Maxwell Perkins wrote to Hemingway after reading the manuscript, "no one ever so completely performed it." Greater in power, broader in scope, and more intensely emotional than any of the author's previous works, it stands as one of the best war novels of all time.
