For millennia, the sacred drummers of pre-Christian Mediterranean and western Asia were women. In this inspiring book, Layne Redmond, herself a renowned drummer, tells their history. Artistic representations reveal that female frame drummers carried the spiritual traditions of many of the earliest recorded civilizations. During those ancient times, the drummer-priestesses held the keys to experience of the divine through rhythm. They were at the center of the goddess worship of matriarchal societies until the ascendance of patriarchal cultures and the loss of drumming as a spiritual technology. With wisdom and passion, Redmond chronicles our species' deep connection to the drum, our rich heritage of inseparable spirituality and music, and the modern-day women reclaiming it. This book encourages readers—both women and men—to reestablish rhythmic links with themselves, nature, and other people through the power of drumming. Redmond illustrates her message with an extensive collection of images gathered during ten years of research and travel. Woven throughout the book are strands of ancient ritual and mythology, personal stories, and scientific evidence of the benefits of drumming. It is at once a history, a memoir, and a resounding call for spiritual and social renewal.

Fake news is not new, and this issue poses an even greater challenge now. The speed of information has increased drastically with messages now spreading internationally within seconds online. With countless photographs, opinions, and hours of video published online every falsehoods proliferate rapidly. Readers are overwhelmed by the flood of information, but older markers of veracity (respected publications, official sources) have not kept up, nor has there been a commensurate growth in the ability to counter false or fake news. In many cases, staid publications of record such as newspapers have been eclipsed by new, visually attractive, and sometimes false, sources of information. All this has given an opportunity to those seeking to destabilize a state or to push their perspectives to the fore. Modern disinformation operations only need free Twitter or Facebook accounts or access to platforms such as WhatsApp or Telegram. DRUMS: Distortions, Rumours, Untruths, Misinformation and Smears deals with the appeal of DRUMS, the ways DRUMS is employed, and measures to counter it. Organized in three sections — (i) Cognitive Predispositions and DRUMS, (ii) The Employment of DRUMS, and (iii) Countering DRUMS — this book offers a holistic discussion through the different specializations and different experiences of its academic, think-tanker, or policy practitioner contributors. DRUMS: Distortions, Rumours, Untruths, Misinformation and Smears aims to serve those new the topic or subject matter specialists seeking to widen their knowledge on other elements of the issue.

Charlie Watts' Favorite Drummers Alfred Music

There he is, drumming on "Tutti Frutti," "You've Lost That Lovin' Feelin'," and thousands of other

songs. As a studio player in New Orleans and Los Angeles from the 1940s through the 1970s, Earl Palmer co-created hundreds of hits and transformed the lope of rhythm and blues into full-tilt rock and roll. He was, as a result, one of the first session men to be inducted into the Rock and Roll Hall of Fame. Palmer's distinctive voice alternates with the insights of music journalist and historian Tony Scherman in an unforgettable trip through the social and musical cultures of mid-century New Orleans and the feverish world of early rock.
